Two thousand years ago Jesus called a small band of disciples to leave their nets and follow him. He gave them a teaching and a path of initiation, only fragments of which are found in the New Testament. This path is as real and vital today as it was in Jesus' time. And now, at the turning of an age, the ascended master Jesus calls those who would be his disciples to take up that path, to walk and work with him again. Twenty-eight steps on that path are presented here, with commentary and explanation by Elizabeth Clare Prophet and the staff of Summit University. The goal is to find and externalize the Christ within. The means is a practical path of initiation for the modern world. The authors are highly respected professionals in the UK. The Unmockable Master is a story of two young women, Adamma Guidance and Haala Snow, whose main goal was to make it into God's eternal kingdom. Both women had a dynamic prayer life, and so their friendship skyrocketed, causing them to trust each other. It all shattered when Haala's cousin, Afafa, and

her companion, Gada, entered their lives. They had appeared as angels of light. They revealed things that appeared true and did many wonderful works in the name of the Lord. Along with another sister in faith, Sister Cairoshell, they had a prayer meeting that caught the eyes of many believers in Christ. At these prayer meetings, prophecies were made, hooking and bundling many victims as they became spellbound into a deadly trap of deceit. It was later discovered these people sought an ungodly source! Sadly, some people continue with false ideologies and teachings contrary to God's will. Consequently, the hurt and sufferings are manifesting itself in all corners of the Earth. "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap" (Galatians 6:7). For nearly a decade Swami Bhuteshananda, the 12th President of the Ramakrishna Order, devoted his weekly Bengali religious classes to discussions on Sri Ramakrishna and to the unique book, 'The Gospel of Sri Ramakrishna'. His illuminating discussions brought out the thought-provoking deeper dimensions of the simple, homely utterances of the great prophet, and they helped the audience comprehend these simple sayings of the Great Master in the light of the ancient scriptures of India, specially the Vedanta, as well as modern thought. Not unoften, many abstruse concepts, many knotty philosophical questions and doubts of Vedanta metaphysics, were lucidly explained and resolved. These were later transcribed and eventually published in a seven-volume Bengali work, 'Sri Sri Ramakrishna Kathamrita Prasanga'. The present work is an English translation of vols. four, five (minus the appendix), and seven of the original Bengali book.
