Writer and Antarctic explorer Neider tells of his third trip to the frozen continent, describing the international stations there and the goals they are working toward. Neider also tours the Antarctic landscape, observing the geography and wildlife and evoking it in detail. Devoting scrutiny to the international treaties that protect the continent politically and environmentally, Neider reveals how important those treaties are. Also included in this work are interviews with Antarctic pioneers Sir Charles Wright, Sir Vivian Fuchs, and Laurence Gould. Gangsters, aviators, hard-boiled detectives, gunslingers, jazz and images of the American metropolis were all an inextricable part of the cultural landscape of interwar France. While the French 1930s have long been understood as profoundly anti-American, this book shows how a young, up-and-coming generation of 1930s French writers and filmmakers approached American culture with admiration as well as criticism. For some, the imaginary America that circulated through Hollywood films, newspaper reports, radio programming and translated fiction represented the society of the future, while for others it embodied a dire threat to French identity. This book brings an innovative transatlantic perspective to 1930s French culture, focusing on several of the most famous figures from the 1930s – including Marcel Carné, Louis-Ferdinand Céline, Pierre Drieu la Rochelle, Julien Duvivier, André Malraux, Jean Renoir and Jean-Paul Sartre – to track the ways in which they sought to reinterpret the political and social dimensions of modernism for mass audiences via an imaginary America. Parents of preteens and teens can move from scared to prepared with a new approach to parenting their adolescents. Parents of preteens intuitively know that no matter how good their kids are, there is turbulence ahead. Many feel lost and unprepared as they watch the damaging effects of culture collide with their

child's growing pains and raging hormones. For the past 35 years Mark Gregston has lived and worked with struggling teens and knows what it takes to reach them. He says, "A parent's success has little to do with either the validity of their words or their intent as messengers, it's more about how they approach their child and engage with them." Designed for use with the DVD-based study, the handbook will explore: What's so different about today's culture Why traditional parenting no longer works A new model for parenting teens Foundational and practical, Tough Guys and Drama Queens Facilitator's Handbook answers the questions that parents are asking, helping them become the parents their children need them to be. Offering professional wrestling fans a ringside seat into his adventurous life, WWE Hall of Fame wrestler Jim Duggan recounts for the first time key moments and legendary bouts both inside and outside the ring. Known to millions of enthusiasts as a charismatic patriot--with an American flag in his right hand and his signature two-by-four in his left--Duggan here reflects on his early life as a student-athlete on the Southern Methodist University football squad. Drafted by the Atlanta Falcons, Duggan shares how an injury-plagued rookie season curtailed his football ambitions and paved the way for a brighter career in professional wrestling. Rising to fame in the Cold War-era 1980s, Duggan immediately put himself at odds with anti-American "heels" and engaged in legendary feuds with some of the most legendary names in the sport, including the Iron Sheik, Nikolai Volkoff, and Andre the Giant. In this who's who of top-tier wrestling, Duggan reveals not only the high points of championship bouts but also the low points that occurred far away from the TV cameras and screaming fans, including his fight against kidney cancer during the prime of his career. With each page peppered with Duggan's charming wit, fans will find much to enjoy and discover about the man they once knew only as "Hacksaw."

Inspiring, personal and full of all-too-relatable stories from life in modern America, Real Tough Software is an unforgettable memoir from a woman who didn't take no for an answer. In a life filled with dead-end jobs and a quest for meaning, RealToughCandy has emerged as a survivor taking full advantage of everything the developer lifestyle has to offer - but not without sacrifice. As an educator, creator and business owner she created a multimedia empire dedicated to up-and-coming developers while establishing herself as tireless advocate for newcomers to the field. RTC invites you into her world, chronicling events from sleepless nights learning RESTful APIs and JavaScript type conversion to her time spent in a senior position at a dysfunctional enterprise software company. She details her wins and losses, telling her story in a way that takes you right to the scene. Real Tough Software is a brutally honest look back at one person's incredible journey to a career in software, sharing the fight, the heart, and the relentless hustle that resulted in not only a new career, but a new chance at freedom. What is the most important ingredient for living a long and happy life? The Harvard Study of Adult Development-the longest-running study of human happiness-has identified the essential habits for achieving that goal. The most important practice? Intimacy. In Expansive Intimacy: How "Tough Guys" Defeat Burnout, Jim Young explores the rules of masculinity that force men into a false choice: either face shame by embracing their inner desires for meaningful connection, or invite burnout by following the harsh rules that require men to shun emotions and emphasize achievement. With both levity and gravity, Jim walks us through his years-long journey through burnout, along with stories and lessons of how other men have boldly escaped burnout by embracing

