Provides a collection of women's personal accounts that pose questions particularly relevant today. These stories come from women with diverse political loyalties and range from pre-World War I Europe to Central America in the 1980s. They are told by women in combat, social workers in refugee camps, nuns and nurses; but also by mothers, daughters, and wives who have been victims, survivors, and leaders--by women who took active command of their lives, dealt with grief, terror, and loss, and did what had to be done. When a young lady from a land boom syndicate tries to enlist Andy Green's help in scheme to lure settlers to Montana, he isn't interested-until he learns that the land selected was part of the Flying U Ranch. Andy quickly sets was off to tell Chip Bennett and the rest of the Happy Family at the Flying U about the insidious plot that could sound the death knell for the Flying U. Drawing on theories of media, systems, and cultural techniques, Keys to Play spans Greek myth and contemporary Japanese digital games to chart a genealogy of musical play and its animation via improvisation, performance, and recreation. As a paradigmatic digital interface, the keyboard forms a field of play on which the book's diverse objects of inquiry—from clavichords to PCs and eighteenth-century musical dice games to the latest rhythm-action titles—enter into analogical relations. Remapping the keyboard's topography by way of Mozart and Super Mario, who head an expansive cast of historical and virtual actors, Keys to Play invites readers to unlock ludic dimensions of music that are at once old and new. A town a ten thousand people. What parade do we get? I'm a parade. I'm a one-man parade. Halloween. A small town in the west of Ireland. There's a party to get to and Mikey and Casey have everything they need . . . Booze. Cash. Drugs. Each other. The only problem is they're stuck. Stuck on a roof. Stuck together. A raucous and unlikely romantic drama, twenty feet up. *If We Got Some More Cocaine I Could Show You How I Love You* premiered at the Old Red Lion theatre, London, in August 2016 "How to succeed against all odds is an inspirational, motivational and empowerment book - aimed @ people who lack motivation and/or don't know how to find themselves." This self-help guide takes students from the challenges of first year through to their successful graduation from university. It contains essentially all of the information that a student needs for success. It covers everything from attending lectures and taking effective notes to preparing for and writing tests and exams. It is packed full of valuable advice and step-by-step approaches that will help every student attain the best marks possible. It guides students through issues like effective listening, writing reports and essays, and tackling different types of test questions. It gives advice on how to avoid problems and when they are unavoidable, how to deal with them effectively. Written by a professor with experience teaching at several universities and an MSc graduate who was awarded multiple scholarships, there is insight and guidance in this volume that cannot be matched. In addition to the University calendar and required textbooks, this is the only complete guide a student will need to reach his or her full potential and to graduate with a degree of which they can be proud. Leadership lessons from the iconic brand you can use to drive Disney-style success In helping Walt Disney create "The Happiest Place on Earth," Van France and his team started a business revolution in 1955 that eventually became the Disney University—the employee training and development program that powers one of the most famous brands on earth. Disney U examines how Van France's timeless company values and leadership expertise have turned into a training and development dynasty: the Disney U. The book reveals the heart of the Disney Culture and describes the company's values and operational philosophies that support the world-famous Disney brand. Doug Lipp is an internationally acclaimed expert on customer service, leadership, change management and global competitiveness, specializing in the lessons he learned at the Disney U.
