The Bass Rock Oct 02 2020 WINNER OF THE STELLA PRIZE • ONE OF VOGUE'S BEST BOOKS OF THE YEAR The lives of three women weave together across centuries in this dazzling and empowering portrait of their resilience through the ages. Surging out of the sea, the Bass Rock has always borne witness to the lives that pass under its shadow on the Scottish mainland. And across the centuries, the fates of three women are inextricably linked to this place and to one another: Sarah, accused of being a witch, is fleeing for her life; Ruth, in the aftermath of the Second World War, is navigating a new marriage and the strange waters of the local community; and six decades later, Viv, still mourning the death of her father, is cataloging Ruth's belongings in the now-empty house. As each woman's story unfolds, it becomes increasingly clear that their choices are circumscribed, in ways big and small, by the men who seek to control them. But in sisterhood there is also the possibility of survival and a new way of life. Intricately crafted and compulsively readable, The Bass Rock burns bright with love and fury—a devastating indictment of violence against women and an empowering portrait of their resilience through the ages.

The Jossey-Bass Reader on Technology and Learning Jan 05 2021 In this extensive collection of select articles, reports, and essays, leading experts and distinguished authors explore educational technology and its impact on learning. They draw from the most current research and best practices to examine: * Technology and reform, including film and radio in the classroom, research from the Apple Classrooms of Tomorrow, statewide instructional technology programs, technology in the community, and evaluation * Teaching with technology, plus the evolution of technology- and student-centered classrooms, lessons from an on-line community of education professionals, the integration of technology with teacher preparation, and Internet use by teachers * Equitable access and technical literacy, including how to invest in technology, evaluate content, bridge the digital divide, engage students in a knowledge society, and create the virtual high school Filled with diverse perceptions and insights, The Jossey-Bass Reader on Technology and Learning will inspire teachers, administrators, superintendents, school technology directors, and policy makers to become thoughtful leaders in innovation and change.

Double Bass Blues Apr 27 2020 A Caldecott Honor Book! A joyous celebration of family, community, and the unifying power of music, perfect for fans of Last Stop on Market Street. Nic is an aspiring musician whose life spans two different worlds—his suburban school where he wows his friends in orchestra, and the busy city streets of his home where he's jostled by the crowd. Nic makes his way home from a busy day at school with a double bass on his back, the symphony of his surroundings in his heart, and a sweet surprise for the reader at the end of his journey. This is a sweet, melodious picture book about how dedication, music, and family can overcome any obstacle.

Business Leadership Feb 18 2022

Figures of Interpretation Jan 25 2020 This ground-breaking book assembles 31 portraits of people who interpret languages, cultures and situations, and offers graphic interpretations of their collective experience. Their individual stories are part of the larger history of interpreters, interpretation and interpretive readings, and they demonstrate how language intersects with race, class, gender and geopolitical inequalities. The book allows the unexpected to unfold by passing control from the writers to the reader, who will see connections and ruptures unfold between space, time and class while never losing sight of the materiality of living. Together and individually, the portraits tell a powerful story about the structure of contemporary society and the hierarchical distributions of power that permeate our lives.

Book of the Black Bass May 29 2020 Book of the Black Bass by mid-western medical doctor and author, James A. Henshall, details the complete scientific and life history of the black bass, a genus of freshwater fish in the sunfish family (family Centrarchidae) of order Perciformes. Sometimes erroneously called black trout—the name 'trout' more correctly refers to certain members of the salmon family—the black bass are distributed throughout a large area east of the Rocky Mountains in North America, from the Hudson Bay basin in Canada to northeastern Mexico. Black bass of all species are highly sought-after game fish, and bass fishing is an extremely popular sport throughout the bass's native range. Complete with a practical treatise on angling and fly fishing and a full description of tools, tackle and implements, Book of the Bass is a remarkable work of angling and fly fishing literature on the subject of Black Bass that will appeal anyone "with an interest in a fish that has never been so fully appreciated as its merits deserve." This edition is the 1904 revised edition, which contains much of the writings in Henshall's 1889 follow-up, More About the Black Bass. Wonderfully illustrated throughout. "James A. Henshall's name will always be associated with the Black Bass. Not alone is the sportsman indebted to him, but the ichthyologist as well for the knowledge of this fish.... In a masterly manner the author gives the fullest instruction concerning tools, tackle and implements to be used in black bass fishing, and at the conclusion there is to be read a chapter on fly fishing in its broadest sense."—The New York Times, 1904

