Living With The Dead

Supernatural May 15 2022 Publisher's Note: A new, expanded edition has replaced this book under the new title *Visionary: The Mysterious Origins of Human Consciousness*, ISBN 9781637480069 This definitive edition includes a new Introduction by Graham Hancock as well as restored chapters that were omitted from the original paperback release. Less than fifty thousand years ago mankind had no art, no religion, no sophisticated symbolism, no innovative thinking. Then, in a dramatic and electrifying change, described by scientists as "the greatest riddle in human history," all the skills and qualities that we value most highly in ourselves appeared already fully formed, as though bestowed on us by hidden powers. In *Supernatural* Graham Hancock sets out to investigate this mysterious "beforeandafter moment" and to discover the truth about the influences that gave birth to the modern human mind. His quest takes him on a detective journey from the stunningly beautiful painted caves of prehistoric France, Spain, and Italy to rock shelters in the mountains of South Africa, where he finds extraordinary Stone Age art. He uncovers clues that lead him to the depths of the Amazon rainforest to drink the powerful hallucinogen Ayahuasca with shamans, whose paintings contain images of "supernatural beings" identical to the animalhuman hybrids depicted in prehistoric caves. Hallucinogens such as mescaline also produce

visionary encounters with exactly the same beings. Scientists at the cutting edge of consciousness research have begun to consider the possibility that such hallucinations may be real perceptions of other "dimensions." Could the "supernaturals" first depicted in the painted caves be the ancient teachers of mankind? Could it be that human evolution is not just the "meaningless" process that Darwin identified, but something more purposive and intelligent that we have barely begun to understand?

Making a Change for the Stranger Mar 21 2020 Meet the New PI in Town, Whether She Likes It or Not Deb Powers leaves her old life as a private investigator behind. Hoping mountain life in Estonoa, Virginia, suits her better. Determined not to let her troublesome sheriff cousin draw her right back in. Deb never expects an odd case of disappearing tools to sneak right past her common sense. And open her eyes to all of the weird at the heart of her new home town. Also available in the collection *Investigations Beyond Belief* An excerpt from *Making a Change for the Stranger: A Case Too Odd To Ignore* "That is more than a little strange," Deb said. "I'm still not committing to anything, but what are you thinking? Want me to head over and check it out?" Terri blushed, and Deb knew the truly big ask was about to step out into the open at last. "Sure, that makes sense. But that really would be going back over ground we already covered. Trouble is we have so much ground to cover in the whole county that we're short-handed

most of the time. I don't have anyone trained to do what you do. And yes, I do know you're damn good at it." "Enough flattery, Sheriff Walsh. Cousin or not, cut it and get to the point. There have to be private investigators around here I'm sure." Terri held both hands up. "Absolutely, and fine investigators they are. They'd be none too happy with me if they knew I wanted to bring you in instead. But the truth is there's something strange here, Deb. I feel it, I know it in my bones. I don't trust anyone besides you to handle this one."

The Endless Text Nov 16 2019 Traces the history of chivalric fiction in Western Europe, from the earliest Celtic tales to the conflict between romance and realism in Don Quixote.

Otherworld Nights May 23 2020 'A taut, sensual thriller that grips from the first page. Elena Michaels is at once sublime and sympathetic, a modern heroine who shows that real women bite back.' - Karin Slaughter, The New York Times Sunday Times bestselling author Kelley Armstrong captivated readers with her Women of the Otherworld series of supernatural thrillers. In this new anthology, favourite characters return in stories of drama, danger and desire. Legendary werewolf partners Elena and Clay stalk the pages of this book, along with vampires, witches, half-demons and sorcerers. Filled with fan favourites and rarities, Otherworld Nights concludes with a brand-new novella, 'Vanishing Act'. This thrilling longer story is set after series finale 13, and

features much-loved characters Savannah and Adam as they begin a new life - and a mysterious new case - together. Now enjoy all of Michelle's major essays on this fascinating topic, collected for the first time in one volume. Find out why author Bram Stoker wrote about vampires -- and what real-life psychic vampire inspired the figure of Dracula. Learn about the history and development of the modern community of real vampires. Explore the allure of the vampire in modern culture, and meet members of the vampire underground who have made this potent archetype a fundamental part of their lives ...

