Faithful and fun retelling of Moses and the exodus from Egypt, for children 2-5 years old, showing how God rescues his people from slavery. The stories of Jonah, Joseph, Noah and Moses are retold as accurately as possible for very young children in this series of Best Bible Stories. Each story is accompanied by full-colour silhouette illustrations. ' What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ. The biblical figure of Moses has been the center of fascination for over 2,000 years, but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other, older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? What does the focus on the serpent in his story signify? Who were Yahweh and the Elohim? Did Moses Exist? includes: Maps and 126 illustrations Extensive bibliography, table of contents and index Hundreds of footnotes and citations from primary sources in multiple languages Best modern

scholarship from credentialed authorities *Did Moses Exist?* provides a massive amount of information from antiquity about the world's religious traditions and mythology, including how solar myths, wine cultivation and fertility cults have shaped the Bible and Judaism. This book may be the most comprehensive study to date, using the best scholarship and state-of-the-art research methods. "The existence of Moses as well as the veracity of the Exodus story is disputed amongst archaeologists and Egyptologists, with experts in the field of biblical criticism citing logical inconsistencies, new archaeological evidence, historical evidence and related origin myths in Canaanite culture." --"Moses," Wikipedia "There is no historical evidence outside of the Bible, no mention of Moses outside the Bible, and no independent confirmation that Moses ever existed." --Dr. Michael D. Coogan, lecturer on the Old Testament at Harvard Divinity School "We cannot be sure that Moses ever lived because there are no traces of his earthly existence outside of tradition." --Egyptologist Dr. Jan Assmann, *Moses the Egyptian* "The life of Moses contains elements--canonical and apocryphal--that mark him as a true mythic hero, and certainly he is Judaism's greatest hero and the central figure in Hebrew mythology." --Dr. David Leeming, *The Oxford Companion to World Mythology* "...the stories of the creation, of the flood, of Abraham, of Jacob, of the descent into and the exodus from Egypt, of the career of Moses and the Jews in the desert, of Joshua and his soldiers, of the judges and their clients, are all apocryphal, and were fabricated at a late period of Jewish history." --Dr. Thomas Inman, *Ancient Faiths and Modern* Table of Contents List of Illustrations Preface Introduction Who Wrote the Pentateuch? Was Moses an Egyptian Pharaoh or Priest? The Exodus as History? The Exodus in Ancient Literature Hyksos and Lepers Who Were the Israelites? The Exodus as Myth The Lawgiver Archetype The Dionysus Connection The Life of Dionysus The Vine and Wine The Great God Sun Yahweh and the Sun Moses as Solar Hero Conclusion Bibliography Index "Join Moses as he leads the Israelite slaves out of Egypt, and with God's help, guides them to freedom in the Promised Land."-- Moses is revered as the prophet in several religions, including Judaism, Islam and Christianity. He is the administrator of the Old Testament. Moses was instructed by God to bring Israel out of captivity and communicate the commandments to the people. Religion is a topic that kids cannot focus on for very long. The best way to hold their interest is by providing them something interesting to work on, like Moses coloring sheets. These Moses coloring pictures depict the important occurrences in Moses' life like holding the tablets and parting the Red sea. In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not "divine revelation." Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been "The Greatest Conspiracy Ever Sold." It's 1970, and in the People's Republic of Congo a Marxist-Leninist revolution is ushering in a new age. But at the orphanage on the outskirts of Pointe-Noire where young Moses has grown up, the revolution has only strengthened the reign of Dieudonn Ngoulmoumako, the orphanage's corrupt director. So

Moses escapes to Pointe-Noire, where he finds a home first with a larcenous band of Congolese Merry Men and then among the Zairian prostitutes of the Trois-Cents quarter. But the authorities won't leave Moses in peace, and intervene to chase both the Merry Men and the Trois-Cents girls out of town. All this injustice pushes poor Moses over the edge. Could he really be the Robin Hood of the Congo? Or is he just losing his marbles? Vivid, exuberant and heartwarming, *Black Moses* is a vital new extension of Alain Mabanckou's extraordinary, interlinked body of work dedicated to his native Congo, and confirms his status as one of our great storytellers.