The Jossey-Bass Reader on Nonprofit and Public Leadership Jun 10 2021 An ideal resource for students and professionals, this comprehensive reader offers a diverse collection of the foremost writings on leadership and management in the public and nonprofit sectors. The book includes previously published essays, articles and extracts from leading books and periodicals, framed and vetted by author and professor James L. Perry. The anthology covers a wide range of topics, offering a third sector perspective on the general leadership questions essential to any manager—principles and practices of leadership, organizational change, corporate culture, communication, efficiency, ethics—as well as issues unique to public and nonprofit organizations—understanding leadership roles in the nonprofit world, founder vs. ED relationships, board leadership, alternative and collaborative leadership, strategic management, sustainability, and the future of leadership. Praise for The Jossey-Bass Reader on Nonprofit and Public Leadership: "The Jossey-Bass Reader on Nonprofit and Public Leadership is the most comprehensive collection of essays on leadership available. It should be required reading for all of those who teach, practice and are students of the art and science of leadership." ?Stephen E. Condrey, University of Georgia "This collection of short and readable pieces will be very valuable for students and practitioners of public and nonprofit leadership." ?Michael O'Neill, professor of nonprofit management, School of Business and Professional Studies, University of San Francisco "James Perry has provided a very valuable tool for nonprofit and public sector leaders. This collection represents the very best lessons for leaders, from John Gardner to Kouzes and Posner. The clear structuring and framing of the articles makes this a perfect handbook for nonprofit and public sector leaders of all types." ?Ronald E. Riggio, Henry R. Kravis Professor of Leadership and Organizational Psychology Director, Kravis Leadership Institute, Claremont McKenna College "Jim Perry brings together in a single volume much of the best writing on leadership theory and leadership 'doing.' For anyone interested in the attributes and practice of leadership, this is the book, looking back at what's been proven effective and forward to what's needed in the next generation of leaders." ?Timothy L. Seiler, director, The Fund Raising School, The Center on Philanthropy at Indiana University, Indianapolis, Indiana

The Jossey-Bass Reader on Teaching Jan 17 2022 The fifth in the Jossey-Bass Education Series Readers, this anthology offers an accessible look at the challenges of becoming a teacher, inspiring teaching techniques and the philosophies and passions that are the foundation of teaching.

Simplified Sight-Reading for Bass Feb 06 2021 Beginner Bass Guitar Instruction

Management and Organization Theory Jul 23 2022 MANAGEMENT AND ORGANIZATION THEORY Management and Organization Theory offers a summary and analysis of the 40 most popular, researched, and applied management and organization theories. This important resource includes key instruments used to measure variables in each theory and examines pertinent questions about the theory: strengths and weaknesses, practical applications, and the seminal articles published on each theory. "This is a remarkable book. Jeffrey Miles clearly explains and synthesizes 40 major theories of management and organization in an easily accessible and engaging style. Well researched, comprehensive in its coverage, thorough, balanced, and fair in its analyses of theories, the book is destined to be a major authoritative reference in the field. It is one of the most readable, informative, and useful books I have read. I strongly recommend it." —Shaker A. Zahra, department chair, Robert E. Buuck Chair, and professor, Strategic Management and Organizations Department, University of Minnesota "This book provides a terrific advantage to any student or manager seeking to grasp the fundamental concepts that explain organizations and the behavior of people within them." —Richard L. Daft, author, The Executive and the Elephant: A Leader's Guide to Building Inner Excellence; and the Brownlee O. Currey Jr. Professor of Management, Owen Graduate School of Management, Vanderbilt University "An easy-to-read summary of some of the most critical theories in the field of management—theories that have implications not just for scholars, but for practicing managers as well." —Jay Barney, professor of management and human resources, and Chase Chair for Excellence in Corporate Strategy, Fisher College of Business, The Ohio State University

