Something hunts in the dark...After his father is laid off, Ky Scion is forced to reside in his ancient family home in the small town of Blackstone Falls. He's an outcast to the local farmers, too Goth and too gay. Ky turns to repairing the huge house while pursuing an art degree. His parents are blind to the terrible secret he keeps hidden among the bloodstained walls. Something lives in the dark, in the nooks and hideaways of the old house. A creature with hot breath and strong hands who wakes Ky up in the middle of the night. In the dark hides the power of Relics. Unique and beautiful, they're exploited for their magic and fought after viciously. Relics aren't just objects, they're sentient beings, demonic men stolen from their world to be bonded into servitude to callous sorcerers. Ky's grandfather disappeared years ago, leaving his Relics to be killed off one by one. The monster who feeds on Relics smells of rot and blood, and is soon to attack. Ky's not a sorcerer, and has no way to defend himself against the murderous beast set on revenge. Demencious Saga is the first saga in the MM erotic world of Demencious. This serial is a fun, suspenseful play on monster collecting and male harems. Expect demon bonding, multiple relationships of mild and abusive nature, multiple partners, magical powers, learning how to be a sorcerer, and conflict with crueler demon masters. www.sadiesinsbooks.com For thousands of years the Sontarans and the Rutans have fought a brutal war across the galaxy. Now the Sontarans have a secret plan to destroy the Rutan race - a secret plan the Doctor is racing against time to uncover. Only one Rutan spy knows the Sontaran secret. As he is chased through the galaxy in a desperate bid for his life, he reaches the planet Sentarion - where Professor Bernice Summerfield's research into the history of the Sontaran-Rutan war is turning into a reality... The mind-blowing conclusion to the Monster trilogy is the final installment in the Gone series from science fiction and fantasy master Michael Grant is perfect for both sci-fi and Stephen King fans alike. Now available in paperback. After the fall of Perdido Beach dome, a new species of humans developed mutant powers from the rock infected with alien virus. They are the Rockborn Gang: Shade, Cruz, Malik, Armo, and Francis. With their superpowers, they have defended the earth from other mutants and rockborn who used their powers for evil, like Dillon Poe. When another rock carrying the virus strikes, a new foe, Bob Markovic, rises with a horrifying and nearly unstoppable ability. Markovic's unending anger and lack of a moral compass made him unbearable before the virus. And that was before he was a swarming, plague-ridden insects, with the power and means to take over the city--and maybe the world. As the Rockborn Gang try to defeat their latest villain, they will find themselves on morally gray grounds and have to make tough decisions if they want to save the world. In this pulse-pounding finale to the saga more than ten years in the making, the Rockborn Gang face their greatest challenge yet.

making, Michael Grant delivers an unforgettable conclusion while asking: What does it take to be a hero? The Doctor and Leela arrive on the planet Kaldor, where they find a society dependent on benign and obedient robots. But they have faced these robots before, on a huge Sandminer in the Kaldor desert, and know they are not their harmless servants... The only other people who know the truth are the three survivors from that Sandminer. Now they are being picked off one by one. The twisted genius behind that massacre is dead, but someone is developing a new, deadlier breed of robots. This time, unless the Doctor and Leela can stop them, they will destroy the world... Scare Street brings together 8 best-selling monster themed novels by supernatural authors Ron Ripley, Sara Clancy, David Longhorn and A. I. Nasser. If you were scared of the monsters under your bed, then you have no idea what's coming for you... Wrath and Vengeance Series Book 1 - Pound of Flesh: Summoned by years of pain and rage, three demonic sisters have descended upon an isolated ghost town, tearing their victims to shreds before offering a merciful death. Aleksandr, the son of serial killers, must battle hellish creatures or suffer a torturous painful death. Book 2 - Devil's Playground: Two years after his escape, Aleksandr soon realizes that wrath is never truly satisfied. The Furies are hungrier than ever before. Death lurks around every corner, and he must decide how much he is willing to sacrifice to survive, before it's too late... Book 3 - Scorched Earth: Four years have passed and the Furies have changed the rules of the game. Only Aleksandr is fighting for his own life, but even his loved ones are being hunted. Determined to secure freedom, he ventures out to find whoever started the curse and end it by any means necessary. Ouroboros: Book 4 - The Sign of Ouroboros: Brad Steiger's dreams are filled with snake worshippers, the end of the world, and his missing daughter, Kelly. Each night the nightmares get more intense and the sinister air of the town convinces Brad that Kelly is in even more danger. And time is running out. Book 5 - Fortress of Ghosts: Steiger's search for Kelly leads him to ghost soldiers and flesh-eating zombies defending the fields leading to a castle. And beyond these monsters, he'll soon find out that there are worse things he needs to fear... Book 6 - The Serpent: A monster quietly lurks in the darkened waters of Loch Ness hunting mercilessly for its prey. As the mists thicken and the beginning of the end nears, no one can withstand the pull of the Great One, summoning the weak to come closer...and closer... Standalone Novels Book 7 - Blood Carousel: The carnival is back in town, and for Jack Heldon, it brings nightmares of burning walls, raspy chuckles, and fiery red lights in the dark. As residents are drawn into the lights and music of Ebenezer's Carnival, Jack and his friends are forced to come face to face with the horrors of their past, and the evil that tore them apart. They'll soon find out there's no escaping the clutches of Ebenezer's Carnival and the screams within. Book 8 - Blood Contract: Signed two hundred years ago, a contract was made to ensure the sanctity of the Blood Lands. In return, the townsfolk dedicated their lives to the protection of the town. But now the town has decided to break the Contract. The Bloods are not pleased. Not at all. What reviewers are saying: A compelling cast of characters; even the villains have interesting personalities, and the tension starts on a high note and climbs into the stratosphere. The ghosts are not the worst thing waiting. Well paced with strong characters, living and dead, it was a real page-turner. 'It was well worth reading!' This book has everything. The characters are terrifying, violent and yet likable. The plot is psychopathic, murderous and yet relatable; and the monsters are both human and fantastical and equally terrifying.

TARDIS lands the Doctor and Martha in the Lake District in 1909, where a small village has been terrorized by a giant, scaly monster. But there is a more sinister presence at work in the Lakes than a mere monster rampage, and the Doctor is soon embroiled in the plans of an old and terrifying enemy. Nightmares haunt the Doctor's life. Angels are falling. But love burns bright. While on the run from both angels and destiny, Kiss and Zane search for the Wandering Artist to help them make a ring to tame the monster in Kiss's heart who was once a single night, always hungry for blood. Skylar tries to track them down, determined to make Lady Scarl and the other monster—disappear from the world, unaware of the trail of nightmarish creatures she's leaving behind while doing so. It seems that Skylar's kisses might not turn monsters into angels after all... but into nightmares instead. Enemies gather, the sky darkens, and unlikely friendships bloom. Kiss and Zane will have to decide between the world. Or their love.