a new way to be tough-through *Expansive Intimacy*. Jim Young is a former corporate leader, an executive coach, a keynote speaker, and a professional comedian. You can learn more about his work at [www.thecenteredcoach.com](http://www.thecenteredcoach.com). Recounts the author's rise to the upper echelons of the mafia hierarchy, his time in prison, and his struggle to turn his life around. I was around ten years old, sleeping in the back seat of my mom's car, parked during evenings at the Detroit River. I looked out the window at the stars, as I feared morning until by exhaustion I would fall asleep. I often woke up having wet my pants from my very real and imagined fears. By day, my mom would look for work and wash clothes while I hung out with the old black guys that would spend their day fishing in the Detroit River. I thought I was the only one who grew up in fear, in a world of abuse, until at thirteen I finally met my half-brother at a professional boxing match. He was in sitting next to our dad. Donny looked at me from inside the ring, trying to figure out who I was as the fight announcer was making his formal introductions. All we had shared at this point was the same biological father. Little did we know... Are you looking for a fun gift for someone close to you? This is a perfect blank, lined notebook for men, women, and children. Great for taking down notes, reminders, and crafting to-do lists. Also a great creativity gift for decoration or for a notebook for school or office! This notebook is an excellent accessory for your desk at home or at the office. It's the perfect travel size to fit in a laptop bag or backpack. Use it on the go and you will keep all of your notes and reminders in organized in one place. Professionally designed this 6x9 notebook provides the medium for you to detail your thoughts. Buy your notebook today and begin to fill the pre-lined pages with your heart's desire. Your new notebook includes: Fresh white paper 100 pages 6x9 inch format Paper color: White We have even more wonderful titles that you'll enjoy! Be sure to click on the author name for other great notebook ideas. Explore humanity's futuristic attempt to control destiny, at all costs, in a time that is plagued by individuals having no scruples when it comes to getting their way, especially when commanding the technology to quite possibly achieve it. It is now the Twenty-Sixth Century. Although humanity has overcome the average, everyday problems associated with life on Earth and abroad, some annoyances still remain. 'Abnormal' human behavior, including racial and religious prejudices, are controlled by the oppressive World Government, but are still a part of the human condition. Mankind's environment has changed, but the human heart has not. Space travel is widespread and common-place throughout the Milky Way Galaxy. Numerous habitable and adaptable planets are populated with humans from Earth. Great efforts had been undertaken to find alien life, but the only ones found were the beasts within humans. "Mark S. Cohen takes you into a mystical world where love and free will are challenged, a world where you can expect the unexpected, a world that just might change your reality forever. Tanda Vas and the Golden Chest is not only for those wanting to read an exceptionally well crafted, captivating story, it is also for those seeking spiritual truths. Cohen's fascinating characters share powerful life-transforming lessons and techniques. They teach without preaching, and you will learn without studying." During a notorious career with the Detroit Red Wings and the Chicago Blackhawks, Bob Probert racked up points, penalty minutes and bar bills, establishing himself as one of the most feared enforcers in the history of the NHL. On the ice, he was a fan favourite. He backed up his teammates one hundred percent, taking on the toughest guys of his era. Off the ice, Probert played hard too. Over his pro career he went

