*Senate documents He Calls Me By Lightning: The Life of Caliph Washington and the forgotten Saga of Jim Crow, Southern Justice, and the Death Penalty*

*In a book with foldout pages, Monica's father fulfills her request for the moon by taking it down after it is small enough to carry, but it continues to change in size. Named one of the Best Books of the Year by the Washington Post and Kirkus Reviews A New York Times Book Review Editors' Choice Selection A Southern Independent Booksellers Association "Spring Pick" This harrowing portrait of the Jim Crow South "proves how much we do not yet know about our history" (New York Times Book Review). Caliph Washington didn't pull the trigger but, as Officer James "Cowboy" Clark lay dying, he had no choice but to turn on his heel and run. The year was 1957; Cowboy Clark was white, Caliph Washington was black, and this was the Jim Crow South. Widely lauded for its searing "insight into a history of America that can no longer be left unknown" (Washington Post), He Calls Me by Lightning is an "absorbing chronicle" (Ira Katznelson) of the forgotten life of Caliph Washington that becomes an historic portrait of racial injustice in the civil rights era. Washington, a black teenager from the vice-ridden city of Bessemer, Alabama, was wrongfully convicted of killing a white Alabama policeman in 1957 and sentenced to death. Through "meticulous research and vivid prose" (Patrick Phillips), S. Jonathan Bass reveals Washington's*

*Kafkaesque legal odyssey: he came within minutes of the electric chair nearly a dozen times and had his conviction overturned three times before finally being released in 1972. Devastating and essential, He Calls Me by Lightning demands that we take into account the thousands of lives cast away by the systemic racism of a "social order apparently unchanged even today" (David Levering Lewis). Every morning, I play a game with my father. He goes knock knock on my door and I pretend to be asleep till he gets right next to the bed. And my papa, he tells me, "I love you." But what happens when, one day, that "knock knock" doesn't come? This powerful and inspiring book shows the love that an absent parent can leave behind, and the strength that children find in themselves as they grow up and follow their dreams. Jerry Bridges' life is a remarkable story of God's providence. From "a most unpromising beginning" as a poor kid from the wrong side of the tracks, he joined the Navy, went to college, became an engineer, joined The Navigators as a missionary, and eventually became a best-selling author. In this book, Jerry illustrates through his story—and then summarizes for the reader—seven key "spiritual lessons" that God has taught him through his 83 years. These lessons can be passed on to any believer. It was more than I could believe that Jesus was the only incarnate son of God, and that only he who believed in Him would have everlasting life. If God could have sons, all of us were His sons. If Jesus was like God, or God Himself, then all men were like*

*God and could be God Himself. My reason was not ready to believe literally that Jesus by his death and by his blood redeemed the sins of the world. "The stars are aligning and it's time again ..."* Working at the Folk Museum in Hartsford village means that Kate Howard is surrounded by all sorts of unusual vintage items. Of course she has her favourites; particularly the Victorian ice skates with a name - 'CAT' - mysteriously painted on the sides. But what Kate doesn't realise is how much she has in common with Catriona Aphrodite Tredegar, the original owner of the skates, or how their lives will become strangely entwined. All Kate knows is that as soon as she bumps into farrier Theo Kent, things start getting weird: there's the vivid, disconcerting visions and then of course the overwhelming sense that she's met Theo before ... Teva's life seems normal: school, friends, boyfriend. But at home she hides an impossible secret. Eleven other Tevas. Because once a year, Teva separates into two, leaving a younger version of herself stuck at the same age, in the same house... watching the new Teva live the life that she'd been living. But as her seventeenth birthday rolls around, Teva is determined not to let it happen again. She's going to fight for her future. Even if that means fighting herself. Everyone has to learn how to be themselves in order that they may live the lives which God purposed for them. So many of us are unable to walk in what God has called us to do because we don't recognize where we fit in. Too many times we put our

