A stunning middle grade fantasy about a girl who used to be a dragon and her adventure to save her new home—from *Even the Darkest Stars*

author Heather Fawcett. Perfect for fans of the *Nevermoor* and *His Dark Materials* series. *Ember St. George* is a dragon. At least she was before her adoptive father—a powerful but accident-prone Magician—turned her into a human girl to save her life. Unfortunately, *Ember's* growing tendency to burst into flames at certain temperatures—not to mention her invisible wings—is making it too dangerous for her to stay in London. The solution: ship *Ember* off to her aunt's research station in frigid Antarctica. Though eccentric Aunt Myra takes getting used to, *Ember* quickly feels at

home in a land of ice storms, mischievous penguins, and twenty-four-hour nights. She even finds herself making friends with a girl genius called Nisha and a mysterious orphan named Moss. Then she discovers that Antarctica is home to the Winterglass Hunt, a yearly tradition in which rare ice dragons are hunted for their jeweled scales. Furious, Ember decides to join the hunt to sabotage it from the inside. But being an undercover dragon isn't easy—especially among dragon hunters. Can a twelve-year-old fire dragon survive the dangers that come her way in the

Antarctic wilderness and protect the ice dragons from extinction? "DLP, Developmental Leadership Program; Australian Aid; Oxfam." THE #1 NEW YORK TIMES BESTSELLER One of Time Magazine's 100 Best Fantasy Books of All Time Book two in the New York Times bestselling series A USA Today bestseller A Wall Street Journal bestseller "Spectacular."—Entertainment Weekly "Fresh and exciting...Tahir has shown a remarkable talent for penning complex villains."—A.V. Club "Even higher stakes than its predecessor...

thrilling." —Publishers Weekly, starred review "[An] action-packed, breathlessly paced story." —Booklist, starred review Set in a rich, high-fantasy world inspired by ancient Rome, Sabaa Tahir's AN EMBER IN THE ASHES told the story of Laia, a slave fighting for her family, and Elias, a young soldier fighting for his freedom. Now, in A TORCH AGAINST THE NIGHT, Elias and Laia are running for their lives. After the events of the Fourth Trial, Martial soldiers hunt the two fugitives as they flee the city of Serra and undertake a perilous journey

through the heart of the Empire. Laia is determined to break into Kauf—the Empire's most secure and dangerous prison—to save her brother, who is the key to the Scholars' survival. And Elias is determined to help Laia succeed, even if it means giving up his last chance at freedom. But dark forces, human and otherworldly, work against Laia and Elias. The pair must fight every step of the way to outsmart their enemies: the bloodthirsty Emperor Marcus, the merciless Commandant, the sadistic Warden of Kauf, and, most heartbreaking of all, Helene—Elias's former friend and the Empire's

newest Blood Shrike. Bound to Marcus's will, Helene faces a torturous mission of her own—one that might destroy her: find the traitor Elias Veturius and the Scholar slave who helped him escape...and kill them both. Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to

experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger,

makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Reviews for From

Blood and Ash:
"Dreamy, twisty, steamy escapism. Take me back!" - New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely "Action, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for

the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for From Blood and Ash, think again. Jennifer L. Armentrout has

woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. the spring 2003, kids, parents, teachers, librarians—whole communities—discovered and fell in love with Jeanne DuPrau's story about a doomed city, and the two children who found a way out. Nearly 10 years later, that story, *The City of Ember*, is a bona fide classic, with over 1.7 million copies sold. Now experience Jeanne DuPrau's vision anew as artist Niklas Asker faithfully brings to life the glare of the lamps, the dinginess of the streets, and the brilliance of the first sunrise. When the people of the underground city of Ember follow Lina and Doon to the surface, little

prepares them for what they will encounter. Leaving behind the darkness that has been their home for generations, they discover a world of colour, warmth and light. The people of the small village of Sparks seem willing to help them . . . at first . . . but life on the surface has its dark side too. Before long the villagers of Sparks become more reluctant to share their precious resources with the strange, new underground people. Lina and Doon watch in horror as the differences between the two groups grow into resentment, anger and hate. Somehow they must help overcome the