through ten stays in rehab, two NHL suspensions, a jail sentence for carrying cocaine across the border and a near-fatal motorcycle crash. When he died unexpectedly of a heart attack on July 5, 2010, at the age of forty-five, he was hard at work on his memoir with Kirstie McLellan Day, co-author with Theo Fleury of the blockbuster *Playing with Fire*. *Tough Guy* is a gripping journey, full of jaw-dropping stories about the toughest bareknuckle fighter in the NHL. A new chapter in the ever popular 'Emma' series. Emma Sykes has always dreamed of travelling to America -- and now that Bea lives there with the twins, the pull is even greater. Then, her psychiatrist husband Paul is approached to go on a lecture tour in the States and Emma is thrilled to find her wish has finally come true. Booking a suite on the Queen Mary with Miranda Shuter, the actress wife of Bea's father, Emma can't wait to catch up with her oldest friend in Washington. Once there, the luxurious and sheltered lifestyle Bea and Dwight and their children enjoy lulls everyone into a false sense of security as suddenly tragedy strikes -- one of the children goes missing. There is heartache and desperation for all involved as the elegant city reveals its darker side of high unemployment and widespread crime. Emma comforts her friend and together they face the unknown dangers in search of Bea's youngest son. We must be very careful of how we raise our children. If the wrong message is sent to the child, the end result can be tragic. Children are very impressionable and are born with the desire to please their parents. It is a parent's responsibility to raise the child into adulthood in a proper manner. There are no good templates to follow or precise instructions for the creation of a well-rounded child. That would be far too simple. Parents must remember that a perfect child does not exist. They also must remember that a child needs to be a child. Each child is very different and each child requires special attention that can only be given by loving parents. If but one parent or future parent reads this book and realizes the potential effect of their actions on a child, and changes their parenting approach, then I have done my job. This novel reflects the effect of an overbearing abusive parent on a child. The child, Zeke, possesses the ability to fully remember everything since he was three years old. Zeke is both physically and mentally abused by a controlling mother, Marie, who is relentless in her quest to prove to the boy that he is evil and worthless. Zeke grows up through childhood to believe that he is really the monster that his mother makes him out to be. Zeke is driven to seclusion early in life by Marie. He only feels safe when he is alone where nobody can see or touch him. He is safe only in a world where he is the one in control and he makes the decisions. Zeke's father, James, is a workaholic and is seldom around to realize the abuse that goes on during his absence. Marie uses James to administer punishment to the boy for infractions that are blown out of proportion by her anger toward the child. The reality is that Marie never wanted the child and she blames James for the existence of the boy. The truth is that James fears being at home with Marie as much as Zeke does. The control and abuse doesn't stop with Zeke, it also filters down to James. The story follows Zeke through school where he is constantly in trouble with other children and school officials. His punishment for his behavior is severe and his anger toward the world increases as each day passes. In each case where he is wronged, he must retaliate. Zeke fully understands right from wrong, but he can't control his anger and hatred. He won't even try, why should he? His only friend in life, Tony, suffers a tragic death at a very young age and Zeke blames himself for not being able to save him. He feels that if he had only listened to Tony that he could have saved him.

That guilt follows Zeke for the rest of his life. He has his first romantic interlude at an early age with a young female neighbor. His trust and ability to care about females is further damaged by the actions of this young lady. Marie has laid the groundwork for Zeke to possess the power to hate when he is rejected. He will not be controlled by anyone. He will be the one who controls each situation. Only Zeke's feelings matter anymore. Zeke begins to suffer from reoccurring nightmares that haunt him almost daily. He can't escape them and they continue to burn their way into his mind. A faceless demon with a blood dripping dagger chases him relentlessly in his nightmares. The nightmare intensifies over the years until one day he sees the face of the demon clearly. During the story Zeke's life crosses the path of an undesirable vagrant named Whitey. He proves to be an individual that needs to be dealt with. Whitey is just another person who tries to control and abuse Zeke. Zeke's quest to get even with Whitey takes him to a place in his mind that he will travel numerous times in the future. Many chose to cross Zeke during his life and he comes up with unique ways to deal with these individuals. Zeke believes that those who wrong him deserve to be punished and no punishment is too great for those who betray him. Zeke escapes his life at home through the help of James, only to find that life aw On his journey to overcome fear and self-doubt, a young boy named Judah finds himself in a world full of monsters. He finds other children equally restrained by the same fears. At the sight of such helpless children, Judah gains the courage to rise above his fears and save the others as well as himself. By doing so, he earns the confidence necessary to face all challengers--even himself. Sheer Faith is for all teen guys who are facing the challenges of maturing into young men, but especially those who are unsure of their faith or self-worth. Who hasn't walked the valley of fear, rejection and self-doubt? This pain and confusion come from many sources. Only one can truly understand and encourage -- God. He is there to give us strength and guide us back out of the valleys. His specialty is healing wounded spirits and knocking down "tough guy" walls. Faith makes us tough from the inside out. Do you really want to be a "macho" Christian? Then get real with God. Journaling is one way of getting to know who we are as God sees us. He can speak to us right through our pens. C'mon, tough guy. Pick up your pen. Find out what you're really made of. Want an adventure? This is it! Book jacket.

