The Room on the Roof May 02 2021 *The Room on the Roof* is a timeless coming-of-age novel that will resonate with a whole new generation of readers. Unhappy with the strict ways of his guardian, Rusty runs away from home to live with his Indian friends into the dream-bright world of the bazaar, Hindu festivals and all manner of Indian life. Rusty is enthralled, and is lost forever to the prim proprieties of the claustrophobic European community.

Giving to God Oct 27 2020 *Giving to God* examines the everyday practices of Islamic giving in post-revolutionary Egypt. From foods prepared in Sufi soup kitchens, to meals distributed by pious volunteers in

slums, to almsgiving, these acts are ultimately about giving to God by giving to the poor. Surprisingly, many who practice such giving say that they do not care about the poor, instead framing their actions within a unique non-compassionate ethics of giving. At first, this form of giving may appear deeply selfish, but further consideration reveals that it avoids many of the problems associated with the idea of “charity.” Using the Egyptian uprising in 2011 and its call for social justice as a backdrop, this beautifully crafted ethnography suggests that “giving a man a fish” might ultimately be more revolutionary than “teaching a man to fish.”

The Go-Giver Dec 21 2022 'Most people just laugh when they hear that the secret to success is giving . . . Then again, most people are nowhere near as successful as they wish they were.' The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. One day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of successful 'go-givers' who teach him how to open himself up to the power of giving. The Silent Boy Oct 07 2021 From a Newbery Medal winner, a novel of tragedy and friendship in a turn-of-the-century farm town, “narrated by a perceptive, large-hearted child.”—Kirkus Reviews Katy Thatcher, the bright and curious daughter of the town doctor, was fascinated by her father’s work, and even as a child she knew that she too wanted to be a doctor. She wanted to know about people. Perhaps it was this, her insatiable curiosity, or simply the charm of Jacob’s gentle intimacy with animals large and small, that fueled their friendship. Although Jacob never spoke to her or even looked at her directly, Katy grew to understand him from the moments they spent together quietly singing to the horses. She knew there was meaning in the sounds he made and purpose behind his movements. So when events took an unexpected and tragic turn, it was Katy alone who could unravel the mystery of what had occurred, and why. A two-time recipient of the Newbery Medal, the New York Times-bestselling author of Number the Stars presents a sensitive, moving story of a young girl growing up at the beginning of the twentieth century and the influence of the farm

community around her. Through Katy's eyes, readers can see the human face so often hidden under modern psychological terminology and experience the haunting impact of her friendship with the silent boy. "The author balances humor and generosity with the obstacles and injustice of Katy's world to depict a complete picture of the turn of the century."—Publishers Weekly (starred review)

The Fall Jan 18 2020 Madeline Usher has been buried alive. The doomed heroine comes to the fore in this eerie reimaging of Edgar Allan Poe's classic short story "The Fall of the House of Usher." Gothic, moody, and suspenseful from beginning to end, The Fall is literary horror for fans of Miss Peregrine's Home for

Peculiar Children and Asylum. Madeline awakes in a coffin. And she was put there by her own twin brother. But how did it come to this? In short, non-chronological chapters, Bethany Griffin masterfully spins a haunting and powerful tale of this tragic heroine and the curse on the Usher family. The house itself is alive, and it will never let Madeline escape, driving her to madness just as it has all of her ancestors. But she won't let it have her brother, Roderick. She'll do everything in her power to save him—and try to save herself—even if it means bringing the house down around them. With a sinister, gothic atmosphere and relentless tension to rival Poe himself, Bethany Griffin creates a house of horrors and introduces a whole new point of view on a timeless classic. Kirkus Reviews praised it in a starred review as "A standout take on the classic haunted-house tale replete with surprises around every shadowy corner."

Gift and Giver Jun 15 2022 In *Gift and Giver*, leading New Testament scholar Craig Keener takes a probing look at the various evangelical understandings of the role of the Holy Spirit in the church. He explores topics such as spiritual gifts, the fruit of the Spirit, the Spirit's power for evangelism, and hearing God's voice. His desire is for Christians to "work for consensus, or at least for unity in God's work despite our differences on secondary matters." Employing a helpful narrative approach and an ample number of stories, Keener enters into constructive dialogue with Pentecostals, moderates, and cessationists, all the while attempting to learn from each viewpoint. He seeks to bridge the gap between cessationists and Pentecostals/charismatics by urging all Christians to seek the Holy Spirit's empowerment. His irenic approach to this controversial issue has been endorsed by charismatics and non-charismatics alike. Sure to provoke helpful dialogue on a topic that has caused unfortunate divisions within the church, *Gift and Giver* will be a valuable addition to college and seminary courses on pneumatology. It will also be helpful to lay readers interested in a balanced discussion of spiritual gifts. This repackaged edition includes an updated preface and a substantive new afterword.

The Seven Basic Plots Nov 27 2020 This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

Give and Take Sep 06 2021 A groundbreaking New York Times and Wall Street Journal bestseller that is captivating readers of Malcolm Gladwell, Daniel Pink, *The Power of Habit*, and *Quiet* For generations, we have focused on the individual drivers of success: passion, hard work, talent, and luck. But today, success is increasingly dependent on how we interact with others. It turns out that at work, most people operate as either takers, matchers, or givers. Whereas takers strive to get as much as possible from others and matchers aim to trade evenly, givers are the rare breed of people who contribute to others without expecting anything in return. Using his own pioneering research as Wharton's youngest tenured professor, Grant shows that these styles have a surprising impact on success. Although some givers get exploited and burn out, the rest achieve extraordinary results across a wide range of industries. Combining cutting-edge evidence with captivating stories, this landmark book shows how one of America's best networkers developed his connections, why the creative genius behind one of the most popular shows in television history toiled for years in anonymity, how a basketball executive responsible for multiple draft busts transformed his franchise into a winner, and how

we could have anticipated Enron's demise four years before the company collapsed--without ever looking at a single number. Praised by bestselling authors such as Dan Pink, Tony Hsieh, Dan Ariely, Susan Cain, Dan Gilbert, Gretchen Rubin, Bob Sutton, David Allen, Robert Cialdini, and Seth Godin--as well as senior leaders from Google, McKinsey, Merck, Estée Lauder, Nike, and NASA--Give and Take highlights what effective networking, collaboration, influence, negotiation, and leadership skills have in common. This landmark book opens up an approach to success that has the power to transform not just individuals and groups, but entire organizations and communities.

Go-Givers Sell More Jul 16 2022 The sequel to the international bestseller *The Go-Giver*, applying its

inspirational approach to real-world challenges. The Go-Giver took the business world by storm with its message that giving is the simplest, most fulfilling, and most effective path to success. It has inspired hundreds of thousands of readers; but some have wondered how the story's lessons stand up to the tough challenges of everyday, real-world business. Bob Burg and John David Mann answer that question in *Go-Givers Sell More*, a practical guide that turns giving into the cornerstone of a powerful and effective approach to selling. Most of us think of sales as a struggle to make people do something they don't really want to do. But that cut-throat mentality makes the process much harder than it has to be - especially in an economic downturn when customers are more suspicious and defensive than ever. It's far more effective (and satisfying) when salespeople think like Go-Givers and focus on creating value for the customer. Cultivate a trusting relationship and provide outstanding service, and great results will follow automatically. Illustrating their points with a wide range of real-life examples, Burg and Mann offer tips and strategies that anyone in sales can start applying right away.

They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others

brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.