distrust and bring the people of Ember and Sparks together. Many hundreds of years ago, the city of Ember was created by the Builders to contain everything needed for human survival. It worked - but now the storerooms are almost out of food, crops are blighted, corruption is spreading through the city and worst of all - the lights are failing. Soon Ember could be engulfed by darkness-But when two children, Lina and Doon, discover fragments of an ancient parchment, they begin to wonder if there could be a way out of Ember. Can they decipher the words from long ago and find a new future for

everyone? Will the people of Ember listen to them? With more than 3.5 million copies sold, the City of Ember books are modern-day classics. Lina and Doon's heart-pounding journey to save their people has captivated readers around the world, and the four adventures are bound together here for the very first time! Escape the Dark. Discover the Adventure. The city of Ember was built as a last refuge for the human race. But now with terrifying blackouts sweeping through the streets, Lina and Doon know it's only a matter of time before the lights go out and never come back on again. When Lina finds

part of an ancient message, she and Doon explore long-forgotten parts of their dying city as they race to solve the mystery. If they succeed, they will have to convince everyone to follow them into danger and an exciting new world. But if they fail? The lights will burn out and the darkness will close in forever. The series begins with the groundbreaking dystopian novel *The City of Ember*, the story of a girl, a boy, and their beleaguered city. Through the sequel, *The People of Sparks*, the satisfying conclusion, *The Diamond of Darkhold*, and the prequel, *The Prophet of Yonwood*, author

Jeanne DuPrau offers a vision of hope that, while sometimes flickering against the darkness, ultimately shines through, like the bright dawning of a new world. Heather and Picket are extraordinary rabbits with ordinary lives until calamitous events overtake them, spilling them into a cauldron of misadventures. They discover that their own story is bound up in the tumult threatening to overwhelm the wider world. Kings fall and kingdoms totter. Tyrants ascend and terrors threaten. Betrayal beckons, and loyalty is a broken road with peril around every bend. Where will

Heather and Picket land? How will they make their stand? "Gabrielle, Theo and Hester have grown up in an ecological catastrophe: climate change is making Earth uninhabitable. But when they join thousands of teenagers around the world in developing a strange new power - the ability to grow plants from their skin - it seems there may be hope for the planet after all. However, plenty of profit-hungry organisations would like to exploit these so-called "Greenfingers" for their own means. As Gabrielle, Theo and Hester battle to master their new ability, and navigate first love

and family expectations, can they outsmart the corporations and bring about a green rising?"--Publisher's description The harrowing true story of abduction and survival from the courageous young woman who lived it—now the subject of a Lifetime original movie, *I Am Elizabeth Smart*. In this memoir, Elizabeth Smart reveals how she survived and the secret to forging a new life in the wake of a brutal crime. On June 5, 2002, fourteen-year-old Elizabeth Smart, the daughter of a close-knit Mormon family, was taken from her home in the middle of the night by religious fanatic Brian David

Mitchell and his wife, Wanda Barzee. Elizabeth was kept chained, dressed in disguise, repeatedly raped, and told she and her family would be killed if she tried to escape. After her rescue on March 12, 2003, she rejoined her family and worked to pick up the pieces of her life. With *My Story*, Elizabeth tells of the constant fear she endured every hour, her courageous determination to maintain hope, and how she devised a plan to manipulate her captors and convinced them to return to Utah, where she was rescued minutes after arriving. Smart explains how her faith helped her stay sane in the

midst of a nightmare and how she found the strength to confront her captors at their trial and see that justice was served. In the years after her rescue, Smart transformed from victim to advocate, traveling the country and working to educate, inspire and foster change. She has created a foundation to help prevent crimes against children and is a frequent public speaker. She and her husband, Matthew Gilmour, now have two children. The end is here. Heather and Picket face off for the last time with their tyrannical foes in this final installment of *The Green Ember Series*. *The Mended*

