The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. Whatever your shopping style - diligent researcher, casual browser, or determined time saver - "Consumer Reports" is there with its all-new 2004 edition of "The Buying Guide," Trusted product reviews, comparisons, test results and Ratings of over 800 products combined with the expertise of "Consumer Reports" will help you in making your buying decisions for the entire year. Provides information on the truck and specialty vehicles business, including: automotive industry trends and market research; mergers, acquisitions, globalization; automobile manufacturers; truck makers; makers of specialty vehicles such as RVs; automobile loans, insurance and other financial services; dealerships; and, components manufacturers. Contains specific recommendations for various household products and car repair records. Terrorists, drug traffickers, mafia members, and corrupt corporate executives have one thing in common: most are conspirators subject to federal prosecution. Federal conspiracy laws rest on the belief that criminal schemes are equally or more reprehensible than are the substantive offenses to which they are devoted. The essence of conspiracy is an agreement of two or more persons to engage in some form of prohibited misconduct. The crime is complete upon agreement, although some statutes require prosecutors to show that at least one of the conspirators has taken some concrete steps or committed some overt act in

furtherance of the scheme. There are dozens of federal conspiracy statutes. This book examines conspiratorial crimes and related federal criminal law with a focus on the federal Racketeer Influenced and Corrupt Organization (RICO) provision of the Organized Crime Control Act of 1970; money laundering and the 18 U.S.C. 1956 statute; mail and wire fraud; and an overview of federal criminal law. Vehicle shoppers can benefit from the what they've come to expect from the Edmunds name: true market values for trade-ins, private party and dealership-highlighted yearly model changes, and in-depth advice. 'Since its first auto test fifty years ago, Consumer Reports has become the No. 1 source that car buyers turn to when buying a new or used vehicle.'

-USA Today Consumer Reports is the definitive authority on unbiased automotive ratings. As stated in USA Today, 'more than 40% of car shoppers use Consumer Reports for information.....That makes Consumer Reports the biggest single source of information car buyers use.'
