In this fascinating and moving memoir, sisters Jacky and Madeline share the communications they have received from their beloved father, Ron, since he passed away in February 2008. Ron reaches out to them from 'the other side' to show his family that there most certainly is life after death. Ron visits family and friends in dreams, shows them the future in visions, and plays havoc with door bells, light switches and alarms. He reaches out to them to prove that he is safe in the afterlife, and to offer reassurance and guidance from beyond. This extraordinary book shows that this life is not the end, and that happiness can be found in the afterlife. It is a touching and emotional tribute to their father

that will offer comfort and hope to anyone who has lost someone they love. This is an inspirational story that allows children to understand the purpose of following those that are following Christ. It also illustrates by way of pictures in how the steps towards righteous takes place. My goal is to guide our young children unto the Kingdom of heaven in a positive and joyful way. Jesus took me to heaven. Heaven is a real and very beautiful place, and inside there are places of delicate pastures where all God's children can find rest and rest. I have had many experiences with the Lord, and this is that first portion of His care, of His love, of His goodness, of His personal relationship with me. America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and delivering messages from the other side. His sold-out live group readings, television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his

day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in When Heaven Calls, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires. In December 1943, 20-year-old Army private George Ritchie died of pneumonia. Nine minutes later, he came back profoundly changed. What happened to him while his dead body lay under a sheet would change his life, and that of his family, friends, and patients. His bestselling book about his experiences, Return from Tomorrow, has sold more than 250,000 copies. In this book George Ritchie briefly retells the story of that strange experience and then tells what happened later, including the real miracles that he has seen in his years of practice as a physician and psychiatrist. Included here are powerful stories of physical and emotional healing that were informed by those nine minutes on "the other side." Replaces

Order to Return, 978-1-57174-096-0 "A comprehensive look at Heaven that will change your life. Through a series of heartwarming telepathic conversations between Matthew Ward (who died at age 17) and his mother, Suzanne, we learn about the astonishing activity and diversity of life in the realm we call Heaven. Matthew clears up common misconceptions about the world where he lives (he says its proper name is Nirvana) and he explains why, in this unprecedented time in the history of Earth, it is essential that we know the truth of our beginnings and our relationship with all of creation. Without that truth, we cannot understand either the purpose of our lives or how to prepare confidently and joyously for what is to come. Topics: Heaven's location and purpose, residents and visitors, reception of souls, reunions with loved ones, relationships, children, animals, angels and spirit guides, near-death experiences, suicide, food, travel, employment and recreation, cultural resources, education, music, buildings, etheric bodies, lifeprint review, emotions, communication between Heaven and Earth, the effects of prayer."--Publisher description. INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of

how she saw the living Christ, visited Hell, and walked in Heaven. "On January 19, 1996, I woke up at 3:00 in the morning. My body was shaking...I turned my head on the pillow to look in the direction of the sound, and there, all aglow, was a figure dressed in white garments. IT WAS THE LORD..." How could this be happening to me? I wondered...as I began to tremble...and to weep tears of love and joy. "My daughter...I am your Lord, and I want to talk to you. I am going to visit you many times before this work is done." "The impact of His voice, His words, His message hit me with a supernatural force..." Not once not twice but ten times that month, the Lord Jesus appeared by her bedside and spoke to her. Then the journey began.... SHARE Choo's humble narrative, as each heavenly visit prepares her for the next. SENSE the growing wonder of Jesus presence. FEEL the weight of His tender words. JOURNEY through heaven led by the Savior learning His holy thoughts. HEAR the heart-tearing, supernatural words spoken from the throne. DRINK in the Spirit of God. WONDER at the beauty of this revelation of heaven. Biblical Evidence That Animals Really Do Go To Heaven. If you have pets or are grieving the loss of a pet then you must read this book. We love our pets and they love us. They become part of the family and it is painful when we

have to say goodbye, however, you will be comforted to know that they are not gone forever as many people would believe. Inside this book you will get a glimpse of what heaven will be like and you will see that God loves and cares for his animals and there is indeed a place for them in heaven. In this book you will learn that animals are innocent and are not in need of salvation and that it was never our Heavenly Father's desire that we or his animals would suffer death. The pets that we had to say goodbye to are alive in heaven right now in their spiritual bodies and we will see them again if we accept Jesus as our Savior. Your Pet Is Not Gone Forever. I know how hard it is to lose a pet. I've had the pleasure of caring for many pets throughout my life and I am grief stricken every time one of them passes away. Dealing with the loss of a pet is difficult, especially when you've been taught as a child and led to believe throughout the years by misinformed people such as parents, family, and friends that they are gone forever and that you'll never see them again. After losing my Black Lab back in December 2009 and then my Golden Retriever in 2011 I decided to find out for myself what the Bible had to say about the subject. What I found out was very comforting and I know you will be comforted too when you read this book. Gently guides adults and children to see

