Living in Smart Cities Mar 18 2022 Cities around the world are becoming

increasingly popular as economic powerhouses and magnets for migrants from rural and suburban areas. All big cities in First and Third World countries as well as emerging markets such as New York, London, Tokyo, Paris, Shanghai, Hong Kong, Singapore, New Dehli, Jakarta etc. have to cope with high population density and serious challenges such as air pollution or traffic congestion. How do we pack more people into big cities and yet continue to realise a high quality of life? How do we plan, create and manage 'good cities' which are safe, spacious,

green, connected, fair and resilient? How can cities create economic wealth while still fulfilling the vision of sustaining our "Green Planet"? What are best practice designs and innovative technical smart city solutions which could be leveraged to tackle these challenges and how can they be successfully commercialised? These are some of the questions the reader addresses from a multi-disciplinary perspective with special reference to Singapore whose development from regional entrepôt to First World Metropolis continues to impress business and societal leaders

around the world. The book's contents are broadly structured according to the following aspects: (i) definition and taxonomy of innovative & sustainable cities, including its core characteristics and how they create value in terms of innovativeness and sustainability; (ii) governance, planning and selected design principles of innovative & sustainable cities and how they pan out with regard to livability and sustainability; and (iii) in-depth study of selected smart city dimensions such as governance, clustering, connectivity, mobility, ageing,

water, sports, and safety. *Guinea Dog* Aug 23 2022 Rufus really wants a dog. He really really wants a dog. Everybody he knows has a dog, from his best friend to his worst friend. The family down the street has three! But his clean-fiend Dad says no way! Dogs bark and beg. They drool. They slobber. They carry bloodsucking fleas. When Mom, despite protests, brings home a guinea pig as a compromise, the whole family is in for a shock. Because Rufus's new pet doesn't act like a guinea pig at all: She runs. She fetches. She'll eat his homework. If Dad thinks dogs are trouble, wait until he has to live with

Fido, the guinea dog! Patrick Jennings's hilarious novel is perfect for everyone who's begged for a pet and gotten more (and less) than they bargained for. **Dogs: The Ultimate Care Guide** Jan 16 2022 Thousands of expert tips provide dog owners with the information they need to give their pet a good home and happy life *Best Hikes with Dogs Georgia & South Carolina* Jul 10 2021 [CLICK HERE](#) to download two free hikes from *Best Hikes with Dogs Georgia & South Carolina* * Guidebook to 54 dog-suitable hikes accessible from Atlanta, Charlotte/Rock Hill, Columbia/coastal

Carolina, Greenville/Spartanburg, and south Georgia * A trail-finder chart helps you choose just the hike you're looking for * Trails rated 1 to 4 paws to indicate difficulty for both you and your dog * Tips on hiking with dogs, their special needs, and more One cold November night in the Blood Mountain Wilderness in north Georgia, Steve Goodrich and his wife, Ashley, had to wrap themselves around their yellow lab, Rebel, under one sleeping bag. It was the last time they would fail to anticipate their dog's special needs on the trail. Since then, Rebel and the Goodriches have hiked thousands of miles together in

Georgia and South Carolina to select the best dog-friendly, dog-fun, and dog-safe trails in the region. Most hikes in Best Hikes with Dogs Georgia & South Carolina are on lightly traveled trails with few horses, bicycles, or motorized vehicles. Hikes avoid steep, rocky terrain and many offer lakes or streams as rewards. Potential dog hazards such as alligators or snakes are noted in the hike descriptions. Advice on hiking with dogs includes what to pack for your pooch -- the Ten Canine Essentials and a doggy first-aid kit. A "Hike Summary" chart in the front of the book indicates trail length, water

features, loop hikes, whether "best for fit dogs," and more.

