Follow the Stone Sep 09 2021 International best-selling author John Locke (Saving Rachel, Wish List, Now & Then, Lethal People, Lethal Experiment) tackles a new genre, with hilarious results. Follow the Stone (An Irreverent Western Adventure) is a good-hearted, rollicking story about a former gunslinger and his crablike scout, who journey West with a mail order bride, a witch, and a wagon full of prostitutes!

The Sword in the Stone Sep 21 2022 Story of two boys, Kay and Wart, who are learning the code of being a gentleman. Wart later becomes England's King Arthur.

The Eye in the Stone Dec 12 2021 A quick family visit turns into a battle of magic between good and evil. "All hail to the Crown of Death!" Though all the members of the coven cried out the words, Morgan remained stubbornly silent. Held by four demons, he seemed powerless to escape what was about to happen, yet surely he could find some magical means to avoid becoming an unwilling initiate into dark witchcraft. But as a fifth demon pulled red-hot pincers out of a nearby brazier, all hope fled. The demon came toward him, its webby wings pulsing, its insect eyes glittering. Then the pincers bit, the pain scorched through his whole body, and his nose filled with the smoke of his own burning flesh. Finally it was over, and the leader of the coven was approaching, holding a large green-bound book and a pen. He touched the nib to Morgan's blackened, torn wound and the pen filled with his blood. Then the man gave him the pen and held up the book. On the right-hand page was a contract straight from hell: I hereby swear fealty to Fryga Tukhanox, the Crown of Death, to do her bidding and her work, in all ways required of me... Allen L. Wold is the bestselling author of nine science fiction novels: THE PLANET MASTERS, STAR GOD, THE EYE IN THE STONE, JEWELS OF THE DRAGON, CROWN OF THE SERPENT, LAIR OF THE CYCLOPS, and three novels in the V series. Critical Raves for Allen L. Wold's Novels: "Unique and lively... hair-raising and thought-provoking... absorbing." --Fantasy Newsletter "A remarkably expansive imagination... highly recommended." --Library Journal "Engrossing... gives your wonderbone a good tingle." --Milwaukee Journal "Plenty of excitement" --Publishers Weekly

The Sword in the Stone (Disney) Nov 23 2022 The classic Disney story of how a poor, lowly page ends up as the King of England--with a little help from Merlin the wizard--will delight boys and girls ages 2 to 5. Based on the classic Walt Disney animated movie, this Little Golden Book retelling of The Sword in the Stone was first published in 1963.

The Pattern On The Stone Jul 19 2022 Will computers become thinking machines? A scientist at the cutting-edge of current research gives his provocative analysis. The world was shocked when a computer, Deep Blue defeated Gary Kasparov, arguably the greatest human chess player ever to have lived. This remarkable victory, and other, more day-to-day innovations, beg serious questions: what are the limits of what computers can do? Can they think? Do they learn? Discussions of these questions tend to get muddled because most people have only the vaguest idea of how computers actually work. This book explains the inner workings of computers in a way that does not require a profound knowledge of mathematics nor an understanding of electrical engineering. Starting with an account of how computers are built and why they work, W. Daniel Hillis describes what they can and cannot do - at the present time - before explaining how a computer can surpass its programmer and, finally, where humanity has reached in its quest for a true Thinking Machine.

The Stone Age in the Aegean Mar 03 2021

The Lotus in the Stone Aug 08 2021

The Angel in the Stone May 17 2022 Having returned to his childhood home in the West Highlands, Calum leads a quiet life. More than two decades after his brother Finn fell to his death, he still relives the event and struggles to find peace of mind. It isn't so easy, however: his mother, Mary, has Alzheimer's Disease and his estranged daughter Catriona has arrived out of the blue. Unexpectedly, Calum has his mother and daughter living with him and the house becomes a crucible of old resentments, disappointments, unspoken revelations and fragile but enduring love. Together and separately, Calum, Mary and Catriona retrace the events that have brought them to this point and made them who they are.

