Discover or rediscover how fun learning a language can be with the future of language learning, and start speaking Swedish instantly! My Mom is Awesome (Swedish edition) is this touching bedtime story, a little girl describes why her Mom is awesome. We see her going through her day, carrying the warmest feeling about her mother. Mom always knows how she feels and can help with any problem. Mom can make the most complicated braid and explain fractions; Mom can help to wake her up in the morning and hug her tightly when she's sad. With adorable illustrations and a message to which everyone can relate, this is a perfect book for kids and their moms. The Prairie Girl Stories is about my mother's life when she was a little girl who lived with her family on the unsettled Canadian prairie. Her name was Irene. Over one hundred years ago, Elna Irene Rosenberg was born in Seattle, Washington, and moved to the Saskatchewan prairie when she was only one year old, and her brother Roy was just an infant. Her brother Adolf joined their family on the prairie when Irene was four years old, and her sister, Violet, was born in Seattle and they left the prairie when Irene was nine years old. Growing up I loved to hear the stories that Grandma and my mom would tell. When I was a little girl the prairie stories were much loved as my nursery rhymes and fairy tale books. In my mother's late years, she and I spent many enjoyable hours reliving those early years of her life. Her memories were as vivid as if they had just happened. My mother and her family truly lived the pioneer life from 1911-1919 while homesteading on the vast Saskatchewan prairie in Canada. These are her stories? But the stories first have to begin earlier in the late 1800s when my grandmother Hilda, Irene's mother was a little girl just arriving from Sweden? The following stories and Swedish family history are a gift from Hilda, Irene and myself to Mom expressed that she would be deeply honored if I'd compile her stories into a little book to be passed down and remembered. Lovingly, I've chosen The Prairie Girl Stories as its title. The arrival of two wonderful daughters does a great deal to make up for Stan feeling obliged to bring his painting career to an untimely end, but all his efforts to save his marriage prove futile. Perchance to Dream, the sixth and final book in the six-part Hindsight series charts the slow disintegration of that doomed relationship. Fortunately Stan has by this time discovered the therapeutic value that writing has had for him in his life's crises. Now, with two small children depending on him, he sorely needs a swift recovery - without the help of booze. Writing about his crisis helps him structure his thoughts, deal with his problems and achieve a new and stronger will to live. With Bob

again cheering him on, Stan feels prepared for a whole new life. Love comes to him to unexpectedly, serendipitously, delightfully, in the form of Karin. It feels almost too good to be true. Now, after more than 33 years of growing love and harmony, the test of time has been well and truly passed. Although the narrative of *Perchance to Dream* ends at the close of 1988, it is followed by an Afterword that ties up some of the loose ends and several narrative threads up to date. Stan began working on material for *Hindsight's* so 43 years before completing it. Most of this work was done between 2007 and 2021. In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? Winning games has always been his forte, but will winning her heart become the ultimate goal? Everyone at Moo U knows the party doesn't start until Paige Underwood arrives. Not only is she beautiful, she's fun and charming too. Guys want to date her, and girls want to be her best friend. All Paige wants is to have a good time and make videos for her beauty channel--and maybe get that guy down the hall to do her eyeliner correctly. Is that too much to ask? According to her parents, yes. They've said the party's over and that it's time to get focused. Spencer Briggs knows all about focus. He's had one goal since he set foot on the ice as a kid: make it to the NHL. After years of hard work and endless practice, he's the starting goalie for Moo U and mere steps away from his dream. He can't afford distractions, and isn't interested in relationships. And he definitely can't afford to flirt back with the gorgeous girl in his lit class. He needs to stay serious. She needs to get serious. But now serious sparks are flying... A little girl growing up in New Orleans dreams about seeing the world. Soon she discovers that she could actually do this via mathematics. She's all grown up now. Her name is Dr. Mackamatix. Now that she's fulfilled her dreams of traveling the beautiful planet, she wishes to show kids how they too can see our beautiful planet via mathematics. Do you wish to learn how you too may see the world via mathematics? visit Dr. Mackamatix's FUN website www.phatmath.com and view her online video trailer www.authorbytes.com/mamasays to learn more!! Dr. Mackamatix will introduce you to some of her multicultural animated hip-hop buddies: Al G. Bro, Professor Zero, Frakshun, Ma\$, Queen%, and Nada. Together they'll take you on many adventures through "The World of Dr. Mackamatix" - which is sort of like a hip-hop version of Sesame Street. Dr. Mackamatix and her friends show kids how mathematics can be FUN and is used in their everyday lives and in almost every profession! One of the students - Mack asks Professor Zero to teach her how mathematics is used to invest money. He teaches her how to learn more mathematics by learning how money grows in a bank savings account. Yes, he shows her money doesn't grow on trees! "Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover." by: H. Jackson Brown, Jr. Post-Soviet Latvia in the 1990s was a place of political upheaval and societal turmoil. Such is the setting for *I Have to Get Off My Chest - I Have to Tell My Truth*; the story of Lolita, a young woman who faces her own personal challenges stemming from a husband with addiction problems and the