Everybody has a story, but nobody's story is quite like Wally and Zizza's. Told by their son now they have passed, Wally and Zizza's Amazing Journey is more than a family history, exploring the dramatic twentieth century through the lens of his parents. Through wars, emigration and exploration, the couple took on the world together, searching for new discoveries in both outer and inner landscapes. They lived on four continents, met with great teachers, dealt with wars and passed on lessons to their children. All of this astounding adventure is illustrated throughout by the extensive use of documents and photographs Louis shares, along with personal recollections and historical research. Told with humour and great affection, Wally and Zizza's Amazing Journey chronicles the laughs, the lows and every little and large moment that made up a spectacular life. Readers who enjoy road stories, as well as a detailed look at the events of the twentieth century, will delight in a story that examines history through an intrepid couple's eyes - and perhaps inspire a change in perspective for those open to it. A journey consists of many things. One could encounter terror, joy, or perhaps even love. Kael is on a journey in search of his past. His quest begins as he wakes up in the middle of a battlefield without a clue. Lost memories, lost loved ones

and a loneliness that only one girl can cure. The girl he sees in his dreams. This is a story of one man's sojourn into the unknown. To find the answers to his troubled visions of the past. A search to find his destiny! Did you know that wrestlers have feelings? Knights do too. Even superheroes feel sad sometimes. In fact everyone has feelings - even dads who love their children! Now in paperback, children will love to recognise the feelings in Keith Negley's bold illustrations which accompany a fun-to-read aloud narrative. Parents can enjoy and engage with children in a light-hearted discussion about emotions and how they affect us all. Contains more than one million alphabetically-arranged synonyms grouped in related clusters. Even the most well-known people have struggled to succeed! This follow-up to *Fantastic Failures* offers up a second dose of fascinating stories featuring flops that turned into triumphs. Kids today are under a lot of pressure to succeed, but failure has an important place in life as young people learn how to be a successful person. In his teaching career, Luke Reynolds saw the stress and anxiety his students suffered, whether it was over grades, fitting in, or simply getting things right the first time. *Even More Fantastic Failures* is a second installment in Luke Reynolds's personal campaign to show kids it's okay to fall down or make mistakes, just so long as you try, try again! Kids will read about a host of inspiring, courageous, and diverse people who have accomplished—or still are accomplishing—big things to make this world a better place. A wide range of stories about Barack Obama, Greta Thunberg, Nick Foles, Emma Gonzalez, Beyoncé, Ryan Coogler, John Cena, Socrates, and even the Jamaican national women's soccer team, prove that the greatest mistakes and flops can turn into something amazing. In between these fun profiles, Reynolds features great scientists and other pivotal people whose game-changing discovery started as a failure. Readers will enjoy seeing stories they know highlighted in the new feature "Off the Page and On the Screen," which showcases how failures and successes are presented in books and film. Each profile includes advice to readers on how to come back from their own flops and move forward to succeed. In this amazing work, Westbrook generously shares with us the tools he has used and created over the last 30 years to bring comfort "" physical, spiritual, emotional, and intellectual "" to the dying, the families of the dying, and their professional and lay caregivers. Using the narrative style of *Native Americans*, Westbrook role-models his tools through a series of powerful, poignant, and moving stand-alone stories which illustrate precisely how to journey and navigate some of the most difficult End-of-Life situations, and to do so with Grace, equanimity, and deep partnership. Whether those dying are young or old, male or female, sober or loaded, sheltered or homeless, alone or surrounded, appreciative or combative, terrified or curious, rich or poor, or any other pairings you can imagine, this book engages the reader in ways to quickly establish trust and rapport and to then use humor, curiosity, reframing, and other tools to challenge, support, and co-journey with patients and families in ways that are transformative. The beauty of this book is that each brief chapter is a stand-alone teaching tool that can be used independently of the rest of the book. It can be used as a supplementary text for students, and in continuing education workshops for professionals. It can be used by the dying themselves and/or by their families. It can be read in quiet contemplation, or aloud as a stimulus for conversations of depth and weight and of hope and transformation. The power of this book and its tools lies in its role-modeling of how to simply use our humanity "" our suffering, vulnerability, courage, humor, compassion,