Wood flickers dimly in the vision of the rabbits of Natalia, as they battle bravely for their survival and a hopeful future beyond. ****AS SEEN ON THIS MORNING and SATURDAY KITCHEN** **ALL NEW RECIPES FOR 2021**** The ultimate gift for every veggie, vegan and barbecue cook in your life, these mouthwatering recipes can be cooked either outdoors or indoors. What happens when happily ever after . . . isn't? A snake dreams up an unusual Mothers Day gift What is imagination, and why is it vital to childhood education? What role do great books play in shaping a child's perception of self, life, and even God? In Caught Up in a Story, Sarah Clarkson answers these vital

questions, demonstrating how great books can be a parent's best ally in shaping a child to love what is beautiful, pursue what is good, and grasp what is true. Drawing on her own storyformed childhood and her long study of children's literature, Sarah Clarkson explores and celebrates the soul-forming power of story to help children imagine, and live, a great story of their own. India and Zion, ages 10 and eight, have moved with their family to the Amazon rainforest. Their parents are on an assignment to uncover the ancient ruins of a lost city, Yanopacho. The city has its secrets, and so does the

surrounding jungle. Their adventure begins when they meet an unusual parrot who keeps calling out their names. Into the Rainforest is a book about friendship, courage, and what it truly means to understand one another. In these first three books of Ember, young people in a future world face the fear of impending war, seek escape from a decaying underground city, and work to help immigrants make a home in a city stretched to its limits in the wake of "the Disaster." The author of the popular Green Witchcraft series presents her personal Book of Shadows, designed for you to use just

as she uses it—as a working guide to ritual, spells, and divination. This ready-made, authentic grimoire is based on family tradition and actual magical experience, and is easily adaptable to any tradition of Witchcraft. Grimoire for the Green Witch offers a treasury of magical information—rituals for Esbats and Sabbats, correspondences, circle-casting techniques, sigils, symbols, recitations, spells, teas, oils, baths, and divinations. Every aspect of Craft practice is addressed, from the purely magical to the personally spiritual. It is a distillation of Green

practice, with room for growth and new inspiration. 2004 COVR Award First Runner Up Heather and Picket find themselves caught behind enemy lines as the battle to save rabbitkind intensifies. Young Geraldine longs to have adventures as thrilling as those in the Book of Tales, the book her papa reads to her and her brother Button at night. More than that, she wants to be brave--a seemingly impossible task in a world where ravens throw black shadows over the earth and wolves prowl barren lands in search of their prey. But Geraldine is a mouse. The weakest of ground things. Why was she, who wants so

much to be brave, created by God to be small and quivering? The book's ten stories follow the Woolkins family--Papa, Mama, Geraldine, and Button--from October to December, as they face their rather human trials and tribulations and Geraldine struggles to understand Very Very Big Hands, the creator of all, including ravens and wolves. Suitable for readers of most ages. Parents will want to read the book to younger children, preferably after making them a cup of cocoa. Armpit and X-Ray are living in Austin, Texas. It is three years since they left the confines of Camp Green Lake

Detention Centre and Armpit is taking small steps to turn his life around. He is working for a landscape gardener because he is good at digging holes, he is going to school and he is enjoying his first proper romance, but is he going to be able to stay out of trouble when there is so much building up against him? In this exciting novel, Armpit is joined by many vibrant new characters, and is learning what it takes to stay on course, and that doing the right thing is never the wrong choice. "In this sequel to The Last Archer and The First Fowler, Jo Shanks is charged with aiding Emma on her mission to

unite the secret citadels in their fight against the Preylord slavers. Alongside Cole and Heyna Blackstar, Jo and Emma must enter into the heart of a community in confusion. Something is wrong at Blackstone Citadel. Can Jo and his friends solve the mystery and enlist Blackstone's aid in time to rendezvous with their allies fighting for the Mended Wood?" -- Back cover. From the sources of the Fleet in Hampstead's ponds to the mouth of the Effra in Vauxhall, via the meander of the Westbourne through 'Knight's Bridge' and the Tyburn's curve along Marylebone Lane, London's Lost Rivers unearths the