The Israelites were living in Egypt for some time before the new pharaoh decided to enslave them to weaken their power and numbers. It was a terrible time for the God's chosen people, and was made even worse when Pharaoh decreed that any baby boy born to an Israelite should be killed. Jochebed, an Israelite slave, had a baby boy named Moses. In order to save her son, she placed him in a basket and set him floating down the Nile River, with his older sister, Miriam, watching over him. The baby was saved, however, by an Egyptian princess, who gave him the name he'd carry into the desert, leading his people out of bondage and up a mountain to receive God's laws for his people. The story of baby Moses, his journey down the Nile, and his growth into a man who would lead God's chosen people out of Egypt is a timeless, important story about faith, love, and redemption. Now, for the first time, this epic story comes to life as part of The Brick Bible for Kids series. Enjoy reading one of the Bible's most colorful stories illustrated in LEGO as a family. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Fantastic collection of Bible stories for the whole family to read and share. Lawgiver and liberator. Seer and prophet. The only human permitted to converse with God "face-to-face." Moses is the most commanding presence in the Old Testament. Yet as Jonathan Kirsch shows in this brilliant, stunningly original volume, Moses was also an enigmatic and mysterious figure--at once a good shepherd and a ruthless warrior, a spiritual leader and a magician, a lawgiver who broke his own laws, God's chosen friend and hounded victim. Now, in *Moses: A Life*, Kirsch accomplishes the wondrous feat of revealing the real Moses, a strikingly modern figure who steps out from behind the facade of Sunday school lessons and movie matinees. Drawing on the biblical text and a treasury of both scholarship and storytelling, Kirsch examines all that is known and all that has been imagined of Moses. In these vivid pages, we see the marvels and mysteries of Moses's life in a new light--his rescue in infancy and adoption by an Egyptian princess; his reluctant assumption of the role of liberator; his

struggles to wrest his people from the pharaoh's dominion; his desperate vigil on Mount Sinai. Here too is the darker, more ominous Moses--the sorcerer, the husband of a pagan woman, the military commander who cold-bloodedly ordered the slaying of innocent people; the beloved of God whom God sought twice to murder. Jonathan Kirsch brings both prodigious knowledge and a keen imagination to one of the most compelling stories of the Bible, and the results are fascinating. A figure of mystery, passion, and contradiction, Moses emerges from this book very much a hero for our time. This is an engaging and graceful book that relates the familiar story of Moses in a new and thought-provoking way according to Islamic traditional sources. It is interesting both because it provides an unusual perspective on an old tale but also because it provides a rare insight into true Islamic and Sufi thinking. It is beautifully designed and enhanced with over 50 original and colorful paintings. This is what others had to say about it: "In a world in which resentment and hostility have replaced tolerance and understanding - this lovely book speaks from the heart of traditional Islam about the spiritual lessons to be drawn from the story of the prophet Moses who unites us all." - Her Majesty Queen Noor of Jordan "A truly beautiful book, well presented with seemingly simple yet illuminating illustrations! I was so immersed in it that it was difficult to put down until the end! Lessons learnt from these stories retold encourage readers to reflect on our own life journeys in our quest to reach the Divine Presence. Indeed a must-read!" - HH Raja Eleena binti Sultan Azlan Shah of Perak, Malaysia "As one of the great scholars of Islam said, "The Wisdom of Moses is manifold." And, indeed, the story of this Prophet has accompanied mankind in so many different ways and was told with so many intentions. He is mostly remembered for speaking with God and for bringing his people into the presence of the Divine. But his story was not only told to remember the joy of being close to God, but also, and especially in recent times, to convey the unwillingness to accept this closeness. This book tells the story, not as someone wants it to be, but as it was given by the Divine Storyteller Himself. Not as an expression of my or your preferences, but as an invitation to reflect and as a means to "make firm your heart." Because that is most needed. And that is most excellently accomplished through "The Story of Moses" you have before you, because its intention is not to impose but to serve." - Steffen A.J. Stelzer, Chair of the Department of Philosophy, The American University in Cairo Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, She Reads Truth is the message that will help you understand the place of God's Word in your life. The book consists of three essays and is an extension of Freud's work on psychoanalytic theory as a means of generating hypotheses about historical events. Freud hypothesizes that Moses was not Hebrew, but actually born into Ancient Egyptian nobility and was probably a follower of Akhenaten, an ancient Egyptian monotheist. Freud contradicts the biblical story of Moses with his own retelling of events, claiming that Moses only led his close followers into freedom during an unstable period in Egyptian history after Akhenaten (ca. 1350 BCE) and that they

