Cat Book started out simply enough. Emily Weinstein set out to do a series of monoprints of cats she knew personally As she explored her subjects she saw that each cat had a story. So she wrote the stories down, and began hearing of fascinating cats farther afield. The trail led from North Carolina up the East Coast to New York City, where she was able to paint the much-heralded Brooklyn heroine cat, Scarlett, who rescued her five kittens from a ravaging fire. Other cats depicted include Snappy, who has sailed around the world; Wild Boy, feral in the High Sierras; the talking feline Regis, and Max, who has learned to box. It's all great fun -- and wonderful art. Book jacket. Provides information about the care of kittens and adult cats, covering handling, training, feeding, grooming, and exercising; discusses behavior problems; and includes step-by-step instructions for treating health problems, with anatomical diagrams, diagnostic charts, and illustrations. A delightful manual which instructs stray kittens and homeless cats in how to obtain, captivate, and dominate the families of their choice. 200 black-and-white photographs. Offers tips on how to keep cats healthy and happy, and includes emergency chapters that provide detailed instructions on how to deal with illness and injury Hello to all you cat lovers! Whether you're thinking about getting a cat or kitten for the first time, or you've owned them all your life; 'Cat Care: How To Look After And Care For Your Cat And Kitten' is an invaluable tool to help you care for, look after and understand your pet. Sally Davis got her first cat when she was just six years old and has spent most of her adult life owning and breeding felines; watching them go from little kittens to adulthood. In this wonderful book Sally will answer all your cat related questions and will explain and provide you with advice regarding all aspects of cat care including playing, grooming, feeding, cat behaviour, behavioural problems, health concerns, caring for the elderly cat and much, much more! Join Sally as she takes you on this fascinating journey of the world's most wonderful creature...The Cat! This book is the perfect companion for all cat lovers, providing expert advice on choosing and caring for a cat, together with a complete guide to the cat breeds of the world. There is helpful information on feeding, nutrition, grooming, training, health care, breeding and showing. A comprehensive visual encyclopedia covers popular breeds such as Persian, Shorthair, Burmese and Siamese, as well as rarer breeds such as Maine Coon Cat, Ocicat and Ragdoll. Each breed's characteristics are described, such as size, temperament and grooming needs. Over 700 images accompany the expert text, making this a beautiful and informative volume for every cat owner. This is the perfect guide to take care of cats and kittens at home. Whether you are a new cat parent or already have a feline companion at home, Complete Cat Care is ideal for all your cat needs. From making your home cat-proof and welcoming for your furry friend to essential equipment you need at home, this book covers it all. From grooming, bathing, and feeding your cat to dealing with behavioural problems, get all the advice from Complete Cat Care. Know how to spot early signs of a disease and find out about common cat disorders. This comprehensive yet accessible book will explain how to take care of a sick or an elderly cat. Also learn how to administer basic first aid to treat your cat at home and find out what to do in case of emergency. The book also provides information about breeding and how to care of a new mother and her kittens. Complete Cat Care will help you keep your cat

healthy at every stage of its life. Kid-friendly pictures to color and concise captions teach smart ways to interact with felines and explain how to be a cat's best friend. Tips include advice on grooming, transportation, play, and more. Explores every aspect of tending to a feline with step-by-step photographs and text that cover the basics of feeding, grooming, health care, problem behavior, breeding, and first aid. Guide to Cat Care is the ultimate resource for cat owners who want to provide the best possible care for their feline companions. This comprehensive book covers all aspects of cat care, from kitten-hood to adult life, covering topics such as nutrition, grooming, first aid, and preventative care. This book provides expert advice on understanding cat behavior and body language, as well as tips on how to communicate with your cat and create a happy home environment. The author also provides valuable insights into common cat health issues, and preventative measures that can be taken to keep your cat healthy and happy. In this book, you will learn about the best feeding schedules and portion control, how to read cat food labels, and how to groom and maintain your cat's hygiene. The author also provides step-by-step instructions for creating a cat first aid kit, treating minor cat injuries, and knowing when to seek professional help. Guide to Cat Care is a must-have for every cat owner who wants to provide the best possible care for their furry friend. With this book, you can be confident in providing a healthy and happy life for your cat. A comprehensive and expert manual to caring for your cat, with step-by-step photographic demonstrations on everything from grooming to breeding. This book includes guidelines on choosing the right cat for your home environment, routine care, and even essential first aid. Australian edition of a book first published in the United Kingdom in 1988, edited for Australian readers by Frank Pidcock. A comprehensive guide to cats and cat care, with advice on selection, feeding, first aid and a major section on indentifying signs of illness. A glossary of veterinary terms, an index of diseases and conditions, and a general index are included. Comprehensive and eminently practical, this indispensable handbook covers every aspect of tending to a feline--from daily essentials to crisis management. In step-by-step, specially commissioned photographs and authoritative text, veterinarian Edney provides lucid, detailed information on caring for a cat--the most popular pet in the U.S. 600 full-color photographs and illustrations throughtout. Building a lifelong, loving relationship with a cat can be a challenging task. Whether you're thinking of adopting a cat or already live with one, The Humane Society of the United States Complete Guide to Cat Care offers authoritative and practical advice that will help you make the best decisions for your pet along the way. This comprehensive guide includes sections on choosing a healthy cat or kitten, feeding and