The Supernatural in Tudor and Stuart England Dec 10

2021 The Supernatural in Tudor and Stuart England reflects upon the boundaries between the natural and the otherworldly in early modern England as they were understood by the people of the time. The book places supernatural beliefs and events in the context of the English Reformation to show how early modern people reacted to the world of unseen spirits and magical influences. It sets out the conceptual foundations of early modern encounters with the supernatural, and shows how occult beliefs penetrated almost every aspect of life. Darren Oldridge considers many of the spiritual forces that pervaded early modern England: an immanent God who sometimes expressed Himself through 'signs and wonders' and the various lesser inhabitants of the world of spirits including ghosts, goblins, demons and angels. He explores human attempts to comprehend, harness or accommodate these powers through magic and witchcraft, and the role of the supernatural in early modern science. This book presents a concise and accessible up-to-date synthesis of the scholarship of the supernatural in Tudor and Stuart England. It will be essential reading for students of early modern England, religion, witchcraft and the supernatural.

Gateways to the Otherworld Jun 23 2020

Destruction and Creation Sep 26 2020 The 14th Congress for Analytical Psychology was held 23-28 August 1998 in the ancient city of Florence, Italy. The theme, 'Destruction and Creation: Personal and Cultural Transformations', is especially appropriate to

the Italian setting, with that nation's history of destruction, both from nature and from human activity, and its tradition -- especially in Florence -- of creative individuals and institutions. The theme is fitting, also, to the context of Jungian psychology, with its emphasis on these and other pairs of opposites, with their integral role in psychic wholeness.

Acknowledging, also, that destruction is indispensable to creation, some Jungians prefer the term 'creative unconscious' to the traditional 'collective unconscious'.

Otherworld Jun 04 2021 She's a college bound teen until a mist sets her on a journey 100 years into a post-apocalyptic future. Will she be able to save the planet before a powerful evil overtakes the world? Jenna spends her summer counting down the days until she can get out of Kansas and start college. Summer ends abruptly when her parents whisk her off to an underground bunker as a deadly mist overtakes the world. As the world descends into chaos, conditions in the bunker become unstable, forcing Jenna and her family into stasis pods. She wakes up to utter chaos and the realization that she is something other than human. She learns that she is a Bloodfyre who has a mysterious purpose with a low survival rate. Some legends say they have the power to transform the world. These legends draw to her many enemies. The greatest of these enemies are the Unseelie fae. The same Unseelie fae that have been trying to transform the Earth into a place of darkness and despair for the last 100 years. As Jenna learns to survive in this new

reality of monsters, science fiction and magic, she has something her enemies do not. A flash drive full of information that could turn the tide against the Unseelie. With the Unseelie fae hunting her, the world falling further into chaos, will she be able to survive long enough to get the information to the Unseelie's sworn enemy in time? Otherworld is the first action-packed epic in the Bloodfyre Chronicles. If you like quirky characters, and post-apocalyptic settings with a little bit of magic, then you'll love S.E. Wright's thrilling novel!

The Otherworld in Myth, Folklore, Cinema, and Brain Science Sep 19 2022 This volume explores a dimension of reality usually scoffed at by rational-thinking individuals living in modern industrialized societies, but still experienced by these same individuals when they are in a stage of sleep known as rapid eye movement (REM) sleep; this is the stage in which vivid and bizarre dreams are a person's living reality. While in this stage, we believe what we experience is real, but then deny its reality upon awakening as we go about our daily routines. Yet, in many cases, a dream with vivid imagery and bizarre goings on is communicating with the dreamer in an archaic language directly associated with an "Otherworld" reality. This reality exists within us and expresses concepts and ideas about our realm of existence that pertain to our waking lives, as well as to an alternate, archaic life with its own language and ideas transcending physical reality. By studying

various myths and folk tales, along with cinematic portrayals of otherworldly experiences, commentary from modern individuals, and reports from traditional shamans who are experts at traversing the Otherworld reality, this text discerns the features and characteristics of this supernatural realm.

