Jack and Josie have a game. Ten points for correctly predicting which lame come-on the next person will use to hit on you. Fifteen points for getting asked for your phone number. Twenty for being bought a drink. Get someone to

ask you to go home with them, and you've won The Game. Now Josie's tired of watching beautiful women throw themselves at the one man who's always been there for her, and even winning has become losing if it means the man who takes her home from the bar isn't Jack. She knows how to get other men to fall at her feet, but will the same moves work on her best friend? In love and lust, it's all about Playing The Game... Jack and Josie have been friends for years, but what will it take to convince them it's time to become more? Always You includes Playing the Game, Opening the Door and White Wedding, three novellas from the author of best-selling novels Dirty, Broken, Tempted and more. # 1 New York Times Bestseller The inspiration for season two of BRIDGERTON, a series created by Shondaland for Netflix, from #1 New York Times bestselling author Julia Quinn: the story of Anthony Bridgerton in the second of her beloved Regency-set novels featuring the charming, powerful Bridgerton family.

ANTHONY'S STORY This time the gossip columnists have it wrong. London's most elusive bachelor Anthony Bridgerton hasn't just decided to marry—he's even chosen a wife! The only obstacle is his intended's older sister, Kate Sheffield—the most meddlesome woman ever to grace a London ballroom. The spirited schemer is driving Anthony mad with her determination to stop the betrothal, but when he closes his eyes at night, Kate's the woman haunting his increasingly erotic dreams... Contrary to popular belief, Kate is quite sure that reformed rakes do not make the best husbands—and Anthony Bridgerton is the most wicked rogue of them all. Kate's determined to protect her sister—but she fears her own heart is vulnerable. And when Anthony's lips touch hers, she's suddenly afraid she might not be able to resist the reprehensible rake herself... I, Braxton Fawn, am the luckiest girl alive. Or so the world keeps telling me. Every so often, gods walk the earth. This time they came as musicians. When Bound loses its lead

guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented-they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+. "He's grumpy and gruff... And my boss... But that doesn't make him right. When I call Dr. Mitchell out, and pretty

much mess up his professional life, I expect to be ran out of the hospital. He surprised me though. The more I get to know him, the more I realize he's so much more than I ever gave him credit for. But I have my own baggage to deal with and falling for a doctor won't help. If he wasn't so wonderful, under his tough-guy exterior, then my decision would be easy. I don't want to miss this chance at love, but I've been burned before. Could this heart doctor be the answer to my prayers? Or, should I walk away before I lose my heart? An inspirational contemporary romance that is sure to pull at your heartstrings. After losing her mother, Velyn has spent the better part of two years being the adult in the family. She's sacrificed it all to take care of her grieving father and to make sure that a roof stays over their heads and food remains on the table. But, now at twenty, she's finally able to live and experience things the way she has always wanted to. School, friends, and maybe even fall in love. The possibilities are

endless. Dylan is living the dream. Senior year and he has it made. He's on top of the world--an unstoppable force. The day after graduation, he's walking into a job at the family law firm, and within a few years, he'll take over the reins from his father as managing partner--all a man of twenty-two could ever want. As for love, that's not in the playbook. Women, sure...but love, that's a definite no-go. He knows all too well the inevitability of how that turns out, and there is no way he will ever let his guard down and let some half-bit side piece in to destroy what he has built. What neither of them saw coming was how, in one moment, Loving Chase brought them together. But in one night, losing him just may tear them apart. An ambitious intern. A perfectionist executive. And a whole lot of name calling. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to

Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release. And no matter how much I crave her, there will be consequences. Emma Varma might be the beauty, but now she'll meet the beast. I'll keep my vow. I'll keep her safe from our enemies. Vaughn Harding is my new boss. Getting close to him would be career suicide for a female racehorse trainer, and plain old gossip fuel in this small town. I get a kick out of our verbal sparring, but I swore off his type years ago. And I've got plans. I'm the new trainer at Gold Rush Ranch and I've just been handed a problem horse that I promised to make a winner. I want to put down roots, and I'm not about to let a man distract me. No matter how electric it feels when we lock eyes, or how my body ignites when we touch. Vaughn's a vivid reminder of every guy I grew up around. Handsome, rich, entitled--a total media darling. Alec is the steady in my crazy, the light to my dark. My best friend. He might be the one for me, but I'm not the one for him. He deserves to have a wife, kids, a home-the complete package. How can I build those things with him when I feel so incomplete, afraid I'll never be enough? I lose myself in surfing and my art, desperate to find the meaning of my life. Until Alec confesses his feelings to me, and a tidal wave of emotions threatens to take me under. Because I feel the same. But the darkness isn't finished with me... not even close. Alec You can't help who you love. It's always been her-my wild and carefree best friend. I know she thinks she's not enough, but she's exactly my kind of beautiful. him. I don't even like him. I just want him. Eli
Loveless was my nemesis from the first day of
kindergarten until we graduated high school.
Everything I did, he had to do better - and vice
versa. The day he left town was the best day of
my life. Ten years later, the day he came back
was the worst. Now he's my co-worker. Grown-
up Eli Loveless is sexy as sin. He's hotter than
asphalt in the summer. The irritating kid I once
knew is gone, and he's been replaced by a man
with green eyes, perfect abs, and a cocky smile.
It's bad that I want him. It's worse that he wants
me back. There are looks. There are smirks.
There are smiles that make my panties burst into
flame. And then there's a shared kiss that leads
to the hottest night of my life. This is no office

can't stop lusting after? Enter into a friends-
with-benefits agreement, of course. No dates. No
relationship. Just blisteringly hot sex, because if
there's one person I could never fall for, it's Eli.