Business Leadership Nov 15 2021 The second edition of best-selling Business Leadership contains the best thinking on leadership from the biggest names in the business. It offers leaders everything they need to know to prepare for today's—and tomorrow's—leadership challenges: how to understand the leadership process, identify opportunities, get things started right, avoid predictable pitfalls, and maximize success. Effective leaders use mind, heart, and spirit in their work, and this volume is designed to guide and support leaders in their efforts. With an introduction by Joan V. Gallos—editor of the highly praised Organization Development: A Jossey-Bass Reader—the author list for this invaluable resource reads like the who's who of business leadership.

Christian Liberty Nature Reader, Book Two Sep 01 2020 This supplemental reader teaches youngsters about interesting small creatures. Timely illustrations beautifully develop and complement each lesson from nature. Helpful review questions are also provided in the text. Grade 2.

Note Reading Studies for Bass Nov 22 2019 This book was written for bassists who wish to learn to read music as well as for those who wish to sharpen their music reading skills. The studies in the book progress from beginning to professional levels and represent an variety of styles that modern bassists are likely to encounter in real-world musical situations, for those conversant in music's universal language, a whole world of musical styles, ideas, and sounds is always available. This book aims to sharpen the skills of serious student bass players so that they may partake of this endless stream of ideas, information, and inspiration. Standard notation only. None of the exercises in this book contain fingering indications. This omission was made in order to make these exercises useful to players of all types of bass instruments, both electric and acoustic. The author strongly recommends that students work through this book with the supervision of a qualified teacher. If you are a professional musician the author hopes this book will help you stay in top sight-reading form, giving you an edge in a highly competitive market. If you are a novice bassist, this book will help you hone your skills in becoming a skilled professional.

Stitch Head May 09 2021 Stitch Head, the Mad Professor's first creation, has long hidden in the shadows of Castle Grotteskew—but now that the newest monster, the Creature, has decided that they are best friends, and the evil Freakfinder wants to kidnap the monsters for his freak show, Stitch Head finds himself cast in the role of hero. **Bass Ackwards and Belly Up** Dec 24 2019 For readers of the New York Times bestselling Gossip Girl and A-List series, here is a smart and highly commercial first novel about four best friends who, after graduating high school, decide to postpone the standard college route to pursue their creative dreams. Harper Waddle, Sophie Bushell, and Kate Foster are about to commit the ultimate suburban sin—bailing on college to each pursue their dreams: write the next Great American Novel, make it as a Hollywood actress, and backpack around the world. Middlebury-bound Becca Winsberg is convinced her friends have gone insane...until they remind her she just might have a dream of her own. So what if their lives are bass ackwards and belly up? They'll always have each other. Harper is going to be the next Jane Austen. Or Sylvia Plath. Or Plum Sykes. Figuring out which should be easy. It's living with the lie she told her three best friends that's going to be hard. Kate doesn't know exactly what she wants. But whatever it is, she won't find it at Harvard. Maybe the answer is in Paris, or Athens? or anywhere Kate can be someone besides the girl with perfect grades, perfect hair, and the perfect boyfriend. Sophie is a star. She's already got the looks, the talent, and a list of demands for her dressing room. Now that she's wrangled a furnished guesthouse in Beverly Hills, it's only a matter of time before she's discovered. Unless she isn't. Becca is dysfunctional. At least, her family is. Which is why she can't wait to flee the drama and get to college. But Becca's friends know she needs more than a spot on the Middlebury ski team and a cozy dorm room. They know she needs to fall in love. Dreams are complicated. They almost never turn out like you imagine?they almost always change. Sometimes, they change you.

