If you have a chip on your windscreen, an annoying scratch on your paintwork, or a key fob that's not working, this book could save you money. There are so many simple fixes that can be made without the need to take your car to the local garage. Crime scene investigation involves the use and integration of scientific methods, physical evidence, and deductive reasoning in order to determine and establish the series of events surrounding a crime. The quality of the immediate crime scene response and the manner in which the crime scene is examined are critical to the success of the investigation. Evidence that is missed or corrupted by incomplete or improper handling can have a devastating effect on a case and keep justice from being served. The Practice of Crime Scene Investigation covers numerous aspects of crime scene investigation, including the latest in education and training, quality systems accreditation, quality assurance, and the application of specialist scientific disciplines to crime. The book discusses a range of basic and advanced techniques such as fingerprinting, dealing with trauma victims, photofit technology, the role of the pathologist and ballistic expert, and signal processing. It also reviews specialist crime scene examinations including clandestine laboratories, drug operations, arson, and explosives. Looking for a way to show that special employee a little appreciation? If that employee is a consistent "fixer" then a Duct Tape Award is definitely due. This journal is the best of two worlds. An award plus a journal to keep notes for... well, fixing things. Inside are 100 line pages for journaling or note taking, while the cover features the Duct Tape Award for this special employee. The goal of this book is to help you create your own marking system that's easy to use. If you've tried other inductive study methods and found them too tedious then this book is for you. This book will show you how to mark your Bible with a simple, easy to remember method that will help you grow deeper in God's Word. Bible marking is an effective inductive method of Bible study. It can be simple or complex. It can be confusing or systematic. It can

be haphazard or methodical. To get the most out of Bible marking it is best to be systematic and methodical, but it doesn't have to be complex. Many Christians want to mark in their Bibles but they're not sure how to mark and what to use. This marking guide will teach you:
***Bible marking for deeper Bible study*What marking tools to use for writing in your Bible*12 marking techniques*20 things to mark*How to develop your own color code*How to develop your own symbols**
