Il segreto dell'amore felice Dec 23 2022 "In amore si soffre perché si resiste. Si soffre perché si vuole adattare questa forza cosmica agli schemi della vita comune. Ogni ragionamento, ogni paragone, ogni spiegazione, ogni progetto è lontano da Amore. Guardare l'amore con l'orologio in mano per vedere quando e dove arriva significa tradirlo. Significa soffrire. Il mal d'amore è sempre legato al nostro bisogno di controllare, gestire, possedere l'amore, portarlo nei nostri schemi, nelle vicissitudini della nostra storia, nei nostri progetti. Amore senza identità, senza storia, senza padri, madri, amici, senza opinioni, senza giudizi: queste sono le basi, i mattoni del buon Amore." Dopo aver ribaltato i punti di vista consueti sulle diete e sulla salute fisica, Raffaele Morelli scardina i luoghi comuni sull'amore: non è vero che per amare gli altri devi prima amare te stesso. Che un rapporto "serio" dura per sempre. Che c'è un'età per amare (e che per te ormai è tardi). Non è vero che le occasioni perdute non ritornano più. Che in amore vince chi fugge. Che bisogna dimenticare il passato e ritornare insieme. Ma soprattutto non è vero che devi migliorare il tuo rapporto di coppia. Che devi cercare l'amore con la A maiuscola, aspettare il principe azzurro. Che devi capire che cosa ti ha fatto innamorare. Che, in generale, devi capire. Un libro spiazzante, provocatorio, illuminante, capace di donare, a chi saprà seguire i suoi consigli, il prezioso segreto dell'amore felice.

Lezioni d'amore Dec 19 2019 "Lo scopo di Lezioni d'amore è aiutare a vivere un amore felice. Naturalmente prendendo in esame il sesso, l'erotismo, le varie forme di piacere, le somiglianze o le differenze fra maschi e femmine, le varie forme di amore, dal vero innamoramento alle infatuazioni che svaniscono rapidamente. Un esame ricco, completo. Per essere semplice, ho scelto la forma espositiva più elementare, quella della domanda e della risposta. Le duecento domande le ho raccolte nel corso del tempo, sono state fatte da donne e uomini, giovani e vecchi, italiani e stranieri, etero ed omosessuali, innamorati e non. A ciascuna ho cercato di dare una risposta breve ma esauriente, approfondita ma chiara, scritta con un linguaggio ad un tempo scientifico e poetico. Perché il sapere è scienza, ma l'amore parla in poesia. Con le domande di Lezioni d'amore potete anche farvi da soli un esame su ciò che sapete o pensate dell'amore, o come gioco da fare col vostro amato o la vostra amata, o con qualcuno che vi interessa conoscere più intimamente. E scoprire molte cose a cui non avreste mai pensato."

Vince Chi Fugge Jan 12 2022 Perché si soffre in amore? Si può riconquistare un amore? Si dice che in amore "vince chi fugge", ma allora si può imparare a "fuggire" per tenere vicino la persona che si

ama? E come si fa? In questo libro con tratti autobiografici, l'autore racconta la sua storia e di come, partendo da un vicissitudine che gli ha provocato grande sofferenza, sia riuscito a codificare il linguaggio e il comportamento delle persone forti in amore. Se una volta il sesso forte era quello maschile, oggi le parti sembrano essersi invertite (non sempre). Come parla il partner forte? E come si comporta? Quali stratagemmi usa per pilotare la vita di quello debole, che alla fine verrà lasciato? A queste domande troverai risposta nel libro.
