This is the only textbook that helps students develop a thorough understanding of the legal environment of business and enhances their ability to engage in critical thinking and ethical analysis. The legal environment of business is thoroughly treated in an extremely reader-friendly manner; various topics include: the American legal system, dispute resolution, constitutional principles, cyberlaw, white-collar crime, contracts, sales, product and service liability, the law of property, agency law, labor-management relations, environmental law, securities trading and issuance, antitrust laws, and debtor-creditor relations. An excellent desk reference for the legal departments of any business, this book also provides an interesting read for anyone interested in business and ethics. Assists students to understand the concepts and principles of business law in the current Australian commercial law environment. Remedies: Commentary and Materials, 6th Edition provides comprehensive treatment of both judicial and non-judicial remedies in Australian private law. Fully updated to reflect recent developments, this casebook provides extensive coverage of common law damages for breach of contract and tort, of equitable remedies and of statutory remedies under the Australian Consumer Law. The book combines carefully selected extracts from leading cases with expert commentary. Taken together, these materials elucidate the principles relating to the assessment of all forms of damages under common law and statu. Renowned for its readability, this highly-regarded text features a clear and logical layout designed to encourage and enhance students understanding of the essentials of business law. This revised edition now provides coverage across the new Work Health and Safety (Occupational Health and Safety) legislation. This book is written specifically for students who are studying business law as part of a business studies course whether the main focus of that course is commerce, accounting, management, human resources or any other area of business. New to this edition Contains a new chapter on the new Work Health and Safety (Occupational Health and Safety) legislation Table of statutes and cases have also been updated Australian Corporate Law, 5th edition has been designed specifically for students studying corporations law as part of their business or commerce degree. This text aims to reduce the complexity of corporations law for students by providing clear explanation of legal principles and explaining how corporate law operates within the broader business context. It does this within a specifically designed learning framework that will enhance student learning and understanding of the presented material: oAeo Key Statement and Key Cases highlight precedents and important cases oAeo Case Examples present topical issues to help the reader see the law at work in a broader commercial context oAeo Revision Questions and Problem Exercises help reinforce learning oAeo Glossary notes in the margin ensure that each term is immediately understood oAeo Further Reading provides a springboard for deeper learning oAeo Flowcharts are presented to assist in visual learning New to this Edition oAeo Significant recent new cases in the James Hardie appeal, the Bell appeal and other recent appellate decisions oAeo Recent legislative amendments, including business names legislation, executive remuneration and continuous disclosure oAeo Additional cases and new case studies Your Essential, Up-to-date Business Law Resource. Gibson and Fraser's sophisticated and comprehensive text provides a clear and current appreciation of the main rules and legal principles encountered in a business law course for non-lawyers. BUSINESS LAW provides extensive coverage of business law topics in an accessible and student-friendly 4-colour format and considers the legal environment in which businesses must operate in all states and territories. With a resource package second to none, BUSINESS LAW 6e offers great opportunity for customisation and the ability for you, as an instructor, to choose what areas you wish to teach and to what depth, and how you wish to teach them. Stay current and connected! Now updated annually, this edition of BUSINESS LAW includes changes to the Trade Practices Act as recent as November 2011. In addition, a bulletin containing the latest amendments to legislation and recent court decisions is distributed electronically three times a year. BUSINESS LAW may also be packaged with MyLawLab - More than just on-line content: this is a complete, interactive, integrated, self-paced, online course experience. INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets: trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material. A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches. Among the main topics addressed by this text are contracts, sales, commercial paper, debtor-creditor relations, property, business organizations, and government regulation of business. Each chapter contains a list of major topics, a summary list of key terms, and questions and problems. Business Insider calls The ENTREPRENEUR'S GUIDE "perhaps the most useful business book you can ever read" and lists it among twenty-five must-read books for entrepreneurs. THE ENTREPRENEUR'S GUIDE TO LAW AND STRATEGY, 5E examines stages of starting a business -- from start-up and growth to public offering, while highlighting legal preparations and pitfalls. Cutting-edge examples show how legally astute entrepreneurs can strategically increase realizable value, deploy resources, and manage risk. The book discusses leaving a job, hiring former coworkers, competing with a former employer,

