Dressed for Thrills Feb 26 2021 A Whimsical array of ghosts and goblins, spooks and skeletons, animals and nursery-room characters parade through this unparalleled collection of more than one hundred years of American Halloween costumes and masquerade. Photographer Phyllis Galembo approaches her subjects with the delight and wonder of one who has discovered an entire cast of characters backstage in an abandoned theater. Through her lens, the costumes rise from the dead to once again dance, play, and amuse. Ranging from handmade to store-bought, satin to polyester, the masks, wigs, and costumes, whether recognizable figures or obscure, pique our childhood memories. In her celebration of Halloween revelry, Galembo never settles for the ordinary; instead she creates evocative scenes of dressed-to-scare young trick-or-treaters "modeling" their disguises and of undead spirits haunting their surroundings. The costumes, which span over a century, take on magical qualities through fanciful sets and specialized lighting effects.

Accompanying the costumes is a history of this always-popular holiday and essays discussing Galembo's inspirations and techniques. Through her art, Galembo allows us to act out our youthful fantasies of transformation -- to become, or at least observe, what we most want to be: free of inhibitions, of fixed notions of identity. Her images make us laugh and dream and maybe even believe in ghosts. Book jacket.

Halloween Costumes for Girls: Ways to Make Special and Amazing Costumes for Girls to Go Out in Halloween Mar 30 2021 Halloween costumes are costumes worn on or around Halloween, a festival which falls on October 31. An early reference to wearing costumes at Halloween comes from Scotland in 1585, but they may pre-date this. There are many references to the custom during the 18th and 19th centuries in the Celtic countries of Scotland, Ireland, Mann and Wales. It has been suggested that the custom comes from the Celtic festivals of Samhain and Calan Gaeaf, or from the practise of "souling" during the Christian observance of Allhallowtide. Wearing costumes and mumming has long been associated with festivals at other times of the year, such as on Christmas.

Easy & Great Funny Halloween Costume for Men Apr 30 2021 Some think that Halloween is a children's celebration, and that only an idle adult would be interested in participating. However, the fact is that adults should participate in the Halloween celebration preparations just as much as children do; from carving pumpkin masks to the dressing up ritual. Choosing the right costumes to wear may be a pain, particularly for guys. It may be that one wants to avoid seeming too childlike in front of peers, or that one wishes to avoid appearing too rigid and incapable of being enjoyable to be around. As a result, it is sometimes essential to seek assistance as a male when it comes to selecting a Halloween costume. One of the simple Halloween costumes that one may choose is the Groovy Guy costume. It consists of a blouse, a faux suede vest, and bell bottom trousers. It's the perfect option for a rock and roll Halloween party, and it's also excellent for role playing. You retain your adult appearance while yet blending in with Halloween revelers. Additionally, you may choose to choose a Super Hero persona such as Captain America, Flash Gordon, Thor, Transformers, Batman, or Superman. These characters are often characterized by very tight trousers, elaborate labels on their shirts, and, most notably, a distinctive mask that lends their persona a distinct appearance. While children like these characters and dress up as them, having a superhero costume is not always childish. Halloween is a day to let loose and enjoy yourself. As a result, do not be disheartened. It may also be appropriate for a party attended by children, since they are often huge admirers of such figures. Finally, there is the adult headless horseman, which is a little unsettling, particularly the concept of a decapitated man coming into a room. It may be beneficial, particularly when it comes to children and frightening them. It consists of a black vest with sleeves that has been securely attached to an ascot and a cape, as well as a headpiece and inflated shoulder components. There are many kinds of costumes that an adult may wear for Halloween; these are just a few.
