In the Forests of the Night Oct 16 2019 I was born to the name of Rachel Weatere in the year 1684, more than three hundred years ago. The one who changed me named me Risika, and Risika I became, though I never asked what it meant. I continue to call myself Risika, even though I was transformed into what I am against my will. By day, Risika sleeps in a shaded room in Concord, Massachusetts. By night, she hunts the streets of New York City. She is used to being alone. But now someone is following Risika. Someone has left her a black rose, the same sort of rose that sealed her fate three hundred years ago. Three hundred years ago Risika had a family -- a brother and a sister who loved her. Three hundred years ago she was human. Now she is a vampire, a powerful one. And her past has come back to torment her. This atmospheric, haunting tale marks the stunning debut of a promising fourteen-year-old novelist. From the Hardcover edition.

Amelia Thorn Apr 21 2020 The first photograph Amelia Thorn ever took was of her father on the beach in the 1930s as he stared wistfully out to sea. The last, some seven decades later, is of a familiar old woman teetering on the edge of life. Between those two clicks of the aperture Amelia experiences a lifetime of hardship, adventure, and growth, and rides a wave of chaos from Mourning, Mississippi, into all the pain and beauty the world has to offer. Through her lens, Amelia brings into sharp focus three generations, and her own life, as it starts and stops again and again. First

as a child in a small, stifling town in the Southern delta. Then as a new bride away from home and family for the first time. Later in hiding, abused, a baby lost and husband killed in war. And, finally, as something new for her and for the era -- a woman traveling the world under her own terms, without regret, and with a strength she never knew she had.

Amelia: My entire life I've lived in my father's shadow. As the Mayor's daughter, I'm expected to maintain a pristine reputation. Everything must be perfect. My days of tutors and piano lessons may be behind me, but the need to be my father's perfect daughter still rings true. However, I'm in college now - so why not have a little fun? It started out that way, anyway. When I decided to go to a party with my new friend Meg, I thought my college days were just beginning. My boring little life was finally getting the shake up that it desperately needed. Little did I know, I would become the captive of the devil himself. He says that I'm his. He calls himself my master.

Gabe: Well, well - Mr. Mayor couldn't pay up. I can't say that I'm surprised. The greedy bastard is more concerned about pocketing all that money masked as charity rather than paying his debts. I'm not a debt that you want to forget. I did, after all, kill that poor journalist that was putting his nose where it didn't belong. Not saying that I minded - no, not one bit. It's a high. Watching them writhe in pain, their bodies seizing up as every last

drop of hope is drained from their wide eyes. I live for it - the thrill of killing. Not to mention it keeps my wallet nice and plump. My clients know when they say they'll pay - they better pay. Otherwise, I take what I want from them. In most cases, the result is their own blood on my hands. Not this time though. This time I wanted her, and I always get what I want.

GABRIEL, which is the sequel to this novel, will be released no later than October 2015

Amelia Peabody Omnibus (Books 1-4) Sep 07 2021 The First four titles in the Amelia Peabody series at a great price. Amelia Peabody is Elizabeth Peters' most brilliant and best-loved creation, a thoroughly Victorian feminist who takes the stuffy world of archaeology by storm with her shocking men's pants and no-nonsense attitude! In this first adventure, our headstrong heroine decides to use her substantial inheritance to see the world. On her travels, she rescues a gentlewoman in distress - Evelyn Barton-Forbes - and the two become friends. The two companions continue to Egypt where they face mysteries, mummies and the redoubtable Radcliffe Emerson, an outspoken archaeologist, who doesn't need women to help him solve mysteries -- at least that's what he thinks! Join our plucky Victorian Egyptologist, together with her devastatingly handsome and brilliant husband Radcliffe, in another exciting escapade. When Lady Baskerville's husband Sir Henry dies after discovering what may have been an undisturbed royal tomb in Luxor, she appeals to eminent archaeologist Radcliffe Emerson and his wife Amelia to take over the excavation. Amid rumours of a curse haunting all those involved with the dig, the intrepid couple proceeds to Egypt, where they begin to suspect that Sir Henry did not die a natural death, and they are confident that the accidents that plague the dig are caused by a sinister human element, not a pharaoh's curse. The irascible husband of Victorian Egyptologist Amelia Peabody is living up to his reputation as 'The Father of Curses'. Denied permission to dig at the pyramids of Dahshoor, Emerson is awarded instead the 'pyramids' of Mazghunah - countless mounds of rubble in the middle of nowhere. Nothing in this barren spot seems of any interest but then a murder in Cairo changes all of that. The dead man was an antiques dealer, killed in his shop, so when a sinister-looking Egyptian spotted at the crime scene turns up in Mazghunah, Amelia can't resist following his trail. At the same time she has to keep an eagle eye on her wayward son Rameses and his elegant and calculating cat and look into the mysterious disappearance

of a mummy case... The 1985-96 season promises to be an exceptional one for Egyptologist Amelia Peabody, her dashing husband Emerson and their precocious eight-year-old son Rameses. The much-coveted burial chamber in Dahshoor is theirs for the digging. Yet there is a great evil in the wind that caresses the hot sands sweeping through the bustling streets and marketplaces of Cairo. An expedition cursed by misfortune and the daring moonlit abduction of Rameses alerts Amelia to the presence of her arch-enemy, the Master Criminal. And his is now a personal quest for the most valuable and elusive prize of all: vengeance on the meddling lady archaeologist with the parasol who has sworn to deliver him to justice...Amelia Peabody herself!