Contemporary research into the Otherworld marks this realm as corresponding to the unconscious substratum of the human psyche, what C.G. Jung referred to as the collective unconscious. Certain scientists have found evidence of its connection with various aspects of brain functioning, suggesting that the brain in many ways encourages a belief in the Otherworld. However, it would be a mistake to call the Otherworld a figment of the human imagination, since this realm seems to have a type of physical existence. The book considers the Otherworld to exist and provides reasons why rational-thinking individuals are hesitant to accept its existence even when their brains are telling them: the Otherworld is real, and you have just experienced it.

Godstone Powers Jan 23 2023 Hannah had a life before meeting the Kristensen twins, but she saw it utterly destroyed within 25 days. What started as a close friendship quickly spins out of control when a Blood-Wizard attacks the twins' father. Traven, Vonen, and Hannah lay plans for vengeance, but the action quickly escalates out of control with scenes of peril, depravity and the brutal death of her parents.

Otherworldly powers attempt to balance the scales

with the Blood-wizards sparking an intense, pulse-pounding all-out war destined to keep the pages turning...

The Strange Critter at the Old Johnston Place Nov 28 2020 Not the Best Place for a Good Night's Sleep Deb Powers finally gets to work. Helping an old friend with new potential upgrade his life. This time her cousin brings a case at a B&B in town that threatens the owner's sanity. A free stay plus a chance to investigate the bizarre proves too much for Deb to resist. Will she figure out the trouble before she loses her own sanity in the process? Also available in the collection Investigations Beyond Belief An excerpt from The Strange Critter at the Old Johnston Place: When an Old Friend Fears His Own Mind "Cliff's been finding things like his razor in the freezer," Terri said. "An egg inside his pillowcase, which unfortunately had not been hard-cooked first. Piles of salt and pepper in his underwear drawer, potting soil in the silverware drawer, and the remote for the television inside the oven. Apparently he checked inside before he turned it on a couple of days ago, because he melted a pair of his reading glasses in there last week." "And no one else has been inside?" Deb said. "Nope, not until he called me personally to come take a look," Terri said. "He hasn't seen anyone skulking around on any of the security recordings." "Maybe he'll let us install a few just for this?" Jeff said. "Help ease his mind?" "I don't think that would help Cliff feel better," Deb said. "Not unless it shows him sleepwalking, right? I'm going to

guess he's afraid he's doing all of it himself but just can't remember."

Magic of the Celtic Otherworld Dec 22 2022 First published in 1995 under the title: Glamoury: magic of the Celtic green world.

Drawing Spirit Dec 30 2020 A pioneering interdisciplinary study of the art, production and social functions of Late Antique ritual artefacts. Utilising case studies from the Graeco-Egyptian magical papyri and the Heidelberg archive it establishes new approaches, provides a holistic understanding of the multi-sensory aspects of ritual practice, and explores the transmission of knowledge traditions across faiths.

*Mythic Discourses Jun 16 2022 Mythic discourses in the present day show how vernacular heritage continues to function and be valuable through emergent interpretations and revaluations. At the same time, continuities in mythic images, motifs, myths and genres reveal the *longue durée* of mythologies and their transformations. The eighteen articles of *Mythic Discourses* address the many facets of myth in Uralic cultures, from the Finnish and Karelian world-creation to Nenets shamans, offering multidisciplinary perspectives from twenty eastern and western scholars. The mythologies of Uralic peoples differ so considerably that mythology is approached here in a broad sense, including myths proper, religious beliefs and associated rituals. Traditions are addressed individually, typologically,*

and in historical perspective. The range and breadth of the articles, presenting diverse living mythologies, their histories and relationships to traditions of other cultures such as Germanic and Slavic, all come together to offer a far richer and more developed perspective on Uralic traditions than any one article could do alone.

