**The Adventures of Doc Holliday Hennings** Feb 17 2020 In this novel, after a boy and his father adopt a puppy, an adventure begins as the three of them learn to make friends, deal with bullies, and become a family. Six-year-old Jeffrey Hennings is sad because his mother died not very long ago. Now it's just him and his dad, Richard, and it has been difficult for them. One day, after Jeffrey has a fight with another boy at school, he and his dad are walking home when they encounter a small brown-and-black puppy. A cowboy is selling the dog, and Jeffrey and his dad adopt him and call him Doc Holliday. As he settles in, Doc makes friends with a squirrel named Penelope. But one day, after overhearing a conversation that makes him think Jeffrey and his dad don't actually love him, Doc decides to run away and find his birth family. Out on the streets, he encounters a world of trouble. Only time will tell if Jeffrey and his dad will be able to find Doc and let him know that he really is part of their family.

**Nothing but the Tooth** May 22 2020 While most books on dentistry describe the clinical and medical procedures involved, this book expands the field to examine the role of dentistry and teeth in everything from biology to biography. This book offers facts and figures regarding famous historical figures, such as John Hunter, Dr Crippen, Doc Holliday, and Paul Revere, exploring how their connections to dentistry shaped them, as well as the story of the two young dentists who discovered the principles of general anaesthesia. Other chapters focus on the amazing ranges of teeth in animals, from the teeth in piranhas to the tusks and ivory of elephants and narwhals, looking at their biological and cultural significance. The importance of teeth in understanding the evolution of humans and in revolutionizing the study of archaeology is also evaluated. This book is appropriate for dentists, medical and dentistry students, and non-specialists to introduce the myriad interesting aspects relating to teeth. Please note that print volumes do not include full colour. Includes well-illustrated and thoroughly explained examples and anecdotes Presents both popular and little-known instances of teeth's importance in history Written in an engaging tone appropriate for academics and the wider public

**The Holliday Family** Apr 01 2021 John Holladay (1676-1742) immigrated from England to Norfolk County, Virginia in 1701/1702, later moving to Isle of Wight County, King William County, Caroline County, and finally to Spotsylvania County. Descendants lived in Virginia, South Carolina, Kentucky, Tennessee, Oklahoma, Texas and elsewhere.

**They Call Me Doc** Jun 15 2022 A fresh, lively retelling of the life of one of the most infamous characters of the Old West, Doc Holliday, by an imaginative, yet accurate storyteller.

**The Catchings and Holliday Families and Various Related Families, in Virginia, Georgia, Mississippi and Other Southern States** Apr 20 2020 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

**Inheritance** Jul 16 2022 The name Doc Holliday conjures images of the Wild West and the shootout at the OK Corral, but before he was a Western legend he was a Southern son, born in the last days of the Old South with family links to the author of "Gone with the Wind". Now this amazing story is told for the first time in a trilogy of novels entitled "Southern Son: The Saga of Doc Holliday". The story begins with *Inheritance*, set during the turbulent times of the American Civil War, as young John Henry Holliday welcomes home his heroic father and learns a terrible secret about his beloved mother. His only confidant is his cousin Mattie, his childhood sweetheart who shares his memories of plantation life and better days before the War. But Mattie isn't around to comfort him when tragedy strikes and John Henry's young hero-worship turns to bitter anger. As the Confederacy falls, John Henry becomes a troubled teenager and joins in with a gang of vigilantes trying to chase the Reconstruction Yankees out of their small Georgia town. But when a murderous plot brings threats of military prison, he vows to change his reckless ways and leaves Georgia to attend dental school in Philadelphia, hoping to come home as a respected professional man worthy of asking for his cousin Mattie's hand. However, when he returns from two years in the North to begin dental practice in Atlanta he finds his courtship beset with challenges. There are family intrigues, lies and revelations, rivals for Mattie's affections and a violent encounter that changes everything. *Inheritance* is the first novel in an epic tale of heroes and villains, dreams lost and found, families broken and reconciled, of sin and recompense and the redeeming power of love.