passion, curiosity, honor, love, and imperfection to create deep and lasting connection as we co-journey toward the End-of-Life. As a fearless poet and prolific essayist and critic, Liu Xiaobo became one of the most important dissident thinkers in the People's Republic of China. His nonviolent activism steered the nation's prodemocracy currents from Tiananmen Square to support for Tibet and beyond. Liu undertook perhaps his bravest act when he helped draft and gather support for Charter 08, a democratic vision for China that included free elections and the end of the Communist Party's monopoly on power. While imprisoned for "inciting subversion of state power," Liu won the 2010 Nobel Peace Prize. He was granted medical parole just weeks before dying of cancer in 2017. *The Journey of Liu Xiaobo* draws together essays and reflections on the "Nelson Mandela of China." The Dalai Lama, artist and activist Ai Weiwei, and a distinguished list of leading Chinese writers and intellectuals, including Zhang Zuhua, the main drafter of Charter 08, and Liu Xia, the wife of Liu Xiaobo, and noted China scholars, journalists, and political leaders from around the globe, including Yu Ying-shih, Perry Link, Andrew J. Nathan, Marco Rubio, and Chris Smith illuminate Liu's journey from his youth and student years, through his indispensable activism, and to his defiant last days. Many of the pieces were written immediately after Liu's death, adding to the emotions stirred by his loss. Original and powerful, *The Journey of Liu Xiaobo* combines memory with insightful analysis to evaluate Liu's impact on his era, nation, and the cause of human freedom. David Winters has produced and directed over 80 feature films and over 200 television shows and TV movies, and is recognized as nothing short of an icon in the entertainment industry. In *Tough Guys Do Dance*, David shares many fascinating and, at times, jaw-dropping behind-the-scenes stories regarding his associations with some of the biggest names in show business—names like Frank Sinatra, Elvis Presley, Barbra Streisand, and Michael Jackson, to name a few. It is filled with personal stories of David's life that at times may seem hard to imagine and is told with David's personal voice and real-life humility in a way that only he could tell. David's work in the legendary Broadway show and film *West Side Story* inspired millions of boys and men alike to embrace the art of dance and truly showed them that "tough guys do dance"! Whether you are a student of dancing or an aspiring actor or producer, this book will prove to be one of the most entertaining reads you will ever experience. Parents of preteens and teens can move from scared to prepared with a new approach to parenting their adolescents. Parents of preteens intuitively know that no matter how good their kids are, there is turbulence ahead. Many feel lost and unprepared as they watch the damaging effects of culture collide with their child's growing pains and raging hormones. For the past 35 years Mark Gregston has lived and worked with struggling teens and knows what it takes to reach them. He says, "A parent's success has little to do with either the validity of their words or their intent as messengers, it's more about how they approach their child and engage with them." Designed for use with the DVD-based study, the guide will explore: What's so different about today's culture Why traditional parenting no longer works A new model for parenting teens Foundational and practical, *Tough Guys and Drama Queens Parent's Guide* answers the questions that parents are asking, helping them become the parents their children need them to be. Adapting fiction into film is, as author Cristina Della Coletta asserts, a transformative encounter that takes place not just across media but across different cultures. In this book, Della Coletta explores what it means when the translation of fiction

into film involves writers, directors, and audiences who belong to national, historical, and cultural formations different from that of the adapted work. In particular, Della Coletta examines narratives and films belonging to Italian, North American, French, and Argentine cultures. These include Luchino Visconti's adaptation of James M. Cain's *The Postman Always Rings Twice*, Federico Fellini's version of Edgar Allan Poe's story "Never Bet the Devil Your Head," Alain Corneau's film based on Antonio Tabucchi's *Notturmo indiano*, and Bernardo Bertolucci's take on Jorge Luis Borges's "Tema del traidor y del héroe." In her framework for analyzing these cross-cultural film adaptations, Della Coletta borrows from the philosophical hermeneutics of Hans-Georg Gadamer and calls for a "hermeneutics of estrangement," a practice of mediation and adaptation that defines cultures, nations, selfhoods, and their aesthetic achievements in terms of their transformative encounters. Stories travel to unexpected and interesting places when adapted into film by people of diverse cultures. While the intended meaning of the author may not be perfectly reproduced, it still holds, Della Coletta argues, an equally valid and important intellectual claim upon its interpreters. With a firm grasp on the latest developments in adaptation theory, Della Coletta invites scholars of media studies, cultural history, comparative literature, and adaptation studies to deepen their understanding of this critical encounter between texts, writers, readers, and cultural movements.