Secrets in the Stone Oct 18 2019 Three women caught in a web of secrets and dark desires—Rooke Tyler lives a solitary life in a small town on the Hudson River, carving intricate headstones in an exclusive cemetery for the county's wealthy families. At night she pours her dreams and desires into the figures she sculpts—waiting for the woman she senses in the stone. Adrian Oakes knows there are things in life that defy rational explanation—she has spent her life avoiding casual contact with others, because sometimes what she feels draws her into a world of dangerous attractions and dark desires. Melinda Singer, a beautiful seductive art dealer, wants both women and will stop at nothing to have them. When fate brings the three together, passion and destiny ignite.

The Case Against the Stone-tipped Arrow in the East African Post-pleistocene Aug 28 2020

The Stone Book Feb 26 2023 His daughter's request for a book prompts a stonemason to reveal the secret of the stone to her.

Blood on the Stone Jun 06 2021 Africa's diamond wars took four million lives. 'Blood on the Stone' tells the story of how diamonds came to be so dangerous, describing the great diamond cartel and a dangerous pipeline leading from war-torn Africa to the glittering showrooms of Paris, London and New York. It describes the campaign that forced an industry and more than 50 governments to create a global control mechanism, and it provides a sobering prognosis on its future.

The Stone Age in North America Jul 07 2021 Reprint of the original, first published in 1910.

The Writing in the Stone Jan 21 2020 The landscape of this dark and powerful story is the ancient world of Assyria some 3000 years ago, a time when writing was in the world's oldest script, cuneiform, and the domination of unseen forces firmly in the hands of the state's leading Exorcist. In the capital, Nineveh, resides a deep and complex man, the power behind the King of the World. Faced with unforeseen disaster that threatens his authority, he emerges as a psychopathic killer. The author uses his familiarity with ancient writings preserved in the world's museums to recreate a vanished world in which those who step from the shadows in ruthless violence to pursue ultimate control show themselves at the same time to be disconcertingly human. The tight prose and graphic illustrations make this a gripping and unusual tale not of this world, but at the same time weirdly familiar.

Stuck in the Stone Age Jun 18 2022 Tom Edison (no, not that Tom Edison) is a hopeful janitor who dreams of becoming a scientist—and Dr. Morice is a shy scientist who dreams of making friends. When an accident at the lab sends them back in time to the stone age, Tom and Dr. Morice must work together to face down cavemen, saber-tooth tigers, and other B.C. hazards, with only one problem: Tom isn't very good at science, and Dr. Morice isn't very good with people. A laugh-out-loud time-travel adventure, Stuck in the Stone Age is the first in a series of novels that double as an introduction to the basics of creative writing. With the help of Story Pirate Captain Rolo Vincent and the Story Creation Zone, kids can use this kid-generated sci-fi comedy as inspiration to create their OWN great stories!

A Guide to Antiquities of the Stone Age Sep 28 2020

Blood On The Stone Dec 24 2022 March 1681. Oxford is hosting the English Parliament under the 'merry monarch', King Charles II. As politicians and their hangers-on converge on the divided city, an MP is found murdered, triggering tensions that threaten mayhem on the streets. Luke Sandys, Chief Officer of the Oxford Bailiffs, must solve the crime and thwart the plot. On his side is the respect for evidence and logic he absorbed in his student days, as a follower of the new science. On the other, a group of political conspirators are stirring up sectarian hatreds in their scheme to overthrow the Crown. Struggling to protect all he holds dear, Luke leans heavily on his cavalry officer brother, his friends, and his faithful deputy, Robshaw. But he has a secret, which may be clouding his judgement. At the moment of truth, will he choose love or duty?