Unleashing Your Dog

Dec 15 2021 No matter how cushy their lives, dogs live on our terms. They compromise their freedom and instinctual pleasure, as well as their innate strategies for coping with stress and anxiety, in exchange for the love, comfort, and care they get from us. But it is possible to let dogs be dogs without wreaking havoc on our lives, as biologist Marc

Bekoff and bioethicist Jessica Pierce show in this fascinating book. They begin by illuminating the true nature of dogs and helping us "walk in their paws."; They reveal what smell, taste, touch, sight, and hearing mean to dogs and then guide readers through everyday ways of enhancing dogs's freedom in safe, mutually happy ways. The rewards, they show, are great for dog and human alike.

A Dog's Gift May 28 2020 A decade ago, former military counterintelligence officer Terry Henry joined his precocious young daughter, Kyria, on a trip to a nursing home in order to allow its residents

to play with their family dog, a golden retriever named Riley. Terry was astounded by the transformations that unfolded before his eyes. Soon after, Terry and Kyria started their service dog organization, paws4people, with the goal of pairing dogs with human beings in need of healing, including traumatized and wounded war veterans and children living with physical, emotional, and intellectual disabilities. In *A Dog's Gift*, award-winning journalist and author Bob Drury movingly captures the story of a year in the life of paws4people and the broken bodies and souls the organization

mends. The book follows the journey of pups bred by the organization from their loving, if rigorous, early training to an emotional event that Terry and Kyria have christened "the bump," where each individual service dog chooses its new owner through an almost mystical connection that ignites the healing process. Incorporating vivid storytelling, insights into canine wisdom, history, science, and moving tales of personal transformation, A Dog's Gift is a story of miracles bound to be embraced by not only the 60 million Americans who own dogs, but by anyone with a full heart and a

loving soul. Paper Pups Mar 01 2023 PaperMade presents a craft kit of easy-to-make and incredibly cute Paper Pups. 2020 These are tales about people who turned around the lives of their dogs, and dogs who turned around the lives of their people. A retired greyhound named Blaster learns about life beyond the racetrack. Jovi, a fearful border collie, discovers the joys of human and canine companionship. A service dog named Blue opens doors for her owner, a quadriplegic, that he thought were forever closed to him. Dog lovers of all ages will be inspired and moved by these true stories.

Behavior Problems of the Dog and Cat -

E-Book Mar 26
2020 Step-by-step guidelines describe how to collect a patient history, perform a thorough physical examination, conduct diagnostic testing, formulate differential diagnoses, select treatment, and monitor the patients' responses. Background information describes how dog and cat behavior problems arise and how they can be prevented. Coverage of behavior modification techniques provides you with a clear understanding of suggested treatment as well as the use of drugs, products, pheromones, surgery, diet, and

alternative therapies. Content on behavioral genetics explores this rapidly growing and advancing field and includes new therapeutic approaches for cognitive decline. Case studies illustrate real-life clinical situations. Easy-access treatment tables provide at-a-glance solutions to common behavior problems. Useful appendices include treatment protocols as well as the drug information and dosages that make effective prescribing easy. Training Your Dog the Humane Way Feb 05 2021 "Too many books on dog training leave you feeling you're starting too late. Or they ask you to buy

into a complete system, with no variation from the trainer's program. But real world dog owners, often facing intractable behavior problems and unique canine personalities, need tips and techniques to make their lives better right now. And more and more dog owners are realizing that the traditional approach of dominance training through punishment is not only unpleasant to administer and potentially damaging to the dog, it is simply ineffective long term. With Training Your Dog the Humane Way, animal behaviorist and dog trainer Alana Stevenson set out to provide dog

owners with a simple, accessible guide to the most effective positive dog training techniques she has in her arsenal. She provides readers with the basic principles of animal learning so that they can effectively prevent and remedy behavioral problems using a humane, positive approach rather than punishment. Alana provides easy-to-follow and highly effective methods and advice for teaching dogs polite manners and for resolving ongoing behavior issues. She provides solutions for such problems as house-soiling, play-biting, separation anxiety, fear of strangers, aggression, lunging