hidden waterways that flow beneath the streets of the capital. Paul Talling investigates how these rivers shaped the city - forming borough boundaries and transport networks, fashionable spas and stagnant slums - and how they all eventually gave way to railways, roads and sewers. Armed with his camera, he traces their routes and reveals their often overlooked remains: riverside pubs on the Old Kent Road, healing wells in King's Cross, 'stink pipes' in Hammersmith and gurgling gutters on streets across the city. Packed with maps and over 100 colour photographs, London's Lost Rivers uncovers the

watery history of the city's most famous sights, bringing to life the very different London that lies beneath our feet. All winter long, people in the Green Hollows have prepared for a final battle with Gnag the Nameless and the Fangs of Dang. Janner, Kalmar, and Leeli are ready and willing to fight alongside the Hollowsfolk. But when the Fangs make the first move and invade Ban Rona, the children are separated. Janner is alone and lost in the hills; Leeli is fighting the Fangs from the rooftops of the city; and Kalmar, who carries a terrible secret, is on a course for the Deeps of Throg.

Monsters and Fangs and villains lie between the children and their only hope of victory in the epic conclusion of The Wingfeather Saga. Discover this spellbinding debut from S.A. Chakraborty. After Annette gets Lucien into trouble at school, he decides to get back at her by threatening the most precious thing in the world to her: her little brother Dani. But tragedy strikes. Annette is so filled with rage she sets out to alienate and humiliate Lucien at every turn. As Lucien seeks to repent and restore, light floods both of their dark hearts and Christ proves that He makes all things new. It's been a long, cold

winter at Riverside Ranch, where Robbie has lived alone since his brothers moved away. Alone, that is, except for his three devious cats, four saddle horses, and the forty-eight mustangs that roam the ranch. Robbie is preparing for yet another snowfall when he gets the last call he expected—a plea to pick up Lance Taylor from the county jail. Lance wasn't just his little brother's best friend, he was a part of the family. Then, one night, after Lance asked Robbie for something Robbie couldn't give, he ran away and never came back. Lance was sixteen and heartbroken when he left his middle-

of-nowhere hometown. Six years later, he's at rock bottom with nowhere else to go, and no one to turn to but Robbie, the man Lance has been inconveniently in love with for most of his life.

When Robbie offers Lance a place to stay, Lance expects a guest bedroom and awkward silences. Instead, he finds himself sharing Robbie's one-room hayloft apartment and its single bed, while realizing that the old flame he carries for Robbie might not be so hopeless, after all. Long Winter is the first book in the Wild Ones series and has a happy-for-now ending. Robbie and Lance's story

continues in Signs of Spring. Praise for Long Winter "What a beautifully written story this is! There is an effortless elegance to Rachel Ember's prose that I found myself sinking blissfully into, like a relaxing Sunday drive—or horseback ride, as it were. Robbie and Lucas are perfectly imperfect, their past complicated, and their desire a slow burn destined to ignite. They breathed from the page, and the setting was so real I felt like I could go to the ranch right now and see all of them. I will definitely be reading more from this author!" - L.C. Chase, author of Pickup Men "Long Winter is a

gorgeously detailed, realistic contemporary drama full of angst and longing and set in the backdrop of a rural Nebraskan town in winter. A self-styled city boy, Lance, returns to his home town after the fallout from an abusive relationship with no one else to turn to other than his childhood crush, modern day cowboy/rancher, Robbie. Hot enough to warm your cold winter's night and threaded through with tender and sometimes painful childhood memories. Recommended for people who like realistic, character-driven stories with a heavy emotional current running throughout." - KP Maxwell, author of

The Problem Client
"An enchanting and heartwarming novel, with strong themes of family, love, and a long overdue second chance for two flawed but utterly lovable men. The setting was beautifully evocative, from the winter scenes, to life on the ranch, to the wild horses that watch over it all. I sank totally into the read and can't wait for the next book from this author!" - Stella Shaw, author of Dante "A Green Ember story set during Heather and Picket's arrival at Cloud Mountain, The Last Archer follows the journey of Jo Shanks. Jo is a gifted archer with a burden on his back and a fire within. Eager to see the