The Jossey-Bass Reader on Nonprofit and Public Leadership Apr 20 2022 An ideal resource for students and professionals, this comprehensive reader offers a diverse collection of the foremost writings on leadership and management in the public and nonprofit sectors. The book includes previously published essays, articles and extracts from leading books and periodicals, framed and vetted by author and professor James L. Perry. The anthology covers a wide range of topics, offering a third sector perspective on the general leadership questions essential to any manager—principles and practices of leadership, organizational change, corporate culture, communication, efficiency, ethics—as well as issues unique to public and nonprofit organizations—understanding leadership roles in the nonprofit world, founder vs. ED relationships, board leadership, alternative and collaborative leadership, strategic management, sustainability, and the future of leadership. Seiler, director, The Fund Raising School, The Center on Philanthropy at Indiana University, Indianapolis, Indiana

Reading the Room Jul 11 2021 In Reading the Room, renowned systems psychologist and family therapist David Kantor applies his theory of structural dynamics to help leaders and coaches understand and improve communication within their teams. He helps readers understand how and why they and their teams communicate differently when faced with low-stakes or high-stakes situations, and he provides a framework to help improve leadership behavior in high-stakes situations. Acknowledging that early personal history and adult relationships have an impact on individual leadership and communication, the author discusses how leaders' awareness of their personal histories can help them become more effective in their leadership teams. Armed with the information outlined in this groundbreaking book, coaches and leaders will be able to: intervene effectively to produce positive change in both the group's dynamics and its outcomes, help people in the room alter their behavior to better reach their aspirations, identify the recurring sequences of behavior taking place in a group, understand why differing individual preferences for boundaries and rules affect their conversation, and much more. Written to help readers understand the reasons why leaders and teams get along—or don't—when they communicate in a group, this book will serve as the leader's "go-to" resource for insight and perspective in leading their team.

Business Leadership Dec 28 2022 The second edition of best-selling Business Leadership contains the best thinking on leadership from the biggest names in the business. It offers leaders everything they need to know to prepare for today's—and tomorrow's—leadership challenges: how to understand the leadership process, identify opportunities, get things started right, avoid predictable pitfalls, and maximize success. Student-Centered Leadership Feb 24 2020 Student-Centered Leadership offers a timely and thoughtful resource for school leaders who want to turn their ideals into action. Written by educational leadership expert Viviane Robinson, the book shows leaders how they can make a bigger difference to the quality of teaching and learning in their school and ultimately improve their students' performance. This book is based not on fad or fashion but on the best available evidence about the impact of different types of leadership on student outcomes. The book includes examples of five types of leadership practice as well as rich accounts of the knowledge and skills that leaders need to employ them with confidence. Filled with practical lessons, clear information, and much inspiration, Robinson encourages leaders to experiment with changing how they lead so they can transform their schools for the better. Student-Centered Leadership is part of the Jossey-Bass Leadership Library in Education series. Praise for Student-Centered Leadership "Student-Centered Leadership shines with clarity and practical, powerful ideas. Add this book to your leadership library."—Michael Fullan, author, The Six Secrets of Change and Leading in a Culture of Change "Viviane Robinson's compelling book is both evidence based and profoundly practical."—Steve Munby, chief executive, National College for Leadership of Schools and Children's Services, England "This book will be an equally important resource for individual school leaders, professional developers, and administrator-preparation programs. There will be two copies on my shelf—one to loan and one for my own reference."—Karen Seashore Louis, Regents Professor, University of Minnesota

Music Theory for the Bass Player Jun 29 2020 Music Theory for the Bass Player is a comprehensive and immediately applicable guide to making you a well-grounded groover, informed bandmate and all-around more creative musician. Included with this book are 89 videos that are incorporated in this ebook. This is a workbook, so have your bass and a pen ready to fill out the engaging Test Your Understanding questions! Have you always wanted to learn music theory but felt it was too overwhelming a task? Perhaps all the books seem to be geared toward pianists or classical players? Do you know lots of songs, but don't know how the chords are put together or how they work with the melody? If so, this is the book for you! • Starting with intervals as music's basic building blocks, you will explore scales and their modes, chords and the basics of harmony. • Packed with fretboard diagrams, musical examples and exercises, more than 180 pages of vital information are peppered with mind-bending quizzes, effective mnemonics, and compelling learning approaches. • Extensive and detailed photo demonstrations show why relaxed posture and optimized fingering are vital for good tone, timing and chops. • You can even work your way through the book without being able to read music (reading music is of course a vital skill, yet, the author believes it should not be tackled at the same time as the study of music theory, as they are different skills with a different practicing requirement. Reading becomes much easier once theory is mastered and learning theory on the fretboard using diagrams and patterns as illustrations, music theory is very accessible, immediately usable and fun. This is the definitive resource for the enthusiastic bassist! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.0px Helvetica} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.0px Helvetica; min-height: 16.0px} This book and the 89 free videos stand on their own and form a thorough source for studying music theory for the bass player. If you'd like to take it a step further, the author also offers a corresponding 20 week course; this online course works with the materials in this book and practices music theory application in grooves, fills and solos. Information is on the author's blog.

