Oki Tashino. When it becomes apparent that the end of the war is imminent and that he will have to face the War Crimes Committee, Tashino switches identities with a dead Japanese soldier. As our story moves forward to the present, the crew of the Stuart is having their annual reunion when word is received that Oki Tashino is alive and touring the U.S. on business. during World War II. One week after the reunion, Tashino is found murdered in his hotel room on Long Island. The subsequent police investigation points to a crewmember of the Stuart. But who?
