***a distinctive task-centred approach, with the aim of developing key business-related skills and language. The language syllabus is selective - language is addressed on a need-to-know basis in the Student's Book, with a more systematic review of grammar in the Workbook. Each of the five units covers key areas such as dealing with people, participating in meetings, exchanging information, and problem-solving. The principal focus is on developing students' speaking and listening skills. Each unit is divided into five or six sub-sections, which all end with a practical, work-related output task. There is a more substantial output activity at the end of the unit. Learners are encouraged to draw on their existing skills, knowledge, and experience of the workplace to carry out these tasks. Contexts are introduced by up-to-date material from a variety of authentic sources. The content has an international feel, and does not present specifically British or American cultural or linguistic models. There is a strong emphasis on vocabulary development, with key vocabulary lists in each unit. No other description available. Adventures builds students' confidence through the use of clear grammar presentations, varied practice exercises, and guided skills work. The highly motivating topics have been carefully chosen to appeal to teenagers. The clear syllabus offers an analytical approach to grammar, as well as extensive and varied practice.
