Can anyone tell me what FOMO stands for? Everyone else seems to know. Actors have got Equity, Magicians have got the Magic Circle, but it's a shame ventriloquists don't have anyone to speak for them. As he awaits his fate, this pirate (none other than the delightful Smith Delaney from the Trophy Chase Trilogy) ponders his life and the events that have brought him to this fate. In the process of remembering, and in grappling with mercy and justice as they have been played out in his life, a tale is spun, a tale of true hearts wronged, noble love gone awry, dark deeds done for the sake of gold, and sacrifices made for love. In the end, our pirate will come face-to-face with himself, with his own death, and with a God who promises grace where none is deserved. Readers of Christian fantasy will once again be swept away by Bryan Polivka's compelling storytelling abilities. As Publisher's Weekly said of the author's first book, "readers will be flipping pages eagerly." St. James's unique biographical dictionary provides information concerning approximately 400 artists, nearly 300 of whom were living at the time of publication. Although the focus is on "fine artists"—sculptors, painters, and printmakers—the index groups artists by medium, listing photographers, illustrators, ceramists, performance artists, filmmakers, quilt makers, wood-carvers, and fiber artists. An index of nationalities lists 26 groups from Europe, Africa, and the Caribbean, but US artists predominate (approximately 300); Nigerians and Jamaicans are the second largest groups, with 16 listings each. The signed entries profile the artist and list the artist's exhibitions, the institutions holding the artist's work, and the artist's publications. Many entries provide photographs of the artists or examples of their work. All illustrations are black-and-white reproductions and are indexed separately. A four-part subject bibliography covers general works and works on African, African American, and Caribbean art. Profiles of some 80 advisers and contributors constitute the last section. College and university libraries and large public libraries need this survey of black artists. Copyright 1999 American Library Association.