Stone Decay in the Architectural Environment May 05 2021

The Stone Series Oct 22 2022 When forbidden desire becomes something deeper, the past is exposed, and the betrayal is more than expected. Krystina I'm flawed and damaged. My capacity for love is limited, and I'm the only one who can repair the pieces of my shattered heart. But that was before meeting Alexander Stone. Now, he is everywhere I turn-in my mind, in my heart, and in my soul. I can't deny him. He's the glue holding my soul together. He's my addiction, and I'm unable to stay away. But committing to love Alexander is only the beginning. When he's blackmailed about a secret he's kept since childhood, everything we fought to overcome is threatened. It rocks the fragile foundation on which our relationship is built-trust. Alexander I have rules. Krystina breaks them. She's strong, determined, devastatingly beautiful-and stubborn as hell. Her quick wit and firecracker attitude is the complete opposite of

what I want in a woman. But I still want to claim her, tame her, and make her mine. I can't get her out of my mind. However, being with someone like her is a risk. I have too many secrets. Surrendering the truth about my father's murder would be devastating—not only to the empire that I worked so hard to build, but to my very identity. Follow the journey of Alexander Stone and Krystina Cole in *The Stone Series*, a heart-wrenching and seductively steamy three-book series. **The Stone in the Skull** Nov 18 2019 Hugo Award-winning author Elizabeth Bear returns to her critically acclaimed epic fantasy world of the *Eternal Sky* with a brand new trilogy. Best SFF Books 2017—The Guardian Kirkus Best Science Fiction and Fantasy of 2017 The Verge Recommended Fantasy for 2017 Locus 2017 Recommended Reading List *The Stone in the Skull*, the first volume in her new trilogy, takes readers over the dangerous mountain passes of the Steles of the Sky and south into the Lotus Kingdoms. The Gage is a brass automaton created by a wizard of Messaline around the core of a human being. His wizard is long dead, and he works as a mercenary. He is carrying a message from the most powerful sorcerer of Messaline to the Rajni of the Lotus Kingdom. With him is The Dead Man, a bitter survivor of the body guard of the deposed Uthman Caliphate, protecting the message and the Gage. They are friends, of a peculiar sort. They are walking into a dynastic war between the rulers of the shattered bits of a once great Empire. The Lotus Kingdoms #1 *The Stone in the Skull* #2 *The Red-Stained Wings* *The Eternal Sky* Trilogy #1 *Range of Ghosts* #2 *Shattered Pillars* #3 *Steles of the Sky* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Song of Stone Feb 20 2020 Set in a war-torn country not unlike Bosnia, this internationally bestselling novel concerns a band of soldiers who find refuge in a rural castle.

The Bleeding of the Stone Oct 10 2021 The moufflon, a wild sheep prized for its meat, continues to survive in the remote mountain desert of southern Libya. Only Asouf, a lone bedouin who cherishes the desert and identifies with its creatures, knows exactly where it is to be found. Now he and the moufflon together come under threat from hunters who have already slaughtered the once numerous desert gazelles. The novel combines pertinent ecological issues with a moving portrayal of traditional desert life and of the power of the human spirit to resist.

24 Hours in the Stone Age Feb 14 2022 Join a young girl as she goes hunting, makes her own stone tools and creates amazing cave art. Eye-catching illustrations by Laurent King bring this comic strip to life, as you visit the Stone Age for a day. Covers a wide range of Stone Age activities, from fishing and tracking animals, to making fire, stone tools and cave art.

Filipino Heritage: The stone age in the Philippines Jan 01 2021

Fire in the Stone Apr 16 2022 The genre of prehistoric fiction contains a surprisingly large and diverse group of fictional works by American, British, and French writers from the late nineteenth century to the present that describe prehistoric humans. Nicholas Ruddick explains why prehistoric fiction could not come into being until after the acceptance of Charles Darwin's theories, and argues that many early prehistoric fiction works are still worth reading even though the science upon which they are based is now outdated. Exploring the history and evolution of the genre, Ruddick shows how prehistoric fiction can offer fascinating insights into the possible origins of human nature, sexuality, racial distinctions, language, religion, and art. The book includes discussions of well-known prehistoric fiction by H.G. Wells, Jules Verne, J.-H. Rosny Aîné, Jack London, William Golding, Arthur C. Clarke, and Jean M. Auel and reminds us of some unjustly forgotten landmarks of prehistoric fiction. It also briefly covers such topics as the recent boom in prehistoric romance, notable prehistoric fiction for children and young adults, and the most entertaining movies featuring prehistoric humans. The book includes illustrations that trace the changing popular images of cave men and women over the past 150 years.

