To find him is to find the very heart of Reality ? tangibly known by you, at heart, as the deepest truth of existence. This is the great mystery that you are invited to discover. When Adi Da Samraj was born, in New York in 1939, he was completely aware of his Divine condition. He existed only as this radiant state, full of Love-Bliss, and named it the "Bright." Around the age of two years, he relinquished the enjoyment of the "Bright" and identified with the self-contracted state of ordinary beings. This initiated an unprecedented ordeal of relentless investigation into the Nature of Reality. Carolyn Lee tells the remarkable story of Adi Da's life and work. The Aletheon is a fathomless gift

to the world immense in both its scope and profundity. It is a supreme masterpiece of wisdom, instruction, and Divine Self-Revelation. Avatar Adi Da's work on The Aletheon ended on the very day of his passing when he called for the title page of The Aletheon and finalized the wording, thereby forever bringing to a close his final great writing-labor of love. Adi Da had written many extraordinary and comprehensive books before The Aletheon. The early years of Avatar Adi Da's active Teaching-Work were an astounding demonstration of his willingness to submit himself to ordinary egos, and to work by reflecting egos to themselves and calling egos to true esoteric practice. What is unique about The Aletheon is that it was written after that time of submission to ordinary beings had been completed, when Avatar Adi Da was demonstrating the culminating phase of his outshining revelation. In writing The Aletheon, Avatar Adi Da had utterly relinquished his previous modes of self-submission and teaching, and expressed only his own purest communication of Truth. Concluding with a preview of a new Avatar era, this rich, in-world guide will fuel excitement for the long-awaited release of Avatar 2 in December 2021. Aang faces a decision from which there is no return! As soon as the team is asked for help at a business council meeting, the reason for the slight becomes clear: a massive bender-versus-non-bender conflict has gripped the town and is threatening to turn violent. In order to heal the divide and save the town, Aang and the team will all face tough decisions about power and identity that could tear them apart. Written by Faith Erin Hicks (The Adventures of Superhero Girl, The Nameless City) and drawn by Peter Wartman (Stonebreaker), in collaboration with Avatar: The Last Airbender creators Michael Dante DiMartino and Bryan Konietzko, this is the ultimate continuation of Avatar! Collects Avatar: The Last Airbender - Imbalance parts 1-3 (ATLA volumes 16-18). The room was completely darkened, his image appeared on the screen. At this moment my perception of space and time disappeared. My body felt like a thunder went through it. Everything around me began to vibrate in a kind of fire. My heart shattered and was lost. A feeling of infinite and eternal love rushed into my body from above, yes, into my entire life, like a waterfall that had only been waiting for this moment and this opportunity. In front of me sat God incarnate, the Truth, the eternal, limitless unconditional Love that I had been looking for incessantly and desperately in life after life. The prophesied figure of the God-man. My heart just knew it. Could it be? Here in Freiburg? Now? It was unearthly! That which has no name sat in front of me in human form and shape. At that moment I fell into this infinite love, I couldn't grab hold of myself any more, I couldn't think. It was as if lightening flashes of love were chasing through my body and each lightening flash confirmed that the Truth, the Reality as such had assumed a human form in front of my eyes. In Love and Blessings devotees of Adi Da Samraj tell their heart-breaking stories of human need and divine response. A soldier in Iraq, a woman going blind in Holland, a son with his dying father in Australia, a woman with cancer in America?these and others tell how they asked Adi Da Samraj for his blessing and the miraculous process that ensued. Many write about how they have no doubt that their healing took place as a result of his compassionate regard. But the stories in this book are not only about the compassionate divine help of Avatar Adi Da Samraj. They are about his liberating blessing and his divine grace, which he offers as a gift for the sake of awakening all beings beyond any suffering of body and mind to the prior condition of eternal freedom and true happiness. After attempting to kidnap Katara and Sokka, Southerner Gilak leaves a haunting note for Hakoda: "Soon you will see the truth, chieftain". The vow leaves everyone on edge--including Katara, who remains wary of the two tribes' integration. As Northerner Malina announces a partnership with the company owned by Toph Beifong's father, her own brother comes forward to defame her. Have Katara's worst fears been confirmed? But danger lurks where they least expect it, and uncovering the truth will reveal a threat unlike any they've ever faced--and a fateful choice for Aang he can never unmake! Written by Faith Erin Hicks (The Adventures of Superhero Girl, The Nameless City) and drawn by Peter Wartman (Stonebreaker), in collaboration with Avatar: The Last Airbender creators Michael Dante DiMartino and Bryan Konietzko, this is the ultimate continuation of Avatar! In "My "Bright" Word," a new edition of the collection of classic spiritual discourses originally published as "The Method of the Siddhas," Avatar Adi Da elucidates the fundamentals of "radical" self-understanding, or "His Revelation of the Way of Adidam." These include: --The basic principle of egoic existence, the search, which Avatar Adi Da later communicated in its simplest terms: "You want to feel good--because you feel bad. Therefore, you are seeking--in order to feel good." --The essential ego-fault and the means for overcoming it: (1) Truth cannot be realized by seeking for it. The seeking itself is the problem. When there is no seeking, Truth (or Reality) is obvious. (2) Freedom (or Divine Liberation) is not dependent on any objective entity or process. Freedom (or Divine