Tell Me When Dec 27 2022 She's trying to escape her past. He wants to be the man to save her... I should be enjoying life as a college freshman. I should be pursuing my dream of becoming a veterinarian. I should be working hard to make sense of my precalculus math class. I shouldn't be waking up my college roommate with screaming nightmares. I shouldn't be flashing back, reliving the three weeks of hell I barely survived last year. And I definitely shouldn't be spending time with sexy player Marcus Reid. But engineering student Marcus is the only one keeping me from failing my math course, so I grudgingly let him into my life. I never expect the king of hookups will share his painful past. Or that I'll tell him my secrets in return, opening up and trusting him in a way I thought I'd never be able to again. When our fragile future together is threatened by a stalker I thought was locked away for good, Marcus is determined to protect me—and I'm determined to protect Marcus...even if that means pushing him away. This novel was previously published by a traditional publisher under the same title. An addictive, gripping journey of hope, healing, and finding forgiveness. I could not put this book down! Both characters were raw and authentic, and the chemistry between them was off the charts. Marcus Reid is the ultimate book boyfriend.—Rachel Harris, Author of SEVEN DAY FIANCÉ TELL ME WHEN is a heartbreaking and emotional story. Be prepared to do nothing else but read once you start this book! —Fresh Fiction I felt that even though the subject matter is a little over used, Tell Me When did it in a way that was rawer, darker and more realistic and that made it feel fresh and unique. —Bookish Treasures If you're looking for an exciting read, filled with secrets, mystery, danger, and realism, this story is a perfect match! **You Cannot Resist Me When My Hair Is in Braids** Oct 13 2021 In the aftermath of a messy divorce, Frances Kai-Hwa Wang writes in the hope of beginning to build a new life with four children, bossy aunties, unreliable suitors, and an uncertain political landscape. The lyric essays in *You Cannot Resist Me When My Hair Is in Braids* deftly navigate the space between cultures and reflect on lessons learned from both Asian American elders and young multiracial children, punctuated by moments rich with cultural and linguistic nuance. In her prologue, Wang explains, "Buddhists say that suffering comes from unsatisfied desire, so for years I tried to close the door to desire. I was so successful, I not only closed the door, I locked it, barred it, nailed it shut, then stacked a bunch of furniture in front of it. And now that door is open, wide open, and all my insides are spilling out." Full of current events of the day and #HashtagsOfTheMoment, the topics in the collection are wide ranging, including cooking food to show love, surviving Chinese School, being an underpaid lecturer, defending against yellow dildos, navigating immigration issues, finding love in a time of elections, crying with children separated from their parents at the border, charting the landscape of frugal/hoarder elders during the pandemic, witnessing COVID-inspired anti-Asian American violence while reflecting on the death of Vincent Chin, teaching her sixteen-year-old son to drive after the deaths of Trayvon Martin and George Floyd, and trusting the power of writing herself into existence. Within these lyric essays, some of which are accompanied by artwork and art installations, Wang finds the courage and hope to speak out for herself and for an entire generation of Asian American women. A notable work in the landscape of Asian American literature as well as Midwest and Michigan-based literature, *You Cannot Resist Me When My Hair Is in Braids* features a clear and powerful voice that brings all people together in these political and pandemic times.

*You Don't Know Me: When The Stars Call Your Name* Jan 16 2022

"The most engaging, hilarious, and imaginative stories about a young person coming of age since "The Adventures of Huckleberry Finn!" Rainbo is born with a special gift, she is able to speak to creatures of the natural world. But what happens when Rainbo's mother sees her "speaking" with a snake? Or listening to stars call her name? This magic realism tale, narrated by a multi-ethnic young girl, resonates with such wisdom and truth, the reader is struck by a rare and memorable beauty! As Rainbo says, "This is the most eye-poppin', jaw-droppin', extraordinary, fantastic, adventure stories of all time, and if you don't like it, just bring it back and I'm sure these friendly people who got me to write this would give you your money back. In the meantime, bon voyage and adieu and happy trails and all that. Your friend, rainbo b. seed

