Industrial Maintenance and Mechatronics Jan 25 2023 "Industrial Maintenance and Mechatronics provides support for an Industrial Technology Maintenance (ITM) program. It covers the principal industrial technology disciplines, with a focus on electrical systems and electronic controls. It provides students with the necessary knowledge for entry-level positions in industrial maintenance and prepares them for NIMS Level 1 credentialing"--

Rodinsky's Room Jul 19 2022 Rodinsky's world was that of the East European Jewry, cabbalistic speculation, an obsession with language as code and terrible loss. He touched the imagination of artist Rachel Lichtenstein, whose grandparents had left Poland in the thirties. This text weaves together Lichtenstein's quest for Rodinsky -which took her to Poland, to Israel and around Jewish London -with Iain Sinclair's meditations on her journey into her own past, and on the Whitechapel he has reinvented.

Jack Russell Forever Apr 04 2021 New York. Hello everyone, my name is Jack and I'm a three and a half year old Jack Russell terrier. I'm a small dog, less than a foot tall at the withers. I'm in great shape in my 11 lb and my coat is smooth as well as waterproof. I'm mostly white with brown biscuit spots on the muzzle, on the left side of the neck, on the belly, on the butt and on the tail. My owners called me Jack, not because I come from the Jack Russell breed, but to pay homage to a crazy protagonist of one of their favorite cult films: "Big trouble in Little China". It must be said that they didn't have much choice, since I didn't respond at all to the name given me at birth. You must know that the owner of the breeder I came from, on the suburbs of New York, is a nice eccentric man with a manic fixation with the Arthurian cycles. At each litter was born an Arthur, a Merlin, my poor brother is called Excalibur, while my name was Camelot. Maybe it would not have been such a horrible name under different circumstances, but you'll soon understand why I couldn't help but change it! This is the wonderful story of how I, Nick and Matt, have become rich and famous all over the planet. This is the story of a great friendship and a fantastic dream with a happy ending... So, what are you waiting for? Come on, I have a lot of things to tell you!www.maria-vittoria-pratesi.cominstagram: mariavittoriapratesi.writer

Popular Religion in the Middle Ages Jan 13 2022 Here is the first general account of the religious and irreligious ideas entertained by the populace at large in the Middle Ages. Between 1000 and 1300, vital changes took place in thought and art and religious inspiration, and the renewal of urban life in a world still centered on the feudal knight and peasant. How can we enter the minds of the mass of the people during those centuries? How did laymen look upon bishops and popes, the Bible, the saints; how did they regard judgment, heaven and hell? The answers to such questions lie in what remains of the churches in which people worshipped, in the images of stone and glass they valued, in contemporary poems and songs, and in other scattered sources. But the evidence requires careful and imaginative interpretation, and this the authors have provided, bringing each theme to life in text and pictures and expertly supplying the framework of a historical context.--From publisher description.

Hand Of Isis Sep 21 2022 Against the rising power of Rome, Egypt is the last and strongest bastion of the Eastern Hellenistic kingdoms. Charmian is Cleopatra's half sister, daughter of Pharaoh and a woman of the harem. She shares a great honour and a terrible burden with Cleopatra and their sister Iras - they are fated to defend Egypt from those who would destroy her. So when Roman Julius Caesar comes to Egypt in pursuit of his enemies, Charmian and her sisters are drawn into a deadly struggle. One that will shape the world to come. From mysterious temples hidden in the desert to the perilous palaces of Rome, from the tomb of Alexander the Great to the very Gates of Amenti, Charmian must face foes seen and unseen in a battle for her family, her love and her gods.

The Bandini Quartet Nov 11 2021 Possessing a style of deceptive simplicity, emotional immediacy and tremendous psychological point, among the novels, short stories and screenplays that complete his career, Fante's crowning accomplishment is the Arturo Bandini tetralogy. This quartet of novels tell of Fante's fictional alter-ego Bandini, an impoverished young Italian-American escaping his suffocating home in Colorado for Depression-era Los Angeles. In the beginning, it is the triple weights of poverty, father and Church that Bandini struggles under but though the physical escape is complete, the psychological imprint continues as he comes to terms with love, desire and the knowledge his talent may not be recognised.