subsequently killed Moses in rebellion and later combined with another monotheistic tribe in Midian based on a volcanic God, Jahweh. Freud explains that years after the murder of Moses, the rebels regretted their action, thus forming the concept of the Messiah as a hope for the return of Moses as the Saviour of the Israelites. Freud said that the guilt from the murder of Moses is inherited through the generations; this guilt then drives the Jews to religion to make them feel better. Daily life in Ancient Israel - Great prophets including, Hosea, Amos, Isaiah - People and lands of the Old Testament. "Join Moses as he leads the Israelite slaves out of Egypt, and with God's help, guides them to freedom in the Promised Land."-- Bright, colorful illustrations make these stories come alive. Has explanatory notes to help children understand the story. Although few might think of Moses as a 'leader' in the contemporary business and political sense, Moses is not only among the most significant leaders in Western civilization but is also arguably the quintessential example of a powerful leader from whom much can be learned by anyone entering and occupying leadership positions. Various types of leadership approaches are considered that have been advocated by scholars over the past century. Moses' example as described in the Bible is analyzed to assert why Moses' approach makes for an appropriate and compelling form of leadership today. While present leadership and management vocabulary might differ from the Hebrew Bible, many of the notions advocated by modern leadership theorists appear to parallel major behaviors, traits, functions, experiences and actions ascribed to Moses, especially in the first five books of the Hebrew Bible. Anyone can view Moses through the lens of a particular religion, whether shared or not, and still learn considerably from the experience. One will find Moses depicted as heroic, charismatic, and certainly empathic. Yet, Moses also shows transactional, transformational and visionary leadership qualities. Hence, 'Religion and Contemporary Management' discerns why Moses represents such an important model of effective leadership for contemporary times. Who will save baby Moses? Read the story of Moses, the baby who must stay hidden from soldiers in the bulrushes. Konrad Schmid is a Swiss biblical scholar who belongs to a larger group of Continental researchers proposing new directions in the study of the Pentateuch. In this volume, a translation of his *Erzväter und Exodus*, Schmid argues that the ancestor tradition in Genesis and the Moses story in Exodus were two competing traditions of Israel's origins and were not combined until the time of the Priestly Code—that is, the early Persian period. Schmid interacts with the long tradition of European scholarship on the Hebrew Bible but departs from some of the main tenets of the Documentary Hypothesis: he argues that the pre-Priestly material in both text blocks is literarily and theologically so divergent that their present linkage is more appropriately interpreted as the result of a secondary redaction than as thematic variation stemming from J's oral prehistory. He dates Genesis–2 Kings to the Persian period and considers it a redactional work that, in its present shape, is a historical introduction to the message of future hope presented in the prophetic corpus of Isaiah-Malachi. Scholars and students alike will be pleased that this

translation makes Schmid's important work readily available in English, both for the contributions made by Schmid and the summary of continental interpretation that he presents. In this edition, some passages have been expanded or modified in order to clarify issues or to engage with more-recent scholarship. The notes and bibliography have also been updated. Dr. Schmid is Professor of Old Testament and Early Judaism at the University of Zürich. (Peeters 1994)

The story of the Exodus from Egypt is of fundamental importance, both in the Old Testament and beyond. However, it also contains issues that are theologically problematic for many readers, especially concerning the actions of God. Why does God send a series of devastating plagues on Egypt? How do we understand the hardening of Pharaoh's heart? What do the answers to these questions say about the character of God? This study addresses these questions, taking into account the complex interaction of the presuppositions of faith and responsible textual interpretation. The approach is narrative-theological and canonical--reading the story in its current form as a story, and concentrating on the various passages within the story that appear to present rationales for God's actions (especially Exodus 9:13-19 and 10:1-2). By reading these "explanations" in their context within the story, and paying attention to such factors as speaker, addressee, purpose, and reception, a picture is built up of the different and developing relationships between God, Pharaoh, and Moses. This complex interaction provides a way to read and understand the wider plagues story, including the plagues and hardening of the heart within it. The study concludes by considering another story with a similarly "difficult" portrayal of God's actions--the story of the capture of the Ark in 1 Samuel 4-7, where a similar pattern can be observed. The picture that emerges is challenging rather than comfortable--a God who is responsive, speaking and acting to confront others to make the appropriate response to him.

