“Wenn sie das Wort Ich gebraucht”. Oct 18 2022 This volume of original essays celebrates Barbara Becker-Cantarino, whose prolific publications on German literary culture from 1600 to the twentieth century are major milestones in the field of German cultural studies. The range of topics in the collection reflects the breadth of Becker-Cantarino’s scholarship. Examining literature from the sixteenth to the twenty-first centuries, the contributors explore the intersections of gender, race, and genre, history and gender, and gender and violence. They provide fresh readings of the works of known and lesser-known writers, including Cyriacus Spangenberg, Maria Anna Sagers Luise Gottsched, Heinrich von Kleist, Frank Wedekind, Christa Wolf, Helga Schütz, Terézia Mora, and Martina Hefter. Their discussions explore the possibilities and limitations of theoretical discourses on travel literature, deconstruction, and gender and suggest new avenues of investigation.

Paul and the Law Mar 11 2022 The tensions and self-contradictions in Paul's statements on the Torah are analysed in this book in detail, which also critically discusses a vast body of scholarly literature on the subject. The contradictions in Paul cannot be explained away, neither by dialectical interpretive devices nor by way of development theories. Rather, they must be taken seriously as real contradictions and as pointers to Paul's unsolved theological problems. Different statements owe their origin largely to different needs,

mostly polemical ones, arising in changing situations. "Anyone who has studied Paul knows that probably the most complex problem he develops is his view of the law and its purpose. The beauty of Räisänen's work is that he recognizes and respects this complexity without himself becoming too dense to understand. R. finds that Paul's radicalized, negative criticism of the law is peculiar to him, unparalleled in the NT and without precedent in Jewish thought. With careful, patient examination of various contexts, R. leads his readers to see that Paul has an oscillating, even inconsistent view of the law. [...] This book is well-written in clear, readable English. It is an important book, recommended to any serious student of Paul. Its strength is in R.'s willingness to abandon preconceptions of what Paul's view on the law should be according to some consistent plan and in allowing Paul to speak for himself." Mary Ann Getty in *The Catholic Biblical Quarterly* 47 (1985).
