Part 1 The blood symbolism is traced from Genesis to The Cross. After Eve became the first sinner, she then tempted her husband Adam to sin also. God killed animals and gave the couple the animal skins to cover their bodies. Symbolically the animals blood pointed to Jesus shedding his blood in His death to

cover the sins of all mankind. Chapters include research connecting that blood in childbirth, blood in the first Passover, blood in the menstrual cycle all are symbols pointing to the blood of Jesus shed on the cross. Gods people are commanded not to eat blood. A survey was made of the countries that use animal blood in preparing food. Also, an investigation was made into the way animals are killed in the USA, and how their blood was drained from their carcasses, making meat comply with Gods law. Bible women Rahab and Tamar are studied and their connection with the symbolism of the redeeming blood of Jesus. Christians take communion symbolically remembering Jesus shed His blood for our sins today. Part 2 Short life stories of women whose lives inspire us and who help make this world a better place. When Sierra finds a quilt made by one of her ancestors, she begins to explore the young woman's life and rediscovers her own spirituality. "The Scarlet Thread" is a true story of a young woman tangled in the scarlet thread of love and destiny. She was fated to pay a high price for that love when her child and lover were torn from her arms. A narcissistic mother, the prejudice of her true love's father, as well as the shady adoption system of the 1960s were all instrumental in separating the three of them. Years later, while searching for her child, who was lost in the sealed paperwork of adoption, her true love returns after a forty-year sabbatical, setting her on an uncharted, late-in-life journey. Within one of the Old Testament's most famous battles lies one of the most tender love stories. Hidden within the battle of Jericho is the story of Rahab, a beautiful and brave young Canaanite woman who aided

the Israelites by hanging a piece of scarlet cord from a window. This act of faith changed her life by placing her in the genealogy of Christ. Rahab is the youngest daughter of a Canaanite farmer, taken to Jericho for the pagan New Year so her father can find her a wealthy spouse. Sala, the Israelite boy who had once saved her from being kidnapped, is also in Jericho. When the two young people meet again they admit their love for one another, but their different religions make marriage impossible. Their love story plays out against the background of Jericho's pagan rites. It is only when the One True God of Israel comes into Rahab's life—and she realizes what He is calling her to do—that she and Sala can come together. Witness Rahab as a young woman determined to find her destiny as she follows her heart toward true love . . . and the One True God. "Wolf (A Reluctant Queen) holds our interest by skillfully conjuring up a fascinating version of Rahab's story, successfully persuading us that the story is far more complex than merely a "scarlet cord." —Publishers Weekly Every story is about Him. The Old Testament is full of Grace. If we look at the first twelve chapters of Genesis we can see this Grace flooding the entire narrative. Modern criticism of the Bible was developed without reference to modern archaeology or an understanding of Akkadian cuneiform script. We can look at the early chapters of the Bible with reference to these issues and come up with an entirely different viewpoint.

'Charlotte Higgins's Red Thread is a masterwork' Ali Smith A thrillingly original, labyrinthine journey through

myth, art, literature, history, archaeology and memoir. The tale of how the hero Theseus killed the Minotaur, finding his way out of the labyrinth using Ariadne's ball of red thread, is one of the most intriguing, suggestive and persistent of all myths, and the labyrinth - the beautiful, confounding and terrifying building created for the half-man, half-bull monster - is one of the foundational symbols of human ingenuity and artistry. Charlotte Higgins, author of the Baillie Gifford-shortlisted *Under Another Sky*, tracks the origins of the story of the labyrinth in the poems of Homer, Catullus, Virgil and Ovid, and with them builds an ingenious edifice of her own. Along the way, she traces the labyrinthine ideas of writers from Dante and Borges to George Eliot and Conan Doyle, and of artists from Titian and Velázquez to Picasso and Eva Hesse. Her intricately constructed narrative asks what it is to be lost, what it is to find one's way, and what it is to travel the confusing and circuitous path of a lived life. *Red Thread* is, above all, a winding and unpredictable route through the byways of the author's imagination - one that leads the reader on a strange and intriguing journey, full of unexpected connections and surprising pleasures. Explores the Old Testament story of Rahab, the Jericho prostitute who saves her family "on the signal of scarlet thread." Overwhelmed by her life suddenly being upended, Tam must also decide if she will complete the adoption on her own and bring home the son waiting for her in a Chinese orphanage. But when a long-concealed secret comes to light just as she and Angela start to bond, their fragile family is threatened. As Tam begins to unravel the events of Tony and Mia's past in China, she discovers the true meaning of love and the threads that bind her to the family she is fated to have. The book focuses on the sanctity of the blood, especially as blood is the required payment for sins, which applies to everyone ever born. A key verse is found in Leviticus where it is stated: "For the life of the flesh is in the blood and I have given it to you upon the altar to make atonement for your souls; for it is the blood that makes atonement for the soul." Leviticus 17:11 NKJV The book begins by detailing all Old Testament offerings which required blood, and then details the seven sacred feast days for the Israelites and the part that blood played in each of them. Following the part that blood played in offerings and sacred feast days is a discussion relative to the part that blood played in ratifying covenants. And then the book provides a detailed account of the requirements of the Mediator and High Priest. The final chapter of the book details the ultimate blood shed of the Lamb of God who offered Himself and His blood to pay for the sins of the world. The Scarlet Thread: Tainted Women is a

celebration of women who defied conventions and received the gift of God's grace to become part of Christ's family tree. The title of the book reinforces the underlying theme of grace. It alludes to the scarlet thread that Rahab the harlot placed in her window to remind the two Hebrew spies of an oath they made to her not to destroy her and family during their siege of Jericho (Josh. 2:1-21). To Rahab, the scarlet thread may have been a token of escape, but to the spies, it may have been a poignant reminder of the Passover blood that caused destruction to pass over their ancestors on the eve of their exodus from Egypt. Each chapter of the book looks at the life of each woman and how it is woven into the plan of God. The first chapter explores the life of Eve, the second chapter celebrates the Virgin Mary, and the final chapter focuses on Rahab. All other chapters are in chronological order, starting with Sarah, Rebekah, Leah, Tamar, and Ruth and ending with Bathsheba. Using the Biblical story of Rahab as an example, the author presents advice for mothers on how to use spiritual practices, confessions, and prayers to keep their family safe. The amazing, true story of one family's miraculous rescue from the devastation of the Holocaust in Poland. Told with sensitivity, emotion, and indomitable faith in God.