*focus on what someone else is doing and we begin to question our own abilities. Our assignment gets overlooked because we think we're not capable or we think it is not important. I believe God wanted me to write this book. This book is meant to stir an awakening in the reader to stand up and be counted. God put thought into each one of us. He didn't create us to sit on the sidelines. We've got work to do. Have you ever wished someone would just disappear or drop off the face of the earth? The Rows of Sharon is a heartbreaking story of one woman who wished for just that only to have it come true. Sharon Ann Rose tells her story of how she was accused and convicted of conspiracy to commit murder and endured two years of her life in a correctional facility for women. Take a peek inside her world of pain, loneliness, and suffering as she watches her family slowly being taken by her husband, who had once promised to love and stand by her. Laugh at the unexpected sense of humor she displays in the midst of the turmoil. Cry with her as she waits for months at a time to see her children. Experience her anger at her husband as he betrays her time and time again. And feel the joy she finds when she turns to the only One who can offer her peace. Journey through The Rows of Sharon and discover that bad things do indeed happen to good people. The past is never really the past at Hartsford Hall ... Aidan Edwards has always been fascinated by the life of his great-great uncle Robert. A trip to Hartsford Hall and an encounter with Cassie Aldrich*

leads him closer to the truth about Robert Edwards, as he unravels the scandalous story of a bright young poet and a beautiful spirited aristocrat in the carefree twilight of the 1930s before the Second World War. But can Aidan find out what happened to Robert after the war – or will he have to accept that certain parts of his uncle’s life will remain forever shrouded in mystery? From the first Police album, *Outlandos D'Amour*, through *Sacred Love*, here are the collected lyrics written by Sting, along with his commentary. “Publishing my lyrics separately from their musical accompaniment is something that I’ve studiously avoided until now. The two, lyrics and music, have always been mutually dependent, in much the same way as a mannequin and a set of clothes are dependent on each other; separate them, and what remains is a naked dummy and a pile of cloth. Nevertheless, the exercise has been an interesting one, seeing perhaps for the first time how successfully the lyrics survive on their own, and inviting the question as to whether song lyrics are in fact poetry or something else entirely. And while I’ve never seriously described myself as a poet, the book in your hands, devoid as it is of any musical notation, looks suspiciously like a book of poems. So it seems I am entering, with some trepidation, the unadorned realm of the poet. I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating. My wares have neither been sorted nor dressed in

clothes that do not belong to them; indeed, they have been shorn of the very garments that gave them their shape in the first place. No doubt some of them will perish in the cold cruelty of this new environment, and yet others may prove more resilient and become perhaps more beautiful in their naked state. I can't predict the outcome, but I have taken this risk knowingly and, while no one in their right mind should ever attempt to set "The Waste Land" to music, in the hopeful words of T. S. Eliot, These fragments I have shored against my ruins." —Sting, from the Introduction

Her mother called her the Devils girl, and Grace grew up believing it. She now works in a brothel in the failed mining town of Silver Bough with nothing to look forward to but the slow fade of day into night. Soon, she'll be too old to keep around, so Grace feels her only recourse is to trick a man into loving her and whisking her away from her life as a whore. Grace teeters on the edge of madness and despair. Some nights, she imagines herself wandering into the wilderness, never to be seen again. She's in dire straits; her only options are a loveless marriage or disappearing into the desert to face certain death. Then, everything changes with the arrival of a mysterious stranger who claims to know all about her past. This stranger wants to show her who she really is, but Grace finds the truth crazier than fiction. She's flung into a world of dark forces, frightening apparitions, and near-certain destruction. Does she have the strength to survive her own fate? Will she

*allow others to control her, or will she draw on her inner power to save herself and rise about the lost and the fallen? An illegitimate London actor delves into his past and finds a beautiful woman in this holiday Regency romance by a New York Times–bestselling author. Dear Reader, Long before I started writing paranormal romance, I wrote historical romance novels as Deborah Raleigh. Now I'm thrilled to share my favorites with a whole new readership. Prepare to be seduced by Raoul Charlebois, one of the heroes in my trilogy about three mysterious men for whom illegitimacy poses no obstacle . . . Raoul Charlebois abandoned his wild life to search out answers to his dark past—yet his reputation as a rake persists. Now it has followed him to a gamekeeper's cottage, where beautiful, innocent Sarah Jefferson resides. In all his exploits, Raoul has never met such a woman. But Sarah will have no part in whatever the wickedly handsome visitor wants—until she realizes what he wants is her. And amid the seductive scent of evergreen and falling snow, she is persuaded that maybe there is some goodness to be found in Raoul. After all, Christmas has a way of bringing lost souls together . . . I hope you enjoy reading these sensual, romantic tales as much as I enjoyed writing them!*

