"What Mr. Rogers was to children, Alexandra Horowitz is to dogs: a wise and patient observer who seeks to intimately know a creature... Her chapters, packed with close observations about canine cognition and behavior, are mini-mood lifters." —NPR, Maureen Corrigan on Fresh Air
What is it like to be a puppy? Author of the classic *Inside of a Dog*, Alexandra Horowitz tries to find out, spending a year scrutinizing her puppy's daily existence and poring over the science of early dog development. Few of us meet our dogs at Day One. The dog who will, eventually, become an integral part of our family, our constant companion and best friend, is born without us into a family of her own. A puppy's critical early development into the dog we come to know is usually missed entirely. Dog researcher Alexandra Horowitz aimed to change that with her family's new pup, Quiddity (Quid).

In this scientific memoir, she charts Quid's growth from wee grub to boisterous sprite, from her birth to her first birthday. Horowitz follows Quid's first weeks with her mother and ten roly-poly littermates, and then each week after the puppy joins her household of three humans, two large dogs, and a wary cat. She documents the social and cognitive milestones that so many of us miss in our puppies' lives, when caught up in the housetraining and behavioral training that easily overwhelms the first months of a dog's life with a new family. In focusing on training a dog to behave, we mostly miss the radical development of a puppy into themselves—through the equivalent of infancy, childhood, young adolescence, and teenagerhood. By slowing down to observe Quid from week to week, *The Year of the Puppy* makes new sense of a dog's behavior in a way that is missed when the focus is only on training. Horowitz keeps a lens on the puppy's point of view—how they (begin to) see and smell the world, make

meaning of it, and become an individual personality. She's there when the puppies first open their eyes, first start to recognize one another and learn about cats, sheep, and people; she sees them from their first play bows to puberty. Horowitz also draws from the ample research in the fields of dog and human development to draw analogies between a dog's first year and the growing child—and to note where they diverge. *The Year of the Puppy* is indispensable for anyone navigating their way through the frustrating, amusing, and ultimately delightful first year of a puppy's life. WINNER OF THE FT & MCKINSEY BUSINESS BOOK OF THE YEAR AWARD 2021 The instant New York Times bestseller A Financial Times and The Times Book of the Year 'A terrifying exposé' The Times 'Part John le Carré . . . Spellbinding' New Yorker We plug in anything we can to the internet. We can control our entire lives, economy and grid via a remote web control. But over the past decade, as this transformation took

place, we never paused to think that we were also creating the world's largest attack surface. And that the same nation that maintains the greatest cyber advantage on earth could also be among its most vulnerable. Filled with spies, hackers, arms dealers and a few unsung heroes, *This Is How They Tell Me the World Ends* is an astonishing and gripping feat of journalism. Drawing on years of reporting and hundreds of interviews, Nicole Perlroth lifts the curtain on a market in shadow, revealing the urgent threat faced by us all if we cannot bring the global cyber arms race to heel. Charlie Waite is one of today's most respected landscape photographers and the Landscape Photographer of the Year competition is his brainchild. Beautifully presented, this book is a stunning collection of images of the natural world from incredible image-makers, both amateur and professional. Each image is captioned with the photographer's account of the inspiration behind the picture, coupled with the technical information on

equipment and technique that shaped the photograph. A hugely prestigious competition, coupled with a high-profile author and an exhibition in central London, Landscape Photographer of the Year has enjoyed huge success in its thirteen years of publication. From Allie Esiri, editor of the bestselling *A Poem for Every Day of the Year* and *A Poem for Every Night of the Year*, comes this beautiful gift anthology of Shakespeare's works. William Shakespeare wrote at least 37 plays, 154 sonnets and a handful of longer poems and you can discover them all here. Each page of this unique collection contains an extract, which might be a famous poem, quote or scene, matched to the date. Allie Esiri's introductions give her readers a new window into the work, time and life of the greatest writer in the English language. *Shakespeare for Every Day of the Year* is perfect for reading or sharing and brings you Shakespeare's best-known and best-loved classics alongside lesser known extracts. Esiri's

