The Back Bay File Jan 09 2022 The Back Bay File, details the fourth major case of the teacher turned private investigator, Max Cantu. While looking into the murder of a woman at an upscale Newport Beach shopping mall, he and his partner, his wife Bryn, uncover a larger plot to kill many innocent people. His investigation delves into the private lives of some very free spirits as well as some very disgruntled Americans. In addition, he is put in the position of having to look over his shoulder because of a threat stemming from a previous case involving a Mexican drug cartel.

On Sober Reflection Aug 24 2020 Paul B. has over 40 years of experience as a radio/TV writer, broadcaster, and talk show host. He began his career as reporter for the Boston Globe. Twelve years later he wrote a book about the Cocoanut Grove Fire of 1942, in which 590 persons were killed. After the success of this book he accepted a position on a CBS owned radio station in Boston. Next came a television opportunity in Chicago. He then returned to Boston and began his own morning TV talk show. For the next 32 years his hectic schedule created a steam-kettle atmosphere fueled by alcohol, continuing for the next 32 years. In 1983, Paul B. came to Alcoholics Anonymous. While in this program he collected the remarkable quotations that comprise this book. ON SOBER REFLECTION is an excellent compilation of statements from people struggling with the burden of alcoholism. Written by someone who has remained alcohol free for an amazing 45 years, this book is a valuable tool for anyone struggling with alcoholism or for any loved one struggling with this problem.

The Fenway Stevenson Mysteries, Collection Two: Books 4 – 6 Jun 21 2020 Enjoy the second set of three novels in this hardboiled coroner series by bestselling mystery author Paul Austin Ardoin! "If you love page-turning, unputdownable mysteries, then Ardoin is the real deal." --Mark Stay, host of The Bestseller Experiment podcast Blood is thicker than oil—until murder is involved! The collection includes the Books 4-6 of The Fenway Stevenson Mysteries: The Upstaged Coroner: The local university's Shakespeare troupe already had plenty of drama—then their manager was murdered. The morning after the coroner election, Fenway Stevenson finds herself in the middle of another emotionally charged case. The manager of a renowned Shakespeare group is killed—and there's no shortage of suspects. Uncovering secret affairs and ties to a deep conspiracy, she gets stonewalled by actors, accountants, and even the university president—who all seem to know more than they admit. Can Fenway solve the murder before she becomes the next victim? The Courtroom Coroner: A dead defendant. A court in lockdown. And a murderer in the room. Coroner Fenway Stevenson is distraught. Not only is her father on trial for murder, but a huge conspiracy is wrecking the coastal town she calls home. And with two gunshots in a crowded courtroom, everything changes. A dead body. Thirteen people. A set of locked doors. As the hours tick by, one thing becomes clear: the killer is still in the courtroom and will stop at nothing to ensure the truth never comes out. With only a fingerprint kit, an Ethernet cable, and her wits, can Fenway catch the killer before becoming a victim herself? The Watchful Coroner: A murder in the city's most exclusive hotel. The main suspect? Her boyfriend's ex-wife. There's another killing in the cozy beach town of Estancia. This time, Coroner Fenway Stevenson needs to solve the murder of one of the most prominent businessmen in town. But everyone has ulterior motives. The new mayor is pressuring her to make a quick arrest. Is he eager for justice or does he have something to hide? Fenway's relationship with her boyfriend is strained when the investigation threatens to unearth a terrible secret and tear his family apart. Her father lies comatose after being shot by a bullet meant for Fenway. His company is on the brink of disaster. The investigation quickly turns into a political and personal battleground. Her friends, colleagues, and family get caught in the web of complicated relationships and contradictory evidence—and as the mayor turns the screws on Fenway, her emotions reach the boiling point. When the main suspect's alibi changes, Fenway knows something isn't right. Is she trying to hide a bigger secret or is she playing a more nefarious game? _____ Mixing murder, small-town politics, and hidden conspiracies, The Fenway Stevenson Mysteries follow the newly-elected coroner as she tries to get to the bottom of the high-profile murders in her town—while juggling the politics of the coroner's office, the whims of her rich, powerful father, and a romance with the county sheriff. The Fenway Stevenson Mysteries, Collection Two is a boxset of the second three books of the hardboiled murder mystery series. KEYWORDS: California beach town murder, female coroner, medical examiner, medical thriller, courtroom thriller, former nurse solves murders, estranged father, mystery book boxset, hard boiled mystery, strong woman sleuth, interracial romance mystery, legal thriller, conspiracy murder, crime fiction box set, Santa Barbara mystery omnibus