**The World Rushed In** Nov 15 2019 When *The World Rushed In* was first published in 1981, the Washington Post predicted, "It seems unlikely that anyone will write a more comprehensive book about the Gold Rush." Twenty years later, no one has emerged to contradict that judgment, and the book has gained recognition as a classic. As the San Francisco Examiner noted, "It is not often that a work of history can be said to supplant every book on the same subject that has gone before it." Through the diary and letters of William Swain--augmented by interpolations from more than five hundred other gold seekers and by letters sent to Swain from his wife and brother back home--the complete cycle of the gold rush is recreated: the overland migration of over thirty thousand men, the struggle to "strike it rich" in the mining camps of the Sierra Nevadas, and the return home through the jungles of the Isthmus of Panama. In a new preface, the author reappraises our continuing fascination with the "gold rush experience" as a defining epoch in western--indeed, American--history.

**Mommy & Daddy's Christmas Treat** Aug 25 2020 Family is always the reason for the season. What better way to celebrate the holidays than to have a party with your loved ones. The smell of hot chocolate, gingerbread, & winter fills the air. With holiday music, a blissfully decorated tree, presents, games, lights, and more, there is Christmas in every corner. Not to mention a delicious spread of food, holiday inspired drinks, candy, cakes and pies. While cookies are set out for you know who, Santa isn't the only arrival this family is waiting for. This colorfully illustrated book brings the spirit of family, love, & Christmas to your home no matter what time of the year.

*Doc Holliday* Feb 23 2023 John H. Holliday, D. D. S., better known as Doc Holliday, has become a legendary figure in the history of the American West. In *Doc Holliday: A Family Portrait*, Karen Holliday Tanner reveals the real man behind the legend. Shedding light on Holliday's early years, in a prominent Georgia family during the Civil War and Reconstruction, she examines the elements that shaped his destiny: his birth defect, the death of his mother and estrangement from his father, and the diagnosis of tuberculosis, which led to his journey west. The influence of Holliday's genteel upbringing never disappeared, but it was increasingly overshadowed by his emerging western personality. Holliday himself nurtured his image as a frontier gambler and gunman. Using previously undisclosed family documents and reminiscences as well as other primary sources, Tanner documents the true story of Doc's friendship with the Earp brothers and his run-ins with the law, including the climactic shootout at the O. K. Corral and its aftermath. This first authoritative biography of Doc Holliday should appeal both to historians of the West and to general readers who are interested in his poignant story. "Doc Holliday: A Family Portrait will be considered the definitive Holliday biography and will supplant all previously published works on the man's life as a complete and authoritative account. This book will undoubtedly take a place among the foremost books in the Western gunfighter genre." - Robert K. DeArment, author of *Alias Frank Canton*

*Doc Holliday* Aug 05 2021 A biography of the well-known Old West gambler and gunfighter, Doc Holliday.

*The World of Doc Holliday* May 14 2022 His name conjures images of the Wild West, of gunfights and gambling halls and a legendary friendship with the lawman Wyatt Earp, and he is probably most famous for his time in Tombstone. But Doc Holliday's story is a much richer than that one sentence summary allows. His was a life of travel across the west--from Georgia to Texas, from Dodge City to Las Vegas, across Arizona and from New Mexico to Colorado and Montana. Revealed from contemporary newspaper accounts and records of interviews with Doc himself and the people who knew him, *The World of Doc Holliday* offers a real first-hand accounting of his life of adventure.

**George Bailey's Got Nothing on Me** Jun 03 2021 List Price: \$9.996" x 9" (15.24 x 22.86 cm) Black & White Bleed on White paper156 pagesFreeze Time MediaISBN-13: 978-1946702012 ISBN-10: 1946702013 BISAC: Biography & Autobiography / GeneralGrowing up on a traveling carnival and surrounded by a host of real life Damon Runyan and O Henry characters has proven to be a truly wonderful life. The author's paternal grandfather, father, and mother were instrumental in providing him a firm foundation for all of life's challenges. From Broadway to carnival midways to the Atlantic City Boardwalk, these stories speak of a simpler time, but the life lessons are as applicable today as they were in the past. Mom was a Broadway star who worked with all the big band leaders of the 1930s and '40s. Dad was a carnie that grew up during the depression and lived by his wits. Grandpa was a carnie and a prizefighter. They and their friends formed the basis of what became the author's life story, and a fascinating look at a different time in our country. Covering seven generations of the Holliday family from the 1700s to today, *George Bailey's Got Nothing on Me* takes the reader on a unique genealogical ride with characters that are far from perfect and certainly not "politically correct." Filled with individual triumphs and tragedies, it is as interesting a family memoir as you are likely to find.