what the Bible really has to say about Heaven and those who live there. This gentle and uplifting story is designed to help young children come to terms with losing someone special. The book follows the story of Bradley Bunny and his grandfather, Grandpa Rabbit. At one stage, Bradley asks Grandpa Rabbit what heaven is like. Grandpa says that he has always believed it to be a 'super special' place. He then asks Bradley to imagine 'a place in the sky that feels special'. Bradley Bunny imagines a carrot themed carnival in the sky! Grandpa Rabbit says that he imagines a beautiful garden, full of old friends and delicious food. Either way, when Grandpa Rabbit eventually goes to Heaven, Bradley is secure in the knowledge that that Grandpa will be very happy there. At the beginning of the story, Grandpa Rabbit had given Bradley a gift. At the end of the story, this gift reappears, and serves as a moving reminder to Bradley that, whilst the grandpa he loves has left, in some way, he will always be with him. "Are there animals in heaven?" Losing a pet is an experience that leaves a gaping hole in our hearts. I find that just talking about a rainbow bridge doesn't really help. It is a beautiful thought, but I am a Bible-believing Christian, so that led me to look up all references to rainbow in the Bible. Although there is no mention of a "rainbow bridge," what I found

was that the rainbow covenant God made with Noah wasn't just to mankind but to every living creature that was with him! It was a covenant between God and all of his creation! God made an eternal, binding promise to animals! If they are temporary or if he didn't love them, why would he make this everlasting covenant with them? That inspired my journey to start at Genesis and walk through the entire Bible to see what God says. I decided to share the answer and hope that it blesses all who read it. This volume traces the backgrounds, origin, and development of early Jewish and Christian speculation about the heavenly realm - where it is, what it looks like and who its inhabitants are. This book is very humorous, and it gets straight to the point. It could leave you with tears falling from your eyes or make you very angry. My mama was my heart and my soul. She taught me everything I know. I am the man I am because of her. She was my backbone. She was there for me through hard times and good times. What can I say? Words do not explain the things I feel about my mama. She stood by my side when no one else would. She was truly, truly a mother. Over 1 Million Copies Sold! Have you ever wondered . . . ? What is Heaven really going to be like? What will we look like? What will we do every day? Won't Heaven get boring after a while?

We all have questions about what Heaven will be like, and after twenty-five years of extensive research, Dr. Randy Alcorn has the answers. In the most comprehensive and definitive book on Heaven to date, Randy invites you to picture Heaven the way Scripture describes it—a bright, vibrant, and physical New Earth, free from sin, suffering, and death, and brimming with Christ’s presence, wondrous natural beauty, and the richness of human culture as God intended it. This is a book about real people with real bodies enjoying close relationships with God and each other, eating, drinking, working, playing, traveling, worshiping, and discovering on a New Earth. Earth as God created it. Earth as he intended it to be. The next time you hear someone say, “We can’t begin to image what Heaven will be like,” you’ll be able to tell them, “I can.” “Other than the Bible itself, this may well be the single most life-changing book you’ll ever read.” —Stu Weber “This is the best book on Heaven I’ve ever read.” —Rick Warren “Randy Alcorn’s thorough mind and careful pen have produced a treasury about Heaven that will inform my own writing for years to come.” —Jerry B. Jenkins “Randy does an awesome job of answering people’s toughest questions about what lies on the other side of death.” —Joni Eareckson Tada About the Author Randy Alcorn is an author and the

founder and director of Eternal Perspective Ministries, a nonprofit ministry dedicated to teaching principles of God's Word and assisting the church in ministering to unreached, unfed, unborn, uneducated, unreconciled, and unsupported people around the world. A New York Times bestselling author of over 50 books, including Heaven, The Treasure Principle, If God Is Good, Happiness, and the award-winning novel Safely Home, his books sold exceed eleven million copies and have been translated into over seventy languages. Randy resides in Oregon with his wife, Nanci. Based on the author's real-life story of dying on a mountain, this enthralling book combines the thrills of a wilderness adventures with the awe inspiring elements of a paranormal novel. In March of 1980, college senior Peter Panagore went ice climbing on the world-famous Lower Weeping Wall, along the Ice Fields Parkway in Alberta, Canada. His climbing partner was an experienced ice climber, but Panagore was a novice. On their descent, they became trapped on the side of the mountain. As the sun set, he was overcome by exhaustion and hypothermia. He died on the side of that mountain in 1980. In his minutes on the other side, he experienced hell, forgiveness, and unconditional love. Heaven was beautiful. Panagore's near death experience (NDE) changed