The Golden One Aug 26 2020 At the start of this fourteenth adventure for Amelia, which continues the wartime theme begun in Lord of the Silent, it is New Year's Eve, 1917. Risking winter storms and German torpedoes, the Emersons are heading for Egypt once again: Amelia, Emerson, their son Ramses and his wife Nefret. Emerson is counting on a long season of excavation without distractions but this proves to be a forlorn hope. Yet again they unearth a dead body in a looted tomb - not a mummified one though, this one is only too fresh, and it leads the clan on a search for the man who has threatened them with death if they pursue the excavations. If that wasn't distraction enough, Nefret reveals a secret she has kept hidden: there is reason to believe that Sethos, master criminal and spy may be helping the enemy. It's up to the Emersons to find out, and either prove his innocence or prevent him from betraying Britain's plans to take Jerusalem and win the war in the Middle East.

The History of Amelia (Classic Reprint) Nov 16 2019 Excerpt from The History of Amelia Sir, The following book is sincerely designed to promote the cause of virtue, and to expose some of the most glaring evils, as well public as private, which at present infest the country; though there is scarce, as I remember, a single stroke of satire aimed at any one person throughout the whole. The best man is the properest patron of such an attempt; this, I believe, will be readily granted: nor will the public voice, I think, be more divided, to whom they shall give that appellation. Should a letter, indeed, be thus inscribed, *Detur Optimo*, there are few persons who would think it wanted any other direction. I will not trouble you with a preface concerning the work, nor endeavour to obviate any criticisms which can be made on it. The good-natured reader, if his heart should be here affected, will be inclined to pardon many faults for the pleasure he will receive from a tender sensation; and for readers of a different stamp, the more faults they can discover, the more, I am convinced, they will be pleased. Nor will I assume the fulsome style of common dedicators: I have not their usual design in this epistle, nor will I borrow their language. Long, very long may it be, before a most dreadful circumstance shall make it possible for any pen to draw a just and true character of yourself, without incurring a suspicion of flattery in the bosoms of the malignant. Penny from Heaven Aug 18 2022 Newbery Honor-winning, New York Times-bestselling, and as full of fun and adventure as it is of deeper family issues. School's out for summer, and Penny and her cousin Frankie have

big plans to eat lots of butter pecan ice cream, swim at the local pool, and cheer on their favorite baseball team—the Brooklyn Dodgers! But sometimes things don't go according to plan. But even if the summer doesn't exactly start as planned . . . things can work out in the most unexpected ways! Set just after World War II, this thought-provoking novel also highlights the prejudice Penny's Italian American family must confront because people of Italian descent were "the enemy" not long ago. Inspired by three-time Newbery Honor winner Jennifer Holm's own Italian American family, *Penny from Heaven* is a story about families—about the things that tear them apart and the things that bring them back together. Includes an author's note with photographs and background on World War II, internment camps, and 1950s America, as well as additional resources and websites. Booklist: "Holm impressively wraps pathos with comedy in this coming-of-age story, populated by a cast of vivid characters."

Great Circle Mar 21 2020 NEW YORK TIMES BESTSELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK • The unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost: an "epic trip—through Prohibition and World War II, from Montana to London to present-day Hollywood—and you'll relish every minute" (People). After being rescued as infants from a sinking ocean liner in 1914, Marian

and Jamie Graves are raised by their dissolute uncle in Missoula, Montana. There--after encountering a pair of barnstorming pilots passing through town in beat-up biplanes--Marian commences her lifelong love affair with flight. At fourteen she drops out of school and finds an unexpected and dangerous patron in a wealthy bootlegger who provides a plane and subsidizes her lessons, an arrangement that will haunt her for the rest of her life, even as it allows her to fulfill her destiny: circumnavigating the globe by flying over the North and South Poles. A century later, Hadley Baxter is cast to play Marian in a film that centers on Marian's disappearance in Antarctica. Vibrant, canny, disgusted with the claustrophobia of Hollywood, Hadley is eager to redefine herself after a romantic film franchise has imprisoned her in the grip of cult celebrity. Her immersion into the character of Marian unfolds, thrillingly, alongside Marian's own story, as the two women's fates--and their hunger for self-determination in vastly different geographies and times--collide. Epic and emotional, meticulously researched and gloriously told, *Great Circle* is a monumental work of art, and a tremendous leap forward for the prodigiously gifted Maggie Shipstead.
