Text of opinions of Federal and state courts and administrative tribunals under statutes relating to minimum wages, maximum hours, overtime compensation, child labor, equal pay, wage stabilization, with tables of cases. The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government. Publishes in-depth articles on labor subjects, current labor statistics, information about current labor contracts, and book reviews. As the world's population lives longer, it will be increasingly important for plan sponsors, retirement advisers, regulators, and financial firms to focus closely on how our persons fare in the face of rising difficulties with cognitive financial management. This book offers state-of-the-art

research and recommendations on how to evaluate when persons need financial advice, help them make better financial decisions, and to identify policy options for handling the individual and social challenges efficiently and fairly. This latest volume in the Pension Research Council series, draws lessons from theory and practice, and will be of interest to employees and retirees, consumers and researchers, and financial institutions working to design better retirement offerings.