while on leash, car sickness, and more. She teaches readers how to teach their dogs the way animals learn best, through kindness and benevolent leadership"--
The Pet Poo Pocket Guide Nov 26 2022 Eighty-three million dogs and ninety-six million cats call the US home. Dogs alone produce enough waste to fill more than 1,127 football fields 10 feet deep in a single year. Add billions of plastic pick-up bags to the mix, and season well with tons of litter box waste. Scoop a hefty portion into local landfills and seal it tightly to ensure optimal methane production. Clearly,

this is a recipe for disaster. Dog and cat owners who trash their pets' offerings daily are in denial about how much waste is produced and what happens to it. Those who want to make the responsible choice often turn to the internet, only to find misleading, confusing, and contradictory information. The Pet Poo Pocket Guide will help you reduce your pet's environmental paw print with: Best practices for cycling pet waste back to nature Suggestions on how to tailor your approach based on location, situation, weather, needs or available time Instructions for using your composted pet

waste safely to enrich your soil and nourish ornamental plants. With recycling tactics clearly indicated as "easy", "moderate", or "demanding", The Pet Poo Pocket Guide offers something for everyone. This nonsense guide is a must-read for any pet owner who is concerned about the environmental impact of their best friend, and is seeking a safe and practical solution. Complete Care for Your Aging Dog Jul 22 2022 Advances in veterinary medicine have nearly doubled how long a dog lives. But old dogs have unique health and emotional needs, senior dog food and nutrition, and aging dog medical care. A

longer life means old dogs suffer age-related conditions such as dog cancer, kidney failure in dogs, dog diabetes, arthritis in dogs, stroke in dogs, and dementia in dogs, all of which can be successfully managed with your loving assistance. KUDOS! WINNER of the Dog Writers Association of America Maxwell Medallion "Chock-full of lifesaving and life-enhancing facts--but incredibly moving and readable--the book is guaranteed to help your beloved pet live a happier, healthier, fuller life. While this comprehensive and groundbreaking book presents cutting edge medical information, Shojai

makes sure that it's proven and practical. Captivating true stories of 'successful agers' will motivate you to make sure you give your pets the best care possible." --Dr. Marty Becker, Resident Veterinarian on Doctor Oz Show, and Good Morning America "Once again Amy has done it! VERY important, useful and valuable information in a concise, easy to read work. Our pets are living longer--and with this interesting and complete book--healthier lives. If you have a middle aged to older pet, this book is a Must Have!" --DR. JIM HUMPHRIES, Veterinarian, Contributing Editor

to CBS's The Early Show, and National Veterinary Spokesperson "Need a quick reference? Complete Care for Your Aging Dog provides a practical, easy-to-read guide about health care for the aging dog. If you have an aging dog, this is a 'must read' book. It provides simple question-and-answer treatment of essentials of aging dogs." --Dr. Johnny D. Pets Gone Green

Aug 11 2021 In *Pets Gone Green*, New York Times best-selling author Eve Adamson explores how pet owners can have a positive effect on the

environment and their pets' place within it. This engaging and enlightening book outlines strategies that pet owners can pursue to reduce the family's carbon foot- and pawprints, from using less toxic flea repellent to offering earth-friendly treats and toys to our much-loved pets.

Adamson's goal in writing *Pets Gone Green* stemmed from her desire to find ways to save her dogs from the increasingly toxic environment around us. "we are obligated to speak up for our furry companions, who are unable to think or act green on their own." *Pets Gone Green* remains a timely exploration of many

of the hot-button topics in our world today, from eating local and animal rescue to activism and recycling! The book offers practical advice for owners of all pets, from dogs and cats to birds, small mammals, and more. As pet rescue has increasingly become "the thing to do," the book begins with a chapter on "Recycled Companions: The Ultimate Earth-Friendly Act," in which the author discusses the many advantages of rescuing a pet from a shelter or rescue society. Pet food, another hot topic in the pet world, is the subject of "Green Food," which includes a brief history of

commercial food and the pluses and minuses of using natural, homemade, raw, and vegetarian diets for pets. The chapter "Altered States" is devoted to the importance and health benefits of spaying and neutering pets. Buying and eating local, diminishing consumerism, organic materials, holistic pet care, and recycling are all discussed in terms of improving humans' and pets' lives and reducing waste on a community, national, and global level. Printed with soy ink on recycled paper, Pets Gone Green presents the original artwork of New England painter and woodblock printmaker Willy