his life and resulted in an intense spiritual journey that has continued for decades. It impelled him to pursue a master's degree at Yale Divinity School focusing on systematic theology and Christian mysticism. His educational background coupled with 30 years of yogic and meditative practice and 20 years of professional work with the dying and grieving has given him unique insight, language, and perspective on heaven, God, death, life, love, beauty, and hope. "I have told my story to audiences large and small for a decade now. . . . My story touches people's hearts; every time I tell it the audience is gripped and silent. . . . This book is about hope. It is meant to give real hope to the dying, hope to the fearful, hope to the hopeless, hope to the grieving." "Marty Machowski shares deep theological truths about heaven through a creative story"-- In his acclaimed books, renowned writer, speaker, and philosophy professor Dallas Willard explored the nature of Christian life in God's Kingdom. Yet one topic remained undisclosed: Willard's understanding of heaven and eternal life. In the months before his death, Willard engaged in moving and insightful conversations about the meaning of life and the life to come with close friend and theologian Gary Black Jr. These inspiring dialogues were steeped in biblical theology as well

*as practical wisdom grounded in the here-and-now. In **Preparing for Heaven Black** reveals not only Willard's profound and liberating vision of life after death, he also deftly unpacks the implications these realities hold for our lives today. **Black** shows how Willard understood our mortal lives as preparation for what comes next—that death is not the end of one life and the beginning of another, but rather a transition through which we continue the transformational work begun on Earth. Informative, challenging, and poignant, Willard and **Black's** conversations and insights challenge us to reconsider our beliefs—that perhaps the line separating the afterlife from this life is not as absolute as we think, and that there is work to be done both now and in the glorious life to come. As a result we will find that our faith is more vibrant—and eternal—than we have dared to imagine. What happens to us when we die? Many think of heaven as an unimaginable state of bliss. As for hell, it's far out of proportion to any sin we might have committed and makes a travesty of God. But what if the afterlife was something very different? The key to such knowledge is mediumship. Three decades of research have taught the author, a world expert in the field of death and afterlife studies, who the most reliable voices are. These accounts are far better*

developed and more plausible than anything found in the world's scriptures or theologies. We hunger for a reliable revelation telling us that life here and now is meaningful and good, that each of us has an important part to play in its proper unfolding, that we are accountable for all we do, and that the godless materialism all around us is a pathological mistake. The world ahead, unlike ours, is fascinating and fair. Authentic mediums may be the closest thing to the voice of God that our planet has. The light is always on Because Jesus is waiting for you. The very best part of Heavens that He's going to be there too. Heaven is a real place. It's where Jesus lives and waits for those he loves to come to him. It's a place of joy and love and hope—a place where all of God's children, young and old, will stay and be happy forever. Engaging questions and scripture references in the back of this book will help parents reinforce the message that Heaven is a place of love that we can all look forward to seeing one day. There's even a special keepsake invitation for children to RSVP to Jesus! Shares an account of his religiously transformative near-death experience and revealing week-long coma, describing his scientific study of near-death phenomena while explaining what he learned about the nature of human consciousness. I died and I remember it! I passed through death like a

doorway and came back. I received tremendous revelation that changed my life, and I know it can change yours, too. Dying and going to Heaven was a gift that transformed and freed me from deep pain, depression, hopelessness, and low self-worth. If you will hear me out, you can have miraculous changes in your life, too. In Heaven, God revealed His astonishing love for me personally and for each and every person in the world. Engulfed in this love, I felt indescribable joy and perfect peace. All life's questions were answered. I gained a new perspective of myself, who I was meant to be, and how life should be lived. God's love comes flooding back to me when I share my story. I had to go to Heaven to realize the choice I was given. You don't have to go to Heaven and back. The same choice is yours right now. You do not have to be perfect or super spiritual. Read my story and discover how much God loves you, that He knows you personally, and has a great plan for your life! Prompts are fun and easy to fill by kids. Books are very easy to fill and takes very little time. Once finished it will be a great memory book for the dad. Father's Day Grandparent's Day Valentine's Day Appreciation gift for any day Daddy fill in the blank book Christmas And for any type of occasions This story begins with the end of my life. Ironically, it