Liberation) is always already the case. --The single logic of egoic life: the logic (or process) of separation itself, of enclosure and immunity, informs every function of the living being, every experience, every act, every event. --The grace-given process of "radical" self-understanding: observe your own self-contracting activity. Understand your own self-contracting activity. Transcend your own self-contracting activity. In modern language, this volume teaches the ancient all-time trans-egoic truth, transforming the student by paradox and by example. Consciousness, understanding, and finally the awakened self are the potential rewards. At heart, everyone yearns for a Truth that transcends the mortal suffering of life. Everyone intuitively, in one way or another, that such Truth exists. Adidam is, fundamentally, and always, the mysterious and transformative relationship to Adi Da Samraj. He is the one who has demonstrated and communicated the means whereby living beings can participate in the egoless Reality that is Truth. This book, *The Reality-Way of Adidam*, is for those who are moved to learn about the way of life Avatar Adi Da has given to all who would enter into the Divine Process that outshines all seeking. Avatar Adi Da Samraj said: If you would have your life not be about bondage, Reality Itself must Transform your life. The]]Reality-Way of Adidam]]Is That Radical (or Always At-the-Root') Transformation of life, Based on Prior Establishment In and As Reality Itself. This booklet provides a summary overview and introduction to Avatar Adi Da Samraj and his unique spiritual revelation of the Way of Adidam, which is fully elaborated in his twenty-three canonical Source-Texts. Would our world be a better place if some of us were benders? Can Katara repair the world through care? Is Toph a disability pride icon? What does it mean for Zuko to be bad at being good? Can we tell whether Uncle Iroh is a fool or a sage? The world is out of sorts. The four nations, Water, Earth, Fire, and Air, are imbalanced because of the unrelenting conquest of the Fire Nation. The only one who can restore balance to the world is the Avatar. On the face of it, Avatar: The Last Airbender is a story about a lone superhero. However, saving the world is a team effort, embodied in Team Avatar, aka the Gaang. Aang needs help from his friends and tutors, even from non-human animals. Through the teachings of Guru Pathik and Huu he comes to realize that though the world and its nations seem separate, we are all one people. We all have the same roots and we are all branches of the same tree. Avatar: The Last Airbender and Philosophy brings to the fore the Eastern, Western, and Indigenous philosophies that are implicit in the show. Following Uncle Iroh's advice that it is important to draw wisdom from many traditions, this volume features contributions by experts on Buddhist, Daoist, Confucian, and Indigenous schools of thought, next to focusing on Western classical authors such as Plotinus, Kant, and Merleau-Ponty. The volume is also unique in drawing on less common traditions such as black abolitionism, anarchism, and the philosophy of martial arts. Intertwining experience and reflection, ATLA and Philosophy helps readers to deeply engage with today's burning questions, such as how to deal with ecological destruction, the aftermath of colonialism and genocide, and wealth inequality, using the tools from a wide range of philosophical traditions. Do avatars impact our real lives, or are they just video game conceits? Is an avatar an inspired rendering of its creator's inner self, or is it just one among millions of anonymous vehicles clogging the online freeways? Can we use our avatars to really connect with people, or do they just isolate us? And as we become more like our avatars do they become more like us? In I, Avata r, Mark Stephen Meadows answers some of these questions, but more importantly, he raises hundreds of others in his exploration of avatars and the fascinating possibilities they hold. His examination of avatars through the lenses of sociology, psychology, politics, history, and art, he will change the way you look at even a simple online profile and revolutionize the idea of avatars as part of our lives, whether first or second. This book was conceived by Adi Da Samraj at the end of 2005. He was first moved to make his own rendering, or 'interpretive translation', of a traditional Advaitic text, The Heart of the Ribhu Gita, in order to elucidate (and thereby honor) its full meaning. Adi Da Samraj then did the same with other great teachings from the traditions of Advaita Vedanta and Buddhism. In each case, he brought the essence of the instruction to the fore, with elegance and illumined understanding. Texts whose meanings were only partially (or cryptically) expressed even in the original suddenly shone forth, like rough gems cut by an expert hand. Such was the original kernel of The Gnosticon, an anthology of these masterful 'translations', together with discourses about the traditional texts, given by Adi Da Samraj. Avatar Adi Da's final work on The Gnosticon (only months before His passing in November 2008) included the addition of the essays Atma Nadi Shakti Yoga and The Boundless Self-Confession. Avatar Adi Da's paramount "Source-Text," this Great Divine Testament is unparalleled in its magnitude and depth. It represents the fruit of Avatar Adi Da's Immense Work of Teaching and Revelation over more than three decades. An extraordinary Scripture, containing Avatar Adi Da's detailed Revelation of every aspect of the process culminating in Divine Enlightenment. Includes: *Avatar Adi Da's Divine Self-Confession *The nature of His Life and Work *His fundamental Teaching-Arguments *The True Nature of God *The characteristic philosophical faults of East and West *The three basic human personality types *How sexuality relates to Spiritual practice *What actually happens in the process of death and reincarnation *The nature of the ego and how it is utterly transcended *Detailed descriptions of all the practices Avatar Adi Da Gives to His devotees *What Divine Enlightenment really is, and how It is Realized