The first biography to examine Mailer's life as a twisted lens, offering a unique insight into the history of America from the end of World War II to the election of Barack Obama. Twice winner of the Pulitzer Prize, firstly in 1969 for *The Armies of the Night* and again in 1980 for *The Executioner's Song*, Norman Mailer's life comes as close as is possible to being the Great American Novel: beyond reason, inexplicable, wonderfully grotesque and addictive. *The Naked and the Dead* was acclaimed not so much for its intrinsic qualities but rather because it launched a brutally realistic sub-genre of military fiction – *Catch 22* and *MASH* would not exist without it. Richard Bradford combs through Mailer's personal letters – to lovers and editors – which appear to be a rehearsal for his career as a shifty literary narcissist, and which shape the characters of one of the most widely celebrated World War II novels. Bradford strikes again with a merciless biography in which diary entries, journal extracts and newspaper columns set the tone of this study of a controversial figure. From friendships with contemporaries such as James Baldwin, failed correspondences with Hemingway and the Kennedys, to terrible – but justified – criticism of his work by William Faulkner and Eleanor Roosevelt, this book gives a unique, snappy and convincing perspective of Mailer's ferocious personality and writings. A killer lurks in the shadows of Hyde Park, New York...waiting.

Manhattan District Attorney, Lauren Taylor, is about to take on the most important case of her career, prosecuting Gino Valdina, acting mob boss of New York's most influential crime syndicate. For three decades, Gino Valdina has led New York's Valdina crime family. Since his recent indictment for murder, the leadership of the family is in turmoil, appalled by the death of one of their own, Gino's wife, Madelina. Without the support of the family behind him, Valdina will do anything to save himself. But Lauren soon discovers, things aren't always as they seem when she's tossed into a mystery, a deadly conspiracy that reaches far beyond the criminal underworld and a journey into the past makes her a target...and anyone she's ever loved. This book provides librarians, educators, and parents with the information they need to recognize the different kinds of young adult fiction available for boys. These

books can then be suggested to young men as aids in navigating adolescence, pleasure (or free reading assignment) reading, and tools to improve literacy. The annotated bibliographies are helpful to young adults looking for a good read. A team of geologists comes to Siberia, 5,000 km east of Moscow, in search of the diamonds, called in Russian, *almaz* or *brilliant*s. Together with the wealthy patriot-sponsors, they are on the mission to save the economically wracked country from the embezzlement and robbery of valuable resources. And they find it the Diamond Triangle with 50 carat crystals. At the beginning, the explorers do not suspect that it will be hunted down by other adverse forces. The people in the taiga realize their almost unbearable task in time when it is too late to skip off and run away. They come upon many perilous snares among the snowy terrains and mountains and venture into the wilderness of that remote land, which lies east of the Ural Mountains. They are entrapped all around by all kind of bounty hunters, who viciously compete for the premium prize for their heads, appraised in million dollars. The group of faithful committed people turns into the fugitives in the Siberian taiga because they possess, so rare in the present human world qualities patriotism and belief. Then, in a remote corner of Siberia, encircled from all sides by the bounty hunters and very close to a tragic finale, the fugitives hear the battle sounds; help comes from their real friends and brother the pomors from the White Sea shores and aboriginal Nenets people, historical owners of the tundra. The sea people pomors, called in the past Ice Vikings, successfully get through that secret century-old route, north of the Arctic Circle, across the Kara Sea and Yamal Peninsula. The route their ancestors once upon a time had traced in deviation of the ruthless tsar guards and Moscovs rulers. And now, almost four centuries later, they rediscover the route to freedom and escape from other merciless rulers. Once again, as in the past, the northern people of this enormous country come to help and protect against the dominance of brutal power. The Ride tells the shocking true story of the 1997 abduction and gruesome murder of ten-year-old Massachusetts resident Jeffrey Curley, and how his father, Bob, healed the deep wounds of rage and emerged to become an outspoken critic of the death penalty. From Brooklyn Nine-Nine star Terry Crews, the deeply personal story of his lifelong obsession with strength—and how, after looking for it in all the wrong places, he finally found it Terry Crews spent decades cultivating his bodybuilder physique and bravado. On the outside, he seemed invincible: he escaped his abusive father, went pro in the NFL, and broke into the glamorous world of Hollywood. But his fixation with appearing outwardly tough eventually turned into an exhausting performance in which repressing his emotions let them get the better of him—leading him into addiction and threatening the most important relationships in his life. Now Crews is sharing the raw, never-before-told story of his quest to find the true meaning of toughness. In *Tough*, he examines arenas of life where he desperately sought control—masculinity, shame, sex, experiences with racism, and relationships—and recounts the setbacks and victories he faced while uprooting deeply ingrained toxic masculinity and finally confronting his insecurities, painful memories, and limiting beliefs. The result is not only the gripping story of a man's struggle against himself and how he finally got his mind right, but a bold indictment of the cultural norms and taboos that ask men to be outwardly tough while leaving them inwardly weak. With *Tough*, Crews's journey of transformation offers a model for anyone who considers themselves a “tough guy” but feels unfulfilled; anyone struggling with procrastination or self-sabotage; and

