Once you have learned all the sounds, you will become a better reader and speaker of English. Includes: Pronunciation Self Test Examples Easy Step by Step Instructions For: All Ages Beginner Readers Becoming a Better Reader Learning to Speak English Parents, Teachers, Students 'You see, if only they didn't speak English in America, then we'd treat it as a foreign country - and probably understand it a lot better' 'the sanest man in America' - Bill Bryson 'Jon Sopel nails it' - Emily Maitlis **With a brand new chapter, charting Trump's first year in power** As the BBC's North America Editor, Jon Sopel has had a pretty busy time of it lately. In the time it's taken for a reality star to go from laughing stock to leader of the free world, Jon has travelled the length and breadth of the United States, experiencing it from a perspective that most of us could only dream of: he has flown aboard Air Force One, interviewed President Obama and has even been described as 'a beauty' by none other than Donald Trump. Through music, film, literature, TV and even through the food we eat and the clothes that we wear we all have a highly developed sense of what America is and through our shared, tangled history we claim a special relationship. But America today feels about as alien a country as you could imagine. It is fearful, angry and impatient for change. In this fascinating, insightful portrait of American life and politics, Jon Sopel sets out to answer our questions about a country that once stood for the grandest of dreams, but which is now mired in a storm of political extremism, racial division and increasingly perverse beliefs. This book examines the sociolinguistics and pragmatics of New Zealand English. The book details the structure and use of NZ English in a range of different social and regional contexts. Topics covered include the question of a New Zealand pidgin, changes in attitude to NZ English and differences in New Zealand women's and men's speech. Over 350 LESSONS to IMPROVE your ENGLISH "What's your good name?" "Myself..." "We'll revert back to you soon." "The meeting has been preponed." English is a challenging language even for native speakers, thanks to its confusing rules and exceptions. Moreover, some of us Indians tend to think in our mother tongue and then translate our thoughts to English, resulting in a number of common mistakes like the ones above. Language-related slipups can result in some hilarious as well as embarrassing moments. Many are mortified at the very thought of interacting in English for the fear of being ridiculed. To grow and be successful it is essential to acquire a formidable grasp over English. Whether you wish to obtain high scores in academics, excel in your career or expand your social circle, acquiring proficiency in English is a plus. NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day. Multilingualism in the English-Speaking World is the winner of the BAAL Book Prize 2005. Multilingualism in the English-Speaking World: Pedigree of Nations explores the consequences of English as a global language and multilingualism as a social phenomenon. Written accessibly, it explores the extent of diversity in 'inner circle' English speaking countries (the UK, the USA, Canada, South Africa, Australia and New Zealand) and examines language in the home, school, and the wider community. Considers the perspectives of English as a global language as well as multilingualism as a social phenomenon. Written in an accessible style that draws on contemporary real life examples. Examines the everyday realities of people living in 'inner circle' English-speaking countries, such as the UK, USA, Canada, South Africa, Australia and New Zealand. Discusses the theoretical issues that underpin current debates, drawing on research literature on societal multilingualism, language maintenance and shift, language policy, language and power, and language and identity. A compendium of the latest developments in research regarding English language education for Chinese-speaking learners, this volume combines cutting-edge research from multiple internationally-known scholars. The chapters offer unique insights into some of the most salient issues related to this broad topic. The seventh volume in the Global Research on Teaching and Learning English series, co-published with The International Research Foundation for English Language Education (TIRF), this book features chapters with original research written by TIRF Doctoral Dissertation Grant awardees. The volume addresses the crucial and growing need for research-based conversations on the contexts, environments, goals, and measures of success for Chinese-speaking learners of English. It includes sections on language assessment, perceptions in university contexts, and technology, especially in relation to young learners, in order to promote in-depth discussion of the teaching and learning of English for native speakers of Chinese. The volume's 13 research-based chapters discuss topics such as the impact and implications of using emerging assessment tools; the increase in English for Specific Purposes (ESP) courses; academic speaking and writing; and teaching in an online or hybrid environment. Throughout the book the authors draw on their knowledge of their multiple contexts, as well as their learners' needs and goals. This volume brings together innovative research for TESOL and TEFL students, language teacher educators, language policy specialists, language assessment scholars, and language teachers. Readers will become familiar with how these issues related to Chinese-speaking learners of English are being addressed in academic circles around the world.