Imagine Dragons Dreaming Jan 19 2020

History, Culture, and Religion of the Hellenistic Age Feb 12 2022 While the first American edition of this book, published more than a decade ago, was a revised translation of the German book, Einführung in das Neue Testament, this second edition of the first volume of the Introduction to the New Testament is no longer dependent upon a previously published German work. The author hopes that for the student of the New Testament it is a useful introduction into the many complex aspects of the political, cultural, and religious developments that characterized the world in which early Christianity arose and by which the New Testament and other early Christian writings were shaped.

Otherworld Bound Apr 02 2021 Otherworld Bound is an adventure set in the near future at a time when space travel is still a dream for Earth. Greg Cordell, a young nuclear electronics scientist befriends a supply clerk co-worker who knows more about scientific things than a clerk should know, and who turns out to have special abilities. United National, a worldwide corporation that controls all activity on the planet has

replaced the old United Nations and brought a measure of stability to the planet. Now the government is global; and, unknown to the masses, is being infiltrated by aliens. When Cordell starts inquiring about a fugitive scientist from twenty years earlier, the government comes after him. Rescued by the Others, a breakaway group from Titan striving to live in peace, Greg is taken to various sites in the solar system while continuing to develop products to help people get away safe. Their only hope is to get as many as they can to some other world where they can live without tyranny. The developments they use to defend themselves prove a challenge for the alien government that is set to stop them at all costs. The intrigue and adventure of rescuing Nora Landers, Greg's romantic interest, and others from Earth proves to keep the reader anxiously waiting for the next development while the Others pursue their goal to be Otherworld Bound.

Masculinity and Marian Efficacy in Shakespeare's England Apr 14 2022 Masculinity and Marian Efficacy in Shakespeare's England offers a new approach to evaluating the psychological 'loss' of the Virgin Mary in post-Reformation England by illustrating how, in the wake of Mary's demotion, re-inscriptions of her roles and meanings only proliferated, seizing hold of national imagination and resulting in new configurations of masculinity. The author surveys the early modern cultural and literary response to Mary's marginalization, and argues that Shakespeare employs

both Roman Catholic and post-Reformation views of Marian strength not only to scrutinize cultural perceptions of masculinity, but also to offer his audience new avenues of exploring both religious and gendered subjectivity. By deploying Mary's symbolic valence to infuse certain characters, and dramatic situations with feminine potency, Espinosa analyzes how Shakespeare draws attention to the Virgin Mary as an alternative to an otherwise unilaterally masculine outlook on salvation and gendered identity formation.

Homo: A Gigantian Terror Oct 28 2020

Gateways to the Otherworld Jan 31 2021 Is there life after death? Is there a world outside our own? WHAT IF ANCIENT PEOPLE ALREADY KNEW THE ANSWERS TO THESE QUESTIONS? Acclaimed author Philip Gardiner proves that our ancestors were far more advanced "scientifically and spiritually" than previously believed. Through a special technique, ancient Egyptians and others were able to journey to other realities within themselves - in short, to the Otherworld. The author undergoes his own experiments to prove the point. Gardiner also shows that ancient people knew more about their place in the universe than previously thought. They placed buildings and objects in specific places around the globe because these points had a distinct relation to the universal and human wave resonance of electromagnetism. When the ancients journeyed to these places, they were joining with God and

visualizing the effect. The remarkable conclusions and discoveries in this book not only dispel some age - old myths, but also address questions such as:Is there a universal frequency that allows the mind to travel into other realms? Does the Great Pyramid hold a real secret to the quantum realm? What are those mysterious round towers found scattered around our planet? Is ESP real? What Gateways to the Otherworld uncovers are not just tales of ancient trips to other realms, nor theories on why stone circles were built in specific locations, but real answers based on thorough research and science.