entertaining and insightful thoughts on each entry will fill your year with wonder, laughter, wisdom and wit. 'Shakespeare for Every Day of the Year is not just for Christmas, but for all time.' - Helena Bonham Carter This fully illustrated chapter book follows Anna, a young Asian-American girl, as she navigates relationships with family, friends, and her fourth-grade classroom, and finds a true best friend. Illustrations. The Pulitzer Prize and Drama Critics Circle Award winning play—reissued with an introduction by Arthur Miller (Death of a Salesman and The Crucible), and Williams' essay "The World I Live In." It is a very short list of 20th-century American plays that continue to have the same power and impact as when they first appeared—57 years after its Broadway premiere, Tennessee Williams' *A Streetcar Named Desire* is one of those plays. The story famously recounts how the faded and promiscuous Blanche DuBois is pushed over the edge by her sexy and brutal

brother-in-law, Stanley Kowalski. *Streetcar* launched the careers of Marlon Brando, Jessica Tandy, Kim Hunter and Karl Malden, and solidified the position of Tennessee Williams as one of the most important young playwrights of his generation, as well as that of Elia Kazan as the greatest American stage director of the '40s and '50s. Who better than America's elder statesman of the theater, Williams' contemporary Arthur Miller, to write as a witness to the lightning that struck American culture in the form of *A Streetcar Named Desire*? Miller's rich perspective on Williams' singular style of poetic dialogue, sensitive characters, and dramatic violence makes this a unique and valuable new edition of *A Streetcar Named Desire*. This definitive new edition will also include Williams' essay "The World I Live In," and a brief chronology of the author's life. Halloween, Valentine's Day, Christmas, Thanksgiving, New Year's Day - these are but a handful of modern holidays descended from the

red-letter days, seasonal celebrations we have invented and reinvented over more than five millennia to meet our changing human needs. When we explore their origins, the holidays begin to reflect not only who we are but also why, through oppressed by time and thwarted by the forces of nature, we never seem to lose the will to control the future. WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD WINNER OF THE WOMEN'S PRIZE FOR FICTION NEW YORK TIMES BESTSELLER "[An] exceptional winner.... It expresses something profound about the human experience that seems both extraordinarily current and at the same time, enduring." --Martha Lane Fox, Chair of The Women's Prize for Fiction judges TWO EXTRAORDINARY PEOPLE. A LOVE THAT DRAWS THEM TOGETHER. A PLAGUE THAT THREATENS TO TEAR THEM APART. England, 1580. A young Latin tutor--penniless, bullied by a violent father--falls in love with an eccentric young woman: a wild creature who walks her

family's estate with a falcon on her shoulder and is known throughout the countryside for her unusual gifts as a healer. Agnes understands plants and potions better than she does people, but once she settles on the Henley Street in Stratford she becomes a fiercely protective mother and a steadfast, centrifugal force in the life of her young husband. His gifts as a writer are just beginning to awaken when their beloved twins, Hamnet and Judith, are afflicted with the bubonic plague, and, devastatingly, one of them succumbs to the illness. A luminous portrait of a marriage, a shattering evocation of a family ravaged by grief and loss, and a hypnotic recreation of the story that inspired one of the greatest literary masterpieces of all time, Hamnet & Judith is mesmerizing and seductive, an impossible-to-put-down novel from one of our most gifted writers. Published as Hamnet in the US and the UK. From bestselling author Kiran Millwood Hargrave and acclaimed illustrator Tom de Freston comes an extraordinary story

about family, friendship and hope. Illustrated throughout in black, white and yellow, this stunning book is perfect for 9+ fans of David Almond, Sally Gardner and Frances Hardinge. 'Stunning' Cressida Cowell 'A book to treasure!' Jacqueline Wilson 'A classic from cover to cover' Eoin Colfer 'A rich, immersive and wondrous journey' Sophie Anderson A remote island. A stormy summer. And an adventure as big as the Great Greenland shark ... My name is Julia. This is the story of the summer I spent living in a lighthouse. The summer I almost lost my mum, and found a shark older than trees. Don't worry though, that doesn't spoil the ending ... Julia has followed her mum and dad to live on a remote island for the summer - her dad, for work; her mother, on a determined mission to find the elusive Greenland shark. But when her mother's obsession threatens to submerge them all, Julia finds herself on an adventure with dark depths and a lighthouse full of hope... A beautiful and uplifting story about a mother, a daughter, and