Reddick. The book includes over 50 woodblock images of her beautiful peaceful animals, lending a down-home organic feel that is truly unique for a pet book. The ultimate message of the book is summarized in the final chapter "Animal Wisdom," in which Adamson focuses in on what our pets can teach us about the world around us through their natural instincts, simplicity, and view of the world. She concludes, ";animals are companions worthy of our respect, love, and care, and because they are so close to nature in ways we can only begin to comprehend, they are also the key to

our salvation;.Animals understand how to live lightly on the earth, and we can learn from them." Resources of animal welfare websites and agencies, green organizations, holistic resources, green product manufacturers, and green websites and publications included. Fully indexed.

He has also unfortunately witnessed too many families forced to surrender their beloved family companions because they failed to prepare the dog for the arrival of a new family member. In *Good Dog, Happy Baby*, Wombacher lays out a twelve-step process that will give families the skills they need to navigate this new era of their lives. These skills include how to evaluate dogs, resolve

common behavior problems, and fully prepare dogs for a new baby. This easy-to-use guide, filled with photos and simple instructions, makes a great gift for any expecting family with a dog, whether the dog is perfectly trained or in serious need of behavioral help. [Best Hikes with Dogs Texas Hill Country and Coast](#) Jun 09 2021 * All trails within driving distance of Austin, San Antonio, and Houston * Terrain that's hazard-free and easy on the dog paws * Guidebook includes what to pack for your dog - the Ten Canine Essentials and the Doggy First-Aid Kit A native of Texas, Melissa Gaskill has spent more than 20

years hiking and camping with her dogs all over the Lonestar State. In this guidebook, she shares her favorite hikes in the Hill Country and Coast areas that are sure to delight both you and your dog. The trails in range from short jaunts to longer, challenging hikes. Discover everything from rugged hills with limestone cliffs and rolling terrain, to wide-open areas with brush and cactus, to the coastal plain with its grasslands and pine forests. For each hike, leash regulations and availability of water are noted, along with any trail concerns pertinent for your dog. Advice is given on topics such as proper

canine trail etiquette, wildlife encounters, and weather concerns. There's also a handy Trail Finder chart that lists hikes by length, terrain, difficulty for dogs, and more.

Dog-Eared Oct 25 2022 A collection of Mutts comic strips featuring Mooch the cat and Earl the dog.

Angel Dogs with a Mission Jul 30 2020 This fascinating book puts the spotlight on working dogs — those heroic canines who have found ways to give back more than sloppy kisses and happy snuggles. The courageous dogs you will meet include: Keno, a yellow Lab, who rescued a lift operator buried in

an avalanche. Kobi, a beloved and intelligent family pet with an exceptional sense of smell, who became one of the most famous cancer-sniffing dogs in the world. Tuffy, a Cavalier King Charles spaniel, who served as a grief counselor with Dr. Karla Rose during the horrible days following the Virginia Tech shootings. Abdul, the first service dog for people with mobility impairments, who was trained by Bonnie Bergin and Kerrill Knaus-Hardy and paved the way for people with disabilities to be independent. Anna, a German shepherd, who damaged her lungs searching through

the wreckage at Ground Zero after 9/11 and inspired Sarah Atlas to found an assistance program for volunteer search-and-rescue dog handlers. Skidboot, the world-famous Texas blue heeler, who performed for Jay Leno, Oprah Winfrey, and David Letterman and on Animal Planet (with cowboy and entertainer David Hartwig) but started life as an abandoned puppy. Dog Food Mar 06 2021 Pairs black-and-white photographs of canines of all kinds in settings having pet or human food or food related items with inspirational quotes from a variety of sources to celebrate the special

relationships we enjoy with man's best friend.