**Holliday** Nov 08 2021 Show off your last name and family heritage with this Holliday coat of arms and family crest shield notebook journal. Great birthday, diary, or family reunion gift for people who love ancestry, genealogy, and family trees.

*She's a Boy* Dec 29 2020 *She's A Boy* is the shocking, heartbreaking and ultimately uplifting autobiography of Joe Holliday. Born a boy but raised a girl, Joe was 25 years old and still living as Joella when he discovered the full truth about his beginnings. For decades, doctors believed baby boys born without a penis should be classified as girls. When he was eight, Joe's plight attracted worldwide media attention - and touched the heart of Princess Diana. *She's A Boy* is Joe's story; a true survivor who has overcome unthinkable physical and emotional challenges and come out the other side with a firm sense of who he really is.

**Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** Jun 22 2020

**Dead Man's Hand** Oct 07 2021 His name conjures images of the Wild West, of gunfights and gambling halls and a legendary friendship with the lawman Wyatt Earp. But before Doc Holliday was a Western legend he was a Southern son, born in the last days before the American Civil War and raised to be a Southern gentleman. His story sweeps from the cotton plantations of Georgia to the cattle country and silver boomtowns of the American West. The Saga of Doc Holliday comes to a dramatic conclusion in *Dead Man's Hand*. Tombstone, Arizona Territory, is the richest silver boom town in the country, promising fortunes to anyone daring enough to stand up to the stage coach robbers and rustlers who infest the nearby mountains. But John Henry Holliday is only trying to make a little money off the gambling tables when he's caught up in a secretive plot to stop the disturbances before they start a threatened war with Mexico. When suspicions rise and tempers ignite, the plot turns into a war between cowboys and lawmen, and he becomes a player in the most famous street fight in the Wild West.

*The Bronco Bill Gang* Oct 19 2022 The short, bloody career of "Bronco Bill" Walters and his gang captures the devil-may-care violence of the Wild West. In this detailed narrative of the gang's crime spree in territorial New Mexico and Arizona, two experts in outlaw history offer a gunshot-by-gunsight account of how some especially dangerous outlaws plied their trade in 1898. William Walters reached New Mexico Territory from Texas in the late 1880s and quickly gained a reputation for his ability to sit a horse and for his violent ways. The Bronco Bill Gang skillfully dissects his propensity for trouble and shows how he soon found himself in the territorial penitentiary. In the spring of 1898, after a sojourn stealing horses in Arizona, Walters and four apprentice outlaws turned to armed robbery, holding up passenger trains on the Santa Fe Railroad in Grants and Belén, New Mexico. By the time a Wells Fargo posse captured Bronco Bill, two of the outlaws, two deputies, and a Navajo tracker had been killed in gunfights. Anyone with a taste for western history or an interest in New Mexico and Arizona in the bad old days will find this book irresistible. The authors' attention to the ways Bill and his men fell into a life of crime shows us the real West, where cowboys and gunmen could wind up on either side of the law. *The Bronco Bill Gang* is the first book to explore this fabled band of outlaws who crisscrossed the American Southwest.

**Asperger Syndrome in the Family** Sep 06 2021 Liane Holliday Willey and one of her daughters both have Asperger Syndrome. In *Asperger Syndrome in the Family* she looks, with honesty, wisdom and humor, at the implications this has for her family, both the Aspie and the non-Aspie members. Through personal vignettes, frank discussions and practical suggestions for dealing with everything from major to minor Aspie challenges, Liane, her husband and their three daughters bravely open their home to their readers, inviting them to look behind the curtains at their version of Aspie life. Not only does the book underscore the importance of mutual support and respect in an Aspie family - in fact in any family - it offers practical help for families in similar situations. This is a rich and positive book that will speak to all those whose lives have been affected by Asperger Syndrome.