workplace legislation, product liability, and bankruptcy. You examine current issues including today's workforce in the "gig" economy, "crowdsourcing" capital and social media, computer hacking and identity theft. Legal discussion integrates with core strategic concepts, such as Porter's Five Forces, the resource-based view of the firm, the value proposition, activities in the value chain and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The 5th edition provides thorough treatment of one of the most fundamental areas of law - the interpretation of contracts. All those drafting, revising or advising on written agreements will benefit from its detailed discussion of the rules of contract interpretation. This text provides the legal credibility, authoritativeness, and comprehensiveness of a traditional business law book, while also offering the visual appeal and student friendly features students are used to seeing in books for many of their other courses. Though the text is "fun" for students to read, it does not accomplish this at the expense of important information - it goes into the necessary detail to completely explain law topics. The book truly offers an instructor the best of both worlds - a credible business law source, which students will be motivated to read. Its magic and the cornerstone of its widespread success is in this ability to appeal to both instructors and students without being mutually exclusive. It also offers the most comprehensive teaching and learning support package on the market, with something to fit many different instructional or learning styles - a reflection of West Legal Studies in Business's continual commitment to partnership, leadership, and innovation in providing the highest quality materials available for Business Law instructors and students. This text explicitly meets the AACSB curriculum requirements. 'Thompson's Modern Land Law' is a core textbook providing students with a clear understanding of the principles of the subject. It analyzes the social context of modern land law and the policy tensions to which it gives rise. Using clear and concise language this fully revised and updated edition enables students to understand complex aspects of business law and shows how this theory complies with real life. The sixth edition of the authoritative and acclaimed commercial law text 'A great book ... will be equally useful to legal practitioners, students and business people' Financial Times This sixth edition of Goode on Commercial Law, now retitled Goode and McKendrick on Commercial Law, remains the first port of call for the modern day practitioner with its theoretical and practical coverage of commercial law in both a national and an international context. Now updated to cover the most recent legal and technical changes, this highly acclaimed and authoritative text, which is regularly cited by all courts from the Supreme Court downwards, combines a deep theoretical analysis of foundational principles with a practical approach in the context of typical commercial and financial transactions. It is also replete with diagrams and specimen forms covering a wide range of transactions. 'Searching analysis and meticulous exposition coupled with a lucid clarity of style and a relaxed lightness of touch combine to make the book not only compulsory but compulsive reading for anyone interested in its field' Law Quarterly Review 'A work of immense scholarship ... Professor Goode's work must be as nearly exhaustive as can be possible and as produced by Penguin is a triumph of paperback publishing' Solicitor's Journal 'Clear and comprehensive ... The student and practitioner will find it indispensable; the interested layperson too will benefit from it as a work of reference' British Business 'A veritable tour de force' Business Law Review BUSINESS LAW AND THE LEGAL ENVIRONMENT, 6E uses vivid examples and memorable scenarios to lead students through the full breadth of business law. Focusing on hands-on application and using a conversational writing style, this handy textbook equips students for business challenges from the first page. Plus, by showing students through practice how legal concepts apply to their future careers, BUSINESS LAW AND THE LEGAL ENVIRONMENT, 6E draws students into the material, helping them study more effectively and diligently. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. A considered balance of depth, detail, context, and critique, Directions books offer the most student-friendly guide to the subject; they empower students to evaluate the law, understand its practical application, and approach assessments with confidence. An ideal introductory textbook, Bourne on Company Law offers a succinct overview of the fundamental areas covered in LLB and GDL courses. The text is clear and easy to follow, being presented in short, sub-headed sections for ease of navigation, and is thoroughly cross-referenced to highlight connections across topics. Written for both law and non-law students, this text offers straightforward explanations of all key cases, as well as chapter summaries and end of chapter questions to aid understanding. The book is also supported by a companion website offering self-test questions, a useful glossary and annotated web links. The law regulating commercial conduct and commercial relationships is increasingly complex and important. The 7th Edition of Business and the Law has been written to offer business law students a comprehensive and accessible introduction to the Australian legal system and to the major areas of law impacting on business today. It is also a valuable resource for any business professional or small business requiring an intelligent introduction to contemporary business law in Australia. Business and the Law is academically rigorous but also accessible. It includes concise case examples as well as more comprehensive case studies of leading decisions to demonstrate how relevant laws are applied. The 7th Edition includes a chapter on "The Modern Corporation" and all cases, legislation and topical news features have been updated for currency. This edition has been updated by a team of contributors from The University of Sydney Business School. Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law. Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further. Discover the business law book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Beatty/Samuelsen/Abril's ESSENTIALS OF BUSINESS LAW, 7E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their law practices to offer memorable real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. As business law becomes increasingly complex, it has become more important for the entrepreneur to have an appreciation of the legal issues which may affect their venture. In this book, Jon Gill guides the entrepreneur through the range of legal issues which may affect their business, whether seeking to employ people, take on premises, protect IP rights, raise finance or realise a return on their investment on exit. By following the issues along the life-cycle of the company, the entrepreneur is provided with an invaluable first port of call whatever the stage of the business. The entrepreneur will then, with the benefit of professional advice, be able to minimise the risks, take advantage of the opportunities, and fulfil their business goals. Jon Gill has an LLB in Law from the University of Birmingham, and an MSc in Entrepreneurship with Distinction from the University of Bristol. He has also been involved in a number of start-up and small entrepreneurial businesses. He is now a trainee solicitor with Eversheds, the leading international law firm, and a visiting lecturer at the University of Bristol and the University of Bath School of Management "Australian Finance Law, 7th Edition provides comprehensive coverage of Australian finance law, including the regulation of the Australian financial system, capital markets, debt finance, taxation and insolvency law. It has been written and compiled by Partners, Consultants and Associates of King & Wood Mallesons. This well-regarded work combines both legal analysis and its practical application to financing transactions. It is designed for general and specialist advisers, combining both fundamental and more complex legal and practical analysis. It is also an important resource for students of Australian financial and commercial law. Although it has been written from a primarily Australian context, a number of the chapters have a more international application, either because of the global nature of finance, or because of the similarity in legal concepts between common law jurisdictions." --Publisher's website. This text strives to bring money and banking up-to-date by providing complete, integrated coverage of topics that are important to the twenty-first century world of money and banking. While covering the myriad topics appropriate for a money and banking course, the book is the first in the field to fully integrate coverage of international financial markets and the global economy from the outset. It also gives considerable attention to the ways in which new technologies are affecting the practice of banking, the nature of money, and the tasks of policymakers, and is the first and only text on the market to offer a fully-integrated program of accompanying online resources and multimedia tools that enhance a student's study of money and banking. Part 1 Focuses on planning and starting your business. This section will help you formulate a business plan, choose a business structure, understand licensing and insurance requirements and gain basic management and marketing skills. Part 2 Covers fundamentals you will need to know in order to operate a successful construction business. This section covers estimating, contract management, scheduling, project management, safety and environmental responsibilities and building good relationships with employees, subcontractors and customers. Part 3 Provides valuable information to assist you in running the administrative function of your business. Financial management, tax basics, and lien laws are covered. Effective management of these areas of business is vital and failure proper attention can cause serious problems. Business law is a core unit for all commerce students. Written for Australian commerce students studying law as a one-semester course for the first time - gives a solid introduction to business law within its social and business context. The book 'Business Law' deals with the fundamental branches of business law, namely, law of contract, law of sale of goods, law of partnership, law of negotiable instruments and law of limited liability partnership. Its contents have been extracted from the authors' reputed title 'Mercantile Law' that has gained tremendous readership over the years. This text offers an activity-based approach to the often difficult topic of the English legal system. The text incorporates a wide range of activities, exercises and real examination questions along with illustrations. The cases in this text have been selected to align with current teaching in business law and provide an excellent quick resource for students or anyone wanting to understand the case law in the area of business law. Features oAeo Structure of the case summaries: catch words, facts, issue and decision reflects modern case analysis oAeo Assists the reader with understanding the principles of each case oAeo All key cases in the subject area in one easy-to-find collection Related LexisNexis Titles Fitzpatrick, Symes, Veljanovski & Parker, Business and Corporations Law, 2nd edition, 2014 Graw, Parker, Whitford, Sangkuhl & Do, Understanding Business Law, 7th edition, 2015 Parker & Veljanovski, LexisNexis Study Guide: Business Law, 2nd edition, 2013