Longtreaders receive justice, he travels from his Halfwind Citadel home to a Cloud Mountain poised on the brink of war. What he finds there will confront his convictions and test his resolve as the war begins and King Jupiter's heir is revealed. A kingdom in the balance. An arrow aimed at the heart of darkness. Who will take the shot?" - Publisher's description. After living for years under the occupation by the evil Fangs of Dang, the Igiby children find a map rumoured to lead to the lost Jewels of Anniera - the one thing the Fangs will do anything to find. The family is thrown headlong

into a perilous adventure, uncovering truths about who they are that will change their world forever. Repackaged with new illustrations, this is the opportunity to discover the Wingfeathers. Racing Green is the story of how motorsport science has become smarter and more environmentally friendly, and how these developments on the track are changing the world. Motor racing is the most scientifically demanding sport in the world: a combination of peak physical and mental skill, world-class mechanical nous and technological innovation. Ideas

first pioneered during races - from ABS brakes to crash helmets - have been incorporated into car designs around the world to improve racing safety. And cleaner technologies first trialled and improved in modern racing are also informing the designs of everyday vehicles, such as better electric cars and more efficient fuels and tyres. Racing Green is the story of how motorsport science has changed the world, helping it become smarter and more environmentally friendly. From the radical shake-ups of safety in the 1970s through to innovations such as the lithium-ion

battery, this book explores the science that has been translated from racing to the road. It looks at the history of motor racing, both its glories and its tragedies, and demonstrates how these moments led to some of the most important modern developments we see in car design today. It explores how motor racing is not only at the cutting edge of modern engineering, but also human psychology and physiology, both of which are integral to creating a winning car and driver. Author Kit Chapman is a lifelong motorsports fan who has previously worked with Virgin Racing's

Formula E team to explore the chemistry and material science of their racing cars. With cooperation from his wide range of contacts in the industry, he goes behind the scenes of the current breakthroughs to show where motorsport is likely to take us in the future, picking up extraordinary tales along the way, such as the maverick designer Warren Mosler, who designed a car that was so fast he wasn't allowed to race it. Racing Green is a mix of travelogue and historical retrospective, combining visits to the experts and discussing the science with retellings of real-

life incidents that represent milestones in modern car development. A dire warning. An impending alien invasion. Only one chance for survival. In the near future, an alien probe arrives on Earth with a pivotal mission-determine if humanity has what it takes to survive the impending invasion by a merciless armada. The probe discovers Marc Ibarra, a young inventor, who holds the key to a daring gambit that could save a fraction of Earth's population. Humanity's only chance lies with Ibarra's ability to keep a terrible secret and engineer the planet down the narrow path to

survival. Earth will need a fleet. One with a hidden purpose. One strong enough to fight a battle against annihilation. The Ember War is the first installment in an epic military sci-fi series. If you like A Hymn Before Battle by John Ringo and The Last Starship by Vaughn Heppner, then you'll love this explosive adventure with constant thrills and high stakes from cover to cover. environmental campaigner Natalie Fee will galvanise you to think and live differently. You will feel better, live better and ultimately breathe better in the knowledge that every small change contributes towards saving our world. Examples of Natalie's tips include voting with climate change policies in mind, carrying a reusable coffee cup, buying bamboo toothbrushes, packaging-free toiletries and ditching plastic based pads and tampons in favour of a menstrual cup, all of which will reduce your environmental impact while also saving you money. Unlike other guides

to green living, *How to Save the World For Free* also addresses the big barriers to change, including broken political systems, capitalism and consumerism - and gives us practical and engaging ways to disrupt them. Perfect for fans of Lucy Siegle's *Turning the Tide on Plastic* and Greta Thunberg's *No One is Too Small to Make a Difference*. Whether you are a signed-up member of *Extinction Rebellion* or if you're just starting out on your environmental journey, *How to Save the World for Free* includes helpful and approachable advice for everyone. Let's save the world together!

Morbin Blackhawk, slaver and tyrant,

threatens to destroy the rabbit resistance forever. Heather and Picket are two young rabbits improbably thrust into pivotal roles. The fragile alliance forged around the young heir seems certain to fail. Can Heather and Picket help rescue the cause from a certain, sudden defeat?" - Cover page [4].
