Exam Board: AQA, Edexcel, CCEA, OCR, WJEC Eduqas Level: A-level Subject: Physics

First teaching: September 2015 First exams: Summer 2017

Master the skills you need to set yourself apart and hit the highest grades; this year-round course companion develops the higher-order thinking skills that top-achieving students possess, providing step-by-step guidance, examples and tips for getting an A grade. Written by experienced author and teacher Mark Jones, Aiming for an A in A-level Physics:

- Helps you develop the 'A grade skills' of analysis, evaluation, creation and application**
- Takes you step by step through specific skills you need to master in A-level Physics, including scientific reading, quantitative and practical skills, so you can apply these skills and approach each exam question as an A/A* candidate**
- Clearly shows how to move up the grades with sample responses annotated to highlight the key features of A/A* answers**
- Helps you practise to**

achieve the levels expected of top-performing students, using in-class or homework activities and further reading tasks that stretch towards university-level study - Perfects exam technique through practical tips and examples of common pitfalls to avoid - Cultivates effective revision habits for success, with tips and strategies for producing and using revision resources - Supports all exam boards, outlining the Assessment Objectives for reaching the higher levels under the AQA, Edexcel, OCR, WJEC/Eduqas and CCEA specifications This book contains the mark schemes for the six exam papers in Biology, Chemistry and Physics. It also contains useful guidance next to each answer, on how best to answer the questions as well as extra tips. Practise and prepare for AQA A-level Physics with hundreds of topic-based questions and one complete set of exam practice papers designed to strengthen knowledge and prepare students for the exams. This extensive practice book raises students' performance by providing 'shed loads of practice', following the 'SLOP' learning approach that's recommended by teachers. - Consolidate knowledge and understanding with practice questions for every topic and type of question, including multiple-choice, multi-step calculations and extended response questions. - Develop the

mathematical, literacy and practical skills required for the exams; each question indicates in the margin which skills are being tested. - Confidently approach the exam having completed one set of exam-style practice papers that replicate the types, wording and structure of the questions students will face. - Identify topics and skills for revision, using the page references in the margin to refer back to the specification and accompanying Hodder Education Student Books for remediation. - Easily check answers with fully worked solutions and mark schemes provided in the book. This Complete Revision & Practice book for GCSE Physics includes: topics broken down into manageable mini-sections; easy recall questions to test progress; exam-style questions on each mini-topic; a full practice exam compiled from real exam questions; detailed worked answers with hints and easy-to-follow mark scheme; and of course a dash of CGP entertainment to keep things interesting. It is a great value all-in-one study and practice material. Help Your Child Get Top Marks In The Physics GCSE; The Physics GCSE Revision Notebook (Specially Designed to Make Revising Easier and More Effective; Can be Used for any Exam Board/Foundation/Higher Level) Getting the top grades for your GCSE exams depends on your

ability to retain and learn off by heart the questions you will get and their best answers, however using an ordinary notebook or even flashcards to revise for your GCSE exams is not as effective as it could be because they don't cater to all the revision needs on one page. This Physics GCSE Revision Notebook has been specially designed to make learning and revising easier, for example, an Index is provided at the front of the book to make it easy to refer to the topic you wish to revise. The GCSE Physics Revision Notebook comes with a range of coloured spines so you can either use just one book for multiple topics, or you can use several books divided by colour; one for each main topic such as Energy, whatever makes for a more effective learning experience. The Physics GCSE Revision Notebook Makes it Easy to Revise For Diagram Focused Questions Space at the top for large diagrams (cut out and stick from Past Papers or draw inside box) The Question-and-Answer Section underneath can be used for shorter answers and multiple-choice Q&A. For Longer, Multi-Line, Text Only Answers The Expanded Question-and-Answer Sections can be used for longer more complex Answers Test Your Knowledge. Page divided into Question-and-Answer halves, (easily cover the answer side to test your knowledge) Organise Your

Revision. Index Pages for Topic and Page No. and Space on Each Page for Number Reference. Space at the Top of the Page to write down the Section and Topic. Space at the Bottom of the Page to Write or Cut Out and Stick the Mark Scheme Instructions and Your Notes for Each Question. The Notebook is High Quality with a Thick Cream Paper Interior. Make Your Revision Faster and More Efficient - Scroll up and Buy Today - question-types from IGCSE examinations - conform to latest IGCSE syllabus - complete answer keys - complete step-by-step solutions available separately - arrange in topical order to facilitate drilling - complete encyclopedia of question-types - comprehensive “trick” questions revealed - tendency towards carelessness is greatly reduced - most efficient method of learning, hence saves time - very advanced tradebook - complete edition and concise edition eBooks available
