**America's Fastest Growing Churches Feb 19 2020 Here is the story of 10 churches in America that are growing at a very rapid pace. They are different in many respects: sections of the country, age of congregation, age of pastor, and their approach to the task of growth. Author Towns has done a very fine job in elaborating these differences but the major contribution of the book may well be the strong emphasis on the ways in which they are alike. It is must reading for every pastor and church member who is depressed by declining attendance or lack of growth.**

**Insights on Luke May 16 2022 Join Chuck as he explores Dr. Luke's carefully researched and strikingly human account of the life of Jesus. Luke describes the man, Jesus, and His ministry in vivid detail. He shows that Jesus is the perfect God-man, the all-powerful Creator who became human to save all of humanity, Jew and Gentile alike. The 15-volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors,**

**New Creation Ecology Oct 09 2021 New Creation Ecology is a heart appeal to fellow Christians to consider environmental stewardship as a vital part of their relationship to their Creator, Jesus Christ. The new birth is the vital link to knowing his presence spiritually as well as by asking the beasts of the field, the birds of the air, the earth, and the fish of the sea where he enjoys the expression of his own nature and desires to share in the wonder of it all with the crown of his creation-man. Recommendation: I think New Creation Ecology is a worthy contribution to an otherwise neglected subject. I like the perspective of personal and passionate advocacy from a biblical perspective. May the Lord use it to stir Christians to a more mindful and conscientious stewardship of God's**

**beautiful garden! Pastor Craig Harris, Grace Baptist Church, Chambersburg, Pennsylvania. Tom's work sets the Christian on a course for a God-honoring care of nature, for love of its Creator, and a desire for His glory through biblical stewardship. I commend Tom's work, and all his efforts, to call all of us to a biblical stewardship of our Father's world. Jeff Garner, Administrator, Providence Christian Academy, Chambersburg, Pennsylvania. I highly recommend Tom's book, New Creation Ecology, which is a study of the Christian witness to God's creation. Tom's autobiographical approach makes this book personal as well as biblical and theological. His stories and descriptions of the natural world invite the reader into the forests, streams and mountains that he explores. His passion for stewardship of God's world is evident throughout. As an avid lover of God's creation, I will be giving this book to my children and grandchildren to further inspire their love of God the Creator. C. Kenneth Shannon, Ph.D.**

***Catalogue of Choral Music Arranged in Biblical Order***  
**Nov 22 2022** This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973, more than doubling the number of citations. It is designed as an aid for the church musician and/or pastor seeking to plan unified worship services. It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons, as well as a source for non-church choir directors who would like to locate choral settings based on a particular passage from Scripture. Entries are arranged from Genesis through Revelation. Each main entry citation provides the biblical reference (book, chapter, and verse), as well as a reference to additional passages from Scripture used in the anthem. The composer, arranger, or editor and the title are listed as they appear on the octavo. Information on voicing, solos, and instrumental accompaniment is noted; the name of the publisher, the most recent date of publication and the octavo number appear at the end of each citation, where information on instrumental parts, other versions of the same title, and collections where the work might appear are also listed. Composer and title indexes round off the work.