love - with timely themes of the importance of science and the environment. Jen Offord watches it all go wrong for Charlton Athletic and the world. When her beloved Charlton Athletic clinched promotion to The Championship in May 2019, sportswriter Jen Offord splashed out on season tickets for herself and her sceptical brother Michael, setting out to chronicle the south-east London outfit's first season back in the second tier of English football. But this season, more than any other before it, would be a game of two halves. A billionaire takeover backfired spectacularly; the team plummeted into the relegation zone just as Coronavirus swept in to suspend life as we know it. The Year of The Robin is a love letter to the power of football even when there is no football to actually watch, filled with wild characters searching for redemption and wrestling over issues of money, racism and mental health. A funny, sharp and a thought-provoking exploration of the idea of family in

unprecedented times and season from which the world may never fully recover. "This commemorative portfolio displays the full gallery of all 100 pictures awarded in the 2021 Wildlife Photographer of the Year competition. It also tells the stories of how they were created and what they reveal about the subjects depicted. Representing the work of photographers from 30 countries, they illustrate both the beauty and the drama of the natural world and our so-often conflicted relationship with it."--Back cover. A sinister, sophisticated debut thriller by "a remarkable new voice to watch" (J.T. Ellison, New York Times bestselling author), *Man of the Year* has been lauded by Shelf Awareness as "an impressive slow burn that builds suspense and cracks the whip at the end...redolent with menace and ego." Dr. Robert Hart, Sag Harbor's just-named Man of the Year, is the envy of his friends and neighbors. His medical practice is thriving. He has a beautiful old house and a beautiful new wife and a beautiful boat docked

in the village marina. Even his wayward son, Jonah, is back on track, doing well at school and finally worthy of his father's attentions. So when Jonah's troubled college roommate needs a place to stay for the summer, Hart and his wife generously offer him their guesthouse. A win-win: Jonah will have someone to hang with, and his father can bask in the warm glow of his own generosity. But when Robert suspects his new houseguest of getting a little too close to his wife, the good doctor's veneer begins to crack, and all the little lies he tells start to mount. Before long, Robert is embroiled in a desperate downward spiral, threatening to destroy anyone who stands in his way. It's only the women in his life—his devoted office manager, his friends and neighbors, his wife—who can reveal the truth...if he's willing to look. Biting and timely, *Man of the Year* races along at an electric pace, building to a wicked twist you won't see coming. By the author of *The Handmaid's Tale* and *Alias Grace* The sun brightens in the east, reddening the

blue-grey haze that marks the distant ocean. The vultures roosting on the hydro poles fan out their wings to dry them. the air smells faintly of burning. The waterless flood - a man-made plague - has ended the world. But two young women have survived: Ren, a young dancer trapped where she worked, in an upmarket sex club (the cleanest dirty girls in town); and Toby, who watches and waits from her rooftop garden. Is anyone else out there? A story of celebration with the characters of Hazel Village. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is

the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Superman is the original superhero, an American icon, and arguably the most famous character in the world--and he's Jewish! Introduced in June 1938, the Man of Steel was created by two Jewish teens, Jerry Siegel, the son of immigrants from Eastern Europe, and Joe

