to write you're not expected to say something profound so as long as you develop a methodical and analytical writing style you should be fine for reference. I do English lit classics and history intros aren't too important and your web history at a level is an opportunity to build on your existing knowledge of history. You will learn how to critically analyse sources and historic accounts and put forward structured arguments during your course. You will study the industrialisation of Britain between 1783 and 1885, democracy and Nazism in Germany between the first and second world wars. Students must take one unit from each of unit groups 1 to 3 as well as the mandatory non-exam assessment Y100 topic based essay to be awarded the OCR A level in History. A content overview: students select a total of three topics in British and non-British history to study in three units, creating a qualification that is both broad and coherent. Web history is a highly regarded academic subject which develops skills valued by employers and universities. A