anyone ready to achieve true, lasting self-mastery. "A Dangerous Journey is a collection of Thomas Hauser's writing on boxing over the course of the 2018 season. He turns his award-winning investigative reporting skills on the scandal surrounding the use of illegal performance enhancing drugs in boxing today and the failures of corrupt and incompetent state athletic commissions. Hauser also takes readers into Canelo Alvarez's dressing room in the hours before and after his rematch against Gennady Golovkin, the biggest fight of the year, and offers in-depth portraits of boxing's biggest stars--past and present--as well as reflections on fight-related curiosities ranging from Ronda Rousey to David and Goliath"--

Louis Ferrante was a young rogue who made his reputation on the streets of New York and later hooked up with the infamous John Gotti Jr and the Gambino crime family. When the law finally caught up with Louis, he faced a long stretch in jail, living amongst the most violent criminals incarcerated in the US prison system. Gritty, hard-hitting, and yet often hilarious, *Tough Guy* is an extraordinary, powerful true story of hope and transformation that is shocking, inspiring and unforgettable. Tim Madden, an unsuccessful writer with a penchant for nicotine, alcohol and blondes with money, struggles towards consciousness twenty-four days and nights after his wife has left him. He has a bad case of alcohol amnesia, a fresh and throbbing tattoo and a car drenched in blood. Just to make his hangover complete, Provincetown's Chief of Police would like a quiet word... So begins Madden's disquieting journey into the dark recesses of America's psyche. *TOUGH GUYS DON'T DANCE* is Norman Mailer at his tough, raw and uncompromising best. And Madden's tormented efforts to reconstruct the missing hours of a terrible evening turn, inevitably into fragments of the American Nightmare. This is the real-life story of a boy-child's journey to man-child whose start in life began in the Shenandoah Valley of Virginia during the Great Depression. The journey takes him to Colorado, where for the first ten years of his life, he was raised by his maternal grandparents, with stop-offs from time to time with foster parent friends of his mother. He was placed in a home for needy children during the war years, 1942-1945. He left the home in 1946 at age 15 and journeyed the difficult teen years as a high school dropout taking jobs ranging from the work camps of the forest service to the oil fields of Wyoming and the fishing boats of California. His feelings, thoughts, and actions along the way are those of a boy--some dumb, some silly, and some maybe even profound. He knew cruel and frozen homelessness and hunger firsthand, as well as the kindness of strangers. The reader will meet the mentors who helped shape the boy's life: the loving and caring grandmother, the hard-as-nails grandfather, the nineteen-year-old seductress, the pool shark instructor, the crap shooters, the ex-GIs, some tough guys, some delicate guys, some good girls, some bad girls, and some people dumb as a rock and some smart as a whip. They all contributed to who the boy became. Are you looking for a great gift to celebrate your love of the person in your life that has or has been diagnose with breast cancer? Or better yet, a way for them to write their experiences, thoughts, and notes down from all of the treatments and progress they make? This cute book with a cool look and a bold white background is a perfect blank, lined journal for your favorite girl with cancer, men or women. Details of this journal include: 6x9 inches, 120 pages, matte-finish cover and white paper. If you are looking for a different book, make sure to click on the author name for other awesome journal ideas.