P.S. Here's the beginning of my book if you want to read more." "You don't know me.....but I ain't who you think I am. I ain't red or yellow or black or brown or white. I'm all those colors and more! Grandma says I'm all those colors and more because I'm the granddaughter of the First Peoples of the World. 'Course I don't take everything grandma says as fact, being as she communes with spirits and ghosts and the like. One thing for sure: I know nothing about The World. I mean--snakes alive!--how am I supposed to know The World, when I can't even tell you why the sky is blue, or where my freckles come from, or what makes the moon change into jack o' lantern faces each night. Wait! I ain't told you who I am yet have I? I do that. I get so caught up in the telling sometimes I forget to tell what people wants to know first. So...I'm Rainbo. Rainbo B. Seed. Rainbo after all them colors I done told you 'bout and B after Bwana, a great African Princess. Bwana means beautiful in Swahili, least that's what my mama says, and you don't be crossing mama when she tells you such a thing. Anyways, I ain't so beautiful with my pink freckles and my red hair that's so curly even my curls got curlicues. So no, I don't go by Bwana. I just go by Rainbo, or Rainbo B., or Rainbo B. Seed if people want to be formal. Now first off, I ain't no witch, and neither is my grandma. I mean Pooff!, I couldn't turn you into a toad even if I wanted to. That's black magic bizness and, like I said, I'm no

witch, not even a white one!! I'm a whisperer. A snake-whisperer. I know, you ain't never heard of no snake-whisperer. You've heard about horse-whisperers and dog-whisperers and elephant-whisperers and monkey-whisperers and dolphin-whisperers. Maybe you even heard of whisperers who whisper to the whisperers in such soft sweet sounds that even butterflies and bees can hear their whispers as they flutter from flower to flower. But snakes!-that's a leap of faith across the Grand Canyon of your imagination! I was born with the gift of hearing the suspirating voices of the reptilian realm, and that's the upside down of it!!! Somehow the reptilian part of my brain got tuned in to the reptilian part of reptile's brains and I could hear everything they thought and said under their whispering breaths. And if it happened I won "America's Got Talent" and became famous and helped the Snake Clan to fly, well, that happened more by accident than by sorcery. Uh oh!!! Someone's knocking on my door....?...?...? Okay. I think we're safe... See, I ain't supposed to be writing this. 'Cause I'm kinda under house arrest. With the F-B-I. They call it Witness Protection! 'Cept I ain't no witness and I sure don't feel protected. Not from Ivan Putinovitz and his Russian goons. But I ain't about to keep quiet so long as those news people keep spreading lies about me. So let's go!!

**Think of Me When You Drink Tea** Nov 02 2020 Because of her hearing impairment, as a child Quincella had a speech impediment. She was self-conscious of her speech and found solace in writing. When she was eleven, her mother bought her a diary, and Quincella began to write. The words flowed as she found a healthy outlet for her emotions, and as the words began to rhyme, young Quincella realized she was a poet. Think of Me When You Drink Tea is a soothing collection of poems that evokes deep feeling. Each poem is its own little story and draws on real-life experiences, as well as on hopes and dreams. Quincella's poems touch on fashion, art, love, and social justice. She hopes to inspire and empower, giving readers a sense of pride in who they are. While having a cup of tea, imagine the sound of waves crashing on a beach. Visualize yourself sophisticated, confident, and walking tall. Life is a journey filled with obstacles, triumphs,

and failures, and Quincellas collection encompasses the emotions of all. Still, always remember: do not cry because things ended; smile because they happened.

