Ranklechick and His Three-Legged Cat (Oogaly Colour Part Two) Apr 28 2021 Ranklechick was a child Ghoul who lived in the depths of space. The story of the weird world of the European Zoo Ghouls continues with more absurdist baroque punk comic melancholia in the form of Ranklechick and His Three-Legged Cat: Oogaly Colour Part Two. In Oogaly Colour Part One we learned that Ranklechick's entire world was built just so he would one day exist -- built by a cyborg fanboy who only wanted to see his favourite comic book character brought to life. Life ticks on at a lunatic pace as poor Ranklechick avoids telling his three-legged cat why he's missing a limb, is haunted by the ghost of the evil android, Nathan Burplepinch, is possessed by the Spirit of Failure, fights the unseen power that continues to make him believe he is becoming a comic book character, and struggles to one day speak to the spirit of his dead mother ...(Oogaly Color Part 2.)

The Visual Preacher Jan 18 2023 Steve Thomason's plan was that after graduating from college, God would allow him to become a Disney animator so that one day he could open his own animation studio. It turned out God had other plans, and Thomason became a parish pastor--a pastor with a passion for both art and preaching. In *The Visual Preacher: Proclaiming an Embodied Word*, Thomason's winsomely illustrated text shows preachers visual techniques to study the Bible, construct a sermon, use the physical space where they preach, create two-dimensional images, and develop and use videos. Thomason shares his dual passions based on his conviction that the effectiveness of visual communication lies at the heart of the gospel itself--that it is the reason God took on human flesh in Jesus. Believing that pictures speak differently than words, he offers readers practical ways to combine visual communication with the Word of Scripture and the words of their sermon so that when they are done preaching, their listeners will say, "We have seen Jesus." He assures readers they don't have to be skilled artists or technological wizards to effectively use visuals in preaching. Rather, he presents basic principles he has learned as a working preacher and encourages readers to use the ones that make sense to them and to throw out the rest. Preachers are story-tellers, says Thomason. This book will help preachers create and use images that make them even better storytellers than they already are.

Then, when time runs out, all that is left of him is a lifetime of loneliness filled with memories. The decision she makes forever haunts her.
