"Before leaping into the arena, read Jack Gibson's book. He has poured into it many years of relevant experience as both business owner and broker." - Michael Haviland, MPA, Ed.D, Denver "I founded and sold two businesses over my career. I wish this book had been available to better prepare me to guide the buyers through the tough questions they needed to ask." - Donald Mathews, Ph.D, Professor of Marketing The London property market is on fire at the moment, and we are pretty sure it will roar on for the next few years. Easy access to finance in London, the overall security of the UK and the strength of the country's legal system all have enduring pulling power. London remains a lifestyle destination. At Enness, we believe that buyers should be armed with extensive knowledge before making a property purchase. Having a clear grasp of the factors you need to consider before you buy, who you need to ask for advice and how your situation will change after you have bought is key to successful and stress-free property ownership. In this guide, we lay out some of the factors you will find useful to consider before purchasing a property in London. The Earth has been sold to

aliens. What could possibly go wrong? It's the Year 2024. Drowning in debt following the pandemic and facing ruin, the world's leaders have taken the only logical decision. They've sold the planet. When Toby, a penniless student, and his two new flatmates find out one morning on TV, they're surprised to find the Earth's new alien owners are staggeringly cute and bring the promise of a debt-free future. They're just getting ready to celebrate along with the rest of the world, when a chance encounter with a mysterious professor reveals the truth. And there's a glitch: the Earth is about to be destroyed. With only 24 hours to avert the apocalypse, Toby's flatmates - one paranoid, one gorgeous - drag him on an intergalactic adventure. Battling interplanetary bankers and pursued by pitiless assassins, the gang find that a deadly virus becomes their only chance of salvation. Fresh, fun and fast-paced, *How to Buy a Planet* is the unforgettable tale of three students on an impossible quest to beat the system. Modern investors trying to keep abreast of emerging financial opportunities have no doubt noticed that the daily financial news headlines are increasingly dominated by stories about cryptocurrency trading. Whether journalists are discussing the almost too-good-to-be-true gains that Bitcoin or Ethereum have made on the day, or the volatility of the market, or a big move by an unknown party that caused a sudden price drop in the markets, potential investors cannot deny that cryptocurrency is here to stay and well worth investigating. But where to begin? Even the most seasoned investor may feel baffled by the dizzying ups and downs of the cryptocurrency markets. But when you take the time to sit down and compare them to the history of the stock market, you will find more similarities than differences. All any savvy investor needs is education and familiarity with the players prior to jumping into the cryptocurrency market. You should know the basics of the market, the language of trading cryptocurrency, what the hot currencies are and how they differ from each other, and most importantly, you need to understand when, where and how to invest in cryptocurrencies to minimize your risk of loss and maximize your profit. That's where *How to Buy Bitcoin: A Beginner's Guide to Cryptocurrency Investing* can help. Written by Monte Werle, an experienced stock and cryptocurrency investor who understands how the various coin markets work and how to trade cryptocurrency, *How to Buy Bitcoin* can guide you through the process of making your first cryptocurrency investment and future investments as you build your portfolio. In *How to Buy Bitcoin*, you'll learn: - Taking the Mystery Out of Cryptocurrency - The Types of Cryptocurrencies - Block Chain Technology Crash Course - What Block Chain Technology Means for Investors - How to Use an Exchange for Purchases - Using Trends to Your Advantage - Being an Investor vs. Being a Miner - The Benefits of Cryptocurrencies - The Risks and Problems Involved - Investing Strategies - Tax Considerations - Preparing for the Future of Cryptocurrency Investing. If you're looking for thoughtful advice before you jump into the cryptocurrency pond, *How to Buy Bitcoin: A Beginner's Guide to Cryptocurrency Investing* is a great place to start. You'll learn all the basics you need to make informed decisions when investing in cryptocurrency, as well as techniques to increase your profits and decrease the chance of experiencing a significant loss. You'll learn the language of trading cryptocurrency and how to identify trends that can make you money, or save an investment from going south by giving you the confidence to make trades based on indications from on-balance volume indicators. Werle will guide you through everything from setting up your business to making your first cryptocurrency purchase, your first trade, and provide savvy tips for keeping your investments healthy and productive. He'll teach you how to manage risk and assess your tolerance for risk, which can be a great help when investing. He'll offer practical advice for maintaining a cool head in a market driven primarily by two emotions, fear and greed, and teach you how to use that cool head to make trades others may be missing. If you've always wanted to learn how to invest in cryptocurrency, but didn't know how, start here!

Life may be like a box of chocolates. But buying life insurance is more like ordering coffee at Starbucks, says Faisa Stafford, CEO, and president of Life Happens, an industry-funded nonprofit that educates consumers about insurance. There are so many options that it's hard to know what to get. "It can be extremely confusing," she says. In fact, confusion over how much and what type of life insurance to buy is one of the top reasons people give for not having life insurance, according to a survey by Life Happens and LIMRA. But the COVID-19 pandemic has been a wake-up call for many Americans, with almost one in three people (31%) reporting they are more likely to buy a policy because of the pandemic, according to the 2021 Insurance Barometer study. If you're considering buying life insurance but are confused, these 10 tips will help. Real estate.
