**The New Anchor Book of Blackwork Embroidery Stitches** Feb 23 2023 The Anchor Embroidery Series offers the perfect introduction to popular embroidery techniques. Blackwork is a counted thread embroidery technique in which repetitive patterns are used to fill outlined areas. This book covers the materials and equipment needed, the essential stitches, and outlines in step-by-step detail the working of 49 infill patterns. It is sure to become an indispensable reference for stitchers. Blackwork was originally so called because black thread was most often used on white fabrics, but many of the 16 original charted designs provided show how this technique can just as effectively be worked with colored threads on colored fabrics. The beautiful designs include ringing Christmas bells, a charming country cottage, delicate florals and an exotic oriental fan and kimono. There are also ideas for how the delightful designs can be used

to create a selection of small projects.

**The New Anchor Book of Crewelwork Embroidery Stitches** Oct 15 2019 Crewelwork is one of the oldest embroidery techniques; associated with the 17th century and often known as Jacobean embroidery, it is as popular today as it has ever been. Historically worked in soft wools on twilled linens, today's embroiderer is discovering just how successfully the techniques can be applied to stranded cotton threads and a wider variety of fabrics. Crewelwork embroidery is distinguished by its textured, almost three-dimensional stitches. This

book outlines in step-by-step detail the working of 48 of the most versatile stitches, listed alphabetically for easy reference. Sixteen new embroidery designs show the stitches worked in context and trace-off patterns are included. The featured embroideries include traditional Jacobean motifs, contemporary flowers, and whimsical celebration designs. There are also ideas for using the embroidered designs on several small projects.