*Last of the Old-Time Outlaws* Aug 17 2022 Soft-spoken, cheerful, handsome, and well dressed, George West Musgrave "looked more like a senator than a cattle rustler." Yet he was a cattle rustler as well as a bandit, robber, and killer, "guilty of more crimes than Billy the Kid was ever accused of." In *Last of the Old-Time Outlaws*, Karen Holliday Tanner and John D. Tanner, Jr., recount the colorful life of Musgrave (1877-1947), enduring badman of the American Southwest. Musgrave was a charter member of the High Five/Black Jack gang, which was responsible for Arizona's first bank hold-up, numerous post office and stagecoach robberies, and the largest Santa Fe Railroad heist in history. Following a decade-long hunt, he was captured and acquitted of killing a former Texas Ranger. After this near brush with prison or execution, he headed for South America, where he gained fame as the leading Gringo rustler. It wasn't until the 1940s that Musgrave's age and poor health brought an end to a criminal career that had spanned two continents and two centuries. Incorporating previously unknown facts about the career of this frontier outlaw, the Tanners thoroughly document Musgrave's half-century of crime, from his childhood in the Texas brush country to his final days in Paraguay.

**Doc Holliday's Road to Tombstone** Jan 30 2021 John Henry Holliday steps off the train at Atlanta Union Station, fresh out of the Pennsylvania Dental College, and into Mattie's arms. But the storybook romance between the young dentist and his cousin is cut short by disease and family strife. Some close relatives are grousing at the couple to break off their relationship, but they are unwilling to bow to family pressures. However his financial reverses and physical health conspire to make that happen. John Henry is diagnosed with tuberculosis and doctors suggest a dryer climate

in the West. Mattie pleads to go with him but John Henry says no and travels to Dallas alone. The dry climate stabilizes his condition, but he is unable to make a living from his dental practice. Dispirited and alone he is eventually attracted to saloon life where he takes a new name and calling -- Doc Holliday -- frontier gambler. Kate Elder, a spunky little saloon girl, sets her sights on Doc. And when trouble comes at Ft. Griffin and a noose is about to be tied around Docs neck Kate executes a daring escape plan and the two ride north, through Indian territory, to Dodge City, Kansas. Doc sets up a dental practice in the cattle town and becomes acquainted with the likes of Wyatt Earp, Bat Masterson, Luke Short and Eddie Foy. When a wild bunch of drunken cowboys corner Wyatt Earp Doc hurries to his rescue with a 38 in one hand and a 44 in the other. That moment was the beginning of a lifelong friendship. Wyatt Earp would never forget that day at Dodge City when Doc Holliday using courage and grit saved his life. Docs tenuous relationship with Kate dragged along simply because he was beholden to her for saving him from the hangmans noose at Ft. Griffin. Their tumultuous relationship continued though as they follow the migration of the Dodge City crowd south to Tombstone, Arizona. A corrupt political ring backs the cowboy-outlaw faction with the complicity of the Cochise County Sheriff. Doc has friends in both camps, but joins Wyatt and his brothers on the side of law and order, where his courage and loyalty are once again tested, when he stands with the Earps, in the shootout, at the Ok Corral. Doc survives the gunfight, but death from tuberculosis is never far away. Mattie, desperate in her loneliness, writes that she had become a nun, and with those vows has taken a new name -- Sister Mary Melanie. Doc is stung by the news, but he is quick to realize that it was his own neglect that had placed Mattie in the nunnery. He is fully aware that his days are numbered, but he never wavers in his love for the girl back home. Following Docs death Wyatt Earp spoke of his friend and said, Doc was the most skillful gambler and the speediest, deadliest man with a six-gun I ever knew.