Shuster, an immigrant. They based their hero's origin story on Moses, his strength on Samson, his mission on the golem, and his nebbish secret identity on themselves. They made him a refugee fleeing catastrophe on the eve of World War II and sent him to tear Nazi tanks apart nearly two years before the US joined the war. In the following decades, Superman's mostly Jewish writers, artists, and editors continued to borrow Jewish motifs for their stories, basing Krypton's past on Genesis and Exodus, its society on Jewish culture, the trial of Lex Luthor on Adolf Eichmann's, and a future holiday celebrating Superman on Passover. A fascinating journey through comic book lore, American history, and Jewish tradition, this book examines the entirety of Superman's career from 1938 to date, and is sure to give readers a newfound appreciation for the Mensch of Steel! Times Book Review This beautiful book celebrates the artistry of bird photography and showcases the best of the best. It accompanies an annual competition, Bird Photographer of the Year, which brings together the most outstanding examples of recent bird imagery. The Bird Photographer of the Year competition celebrates the artistry of bird photography, and this large-format book is lavishly illustrated to reflect this. A celebration of avian beauty and diversity, it is a tribute to both the dedication and passion of the photographers as well as a reflection of the quality of today's modern digital imaging systems. The book includes the winning and short-listed images from the sixth year of this annual competition, showcasing some of the finest bird photography and with a foreword by long-term birdwatcher, Bill Bailey. A proportion of the profits from the book goes directly to Birds on the Brink to support their conservation work. The advent of digital technology has revolutionised photography in recent years, and

the book brings to life some of the most stunning bird photography currently on offer. It features a vast variety of photographs by hardened pros, keen amateurs and hobbyists alike, reflecting the huge diversity of bird enthusiasts and nature lovers which is so important in ensuring their conservation and survival. A heartwarming picture book following a group of boys from different backgrounds throughout the school year as they become the best of friends. Musa's feeling nervous about his first day of school. He's not used to being away from home and he doesn't know any of the other kids in his class. And when he meets classmates Moisés, Mo, and Kevin, Musa isn't sure they'll have much in common. But over the course of the year, the four boys learn more about each other, the holidays they celebrate, their favorite foods, and what they like about school. The more they share with each other, the closer they become, until Musa can't imagine any better friends. In this charming story of friendship and celebrating

differences, young readers can discover how entering a new friendship with an open mind and sharing parts of yourself brings people together. And the calendar of holidays at the end of the book will delight children as they identify special events they can celebrate with friends throughout the year. In a year when much of the news was believable but fake, comes a book packed with stories that are unbelievable but true. The Book of the Year is a hilarious guide to 2017's most extraordinary events, unearthed by the creators of the award-winning hit comedy podcast No Such Thing As A Fish. Each week, over a million people tune in to find out what bizarre and astonishing facts Dan, James, Anna and Andy have found out over the previous seven days. Now the gang have turned their attention to the news of the past twelve months. You'll discover the curious details behind the main headlines - how Donald Trump slept on the 66th floor of a 58-storey building, what effect Brexit had on Coco Pops, and why China's

president can't stand Winnie the Pooh - as well as hundreds of stories you may have missed entirely, like the news that: · Qatar built a refugee camp for camels. · The world's first avocado restaurant ran out of avocados on its first day. · The victim of Britain's first ever shark attack ended up with a cut thumb. From strange inventions to baffling elections, via a surprising amount of sausage news, The Book of the Year is an eye-opening tour of the incredible year you didn't know you'd lived through. Inspired to paint or enthralled by the world of portraiture A Little Book of Portraits: Beyond the Canvas accompanies the celebrated Sky Arts Portrait Artist of the Year series and includes sixty-four of the finest portraits painted during the competition with illuminating commentary from the three series judges: Tai Shan Schierenberg, Kathleen Soriano and Kate Bryan. The paintings featured in this book, include portraits of famous sitters, such as Juliet Stevenson and John Humphrys, self-portraits of the artists

themselves and commissioned paintings of Hilary Mantel and Sophie Dahl. The judges approach each painting from a different angle and with a unique voice, reflecting their differing specialities within the art world. Between them they uncover the approach, style and effectiveness of each portrait whilst discussing the techniques critical to the success of the painter's brushwork, likeness and perspective. With a wide range of different mediums from oil to charcoal or even soil, the book takes us behind the finished portrait and into the myriad of processes that creates one great work of art. A Little Book of Portraits reveals the skills behind the artist's brush that makes timeless and inventive portraiture. Hannah Lowe taught for a decade in an inner-city London sixth form. At the heart of this book of compassionate and energetic sonnets are 'The Kids', her students, the teenagers she nurtured. But the poems go further, meeting her own child self as she comes of age in the riotous 80s and