Gateways to the Otherworld Jul 25 2020

Finding the Tracks to the Past May 03 2021 Echoes of a Plan Gone Wrong Deb Powers finally welcomes friends and family with a neighborly new addition. But renovation at the old train depot alerts her sheriff cousin to unexplained happenings. A perfect case to save Deb from making progress in the career change she might not want. Will she uncover the trouble before the whole town's plans derail for good? Also available in the collection Investigations Beyond Belief
An excerpt from Finding the Tracks to the Past: When New Changes Stir Up Old Trouble "Did Gina tell you what's happening at the depot?" Deb said. Terri took another big swallow of her beer and scooted around on the couch until she sat cross-legged and facing forward. "Not until this afternoon. But she's been calling in reports of trespassing that don't make sense all week long. Things knocked off shelves or knocked

over. Footprints all through the dust, inside and out. Tools moved around, doors either locked or unlocked, day and night. Same with windows. Got a few complaints of noise from people who live nearby, too, when no one was there working. Dead in the middle of the night." "Charming choice of words," Deb said. "Your deputies checked it out?" "Of course they did. Couldn't find a trace of anyone sneaking around, not outside of what Gina reported. I hate this for her, but apparently nothing happens when one of the patrol cars hangs around. That kind of thing can drive you crazy."

The Otherworld Trilogy Omnibus Oct 08 2021
Meghan Elam's life may not have been perfect, but at least it was somewhere just outside the realm of normal. Of course, it only gets worse when Cade MacRoich shows up and saves her from a pack of bloodthirsty monsters. However, Cade doesn't stop after playing the part of the redeeming hero. He informs Meghan that she is not human, but Faelorehn and immortal. With the help of her mysterious rescuer, Meghan gradually learns who she truly is and that danger waits for her around every corner, danger that only grows when she ventures into the Otherworld. Between a vindictive goddess nipping at her heels and a mother who has been keeping secrets from her, Meghan must learn her new place in a magical and terrifying world, a world she is now very much a part of.

Investigations Beyond Belief Aug 18 2022 When Clues

Point to Impossible, Deb Takes the Case Deb Powers probes an odd case of disappearing tools. Opening her eyes to all the strange goings on around her. Deb returns to an old haunt that now lives up to the name. A case too eerie and weird to ignore right under her feet. Strange nights at a new B&B threaten the owner's sanity. What Deb discovers makes her doubt her own mind. Eerie incidents at the local trail threaten the town's plans. A hidden mystery stirring up fear and trouble for everyone. Renovation at the old train depot uncovers bizarre clues. Deb calls in help to solve the puzzle before work derails. Deb Powers leaves life as a big city private investigator behind. Trying to ignore all the weird at the heart of her new hometown. But Deb's sheriff cousin needs help with so many unusual cases in Estonoa, Virginia. And wants a talented PI back on the job. Will Deb's ornery curiosity draw her into her old line of work with a new paranormal twist? Join Kari Kilgore on a delightful trip into the unexpected corners of her home, and imagination. With five original tales: *Making a Change for the Stranger, A Cave of Whispering Secrets, The Strange Critter at the Old Johnston Place, An Eddy of the Unexplained, and Finding the Tracks to the Past*

The Closed Book Jul 05 2021 A groundbreaking reinterpretation of early Judaism, during the millennium before the study of the Bible took center stage Early Judaism is often described as the religion of the book par excellence—a movement built around

*the study of the Bible and steeped in a culture of sacred bookishness that evolved from an unrelenting focus on a canonical text. But in *The Closed Book*, Rebecca Scharbach Wollenberg argues that Jews didn't truly embrace the biblical text until nearly a thousand years after the Bible was first canonized. She tells the story of the intervening centuries during which even rabbis seldom opened a Bible and many rabbinic authorities remained deeply ambivalent about the biblical text as a source of sacred knowledge. Wollenberg shows that, in place of the biblical text, early Jewish thinkers embraced a form of biblical revelation that has now largely disappeared from practice. Somewhere between the fixed transcripts of the biblical Written Torah and the fluid traditions of the rabbinic Oral Torah, a third category of revelation was imagined by these rabbinic thinkers. In this "third Torah," memorized spoken formulas of the biblical tradition came to be envisioned as a distinct version of the biblical revelation. And it was believed that this living tradition of recitation passed down by human mouths, unbound by the limitations of written text, provided a fuller and more authentic witness to the scriptural revelation at Sinai. In this way, early rabbinic authorities were able to leverage the idea of biblical revelation while quarantining the biblical text itself from communal life. The result is a revealing reinterpretation of "the people of the book" before they became people of the book.*

The Lore of the Bard Oct 20 2022 The only book

available on the complete practice of the Celtic bard, this title is designed for anyone drawn to the enchantment of Celtic music, myth, and poetry.