The Stone Roses Oct 30 2020 No Marketing Blurb

Children of the Stone Apr 23 2020 *Children of the Stone* is the unlikely story of Ramzi Hussein Aburedwan, a boy from a Palestinian refugee camp in Ramallah who confronts the occupying army, gets an education, masters an instrument, dreams of something much bigger than himself, and then inspires scores of others to work with him to make that dream a reality. That dream is of a music school in the midst of a refugee camp in Ramallah, a school that will transform the lives of thousands of children through music. Daniel Barenboim, the Israeli musician and music director of La Scala in Milan and the Berlin Opera, is among those who help Ramzi realize his dream. He has played with Ramzi frequently, at chamber music concerts in Al-Kamandjati, the school Ramzi worked so hard to build, and in the West-Eastern Divan Orchestra that Barenboim founded with the late Palestinian intellectual, Edward Said. *Children of the Stone* is a story about music, freedom and conflict; determination and vision. It's a vivid portrait of life amid checkpoints and military occupation, a growing movement of nonviolent resistance, the past and future of musical collaboration across the Israeli-Palestinian divide, and the potential of music to help children see new possibilities for their lives. Above all, *Children of the Stone* chronicles the journey of Ramzi Aburedwan, and how he worked against the odds to create something lasting and beautiful in a war-torn land.

Necromancing the Stone Mar 23 2020 With the defeat of the evil Douglas behind him, Sam LaCroix is getting used to his new life. Okay, so he hadn't exactly planned on being a powerful necromancer with a seat on the local magical council and a capricious werewolf sort-of-girlfriend, but things are going fine, right? Well . . . not really. He's pretty tired of getting beat up by everyone and their mother, for one thing, and he can't help but feel that his new house hates him. His best friend is a werebear, someone is threatening his sister, and while Sam realizes that he himself has a lot of power at his fingertips, he's not exactly sure how to use it. Which, he has to admit, is a bit disconcerting. But when everything starts falling apart, he decides it's time to step up and take control. His attempts to do so just bring up more questions, though, the most important of which is more than a little alarming: Is Douglas really dead?

Wind in the Stone May 25 2020 An orphan girl battles an evil mage in this "stunningly vivid" fantasy from the New York Times–bestselling author of *The Scent of Magic* (Starlog). A mage, seeking to enslave the Valley and destroy the Forest, has brutally sundered a family. A mother has fled into the woods with her infant girl-child, while the depraved sorcerer holds the babe's twin—a boy—captive in a black tower. The mother dies but the girl survives. Adopted by the strange denizens of the Forest—safe from the mage's malevolent influence—she grows to young womanhood, cultivating a cherished skill that has been denied the others of her kind: the ability to truly hear the sounds of her world. But her future will be fraught with trial and terror, for only she can smash the chains that shackle the Valley and its inhabitants. It is her destiny to confront sorcerer and demon minions, and to oppose the one she must conquer and free: the magician's protégé and her most powerful adversary. Her bane and blood. Her brother.

Queens of the Stone Age: No One Knows Jul 27 2020

In the Stone Circle Aug 20 2022 Cristyn Stone is unhappy about spending her summer in a small town in Wales while her father researches a book. The 16th-century stone house they are staying in holds a haunting secret. Strange noises, weird dreams, a girl ghost, and a mysterious connection to her late mother draw 14-year-old Cristyn deeper into the mystery.