economic hardships that were widespread across Eastern Europe at the time. Lolita eventually chooses to move abroad and start a new life. But in a foreign country, away from her home and everything familiar to her, she faces new and different obstacles. She must also deal with the additional challenges of bringing up a child with special needs. Eventually Lolita does succeed in creating a good life for herself and comes to enjoy the happiness she has always sought for herself and her children.

I Have to Get It Off My Chest - I Have to Tell My Truth is a compelling work that's based on author Inguna Brazil's own experiences as a Latvian woman. While the book depicts events from her personal history, it's a story that would undoubtedly be familiar to many Latvian women who faced similar adversities following the demise of Soviet controlled Eastern Europe. Author Inguna Brazil was born in Latvia during the Soviet era and currently resides in Ireland. The mother of two, Inguna is also a grandmother. With much of her time on a day-to-day basis devoted to caring for her youngest daughter, writing is something she has typically done in her spare time. This is her first book. Publisher's website: <http://sbpra.com/IngunaBrazil>

A story about a plastic knight, love, friendship, betrayal, potential axmurderers, the scent of lavender, Down syndrome, madeleines, Japanese capsule hotels, fifteen minutes of fame and how to bury an old lady behind the raspberry bushes.

I Love My Mom - Swedish children's book Everybody loves their Mom no matter what their age. In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? You will find out in this illustrated children's book. This children's book is part of a collection of short bedtime stories. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well!

Kristina Jenica Miles is 1 in 8. She unexpectedly joined the club of millions of women warriors who are silently battling the lonely and terrifying journey of infertility. Kristina, like her fellow warriors, has tried just about everything she can to get pregnant... including eating a pigeon.

Döstädning, or the art of death cleaning is a Swedish phenomenon by which the elderly and their families set their affairs in order. Whether it's sorting the family heirlooms from the junk, downsizing to a smaller place, setting up a system to help you stop misplacing your keys, death cleaning gives us the chance to make the later years of our lives as comfortable and stress-free as possible. Whatever your age, Swedish death cleaning can be used to help you de-clutter your life and take stock of what's important. Margareta Magnusson has death cleaned for herself and for many others. Radical and joyous, her guide is an invigorating, touching and surprising process that can help you or someone you love immeasurably, and offers the chance to celebrate and reflect on all the tiny joys that make up a long life along the way.

English Swedish bilingual children's book. Perfect for kids studying English or Swedish as their second language. In this touching bedtime story, a little girl describes why her Mom is awesome. OUR SCANDINAVIAN HERITAGE is a collection of true stories by members of The Norden Clubs, Jamestown, NY, stories about themselves and/or their ancestors their adventures, customs, and the sacrifices they made to come to America, a land where streets were paved in gold, as one young girl was told. Included is a history of the emigration from Scandinavia to America and to Jamestown, NY, in the late 1800s and early 1900s. The Norden Clubs are pleased to permanently record these memories as part of history, particularly the Scandinavian influence in America.

David Sarac is a handler at the Intelligence Unit of the Stockholm Police Force, identifying, recruiting, and wrangling anyone who can support the police in their battle against organized crime. And David is very good at what he does: manipulation, bribes, and threats--anything goes, so long as he delivers. Other agents can do nothing but watch jealously as his top-secret, high-level informant, Janus, rockets David to success. But when David suffers a stroke during a high-speed car chase, crashing violently into the wall of a tunnel, he wakes up in a hospital with no memory at all of Janus or the past two years of his life. David only knows that he has to reconnect with Janus to protect himself and his informants before outside forces bring the whole network crashing down. Fortunately, he has his supportive friends and colleagues to help him rebuild his life ... or does he?"--