*Holliday Family and Their Kin* Dec 21 2022

**Southern Son** Nov 20 2022 You've heard Doc Holliday's history, but do you know his story? His name conjures images of the Wild West, of gunfights and gambling halls and a legendary friendship with Wyatt Earp, but before Doc Holliday was a Western legend, he was a Southern Son. The story begins in Civil War Georgia, as young John Henry Holliday welcomes home his heroic father and learns a terrible secret about his mother, with his only confidant his favorite cousin Mattie. As the Confederacy falls and tragedy strikes, John Henry's hero-worship turns to bitter anger and he joins with a gang of vigilantes to chase the Reconstruction Yankees out of their small Georgia town. When their murderous plot is discovered and brings threats of military prison, he vows to change his reckless ways, leaving home to attend dental school in Philadelphia and hoping to become a respected professional man worthy of asking for his cousin Mattie's hand. But when he returns from two years in the North he finds family intrigues, lies and revelations, rivals for Mattie's affections—and a violent encounter that changes everything and starts him on the road to Western legend. *Southern Son* is the first book in the award-winning *Saga of Doc Holliday*, an epic American tale of heroes and villains, dreams lost and found, families broken and reconciled, of sin and recompense and the redeeming power of love.

**Dance with the Devil** Apr 13 2022 You've heard Doc Holliday's history, but do you know his story? *Dance with the Devil* is the story of a how a gentleman becomes an outlaw, how an outlaw becomes a lawman, and how a Southern son named John Henry becomes a legend called Doc Holliday. The year is 1873, and the West is wild. Jesse James and his gang are robbing trains, the Sioux Indians are on the warpath, and Dr. John Henry Holliday arrives in Texas as a young man with a troubled past hoping to regain his place as a Southern gentleman and win back the love of the girl he left behind. But his life in the West doesn't turn out the way he's planned, and soon he's in trouble with the law and facing a terrifying truth as desperation drives him toward the frontier and leads to deadly action. And as the story races from the gambling halls of Dallas to the saloons of Dodge City and the dangers of the Santa Fe Trail, John Henry finds a new love affair and a new hero to follow—and an old enemy eager for a reckoning. *Dance with the Devil* is the second book in the award-winning *Saga of Doc Holliday*, an epic American tale of heroes and villains, dreams lost and found, families broken and reconciled, of sin and recompense and the redeeming power of love.

**Wolfe Island** Dec 17 2019 *Wolfe Island* begins with the emergence of islands at the end of the last ice age and moves through the many centuries of First Nations habitation to the era of French exploration and the fur trading, the arrival of the earliest British settlers and the United Empire Loyalists, up to current time. The development and decline of industry, the evolution of facilities, land title frustrations, and the emergence of a strong sense of identity among the inhabitants are featured, along with a wealth of anecdotes based on colourful and eccentric personalities. This extensively researched history of *Wolfe Island* is a treasure trove for history buffs.

*The World of Doc Holliday* Sep 18 2022 His name conjures images of the Wild West, of gunfights and gambling halls and a legendary friendship with the lawman Wyatt Earp, and he is probably most famous for his time in Tombstone. But Doc Holliday's story is a much richer than that one sentence summary allows. His was a life of travel across the west—from Georgia to Texas, from Dodge City to Las Vegas, across Arizona and from New Mexico to Colorado and Montana. Revealed from contemporary newspaper accounts and records of interviews with Doc himself and the people who knew him and packed with archival photos and illustrations, *The World of Doc Holliday* offers a real first-hand accounting of his life of adventure.

*Doc Holliday in Film and Literature* Feb 28 2021 The legend of Doc Holliday is now well past a century old. While his time on earth was brief, troubled and filled with pain, his legend took wings and flew. Beginning with his part in the now famous gunfight at the O.K. Corral, Denver newspapers first told his story in the late 19th century. They, followed by words of Wyatt Earp, grasped the glimmer of his tale. So enamored was the public that by 1939 he was a literary icon and his character had appeared in eight films. Historians, authors, screenwriters and eventually television refined the legend, which reached its apex perhaps with the 1993 film *Tombstone*. Doc Holliday's image has neither dimmed nor wavered in the 21st century. Broadway, country music and art join with literature and film to continue his mystique as the personification of a surviving legend of the U.S. West.

**Doc Holliday** Jan 22 2023 "You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." - Publishers Weekly "An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West." -Booklist In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. Doc Holliday was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.