Dog Blessings Feb 17 2022 This collection is a loving tribute to the kindest, most caring and devoted animals known to humankind. Selections describe the exuberance of puppies, the unconditional love of a canine best friend, the joy of a shared day at the beach, the bittersweet glance of an aging pet, and the simple pleasure of coming home each day to a wagging tail and unbridled affection. More than anything, Dog Blessings honors the profound ways that our four-legged friends touch our lives. The perfect book for any dog

lover, it can be revisited and shared for years to come.

Best Hikes with Dogs Nov 21 2019 * Guidebook to more than 60 dog-suitable trails, accessible from metro areas including Los Angeles, Palm Springs, San Diego, and Santa Barbara * Most trails are lightly traveled; off-leash permitted on nearly half * What to pack for your dog on the trail Allen Riedel and his canine trail companions, Chewbacca and Socrates, have hiked thousands of miles together in southern California to select the best dog-friendly, dog-fun, and dog-safe hikes in the region. More than two-

thirds of the trails in Best Hikes with Dogs Southern California are lesser-known, where travel is light and where you're unlikely to meet horses, bicycles, or motorized vehicles. On nearly half of the trails, off-leash hiking is permitted. The hikes avoid steep, rocky terrain and many offer lakes or streams as a reward. Paw comfort rating (whether you'll be walking on sand, dirt, or pavement) is clearly noted in the information block at the beginning of each hike description; potential dog hazards such as ticks or poison oak are described in the text. A Trail Finder chart in the front of the book indicates

trail length, which hikes include water, swimming, or shade, which are "good for senior dogs" or "best for fit dogs".

Competability Apr 07 2021 STOP THE GROWLS! People love dogs--and often "double their pleasure" by sharing their hearts (and pillows) with more than one. But dog behavior puzzles the most savvy pet owners especially when you add more pets to the furry equation. And behavior problems are the #1 reason pets lose their homes. This book helps any dog lover (whether you share your home with one or a dozen canines). It demystifies common behaviors and dog disputes,

explains aggression (it's NORMAL!), solves pet potty challenges and dinnertime woes, and redirects normal (but aggravating) dog-to-dog behaviors. This guide explains aggressive dog behavior and dog fights, dog language, positive dog obedience training techniques, how to stop dog biting and prevent dog behavioral problems. You'll find detailed prescriptive how-to advice from premier dog trainers and behaviorists on the most common problems found in the multi-dog household. Step by step tips from this award-winning author and certified animal behavior

consultant uses dog psychology to address: * Dog bites, dog aggression, and dog fights * Scared dogs, noise phobias, dog fireworks fears, and canine thunder phobias * Canine separation anxiety, dog separation behaviors, and dog destructive behaviors * Dog resource guarding of toys, food and owners * Manage dog nutrition and meals * Puppy house training and dog marking behaviors * Positive dog training tips including clicker training, lure training, and obedience training * Proper dog introductions * Introduce dogs and a new baby or kids * How to introduce dogs to cats *

Reduce bullying behavior * How to choose pet friends to reduce growls * Solve common pet peeves: barking, puppy chewing, dog digging, puppies eating poop, dogs rolling in poop, dogs jumping up, and more! Fun, practical, and eminently informative, ComPETability helps you devise strategies that enable multiple dogs to live in harmony within the same household. Written by one of America's premier pet experts, the book explains everything the loving dog owner needs to know. Most important, ComPETability provides crucial tips on how to evaluate and match

your pets' personalities, improve their relationships, and make your home a sanctuary for canine fun and peace.