English Swedish Bilingual children's book. Perfect for kids studying English or Swedish as their second language. In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. What creative solution did they find to express their feelings? Swedish language children's book - I Love My mom. In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? This book is for Seventh-day Adventist millennials and all believers, especially those old farts who were born and brought up in the church like me. These are Adventist kids and grown-ups that say "Wait. What? That makes no sense. What is this Jesus they are presenting? He demands that I know the law, the Sabbath, the sanctuary in heaven, the scary investigative judgment, the mark of the beast, the three angels' messages, about being stranded without an advocate, the fact that Jesus was executed in my place, and the fact that I should revere and obey the Adventist pope" and so on. Don't fret. Inside this book, you'll find all the answers, and you will also be surprised by how easy the Gospel is to understand and how much fun it is to be free in Christ. Free yourself from the shackles of organized religion. The set-up: A booty call The surprise: I love one another's humpany. The shock: We're a hell of a lot closer than we should be. Pillowtalk was never a turn on but that was before Camille entered my life.. booty call may get a bad wrap, but I've never had humpany like this. Like her. She's gorgeous, hilarious, and when we're together, the world disappears. But then I open the front door

and realize we've forgotten to mention one very important detail. A detail that changes everything. She may be the humpany of my dreams but I can never see her again. Can Dear Reader, It's time to stop, drop, and roll with Andre -- the hottest firefighter to ever light up your kindle. He has a real big hose and is hoping you'll slide down his pole. It's time to get rid of your smoke detector and sleep with a firefighter! Xo, Frankie & Char

Natural Shocks, the first in the autobiographical six-part book series called Hindsight, covers the childhood of Stan Erisman, a gregarious American boy, in a Chicago suburb called Oak Park in the 1950s. Stan's parents are naturally loving, but the strictness of their beliefs and the pressure from the Plymouth Brethren, a Christian Fundamentalist sect, compels them to heap layer after layer of religious indoctrination upon their three sons, of whom Stan is the youngest. Struggling to live a normal life, Stan is forced to become an outsider, so as not to have to mingle with "unbelievers" – the rest of the h race. Triggered by his passionate interest in the Indians, Stan begins to question the v things are done, both out there in the world and within his religious community. Enter puberty in the 1960s, Stan begins to have serious doubts about what he's been told to believe by the leaders, both political and religious. And when he sees how his brother's attempts to exercise greater freedom are crushed, doubt turns to determination not to let that happen to him – ever. By his mid-teens, Stan has begun to rebel, as has his fellow sufferer and best friend, Norm. Together, the two youths hatch a careful plan to escape into the unknown world of San Francisco in 1964. And Stan has begun to paint.

Feminist research is informed by a history of breaking silences, of demanding that women's voices be heard, recorded and included in wider intellectual genealogies and histories. This has led to an emphasis on voice and speaking out in the research endeavour. Moments of secrecy and silence are less often addressed. This gives rise to a number of questions: What are the silences, secrets, omissions and and political consequences of such moments? What particular dilemmas and constraints do they represent or entail? What are their implications for research praxis? Are such moments always indicative of voicelessness or powerlessness? Or may they also constitute a productive moment in the research encounter? Contributors to this volume were invited to reflect on these questions. The resulting chapters are a fascinating collection of insights into the research process, making an important contribution to theoretical and empirical debates about epistemology, subjectivity and identity in research. Researchers often face difficult dilemmas about what to represent and how, what to omit and what to include. This book explores such questions in an important and timely collection of essays from international scholars.

Ever since Stieg Larsson shone a light on the brilliance of Swedish crime writing with his acclaimed and bestselling *Girl With the Dragon Tattoo* trilogy, readers around the world have devoured fiction by some of the greatest masters of the genre. In this landmark and unique publication, Sweden's most distinguished and best-loved crime writers have contributed stories to an anthology that promises to sate the desire to read about the dark side of Sweden. Containing seventeen stories, never before published in English, *A Darker Shade of Sweden* illuminates this beguiling country and its inhabitants as never before. Included are stories from such Swedish literary luminaries as:

- Stieg Larsson
- Henning Mankel

Åsa Larsson • Eva Gabrielsson English Swedish Bilingual Childrens Book. Perfect for kids studying English or Swedish as their second language. In this touching bedtime story, a little girl describes why her Mom is awesome. We see her going through her day, carrying the warmest feeling about her mother. Mom always knows how she feels and can help with any problem. Mom can make the most complicated braid and explain fractions; Mom can help to wake her up in the morning and hug her tightly when she's sad. Swedish English Bilingual children's book. Perfect for kids studying English or Swedish as their second language. In this bedtime story, the little bunny Jimmy and his older brothers try to find the perfect present for Mom's birthday. What creative solution did they find to express their feelings? Having recently relocated from Chicago to Los Angeles with a new husband and her first love's daughter, Susan is thousands of miles away from home. Suddenly distraught over the death of her first love, Susan can't get Rick out of her thoughts. It doesn't help that his presence is felt strongly by both she and her new husband. In an intensely personal coming of age exploration, Susan discovers and relives, through flashbacks, her tormented relationship with Rick from beginning to end. Upon investigating his murder, Susan learns more about herself than she'd realized possible, thus is finally able to let go of some of the pain that has haunted her for over twenty years. Through this confrontation, the past ceases to be a ball-and-chain; the future-still full of uncertainty-is no longer to be feared. Lonely Planet Sweden is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Visit the beautiful, stylish capital of Stockholm; hike, ski or dogsled Arctic wasteland; curl up by the fire in a cosy cottage; all with your trusted travel companion. It explores how dominant power structures in society shape life experiences of trans and gender non-conforming people and their activist identity development. Everyone fantasizes about winning the big jackpot, but what if you actually won... Ty MacIntyre's life changes the instant she wins the lottery. People are after her winning ticket and she's not sure to trust. She's been given the gift of wealth. Will she use it to get her life back on track? Will that prove easier said than done? Karla Rehn is forced to walk away from her dream of being on the US Ski Team. She's angry at the world—especially herself. A trail of reckless behavior threatens to derail her plans to earn a college degree and become a nurse. Ty is drawn to Karla the moment the two women meet. Can they guide each other through the obstacles that life has thrown their way? What lurks in the corners of the house originates in the corners of the mind. When Kim inherits an old family house in rural Sweden, there are notes posted everywhere. On the walls, the doors, even the ceiling. Reminders. And drawings. Of the monsters that still haunt this house and the land on which it sits. But the monsters aren't just outside; they're in Kim's head, in the traumatic memories of an upbringing as different, other, alone. Dive into this stunning graphic novel full of darkness, reconciliation, and exploration of the self. From acclaimed creators Anders Fager and Peter Bergting. How do you talk about and make sense of your life when you grew up with parents who survived the most unimaginable horrors of family separation, systematic murder and unending encounters of inhumanity? Sixteen authors reveal the challenges and gifts of living with the aftermath of their parents' inconceivable experiences during the Holocaust. The Ones Who Remember: Second-Generation Voices of the Holocaust provides a window into the lived experience of sixteen different families grappling with the legacy of genocide. Each author reveals the many ways their parents' Holocaust traumas and survival seeped into their souls and then affected their subsequent family lives - whether they knew the bulk of their parents' stories or nothing at all. Several of the contributors' children share interpretations of the continuing effects of the legacy with their own poems and creative prose. Despite the diversity of each family's history and journey of discovery, the intimacy of the collective narratives reveals a common arc from suffering to resilience, across the three generations. This book offers a vision of a shared humanity against the background of inherited trauma that is relatable to anyone who grew up in the shadow of their parents' pain. Welcome back to the hilarious small-town romance of Friendship, Texas. A town where your best friend is dating an Olympic swimmer and you may have hooked up with his teammate on Nona's goat pen. Our little tryst at the Conti house - and again the next day - left me with morning sickness and a little swimmer of my own on the way. Johnny is sweet and sexy as all get out, but when push comes to shove, are either of us ready when now we are part of each other's lives?

Wars: An Oral History of Cancer Today will challenge your assumptions about how a cancer diagnosis and treatment are made in the United States in the early twenty-first century.

century. It takes an uncomfortable subject into the realm of public discussion in ways parents' generation would never consider. Cancer affects all families, rich or poor. Through the collective voices of over 150 patients and medical professionals interviewed, we learn how we can reduce anxiety with this subject by modeling those who are coping well with this chronic illness. Treating cancer must be both a clinical and psychological protocol - body and head. Today more people live a quality life through advanced treatments and new discoveries. The voices in *Cell Wars* are both compelling and timely.