nutrition, training, grooming, disease, vet visits, caring for an aging cat, feline first-aid kits and emergency care. Unlike other books that endorse breeding and promote novelty or purebred cats, The Humane Society's Guide to Cat Care stresses making life better for the millions of cats already here. It provides information on rescuing and rehabilitating homeless cats, finding a stray's owner, and helping an outdoor cat make the transition to a safe indoor environment. The guide also encourages animal advocacy and offers a list of ways to get involved. A comprehensive, practical care and training manual and a definitive encyclopedia of world breeds. Written by a qualified veterinarian, this is a complete and comprehensive guide to health care for cats and dogs, providing invaluable advice on essential aspects of care, such as diet and vaccinations, as well as a guide to holistic treatments. The first part of the book describes the main lifestyle choices every dog and cat owner makes, whether or not they are aware of them: settling in a new puppy or kitten, vaccination, neutering, diet, finding the right veterinarian, and caring for the ageing animal. The second part describes the main holistic modalities and their relevance when animals become sick. What they are, how they work, when they are useful, and how to find a practitioner. Also includes chapters on osteopathy, homeopathy, acupuncture, Bach's flower remedies, and herbal medicine. The third part of the book discusses a range of common health problems in dogs and cats, both from a conventional veterinary point of view and from an holistic perspective, and aims to help the owner understand the condition they are facing, as well as providing tips on how to supplement their veterinarian's advice and treatment. This indispensable reference book provides veterinary-approved advice on cat care and an illustrated guide to the world's cat breeds, shown in 700 wonderful photographs. Unlock the secret code of cats for a deeper connection with the feline in your life. Have you ever wondered why your cats behave the way they do? This authoritative guide has all the answers! Cats can be quite sensitive to their surroundings, and sometimes their behaviour can leave you scratching your head. Discover what's really behind those things cats do - whether they're amusing, irritating, or just downright bizarre. What's My Cat Thinking will help cat lovers build a deeper connection with the feline in their lives. Inside, you'll find: - Accurate descriptions of behaviour will help you understand your cat's body language nuances and act accordingly - "Advanced Catwatching" features put the spotlight on key behaviours such as sofa-scratching - "Survival Guides" offer top tips for managing challenges such as moving house, or introducing a new cat into the family. - A fun book for cat people that delivers practical, helpful advice from acknowledged experts on a range of tricky or puzzling cat behaviours - Drawing on animal behaviour psychology and the latest research, it reveals what's really behind the amusing, endearing, or downright weird things cats do. Have you ever wondered why your cat sleeps on your keyboard, why they bully the dog, or

why they insist on drinking from the bathroom tap or if they even like you? Cats (unlike the dogs they look down on!) are not always easy to understand. This cat psychology book will show you that they do show their feelings, albeit subtly, in the way they relate to you, other animals, and their home environment. Stunning illustrations of a wide range of breeds and informative text will help you understand your cat's body language, so you know when they are happy and when they aren't! Aside from learning to understand your cat, this guide includes "catwatching" spreads that provide helpful tips and advice on dealing with some common kitty challenges like moving home and introducing a new cat into the family. So when they are sitting on your head at 4 am, you will at least know why! Covering everything cat owners need to know, this practical guide to looking after the most popular pet in the United States is the perfect reference for any cat lover. The Complete Cat Care Manual provides detailed information on the day-to-day care of kittens and adult cats, including feeding, training, handling, exercising, essential equipment, and grooming. Detailed chapters outline the reasons behind behavioral problems, such as eating houseplants and scratching furniture, and provide tips for changing unacceptable behavior. Health problems are completely detailed with anatomical diagrams, diagnostic charts, and illustrations that identify symptoms and treatments. Step-by-step instructions teach all the techniques needed to nurse a sick animal or administer emergency first aid. Hundreds of remarkable color photographs, specially commissioned for this book, detail every aspect of a cat's life. The material is based on extensive research. Dr. Bruce Fogle, a leading specialist in pet behavior, has observed hundreds of cats during his years as a veterinary surgeon. He identifies how cats communicate through posture, body language, facial expressions, "speaking" (meowing and hissing), and rituals like rubbing, swatting, and grooming. He discusses the differences between learned behavior and instinctual action, the importance of a cat's sensory perceptions like smell, touch, and sound—and when a cat's eccentricities are due to genetics or are merely a matter of individual temperament. Endorsed by the American Society for the Prevention of Cruelty to Animals. Presents a comprehensive guide to proper cat care and includes full-color illustrated photographs and information on feeding habits and grooming, breeding and training, and interesting facts and folklore about felines. A handy quick-reference guide including everything from selecting food a cat will savor to teaching a kitten to use a cat door to curing problem behavior. Celeste Yarnall's time-tested natural and holistic expertise gives cat owners insight into natural alternatives in food, medication, alternative therapies, and healing practices, improving the lives of feline friends and well as their caregivers. With Dr. Jean Hofve, the esteemed holistic veterinarian, she explores nutrition as preventative medicine, vitamin and mineral supplements, herbal remedies, homeopathic treatments, and groundbreaking anti-aging modalities never before published in a pet care guide. The Complete Guide to Holistic Cat Care also includes a complete bibliography and a list of suppliers of holistic remedies and services. As with all other pet health guides, it is a comprehensive resource intended to complement veterinary care, not replace it.