Driven May 21 2020 An exclusive look at one of the world's most successful and controversial companies, and the mysterious family behind it. BMW is arguably the most admired carmaker in the world. It's financial performance is the envy of its competitors, and BMW products inspire near-fanatical loyalty. While many carmakers struggle with falling sales, profits and market share, demand for BMWs continues to grow, frequently outpacing production. Now, David Kiley-Detroit Bureau Chief at USA Today and author of Getting the Bugs Out, which covered Volkswagen's demise and rebirth, goes inside the fabled German automaker to see how it does

what it does so well. With unprecedented access to BMW executives, Kiley goes behind the walls of BMW's famed "Four Cylinders" headquarters in Munich at a time when the company is in its most aggressive, and some say riskiest, expansion in its history and when some of the company's new products, like the 7 Series sedan and Z4 roadster, are for the first time drawing as many barbs from critics as bouquets. Kiley covers intimate details of the boardroom drama surrounding the company's nearly disastrous acquisition and subsequent sale of the British Rover Group and its expansion into selling MINI and Rolls Royce cars. Besides being a world-class carmaker, BMW is also considered one of the smartest consumer marketing companies and Kiley explores the extraordinary value and management of the BMW brand mystique. He also takes a revealing look at the mysterious and ultra-private Quandt family of Bad Homburg Germany, which owns a controlling stake in BMW: Johanna and Susanne Quandt, two of the wealthiest women in Europe and Stefan Quandt, one of the wealthiest bachelors on the continent. David Kiley (Ann Arbor, MI) is the Detroit Bureau Chief at USA Today who has covered the auto industry for 17 years. He has been featured on Nightline, CNBC, CNN, MSNBC, NPR and the Today show. He is also the author of *Getting the Bugs Out: The Rise, Fall, and Comeback of Volkswagen in America* (0-471-26304-4), also available from Wiley.

Jane Delaney Humorous Mystery Series: Books 1-3 Box Set Jan 29 2021 "Look out, Janet Evanovich: Jane Delaney is a worthy rival of Stephanie Plum. Bright, smart, and incredibly funny, *Undertaking Irene* is a delightful laugh-out-loud roller-coaster ride." — Lorna Barrett, New York Times best-selling author of *Book Clubbed* "Engaging and hilarious, *Uprooting Ernie* is the perfect summer read with its Long Island setting, light (but not trite) prose and very human humor." — Tamsen Schultz, best-selling author of the *Windsor Series* mysteries "Uprooting Ernie is an intriguing murder mystery, full of twists and turns, interesting characters, and hilarious escapades you don't want to miss." — Angel Sefer, best-selling author of *The Greek Isles Series* "Witty characters, humorous story line and a plot so fun you won't want to stop reading this book!... It's laugh-out-loud funny and will make people wonder what you are reading!" — Shelley's Book Case "This one is definitely!" — Rantin', Ravin', & Reading "Undertaking Irene by Pamela Burford is one of the funniest books I've read in a long time!... I was laughing out loud right from the start... I can't wait for book two. If you like humor with your mystery, definitely check this one out!" — Brooke Blogs, 5 Stars! "Quirky characters, an intriguing mystery, and snappy dialogue!" — *Escape With Dollycas* "I hated to put it down... I will be looking to read other books by Pamela Burford!" — *Readalot* "Oh what a fun read!... There are some seriously superb ideas in this book! The names especially—I mean, how not to love *Sexy Beast*, the most adorable, lovable purse-sized doggie in the world, who just happens to be a millionaire, owning a mansion for his house. And his human, the *Death Diva* (aka Jane Delaney)? Come on, admit you're smiling at this point... Yeah, lots of good chuckles, a bit of nail-biting suspense, a love triangle of sorts, or at least a good dilemma in the subject—all my faves!!!... Really entertaining book!!! Two thumbs up!" — *BookBug's World* "The real delight of these books is the humour. I found myself laughing out loud at some of the things that Jane gets herself involved in... I loved this book and really hope that we don't have to wait too long for the next one. I for one, can't wait to see what Jane gets up to next." — Crazy K.A.L.M. *Death Diva* Jane Delaney performs various tasks related to, well, dead folks. When one of those deaths begins to look suspicious, her job description suddenly expands to include amateur sleuthing. But no worries, because Jane's canine sidekick, *Sexy Beast*, is there to lend moral support. Book 1: *Undertaking Irene* Jane Delaney does things her paying customers can't do, don't want to do, don't want to be seen doing, can't bring themselves to do, and/or don't want it to be known they'd paid someone to do. To dead people. Life gets complicated for Jane and her *Death Diva* business when she's hired to liberate a gaudy mermaid brooch from the corpse during a wake—on behalf of the rightful owner, supposedly. Well, a girl's got to make a living, and this assignment pays better than scattering ashes, placing flowers on graves, or bawling her eyes out as a hired

