Grief comes in all shapes and sizes. Grief comes in many different forms. Whatever your reason, Words of Comfort is here to help. Treat it as a companion in your grief, an empathetic safe space and a beacon of hope. All of your feelings are welcome here. This book explores the experience of grieving and the emotions and thoughts that may surface. It offers strategies to help you navigate through your grief, and takes a look at some of the things we can learn from the journey. I hope you find some comfort in these pages. This book was written from life's experiences, all the ups and downs. And how you can turn to God to have your life change for the better. We hope you enjoy reading this book as much as we enjoyed putting it together. Words of Encouragement is a melody of poems, which were written to remind us that life is not all about gloom and doom. I am here to tell you that there is a way, and his name is Jesus Christ, our Lord and savior. He is the "light in this dark world that we presently live in." My words are written to tell us it is time to awaken to his many grace, mercies, and blessings we are receiving. And for those who have received, they should be the most grateful. Our lives will always be about the uncertainties, which keeps us oftentimes in fear. Let us find a rejoicing heart, a quiet soul, and the peace of mind that is given by our Lord. Come out from under the darkness. Are we not tired of our lifeless bodies? What are we hiding from? Where we are hiding from? What is holding you back? Our Lord can fix it all. These are questions we need to take time to ponder upon. So if you believe that by faith you are being called, take the challenge and answer the call. Our Lord is He who saves us. Remember the many times he has saved us even from ourselves. So again I am asking you to answer the wake-up call. Our time is now, while hope is alive. While grace and mercies abound. Our Lord is the "light" at the beginning and the end of that tunnel you are lost in. Seek that everlasting love, peace, and joy by believing that God is your only source and resource. I hope you enjoy the book and wish to encourage you, to make changes where changes need to be made. May God bless you all. Comfortable Words draws together some of the world's leading liturgical scholars and historians who offer a comprehensive and accessible study of the Prayer Book and its impact on both Church and society over the last three and a half centuries. Comfortable Words includes new and original scholarship here about the use of the Book of Common Prayer at different periods during its life. It also sets out some key material on the background to the production of both the Tudor books and the seventeenth-century book itself. The book is aimed at scholars, students in theological colleges, courses and universities, but there is sufficient accessibility of style for it to be accessible to others who are interested in the Prayer Book more widely in the church and to intelligent lay people. The book is unique in the way that it studies the Prayer Book and looks at the impact of it, both on the Church and on English society. When we get out of bed in the morning, we don't know what the day ahead holds. It could be routine. It could be amazing. It could be devastating. No matter what each day holds, one of the biggest influences on the direction our days take is our own attitude. We can live in fear, worry, and anxiety, or we can choose to live with purpose, trusting God in every circumstance. Compact and concise, Carolyn Larsen's Words of Comfort for Women and Words of Hope for Women each offer you 90 inspiring devotional readings that will help you remember God's presence in your days and see your world from a positive perspective. These short, to-the-point readings illuminate God's promises and show you just how they apply to your everyday life. Beautifully designed, these devotionals are the perfect gift for a friend--and for yourself. After her father passed away, Julie-Allyson Ieron found herself on a personal grief journey. In her own words she describes the grief process, My grief...threatened to tear me away from the Word the very Word I needed most of all...What I needed was to know that I wasn't alone in my feelings, and that God could handle my questions even my anger. Whether you have experienced the death of a loved one or another form of loss, Gentle Hugs for Grieving Hearts was written to encourage you on your grief journey. With great compassion, Ieron leads us through Scripture and helps us meet with Jesus, the Man of Sorrows, who truly understands our grief when no one else can. As Ieron reminds us, Our faith is never misplaced when it's grounded in the God Who allowed our sorrows to weigh him down. May you find strength for today in these words of comfort. May you find hope for tomorrow in God's love for you. This text aims to bring comfort to the bereaved: sensitive and full of faith but also unafraid to face the darkness.