90s, later bearing witness to her small son learning to negotiate contemporary London. Across these deeply felt poems, Lowe interrogates the acts of teaching and learning with empathy and humour. Social class, gender and race - and their fundamental intersection with education - are investigated with an ever critical and introspective eye. The sonnet is re-energised, becoming a classroom, a memory box and even a mind itself as 'The Kids' learn and negotiate their own unknown futures. These boisterous and musical poems explore and explode the universal experience of what it is to be taught, and to teach, ultimately reaching out and speaking to the child in all of us. The poems in the first section of the book draw on Hannah Lowe's experiences as a teacher in the 2000s, but the scenarios are largely fictitious, as are the names of the students. The Kids is a Poetry Book Society Choice. Jen Offord watches it all go wrong for Charlton Athletic and the world. When her beloved Charlton Athletic clinched

A NEW YORK TIMES BESTSELLER From the National Book Award-winning author of Just Kids 'Magical' GUARDIAN 'A gripping tale of the search for meaning in times of turbulence - expressed with Smith's signature poetic flair' VOGUE 'Extraordinary ... A tense, teasing mix of reality and dream' Sunday Times 'A melancholy mood and poetic language distinguish Smith's third memoir' BBC 'Her willingness to look closely at life's closing chapters makes for a magical book' WASHINGTON POST, 'The 10 books to read in September' Following a run of New Year's concerts at San Francisco's legendary Fillmore, Patti Smith finds herself tramping the coast of Santa Cruz, about to embark on a year of solitary wandering. Unfettered by logic or time, she draws us into her private wonderland, with no design yet heeding signs, including a talking sign that looms above her, prodding and sparring like the Cheshire Cat. In February, a

surreal lunar year begins, bringing with it unexpected turns, heightened mischief, and inescapable sorrow. In a stranger's words, "Anything is possible: after all, it's the year of the monkey." For Patti Smith - inveterately curious, always exploring, tracking thoughts, writing the year evolves as one of reckoning with the changes in life's gyre: with loss, aging, and a dramatic shift in the political landscape of America. Smith melds the Western landscape with her own dreamscape. Taking us from Southern California to the Arizona desert; to a Kentucky farm as the amanuensis of a friend in crisis; to the hospital room of a valued mentor; and by turns to remembered and imagined places - this haunting memoir blends fact and fiction with poetic mastery. The unexpected happens; grief and disillusionment. But as Patti Smith heads toward a new decade in her own life, she offers this balm to the reader: her wisdom, wit, gimlet eye, and above all, a rugged hope of a better world. Riveting, elegant, often

humorous, illustrated by Smith's signature Polaroids, *Year of the Monkey* is a moving and original work, a touchstone for our turbulent times. *Goddess Wheel of the Year* invites each of you to explore the many ways to enrich your spiritual life in ritual celebration of yourself and the Goddess. Learn to match your own developmental, psychological, and spiritual needs with specific Goddess aspects of the Maiden, Mother, Crone and Dark Goddess. Explore ways to celebrate at Solar and Lunar rites, as well as learn how to creatively re-imagine rites of antiquity or develop a unique year of celebration that reflects your own revelation of the Goddess. Whether you are new to the Goddess path or have been a life-long practitioner, you'll find ample ideas to inspire you and reinvigorate your life. Help is on the way! In the tradition of Lemony Snicket and Roald Dahl, *Goblinproofing One's Chicken Coop* shows how to banish those pesky dark Fairy creatures who are ready to thwart every last

Spanning almost five millennia, *Painting in Stone* tells a new history of premodern architecture through the material of precious stone. Lavishly illustrated examples include the synthetic gems used to simulate Sumerian and Egyptian heavens; the marble temples and mansions of Greece and Rome; the painted palaces and polychrome marble chapels of early modern Italy; and the multimedia revival in 19th-century England. Poetry, the lens for understanding costly marbles as an artistic medium, summoned a spectrum of imaginative associations and responses, from princes and patriarchs to the populace. Three salient themes sustained this “lithic imagination”: marbles as images of their own elemental substance according to premodern concepts of matter and geology; the perceived indwelling of astral light in earthly stones; and the enduring belief that

