Xamidea English - Class 10 - CBSE (2020-21) 2022
English Grammar and Composition for Class 9-10 2022
For decades, the approaches to and techniques of teaching
learning English have been changing in Bangladesh. New
curriculum and textbooks are coming up and being used as
prime source of materials for teaching English. With an inte
to find out the reasons for the pitiable condition of the stu
ability to use English in communication, this book presents
analytical assessment of the NCTB published EFL textbook
English Grammar and Composition for Class 9-10 which has
been introduced recently at the secondary level. The analys
been done on the basis of a self-constructed textbook eval
scheme. The study basically assesses the possibilities and
weaknesses of this EFL textbook for language skills, langua
components, content, and some other general criteria. In it
preface, the book under assessment, attempts to clarify so
intended teaching objectives, but the findings of the evalua

show that these objectives have not been perceived well in contents.