*With love, Alexandra Ivy Presents the translated verse of fourteen Chinese Buddhist poet monks who wrote between the T'ang Dynasty and the early twentieth century. From former football star and bestselling author John Ed Bradley comes a searing look at love,*

life, and football in the face of racial adversity. "Heartbreaking," says Laurie Halse Anderson, author of *Speak*. Growing up in Louisiana in the late 1960s, Tater Henry has experienced a lot of prejudice. His town is slow to desegregate and slower still to leave behind deep-seated prejudice. Despite the town's sensibilities, Rodney Boulett and his twin sister Angie befriend Tater, and as their friendship grows stronger, Tater and Rodney become an unstoppable force on the football field. That is, until Rodney sees Tater and Angie growing closer, too, and Rodney's world is turned upside down. Teammates, best friends—Rodney's world is threatened by a hate he did not know was inside of him. As the town learns to accept notions like a black quarterback, some changes may be too difficult to accept. "John Ed Bradley skillfully shines a beam of humanity through the prism of the game, revealing to us the full spectrum of its colors, from love to hate, bigotry to tolerance, and devotion to betrayal. Anyone who ever played high school football or loved someone who has should read this book." —Tim Green, retired NFL player and bestselling author

*A This children's picture book chronicles the journey of a young and naive robin on her journey in search of motherhood. Enjoy the adventure as she meets animals, birds and insects along the way. Smile at the illustrations of first-time illustrator Ellie Pfeiffer. Who will be Exactly Right? Awesome by Accident is about a precocious 17 year old boy, Gene R. Rodgers, whose future is all mapped out for him. He has grown to appreciate the values of self-reliance, stoicism, determination, and tenaciousness as taught to him by his parents. Rodgers's plans for the future reflect all of those values as he declares his decision to homestead in Alaska. His decision is emblematic of earlier plans to row solo across Lake Erie. Undeterred by lack of experience, he proceeds with confidence to make his dreams and plans a reality. Paralyzed in a hiking accident, he must rethink his future. Rodgers' spirit is tested to its core as he struggles to make sense of his new life. He languishes in uncertainty while the gravity of his situation slowly becomes clear to him. Unable to accept his probable future he*

*attempts suicide only to have his plans thwarted by a quick thinking no nonsense doctor. Rodgers decides to work relentlessly to successfully become rehabilitated. Now thrown into a world not of his making, Rodgers must find a way to once again embrace his family's value of self-reliance. To become self-reliant, he must leave the security of home, the support system that protects him. Can he survive on his own? Is that even possible? He struggles to identify an acceptable career path. He relies on a post-secondary education to give him an edge in employment somewhere in the science field. While away at school, he decides not to let school get in the way of his education. Dorm life suits him well and he makes friends that change his life. One of Rodgers' friends, Bruce, enlightens him to the possibilities the world has to offer. He meets Jane who is instrumental to his emotional healing and well-being. Rodgers contemplates a life with Jane permanently a part of it. Making a life long emotional commitment will mean sacrificing a more solitary life he still seeks. Bruce, Rodgers and other school friends travel throughout North America enjoying many adventures along the way. These experiences mold Rodgers into an undefeatable force as he embraces his mantra, fortune favors the brave. Rodgers becomes confident he can live independently, becoming self-reliant, as his family would expect. Though given a poor hand, he has played it well. Armed with a strong foundation of academics and endowed with social capital to support a life worth living, Rodgers builds*

