This popular title combines breadth of coverage with readability and sets out the principal points of criminal law in a systematic and thorough way. This edition includes the most recent legislative and case law developments. The definitive history of one of the fiercest battles of World War II This definitive history of one of the fiercest battles of World War II describes the siege of Budapest in unprecedented detail. Both Stalin and Hitler demanded victory at all costs, and the cost was extreme: 80,000 Soviet troops, 38,000 German and Hungarian soldiers, and 38,000 Hungarian civilians perished. The book provides the first full account of this shocking battle. "As a military history [The Siege of Budapest] is unrivaled. . . . Magisterial."--John Lukacs, New York Review of Books "An exceedingly dramatic book, filled with fascinating stories, some of them even humorous, and with heart-rending accounts of suffering, limitless cruelty, and amazing decency."--István Deák, New Republic "Ungváry has written a dramatic, gripping history of this siege, filling a gap in WWII history."--Choice Vols. 1-26 include a supplement: The University pulpit, vols. [1]-26, no. 1-661, which has separate pagination but is indexed in the main vol. Includes lists of orders, rules, bills etc. "Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893", issued as vol. 26, no. 7, supplement. A prominent British anti-slavery campaigner, Zachary Macaulay devoted forty years of exhaustive research to combating what he called a "foul stain on the nation," and his work was instrumental in laying the foundation for the abolition of slavery throughout the British Empire. With a focus on his

unswerving commitment to the cause, this biography—the first of its kind—examines Macaulay's life and the people and events that influenced it. Zachary Macaulay 1768–1838 illustrates the man behind the writings—his passions and his prejudices, his shyness and steely resolve, and, above all, his willingness to work unremittingly in the background, generating the power to drive the engine of anti-slavery to victory.