Living in the Stone Age Nov 30 2020 In 1961, John F. Kennedy referred to the Papuans as "living, as it were, in the Stone Age." For the most part, politicians and scholars have since learned not to call people "primitive," but when it comes to the Papuans, the Stone-Age stain persists and for decades has been used to justify denying their basic rights. Why has this fantasy held such a tight grip on the imagination of journalists, policy-makers, and the public at large? *Living in the Stone Age* answers this question by following the adventures of officials sent to the New Guinea highlands in the 1930s to establish a foothold for Dutch colonialism. These officials became deeply dependent on the good graces of their would-be Papuan subjects, who were their hosts, guides, and, in some cases, friends. Danilyn Rutherford shows how, to preserve their sense of racial superiority, these officials imagined that they were traveling in the Stone Age—a parallel reality where their own impotence was a reasonable response to otherworldly conditions rather than a sign of ignorance or weakness. Thus, Rutherford shows, was born a colonialist ideology. *Living in the Stone Age* is a call to write the history of colonialism differently, as a tale of weakness not strength. It will change the way readers think about cultural contact, colonial fantasies of domination, and the role of anthropology in the postcolonial world.

Automation in the Stone Industry Jan 13 2022

The Stone Monkey Feb 02 2021 SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. The follow-up to Jeffery Deaver's massive bestseller *The Bone Collector* (also a feature film starring Angelina Jolie and Denzel Washington) *The Stone Monkey* is a "simply outstanding" (San Jose Mercury News) addition to the Lincoln Rhyme series. Recruited to help the FBI and the Immigration and Naturalization Service, Lincoln Rhyme and Amelia Sachs manage to track down a cargo ship headed for New York City carrying two dozen illegal Chinese immigrants, as well as the notorious human smuggler and killer known as "the Ghost." But when the Ghost's capture goes disastrously

wrong, Lincoln and Amelia find themselves in a race to track him down before he can find and murder the two surviving families from the ship, who have vanished into the labyrinth of New York City's Chinese community. As Rhyme struggles to locate the families, aided by a quirky policeman from mainland China, Sachs finds herself forming a connection with one of the immigrants that may affect her relationship with her partner and lover.

Stone Of Fire Apr 04 2021 When fire falls from the heavens... will the whole world burn? Dr. Morgan Sierra, an Oxford University psychologist with a deadly past, doesn't know the answer to that question — and doesn't care. All she knows is that her sister and niece have been abducted, held hostage for the stone pendants that Morgan and her sister wear: two of twelve relics once owned by the original Apostles. Forged in fire and wind, drowned in the blood of martyrs, the twelve Pentecost stones have been kept secret for two thousand years. But now the Keepers of the stones are being murdered, and the relics stolen by Thanatos, a shadowy group dedicated to remaking the world into a living Hell. The authorities are clueless; the world lies helpless. And Thanatos grows more powerful with each stone they take. Enter Jake Timber — agent of ARKANE, the British agency tasked with investigating the supernatural. Jake knows some of the secrets Morgan needs to save her family, but can't stop Thanatos without her help. Only together can they stop Thanatos before the stones are captured, before Morgan's family is murdered, and before the world is changed forever. From flooded ruins in Italy, to religious sites in Israel, to the far reaches of Iran and Tunisia, Morgan and Jake must race across the world to find the stones before Thanatos gathers the relics and uses their power to turn Earth into a living Hell. But every step they take brings Morgan and Jake closer to the end. To the knife edge between salvation and madness. To the moment when Morgan will have to decide whether she will save her family... or save the world. Time is running out. Thanatos draws near. And the day of Pentecost is at hand. *Stone of Fire* is the first book in the ARKANE series by New York Times and USA Today bestselling author J.F. Penn. Tap the link, grab your copy, and find the ARKANE in an adventure two thousand years in the making...