mourner. Unfortunately for Jane, someone else is just as eager to get his hands on that brooch, and he's even sneakier than she is, not to mention dangerously sexy. Just when she thinks her biggest problem is grand theft mermaid, things take a murderous turn. But hey, when you've teamed up with a neurotic seven-pound poodle named Sexy Beast, how can you go wrong? Book 2: Uprooting Ernie Death Diva Jane is simply going about her business, which in this case requires her to empty a three-liter spigot box of cheap rosé on a grave, when she and her furry sidekick, Sexy Beast, make a grisly discovery in the town cemetery. The victim was murdered three decades ago, but memories are fresh and old grievances fresher as facts come to light and fingers start pointing. Naturally Jane must investigate. Well, what would you do if one of your best pals turned out to be Suspect Numero Uno? Meanwhile, between her amorous ex and a sexy bad boy who keeps popping up in the most distracting way—not to mention the (creepy? bizarre? pathetic?) guys she's meeting through a dog lovers' dating site—her love life has never been so (creepy? bizarre? pathetic?)... interesting. Book 3: Perforating Pierre Celebrity chef Pierre Dewatre has everything going for him: swoon-worthy looks, a successful restaurant, and a budding TV career, not to mention that drop-dead-sexy French accent. Unfortunately for Pierre, the drop-dead part becomes all too real when Death Diva Jane and her furry little sidekick, Sexy Beast, discover him marinating in his own juices. So to speak. And okay, so the famous chef has been accused of cooking and serving endangered species, but that couldn't possibly have anything to do with his death. Could it? The inept detective in charge of the case has homed in on a single suspect: Jane's ex, who's only the Nicest Guy in the World. She's never gotten over him, even with a certain bad-boy bartender invading her personal space at every opportunity. Throw the victim's hot Parisian brother into the mix and it's little wonder Jane is having trouble concentrating on whodunit. You'd think having a high-strung, seven-pound poodle on your team would be the key to quickly solving a complicated murder. Turns out that's not necessarily the case. Who knew?

Driving from Japan Aug 04 2021 This study chronicles the success of the Japanese car in America. Starting with Japan's first gasoline-powered car, the Takuri, it examines early Japanese inventors and automotive conditions in Japan; the arrival of Japanese cars in California in the late 1950s; consumer and media reactions to Japanese manufacturers; what obstacles they faced; initial sales; and how the cars gained popularity through shrewd marketing. Toyota, Honda, Datsun (Nissan), Mazda, Subaru, Isuzu, and Mitsubishi are profiled individually from their origins through the present. An examination follows of the forced cooperation between American and Japanese manufacturers, the present state of the industry in America, and the possible future of this union, most importantly in the race for a more environmentally-sound vehicle.
