My Journey Back Home Apr 23 2020 Sometimes pain makes its mark on our lives in such profound ways that it feels like they start to define who we are. The more we try to hide the pain by wearing masks to show the world that "everything is fine", the more that pain does not allow us to have a life full of real love and real joy. My story is about this kind of pain. But beyond that, it's about the real process of healing. It's about how I finally understood the reason for so much suffering. Amid all the mess in my life, I found my way back to my safe harbor, to my truth and my self-love. In this book, my deepest desire is to take you the reader on a journey of love, understanding and acceptance, so that you can: Leave behind the cycle of suffering and experience the relief and support you will need for the next steps; Rebuild your relationships, starting with yourself followed by everyone who is important in your life; Reconnect with your self-value and your own truth, so that you can live according to your purpose in life; Experience forgiveness and allow yourself to be truthfully happy; Free the strength inside yourself!
