A small child lovingly observes his imperfect and hard-working dad while imagining how his father captures outlaws, battles dragons and puts monsters to sleep with a magic spell. My Hero Academia: Ultra Analysis—The Official Character Guide is jam-packed with all the profiles, stats, and trivia about your favorite heroes—plus a color art gallery, sketches, and a team-up discussion featuring My Hero Academia creator Kohei Horikoshi in conversation with Bleach creator Tite Kubo! In My Hero, some of the brightest lights from around the globe share -- in their own words -- stories about the people who have been the greatest source of strength and inspiration to them. With essays by military heroes, political leaders, and Nobel Prize winners, sports heroes, firefighters, scientists, and schoolteachers -- and with an introduction by basketball legend, businessman, and philanthropist Earvin "Magic" Johnson -- this collection gathers individuals who themselves are shining examples to tell us about the people who have

illuminated their own lives. • How did Dana Reeve come to find such grit and grace when her fairy-tale prince was thrown from his real-life steed, paralyzed from the neck down? • What traits of baseball great Ted Williams have inspired war hero Senator John McCain since childhood? • What impact did Nelson Mandela have on boxing legend Muhammad Ali? • Why does one of the all-time greats of baseball, Yogi Berra, believe that he owes each of his legendary home runs to his brothers? • How did Michael J. Fox find a woman who would walk away from a spectacular career in finance in order to fight for a cure for Parkinson's disease at the helm of his nonprofit foundation? • Why does John Glenn, a man who flew into space twice and served a quarter century on the Senate floor, look up to his own wife, Annie Glenn, as the true hero in the family? In a world hungry for good examples, My Hero reminds us that heroes come in all shapes and sizes. It also teaches us that the words and deeds of those who inspire us are as varied as the stars that illuminate the night. The editors of My Hero and the contributors are donating all royalties from this book to the nonprofit My Hero Project.