The Stone Book Quartet Jan 25 2023 A classic work of rural magic realism from one of Britain's greatest children's novelists Four interconnected fables of a way of living in rural England that is now disappeared. Craftsmen pass on, or withhold, secrets of their relationship with the natural world, which gives them the material from which they create useful and beautiful things. Smiths and chandlers, steeplejacks and quarrymen, all live and work hand in hand with the seasons, the elements and the land. There is a mutual respect and a knowledge of the magical here that somehow, somewhere was lost to us. These fables beautifully recapture and restore it to us. And a very particular landscape, on the outskirts of industrial Manchester, is brought vividly to life.

Returning the Sword to the Stone Nov 11 2021

The Stone Man - a Science Fiction Horror Novel Mar 15 2022 THE #1 AMAZON HORROR BESTSELLER! "THE STONE MAN is a novel that intrigues, enralls, horrifies, thrills, and hits the reader with an emotional resonance as only the best stories can."-Ain't It Cool News Nobody knew where it came from. Nobody knew why it came. Even so, for two-bit (and antisocial) reporter Andy Pointer, the appearance in his city of a man made of moving stone meant the scoop of a lifetime. He would soon learn that The Stone Man was much more - and much worse - than that. This is Andy's account of everything that came afterwards, and the people that were lost along the way; of the terrible price that he, and the rest of his country, had to pay. The destruction. The visions. The dying. PRAISE FOR "THE STONE MAN": "Once again believable characters and a mind blowing story, and when Luke Smitherd is recognised as the great writer he is he is bound to be compared to the likes of James Herbert and Stephen King."-Scrooby1, Amazon UK Review "Tremendous. I was looking for something completely original and different, this nailed it spot on. Highly recommended."-Neil Novita, Amazon USA Review "I have owned a Kindle for about 2 years and downloaded some excellent books for very little cost but Luke Smitherd's works beat the lot"-Silversmith, Amazon UK Review "This ebook was fantastic and totally different from any other sci-fi thriller I've ever read...I kept thinking 'What if...what if...'-Carl Law, Amazon US Review "It was one of those books where you tell yourself you will read just one more page, then look at the clock and realise that it's 2 hours later, I would thoroughly recommend it"-Elaine Hosegood, Amazon UK Review "As soon as I started reading I was completely sucked in, which very rarely happens for me. I couldn't wait to get home and read it each night. I laughed. I cried. I did actual real life gasps of horror."-Katie, Amazon UK Review "Fantastically written characters who make you care about them right from the off, an unfathomable villain who defies all understanding and a supporting cast that flesh out the story beautifully."-Andy Pettifer, Goodreads Review "I spend a lot of time trawling through the kindle book store looking for cheap books, relying on reviews to make my purchases. I have come across some less than average books using this method, but also some real gems. This book definitely falls into the latter category. It had me gripped from page one right through to the Alternative Ending Synopsis at the end. The other reviews leave me little to say other than thanks Luke."-Steve Sut, Amazon UK Review "So good the first thing I did after I put it down was to download his other two books."-Miss H. L. Smith, Amazon UK Review "This book starts with a bang and doesn't let up. I read this in two sittings. Recommended."-Dickydavis, Goodreads review "A very enjoyable read and cracking value at the price. Do not be put off by Science Fiction or Horror in the title if they are not your bag, this is an intelligent and thought provoking read. Highly recommended."-Dave Osborn, Amazon UK Review "I literally found this hard to stop reading. I wanted to know the answers. I have been around a good while so have read all of Asimov, Heinlein, Bradbury etc. and I would genuinely put this author in the same class as these class acts."-K Murphy, Amazon UK Review "...so my 5-star review? That's five stars in comparison to REAL books; not just the stuff you'll find self-published on Kindle. The Stone Man is the sort of book that, if I'd splashed ten quid on in an airport or train station, bookstore, I'd have considered it money well-spent." Militant Ginger, Amazon USA Review A full-length novel. 140,000 words. FROM THE AUTHOR OF 'THE PHYSICS OF THE DEAD' AND 'THE BLACK ROOM' SERIES, ALSO AVAILABLE ON THE KINDLE STORE.