Offers a practical guide for timeless and current thinking on educational leadership Includes works by Peter Senge and Tom Sergiovanni From Jossey-Bass publishers, a noted leader in the fields of education and leadership This important resource includes relevant and up-to-date articles for leaders today on gender, diversity, global perspectives, standards/testing, e-learning/technology, and community organizing.

Public Health and Social Justice Oct 14 2021 Praise for Public Health and Social Justice "This compilation unifies ostensibly distant corners of our broad discipline under the common pursuit of health as an achievable, non-negotiable human right. It goes beyond analysis to impassioned suggestions for moving closer to the vision of health equity." —Paul Farmer, MD, PhD, Kolokotronis University Professor and chair, Department of Global Health and Social Medicine, Harvard Medical School; co-founder, Partners In Health "This superb book is the best work yet concerning the relationships between public health and social justice." —Howard Waitzkin, MD, PhD, Distinguished Professor Emeritus, University of New Mexico "This book gives public health professionals, researchers and advocates the essential knowledge they need to capture the energy that social justice brings to our enterprise." —Nicholas Freudenberg, DrPH, Distinguished Professor of Public Health, the City University of New York School of Public Health at Hunter College "The breadth of topics selected provides a strong overview of social justice in medicine and public health for readers new to the topic." —William Wiist, DHS, MPH, MS, senior scientist and head, Office of Health and Society Studies, Interdisciplinary Health Policy Institute, Northern Arizona University "This book is a tremendous contribution to the literature of social justice and public health." —Catherine Thomasson, MD, executive director, Physicians for Social Responsibility "This book will serve as an essential reference for students, teachers and practitioners in the health and human services who are committed to social responsibility." —Shafik Dharamsi, PhD, faculty of medicine, University of British Columbia

The Jossey-Bass Reader on Educational Leadership Sep 13 2021 This expanded and thoroughly updated edition of the popular anthology assembles the best book excerpts, articles, and reports that define and drive the field of educational leadership today. Filled with critical insights from respected authors, education researchers, and expert practitioners, this comprehensive volume features twenty-six chapters in six primary areas of interest: Principles of Leadership, Moral Leadership, Culture and Change, Standards and Systems, Diversity and Leadership, and the Future of Leadership.

The Human Line Oct 22 2019 Bass—co-author of million-seller *Courage to Heal*—says poetry is where she "grieves, rages, prays."

The Jossey-Bass Reader on Contemporary Issues in Adult Education Oct 26 2022 THE JOSSEY-BASS READER ON Contemporary Issues in Adult Education With contributions from leading experts in the field, The Jossey-Bass Reader on Contemporary Issues in Adult Education collects in one volume the best previously published literature on the issues and trends affecting adult education today. The volume includes influential pieces from foundational authors in the profession such as Eduard C. Lindeman, Alain Locke, and Paulo Freire, as well as current work from authors around the world, including Laura L. Bierema, John M. Dirks, Cecilia Amaluisa Fiallos, Peter Jarvis, Michael Newman, and Shirley Walters. In five sections, the book's thirty chapters delve into a wide range of compelling topics including: social justice, democracy, and activism diversity and marginalization human resource development lifelong learning ethical issues the meaning and role of emotions globalization and non-Western perspectives the role of mass media, popular culture, and "social learning" technology health, welfare, and environment Each piece is framed within its larger context by the editors, and each section is accompanied by helpful reflection and discussion questions.
