Want to colour in your way to a successful GCSE? This interactive revision guide is the perfect way to achieve structured and easy to access revision notes for Grade 9-1 OCR GCSE Computer Science. Instead of relying on someone else to write the notes for you, visual notes draw on years of educational research that show students who write their own notes progress faster, retain more information, and feel less stressed during revision than those that simply read a revision guide. Every topic is supported by a knowledge organiser set of notes followed by structured visual pages to help students to write out their revision notes independently, whilst giving the added benefit of ensuring all areas are covered through scaffolded pages. Throughout the notes, useful tips and hints are added to remove the fear of the blank page, without doing the work for them! This visual revision notes book can be combined with the online revision guide and activities on the TeachAllAboutIt website and contains an array of QR codes to further information online.