took death, heaven, and hell for me to understand how to live a better life here on Earth. I got to see the big picture, and I want you to see it, too. When we die, we don't take money, or power, or fame with us to the other side. We don't take a selfie on the way out, either. The only things we take away from this life are the lessons we learn and the connections that we make with others. I spent my whole life chasing money, but now I know that spiritual currency is the only one which truly matters. My story is really our story, because everyone dies, and everyone deserves to have a better life. In 1922, Frank Dupre became the last man hanged at Atlanta's notorious Fulton Tower. Just before the rope was placed around his neck, he heard Betty Andrews cry out from the crowd that had gathered to witness the execution. As the trapdoor dropped, he responded with his final words. So begins Will You Meet Me in Heaven?, the historical novel by award-winning author David Fulmer. The narrative is inspired by the true story that was a tabloid sensation for months and was later immortalized in the iconic blues ballad "Betty and Dupree." The story of this bloody crime and doomed romance is not the only tale between these covers. For two wild weeks, the lives of four other characters - Atlanta police detective Albert Nichols, newspaper reporter

Johnny Holland, and jewel thief and rounder Joe Rose and his partner in crime Pearl Spencer - are touched by the drama. Set against the backdrop of the busiest city in the South at the beginning of a transformative decade, Will You Meet Me in Heaven? is the story of a sudden romance that sparked a haphazard murder and then a wild escape, dooming a sad love affair and exploding into banner headlines and a final scene on an Atlanta gallows. For those who have lost a child to death, Jack Hayford provides compassionate answers to troubling questions such as, What happened to my baby after it died? Will I ever see my baby again - and will I recognize him? what happens if I've had an abortion? Does God have a reason for letting my child die? God's Word shines with hope in the dark night of human pain. God showed his tenderness when David lost the child he had with Bathsheba shortly after its birth. In his pain and grief, David spoke the word of revelation - reassuring word of God's truth - saying, "I will go to (my child) but he will not return to me" (2 Samuel 12:19 - 23). The freeing truth of the Word of God promises that, like David, you will hold your child again in heaven. This is a touching story of a beloved grandmother preparing her beloved granddaughter for the day when she will no longer be with her, but promising

that she will remain in her heart forever. The night my mom died, and she stopped by to say goodbye on her way to heaven. This is a true story of when my mom passed away and she visited me to say goodbye and let me know she loved me on her way to heaven. This book also has true actual events where someone passed away and on their journey into heaven, they visited their living loved ones to let them know they loved them. The book also includes actual events of messages and communication from God. When God communicates with the living and sends messages to people to help protect and guide them through life. It affirms that there is a better place for your spirit to go in the afterlife and that God and heaven are real and do exist. Written by Renowned Spiritual Author Billy Grinslott Although much has been revealed in two other books, it is now apparently time for me to share some of the things kept hidden for the last two years. They are about the pope, the Vatican and the battle the world too is to face. The words and visions given to me are written as I see or receive them in my head. The visions are described using my words and with knowledge given to me at the time of seeing them. Those visions are then replaced and words are given to me from Heaven. All of this shared with you will be in italics with the date I received it. The three dots

will indicate where some has been omitted. It will be easy to see where my words change to theirs. The rest of the book will describe how I went through what someone told me she thought was akin to the Dark Night of the Soul. I also fought head to head battles with Satan himself. Not the demons so many speak of, this was Satan and he left me in no doubt it was. This gentle and uplifting story is designed to help young children come to terms with losing someone special. An inspiring and moving collection of true encounters with the

afterlife from the author of the Sunday Times bestsellers An Angel Called My Name and An Angel Healed Me Heaven Called My Name is a compelling collection of incredible true stories from people who believe they have heard the voice of heaven and reveals messages of comfort, guidance and inspiration. Using first-hand accounts from ordinary people whose lives have been forever transformed by an afterlife encounter, as well as her own experiences and insights, Theresa Cheung will answer the eternal questions that we all ask ourselves at some point in our lives, regardless of whether we follow a religion or not. *Is there a meaning and a purpose to my life? *What is my calling or my destiny? *Is there life after death? *Can I talk to a departed loved one in heaven? *Does heaven watch over me? The moving and honest accounts in Heaven Called My Name are proof that extraordinary things can and do happen to ordinary people, guiding and transforming their lives in the process. The author recalls how, after her near-death visit to Heaven, her life changed and she embraced a life of love, faith, and passion in this world, and advises readers to adopt the path of faith in order to make the most of the time they have. Is there life after death? Will we be reunited with our deceased loved ones when we die? Can they

communicate with us now? Hello From Heaven! is the first complete study of an exciting new field of research called After-Death Communication, or ADC. This is a spiritual experience that occurs when a person is contacted directly and spontaneously by a family member or friend who has died. During their seven years of research, the authors collected more than 3,300 firsthand accounts from people who believe they have been contacted by a deceased loved one. The 353 ADC accounts in Hello From Heaven! offer:

- Fascinating modern-day evidence of life after death***
- Comfort and emotional support for those who are bereaved***
- Hope for those who yearn to be reunited with a loved one who has died***
- Courage and strength for those who have a life-threatening illness***
- Inspiration for caregivers to the elderly and terminally ill***
- Insight and reassurance for those who are fearful of death***
- Inner peace for those whose hearts and minds are awaiting this good news***

You will treasure these uplifting messages from those who continue to exist in a life beyond physical death. Their profound communications of love offer comfort, hope, and spiritual inspiration to all readers. Presents the story of the four-year old son of a Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. Sing Me To Heaven - Hymns and

praise music were the only things that calmed him down in the later years of Lewy Body Dementia. Hymns Erased the Confusion in his Mind
My father suffered from dementia for years. He loved to hear music. Later, in a nursing home, my mother played hymns for him. They held hands and enjoyed peaceful interludes. When my mother sang to him, he smiled. As time progressed, he would close his eyes as he listened. For my mother, the lyrics took on new meaning. Thus, "Sing Me To Heaven" was born. Whether you are caring for your spouse, a parent, or even a paid position, the video available with this book will bring peace to your patient. Read the book to find more meaning in the hymns yourself. Our readers have this to say: I loved the book, 'Sing me to Heaven'. It was inspiring and informative. Although I had heard many of the hymn stories I really liked the personal things and the relevant scripture. The author seems like an awesome God-fearing lady. Overall a lovely idea and beautifully expressed. Check out "Sing Me To Heaven" today and fill your home with peace! LARGE PRINT under paperback versions. What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and

director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, Dying to Meet Jesus, Randy shared this experience, but not the supernatural insights and profound discoveries he received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In Revelations from Heaven, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to you. These insights include Emboldened Prayer: A biblical perspective on encounters in Heaven and how they embolden our prayer lives. Conversations with Jesus: Insights that were exchanged while Randy communicated with Jesus in Heaven. Angelic and Demonic Activity: How there is a very real, invisible realm battling over the souls of humanity. Race and Ethnicity in Heaven: In eternity, how do people see one another and how does God see them? The Sights, Sounds, and Senses of Heaven: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain. Heavens Perspective on Sadness and Grief: How

tears are kept and collected in bottles. The Difference Between Paradise and Heaven: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany Revelations from Heaven. In her children's book, "Remember Me in Heaven", Ms. Christina Stanley depicts memories of her late grandmother. Christina describes precious moments her grandmother shared with her grandchildren and great-grandchildren. As a Christian author, Christina's children's book also portrays how young children can reflect on pleasant memories of a loved one(s) who has gone to Heaven. Imagine a world of absolute peace and safety with no war, crime, sickness, pain, death, or fear of any kind. Picture a world where lions and lambs lie down together and children play with wild beasts. Imagine a new earth with the perfect climate, pristine lakes, towering mountains, crystal-clear rivers, beautiful gardens, exotic and familiar plant and animal life, and trees that produce fruit every month. Imagine a cube-shaped city of light, constructed entirely of transparent gold and jewels and extending fourteen hundred miles in every direction and fourteen hundred miles out into space. Picture a government

where Christ is king, Christians rule, and love is the only law. Imagine possessing a glorious, super-strong body that can defy gravity, is perfect in every way, surges with boundless energy, and will never grow old, get sick, or die. Imagine suddenly possessing super intelligence, a thirst for knowledge, and eternity to learn and discover new things. In fact, imagine becoming immortal. Now imagine death as nothing more than a doorway exiting this old world and entering the world of the immortals. Sounds like science fiction, doesn't it? It's certainly nothing you'd expect to hear in most churches. But it's all true and either implicitly or explicitly written in the Bible. Dr. Kenneth E. Sullivan has taken over a hundred biblical references and descriptions of heaven and eternal life and compiled them, along with clear, easy-to-understand commentary in Teach Me About Heaven and Eternal Life. This book will enlighten, encourage, and excite the reader, causing him or her to look forward to the future with hope, anticipation, and optimism. Dr. Sullivan deals with the subject of death and the afterlife, our resurrection bodies, the environment and culture of heaven and the new earth, the capital city, the role and function of God's people, and so much more. Teach Me About Heaven and Eternal Life is the perfect compliment to any Bible

curriculum. This book was designed for use in large- or small-group Bible studies, Sunday school, or for individual, self-guided study. It is biblically based and includes a variety of thought- provoking questions along with an answer key.