Airy Nothings: Imagining the Otherworld of Faerie from the Middle Ages to the Age of Reason Aug 06

2021 Airy Nothings contains eleven contributions on the scholarly and literary representations of the Otherworld of Faerie from the Middle Ages to the Enlightenment.

Religion, Culture, and the Monstrous Sep 07 2021
Religion, Culture, and the Monstrous: Of Gods and Monsters explores the intersection of the emerging field of “monster theory” within religious studies. With case studies from ancient Mesopotamia to contemporary valleys of the Himalayas to ghost tours in Savannah, Georgia, the volume examines the variegated nature of the monstrous as well as the cultural functions of monsters in shaping how we see the world and ourselves. In this, the authors constructively assess the state of the two fields of monster theory and religious studies, and propose new directions in how these fields can inform each other. The case studies included illuminate the ways in which monsters reinforce the categories through which a given culture sees the world. At the same time, the volume points to how monsters appear to question, disrupt, or challenge those categories, creating an ‘unsettling’ or surplus of meaning.

Global Frankenstein Mar 01 2021 Consisting of sixteen original essays by experts in the field,

including leading and lesser-known international scholars, Global Frankenstein considers the tremendous adaptability and rich afterlives of Mary Shelley's iconic novel, Frankenstein, at its bicentenary, in such fields and disciplines as digital technology, film, theatre, dance, medicine, book illustration, science fiction, comic books, science, and performance art. This ground-breaking, celebratory volume, edited by two established Gothic Studies scholars, reassesses Frankenstein's global impact for the twenty-first century across a myriad of cultures and nations, from Japan, Mexico, and Turkey, to Britain, Iraq, Europe, and North America. Offering compelling critical dissections of reincarnations of Frankenstein, a generically hybrid novel described by its early reviewers as a "bold," "bizarre," and "impious" production by a writer "with no common powers of mind", this collection interrogates its sustained relevance over two centuries during which it has engaged with such issues as mortality, global capitalism, gender, race, embodiment, neoliberalism, disability, technology, and the role of science.

Dungeon Lord Feb 24 2023 Dark forces are threatening everything that Dungeon Lord Edward Wright cares about... and they don't expect what they're about to get. Only a few weeks have passed since the Battle of Burrova, and Edward and his friends are busier than ever improving the Haunt and protecting the surviving villagers. Sadly, time is a scarce commodity in the world of Ivalis. Soon enough,

Ed finds himself thrown in conflict against the man behind the mindbrood's attack, a man who is seemingly capable of shrugging off mortal wounds and who is willing to unleash a devastating plague of undead against the Haunt and everyone inside. Only the otherworldly powers of a Dungeon Lord may be capable of protecting the Haunt against the rapidly approaching danger... but can Edward remain the same man if he exposes himself to the corrupting influence of that very same power?

Embodied Spirituality in a Sacred World Nov 21 2022
Presents an account of human development from a depth-psychological, transpersonal perspective.

Jesse Steele and the Secret of Otherworld Apr 21 2020
Jesse Steele never thought of himself as a hero. Why would he? After all, he was just a thirteen-year-old boy with a nice home, family and a passion for comic books. He read about heroes, he didn't need to be one. But when his life is altered by a tragic accident and the world as he knows it, is violently taken away, Jesse finds himself thrust into a strange and magical place known as "Otherworld," where reality is not what it seems, and imagination is everything. In a world ruled by a magic-wielding tyrant and filled with dangers untold, Jesse and his friends face many enemies and look into the eyes of true evil as they unravel the Secret of Otherworld. A secret that can transform the boy into a hero he never thought he could be. A hero that can free Otherworld from tyranny ... if he can survive!