*an impressive resume. He earns a B.S. Ed to teach science in secondary education. He also earns an MBA and a Switzer Fellowship. His experiences become more varied and demanding as he worked in three states, traveled in 44 countries on six continents. He has enjoyed adventure sports including snow skiing, ski diving, paragliding, sailing on tall-ships, scuba diving, and trekking to name a few. He becomes an entrepreneur and subsequently a self-made millionaire. The more he learned and experienced, the more humble he became. Wherever he traveled, it was the people, not the place, that fulfilled him. Rodgers learned how to bounce back, to recover, to accomplish more than most people, able bodied or not. In *Awesome by Accident*, Rodgers repeatedly affirms that fortune does indeed favor the brave. A down-in-the-trenches, hilarious send-up of everyday events that most people rarely take the time to notice. A sidesplitting look at the raw side of everyday existence and a kind-yet stern-reminder to lighten up whenever possible. In his first and only official autobiography, music icon Elton John reveals the truth about his extraordinary life. Me is the joyously funny, honest and moving story of the most enduringly successful singer/songwriter of all time. The Sunday Times bestseller with a new chapter bringing the story up to date. 'The rock memoir of the decade' - Daily Mail 'The rock star's gloriously entertaining and candid memoir is a gift to the reader' - Sunday Times*

---

*Christened Reginald Dwight, he was a*

*shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with songwriting partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In Me Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend.*

*\_\_\_\_\_ 'Self-deprecating, funny . . . You cannot help but enjoy his company throughout, temper tantrums and all' - The Times 'Racy, pacy and crammed with scurrilous anecdotes - what more could you ask from the rocket man' - Guardian (Book of the Week) 'Chatty, gossipy, amusing and at times brutally candid' - Telegraph This updated New York Times bestselling collection of essays by seven-time Grammy*

*nominated singer songwriter Sara Bareilles “resonates with authentic and hard-won truths” (Publishers Weekly)—and features new material on the hit Broadway musical, Waitress. Sara Bareilles “pours her heart and soul into these essays” (Associated Press), sharing the joys and the struggles that come with creating great work, all while staying true to yourself. Imbued with humor and marked by Sara’s confessional writing style, this essay collection tells the inside story behind some of her most popular songs. Well known for her chart-topper “Brave,” Sara first broke through in 2007 with her multi-platinum single “Love Song.” She has since released seven albums that have sold millions of copies and spawned several hits. “A breezy, upbeat, and honest reflection of this multitalented artist” (Kirkus Reviews), Sounds Like Me reveals Sara Bareilles, the artist—and the woman—on songwriting, soul searching, and what’s discovered along the way. “Max wants some space for himself away from his younger brother who takes his things and makes noise, but eventually Max finds a way to make space for his brother too” -- Of all the children that ever could be, You are the one made just for me. From a child's first uttered “Dada” to his or her first unsteady steps, nothing can adequately convey the joy and awe of watching the birth and growth of a new child. Now releasing as a board book filled with adorable illustrations and the refrain, “You are the one made just for me,” Made for Me is a winning presentation of tender moments that tie a father and his new child*

together—forever. Charting John Kirwan's personal experiences as a father, and featuring the real voices of young people today, *Stand By Me* investigates issues around teenage mental health, with a focus on depression and anxiety. *I'm a dad and I'm scared*. When I say *I'm a dad and I'm scared*, I really mean: *I'm a dad and I'm looking for answers* – from the professionals, kids, mums, dads and other caregivers who have been there, holding each other's hands to hell and back. *Stand by me*. Let's take the journey together. With clinical psychologists Dr Elliot Bell and Kirsty Loudon-Bell, JK confronts the big questions facing parents and teens, highlighting key messages and offering best approaches. *Stand By Me* also draws on the perspectives of teenagers who have been diagnosed with mental health issues and the families who have journeyed with them. In their own words, the young people reflect on their darkest days and recovery, and consider how these experiences have shaped them as they face forward into their adult lives. Intimate, enlightening and impossible to ignore, *Stand By Me* is a window into an all-too-real issue facing New Zealand families, and a powerful tool for anyone concerned about the wellbeing of young people in their care.