"William Ford has combined careful scholarship, original thinking, and theological awareness to provide the reader with an exciting new reading of the Exodus complex of events. His detailed study of the ten plagues is outstanding in its observation, explanation, and challenge to the modern reader to take the biblical account seriously. His thoughtful study encourages us to respond appropriately in worship and proclamation of the Good News of the God of Exodus, revealed to us in the true Passover Lamb, Jesus, the Messiah." --Richard Harvey, All Nations Christian College

"William Ford brings to this task a high degree of competence in Hebrew, a disciplined and rigorous exegetical eye and a subtle theological sensitivity. I am happy to commend this study warmly." --Paul M. Joyce, University of Oxford

"Ford has helped me, at any rate, to understand the biblical text in a fresh way that does justice both to critical method and to contemporary faith. I hope that my own experience of having my eyes opened and being enabled to make better sense of a famous and difficult narrative will be shared by many other readers too." --R. W. L. Moberly, from the Foreword

William A. Ford is currently working as a visiting lecturer at All Nations Christian College. He has completed a PhD in Old Testament at Durham University. This book retells the story of Baby Moses in the Nile River (Exodus 1:8-22 and 2:1-10).

The Arch? Book series tells popular Bible stories through fun-to-read rhymes and bright illustrations. This well-loved series captures the attention of children, telling scripturally sound stories that are enjoyable and easy to remember. The story of a tiny baby's epic journey--and the surprising help he gets along the way--in a touching, transcendent picture book. In the time of the pharaohs, a loving mother saves her son by tucking him into a basket and setting him afloat on the wide, wild Nile River. Over one long night, the creatures of the Nile--Curious Ibis, Mama Hippo, Mighty Crocodile--watch over Moses, nudge him on his way, and keep him safe through catching reeds and a raging storm. As morning breaks, the river delivers the baby safe and sound into an unexpected safe haven--the welcoming arms of the pharaoh's daughter. With a poetic text and sumptuous watercolors, Caryn Yacowitz and Julie Downing introduce the youngest readers to Moses and the Exodus story and weave a warm, reassuring tale of love and comfort. Ideal for Passover and year-round, this universal story invites little ones of any faith to experience a thrilling journey in perfect, protected safety.

The Apocalypse of Moses was a popular early Christian-era work, that is believed to have originally been a Jewish text, and was then adopted by the earliest Christians. Based on the references to a god above law (Yahweh in Hebrew), the primary god from the Jewish Tanakh and Christian Old Testament, it seems unlikely this text was originally written by a Pharisee, as they were enthusiastically promoting their monotheistic doctrine by the mid-2nd-century BC, while the Apocalypse of Moses is believed to date to 1st-century-AD. There is no way to internally date the text, however, based on the number of derivative texts in Latin, Armenian, Bulgarian, Georgian, Syrian, and Arabic, it is accepted as dating to the 1st-century AD at the latest, however, it could be a few centuries older. A compilation of material not published before from a series of sermons preached by Boice between January 1993 to February 1994 in Sunday evenings services at Tenth Presbyterian Church in Philadelphia. -- Cf. page xiii. Follow in the footsteps of Moses and the Israelites as they leave Egypt headed for the promised land! With more than 70 removable stickers and 5 great fold-out scenes that allow children to recreate the stories over and over again. A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes. God is a Deliverer! After years of slavery in Egypt, the Hebrew people cry out to God to save them. And He knows the right man for the job. Moses grows up a prince in Pharaoh's palace. But after killing an Egyptian, he flees to Midian to escape Pharaoh's wrath. God hasn't finished with Moses. After forty years in the wilderness learning God's ways, Moses returns to Egypt to fulfill God's promise and free His people! Filled with colorful illustrations and biblical truth, Escape from Egypt is part of the Bible Pathway Adventures series of biblical adventures.