The Otherworld and Beyond Jan 11 2022 Does God exist? Many have plagued the notion that he doesn't, but let the TRUTH be known for we are in our last days of tribulation. But why can't we speak to him if he does exist? People are people, they will think what they want to think, but if you listen to what the word says you will know. This book will take you on an experiential journey to and from the other worlds. It will teach you the way of life and the knowledge of vision thus create a bridge to the known and the unknown. The most important question that brew among the mind of the people will be answered. HE EXISTS. This book is in proof that he does.

Five Spellbinding Laws of International Larceny Aug 26 2020 Never steal from an evil wizarding mastermind. But if fate forces you into staging an international heist— Rule 1: Get your story straight before trying to smuggle magical items through customs. Rule 2: If you're going to use a forged passport, make sure you trust the sketchy dude who made your papers. Rule 3: Be familiar with the local laws BEFORE spells start flying. Rule 4: Never trust cats. Soft and fluffy on the outside, evil killing machines on the inside. Rule 5: Don't think being an ocean away from home will keep your troubles from catching up to you. Some shadows, you can't outrun. This is the final installment of The Tale of Bryant Adams. Cheery triumph is not guaranteed.

Bonds of Alliance Jul 17 2022 In the seventeenth and eighteenth centuries, French colonists and their

Native allies participated in a slave trade that spanned half of North America, carrying thousands of Native Americans into bondage in the Great Lakes, Canada, and the Caribbean. In Bonds of Alliance, Brett Rushforth reveals the dynamics of this system from its origins to the end of French colonial rule. Balancing a vast geographic and chronological scope with careful attention to the lives of enslaved individuals, this book gives voice to those who lived through the ordeal of slavery and, along the way, shaped French and Native societies. Rather than telling a simple story of colonial domination and Native victimization, Rushforth argues that Indian slavery in New France emerged at the nexus of two very different forms of slavery: one indigenous to North America and the other rooted in the Atlantic world. The alliances that bound French and Natives together forced a century-long negotiation over the nature of slavery and its place in early American society. Neither fully Indian nor entirely French, slavery in New France drew upon and transformed indigenous and Atlantic cultures in complex and surprising ways. Based on thousands of French and Algonquian-language manuscripts archived in Canada, France, the United States and the Caribbean, Bonds of Alliance bridges the divide between continental and Atlantic approaches to early American history. By discovering unexpected connections between distant peoples and places, Rushforth sheds new light on a wide range of subjects, including intercultural diplomacy, colonial law, gender

and sexuality, and the history of race.

Dungeon Lord Nov 09 2021 Dark forces have extended Edward Wright an offer of incredible power at a terrible cost.....and Edward has chosen to make them regret it. When Edward is swept into the world of Ivalis as a Dungeon Lord, the Dark's most powerful servant, he has no servitude in mind. He'll oppose the evil plans of the Dark god Murmur, whatever it takes. Through only his wits and his guts to help him survive a weakened arrival, Edward must rise to power if he is to earn the right to live another day. But in the battle between Dark and Light, what can Edward choose if both sides are cruel, uncaring monsters? Cold gods laugh in the distant world of Ivalis. Heroes chase after power and experience, while Kings send their armies to their deaths in the name of the Dark and the Light. But no one expects the rise of the Dungeon Lord... And in the world of Ivalis, maybe a single man can forge his own path.

Gateways to the Otherworld Feb 18 2020

Living With The Dead Oct 16 2019 'Paranormal and show-business power struggles make for hard-to-put-down entertainment.' - Booklist Robyn Peltier has always lived a normal life. So when her boss is murdered and she is named prime suspect, she is way out of her depth. As the bodies pile up only her friend Hope, and Hope's somewhat spooky boyfriend Karl, are on her side. Hope, meanwhile, has a few secrets of her own. Namely that she is half-demon, and her 'spooky' boyfriend is actually a werewolf. Hope also

knows that Robyn has accidentally stumbled into a bloody supernatural turf war. And the only way she can keep her friend alive is by letting her enter a world she's safer knowing nothing about . . . A brilliant novel of suspense with a supernatural twist - packaged in the stunning new Kelley Armstrong series style.