**Bittersweet** Jun 09 2021 Clifford. Victor. Nathan. Three brothers as different as they come. Three lives that veer unexpectedly off course. One bond that heals them all. . . . Clifford sees his life as picture-perfect: two wonderful young sons, a fast-track career, and a solid marriage. But fresh back from a family vacation in Florida, Clifford is hit with a stunning blow when his wife Demetria declares that she is leaving him for “true love, excitement, and fun”—an announcement that throws him into an uncontrollable tailspin of denial. With one failed marriage under his belt, and a precious daughter his ex-wife bars him from seeing, Victor is no expert in romantic love. His philosophy? The only way to keep a woman from squeezing every last drop from you is to get out before things get too deep. But lately Victor hasn’t been feeling quite like himself—especially since he’s been falling for Edie and her little girl. Seems like he spends more time looking out for her than he does staking out new booty calls. Even in the face of tragedy and travail, Nathan, a minister, remains hopeful. His marriage is a paragon of Christian ideals, his loving wife Brenda is his soul mate and support. But it wasn’t always that way. Nathan has left some ugly wreckage in his wake before finding God. Now he and Brenda are truly blessed with a solid family and an adoring congregation. Then, a troubled divorcée tempts Nathan—and threatens the sacred vows he swore to uphold. While Clifford, Victor, and Nathan struggle with the unexpected—faltering marriages, breaking hearts, and torn childhoods that threaten to repeat themselves in the lives of their children—each will discover the true redemptive power of a brother’s love. By turns fierce and passionate, tender and humorous, this wise novel blasts the stereotype that black men’s ties to their families are tenuous at

best. Freddie Lee Johnson III tells a refreshing story of three complex men who fight to do right by their families—both the ones they created, and the one they were born into. The result is Bittersweet.

Text Me When You Get Home Nov 14 2021 “Text Me has the

thrills and laughs of a romantic comedy, but with an inverted message: 'There just isn't only one love story in our lives,' Schaefer writes. If you're lucky, friends will be the protagonists in these multiple love stories. It's high time that we start seeing it that way."—NPR.org A personal and sociological examination—and ultimately a celebration—of the evolution of female friendship in pop culture and modern society For too long, women have been told that we are terrible at being friends, that we can't help being cruel or competitive, or that we inevitably abandon each other for romantic partners. But we are rejecting those stereotypes and reclaiming the power of female friendship. In *Text Me When You Get Home*, journalist Kayleen Schaefer interviews more than one hundred women about their BFFs, soulmates, girl gangs, and queens while tracing this cultural shift through the lens of pop culture. Our love for each other is reflected in Abbi and Ilana, Issa and Molly, #squadgoals, the acclaim of *Girls Trip* and *Big Little Lies*, and Galentine's Day. Schaefer also includes her own history of grappling with a world that told her to rely on men before she realized that her true source of support came from a strong tribe of women. Her personal narrative and celebration of her own relationships weaves throughout the evolution of female friendship on-screen, a serious look at how women have come to value one another and our relationships. *Text Me When You Get Home* is a validation that has never existed before. A thoughtful, heart-soaring, deeply reported look at how women are taking a stand for their friendships and not letting go.

*Will You Miss Me When I'm Gone?* Apr 19 2022 The first major biography of the Carter Family, the musical pioneers who almost single-handedly created the sounds and traditions that grew into modern folk, country, and bluegrass music. Meticulously researched and lovingly written, it is a look at a world and a culture that, rather than passing, has continued to exist in the music that is the legacy of the Carters—songs that have shaped and influenced generations of artists who have followed them. Brilliant in insight and execution, *Will You Miss Me When I'm Gone?* is also an in-depth study of A.P., Sara, and Maybelle Carter, and their bittersweet story of love and fulfillment, sadness and loss. The result is more than just a biography of a family; it is also a journey into another time, almost another world, and theirs is a story that resonates today and lives on in the timeless music they created.

**The Grey Woman** Mar 06 2021 Anna, a German mill-owner's daughter, marries a French aristocrat and moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of

Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

*Catch Me When I Fall* Jan 28 2023 Welcome to Poplar Grove, a farming community with three generations of Dutch-Canadians. Life in the New World has not become less complicated as the decades have passed, and now, a set of dying customs is about to collide with the ways of a new generation. The balance is shifting between people comfortable holding hymnals and cleaning cows' teats and those who are uneasy with traditional expectations. A young woman grapples with contradiction between the pious appearance of her best friend's family and the bits of reality she hears in her friend's confidences; a woman mourns the loss of her disabled son, but also wishes to end the ritual state of mourning; a girl finds herself stranded on the battlefield between her new-age brother and her Old World parents. These people are bound by time-worn expectations and the demands of an agricultural life. With humour and insight, author Patricia Westerhof examines a place where opposing ideologies mingle, and a community struggles to redefine who and what they are.