colored marbles exhibited a form of natural—or divine—painting, thanks to their vivacious veining, rainbow palette, and chance images. NEW YORK TIMES BESTSELLER * NEW YORK TIMES NOTABLE BOOK OF 2019 * WINNER OF THE J ANTHONY LUKAS WORK-IN-PROGRESS AWARD * FINANCIAL TIMES’ BEST BOOKS OF 2019 * NPR FAVORITE BOOKS OF 2019 * FINALIST FOR THE FINANCIAL TIMES/MCKINSEY BUSINESS BOOK OF 2019 * KIRKUS REVIEWS BEST BOOKS OF 2019 * SCHOOL LIBRARY JOURNAL BEST BOOKS OF 2019 “Superb...Among the best books ever written about an American corporation.” —Bryan Burrough, *The New York Times Book Review* Just as Steve Coll told the story of globalization through *ExxonMobil* and Andrew Ross Sorkin told the story of Wall Street excess through *Too Big to Fail*, Christopher Leonard’s *Kochland* uses the extraordinary account of how one of the biggest private companies in the world grew to be that big to tell the story of modern corporate

America. The annual revenue of Koch Industries is bigger than that of Goldman Sachs, Facebook, and US Steel combined. Koch is everywhere: from the fertilizers that make our food to the chemicals that make our pipes to the synthetics that make our carpets and diapers to the Wall Street trading in all these commodities. But few people know much about Koch Industries and that's because the billionaire Koch brothers have wanted it that way. For five decades, CEO Charles Koch has kept Koch Industries quietly operating in deepest secrecy, with a view toward very, very long-term profits. He's a genius businessman: patient with earnings, able to learn from his mistakes, determined that his employees develop a reverence for free-market ruthlessness, and a master disrupter. These strategies made him and his brother David together richer than Bill Gates. But there's another side to this story. If you want to understand how we killed the unions in this country, how we widened the income divide,

stalled progress on climate change, and how our corporations bought the influence industry, all you have to do is read this book. Seven years in the making, Kochland "is a dazzling feat of investigative reporting and epic narrative writing, a tour de force that takes the reader deep inside the rise of a vastly powerful family corporation that has come to influence American workers, markets, elections, and the very ideas debated in our public square. Leonard's work is fair and meticulous, even as it reveals the Kochs as industrial Citizens Kane of our time" (Steve Coll, Pulitzer Prize-winning author of *Private Empire*). Nancy Mitford was a brilliant personality, a remarkable novelist and a legendary letter writer. It is not widely known that she was also a bookseller. From 1942 to 1946 she worked in Heywood Hill's famous shop in Curzon Street, and effectively ran it when the male staff were called up for war service. After the war she left to live in France, but she maintained an abiding interest in the shop, its

stock, and the many and varied customers who themselves form a cavalcade of the literary stars of post-war Britain. Her letters to Heywood Hill advise on recent French titles that might appeal to him and his customers, gossip engagingly about life in Paris, and enquire anxiously about the reception of her own books, while seeking advice about new titles to read. In return Heywood kept her up to date with customers and their foibles, and with aspects of literary and bookish life in London. Charming, witty, utterly irresistible, the correspondence gives brilliant insights into a world that has almost disappeared. Nominated for a 34th annual Lambda Literary Award • An essential and revelatory coming-of-age novel from a thrilling new voice, *Rainbow Milk* follows nineteen-year-old Jesse McCarthy as he grapples with his racial and sexual identities against the backdrop of his Jehovah's Witness upbringing. In the 1950s, ex-boxer Norman Alonso has immigrated to Britain from Jamaica with his wife and

children in order to secure a brighter future. Blighted with unexpected illness and racism, Norman and his family are resilient but are all too aware that their family will need more than just hope to survive in their new country. At the turn of the millennium, Jesse seeks a fresh start in London, escaping a broken immediate family, a repressive religious community, and his depressed hometown in the industrial Black Country. But once he arrives he finds himself at a loss for a new center of gravity and turns to sex work, music, and art to create his own notions of love, masculinity, and spirituality. A wholly original novel as tender as it is visceral, *Rainbow Milk* is a bold reckoning with race, class, sexuality, freedom, and religion across generations, time, and cultures. When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders,

but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.
