Die Boerevrou, 1899-1902 Jan 25 2020

Pretoria at War, 1899-1900 Jul 11 2021 The commemoration of the Anglo-Boer War of 1899-1902 has brought renewed interest in the fortunes and strategies of the two warring parties and the various battles that were won and lost. But it has also aroused great curiosity about how the ordinary South African people of all races experienced the war. This book looks at how the war impacted upon a particular community - that of Pretoria, the capital of the Transvaal

republic and the seat of the Boer government. When the war clouds gathered, how did Pretorians react? What were their emotions when war broke out and how did they cope with wartime conditions? The effect of the war on schools in the town, on commerce and industry, social activities and the provision of public amenities is described, as well as the way in which residents dealt with new challenges such as treatment of the wounded and the influx of prisoners of war. When the British troops under Lord Roberts began their inexorable march towards Pretoria, the people were thrown into panic. Would the town be defended, and if so what would become of them? As Roberts drew ever nearer, tension and dismay gave way to utter disbelief when President Kruger and his senior government officials left and the republic's funds were removed from the National Bank. There is also insight into why this general state of panic flared up into a period of crazy looting and disorder at the end of May 1900. Finally you will read of the occupation of Pretoria and how the ordinary people reacted when Roberts's weary troops plodded into Church Square in their thousands on the winter afternoon of 5 June 1900. This is a story - a true story - of how the people of Pretoria dealt with a crisis situation more than a hundred years ago. The Boer War has direct mirrors in the US war of independence. This book has a unique focus on one town and its citizens; and is relevant to all military historians throughout the world as the lessons can be extrapolated.

Boxed set: The Anglo-Boer War 963 Days / The Anglo-Boer War Maps, Stats & Facts Feb 18 2022 This bundle e-book volume contains both 'The Anglo-Boer War' and the accompanying 'Maps, Stats & Facts' volume from Pieter G Cloete.

Penkoppe van die Tweede Vryheidsoorlog, 1899-1902 Aug 12 2021

The South African War reappraised Mar 19 2022 This text brings together contributions from scholars in South African and imperial history to examine the international dimensions of the war, including a historiographical review of a century of writing on the origins of the war.

War of Words Feb 24 2020 Tussen 1899 en 1902 woedde in Zuid-Afrika een oorlog tussen de Boerenrepublieken en het Britse Rijk. Veel Nederlanders steunden in die tijd de Boeren. Dit uitte zich in een vloedgolf aan propagandamateriaal om een tegenwicht te bieden aan de Britse berichtgeving over de oorlog. Dit boek bevat een grondige analyse van de Nederlandse pro-Boeren-beweging vanaf haar begin in de jaren 1880. Kuitenbrouwer gaat in op de organisaties die de banden tussen Nederland en Zuid-Afrika trachtten aan te halen en zo belangrijke knooppunten werden in een internationaal netwerk. Aan de hand van bronnenmateriaal toont de auteur aan dat de propagandacampagne voor de Boeren nog lang nagalmd in de twintigste eeuw.0.

Oorsake Van Die Tweede Vryheidsoorlog 1899-1902 Oct 14 2021

The South African War Oct 02 2020 The South African War 1899-1902 (variously known as the Anglo-Boer, or to Afrikaners as the English War, die Engelseoorlog, or the Second War of Freedom, Tweede Vryheidsoorlog) continues to generate considerable interest among authors and readers alike, fascinated by a conflict that embodied human drama, tragedy, heroism and military and political folly on a grand scale.

A Century of Postgraduate Anglo Boer War (1888-1902) Studies Apr 20 2022 This study provides students, historians, other academics and scholars, as well as other researchers and anyone interested in the history of the Anglo-Boer War, with as comprehensive a list as possible of all postgraduate studies completed on any conceivable aspect of the war, as well as any other postgraduate studies which refer, to some extent, to the conflict.

Koerantuitknipsels in verband met die Tweede Vryheidsoorlog, 1899-1902 Dec 16 2021

The Boer War Oct 26 2022 This collections of essays by leading British and South African scholars, looking at the Boer War, focuses on three aspects: how the British Military functioned; the role of the Boers, Afrikaners and Zulus; and the media presentation of the war to the public.

Lord Roberts and the War in South Africa, 1899-1902 Feb 06 2021 In this Army Records Society Anglo-Boer War centennial commemoration volume, 111 mostly hitherto unpublished letters written by or to Lord Roberts (Commander-in-Chief from 1899) and several other relevant documents are reproduced in full. The book offers an insight into the conduct of the war.

In doodsgevaar Jan 29 2023 Min verhale uit die Anglo-Boereoorlog het lesers so aangegryp as die avonture van die Boere-James Bond, kaptein Koos Naude (1876-1956). Sy avonture, wat in 1904 vir die eerste keer onder die titel *In doodsgevaar* gepubliseer is, is in 1940 deur G.D. Scholtz verwerk en heruitgegee.

Selections from the Correspondence of Percy Alport Molteno, 1892-1914 Apr 08 2021

Die tweede vryheidsoorlog, 1899-1902 Sep 25 2022

Modern Military Geography Sep 13 2021 This book of contributed chapters by subject matter expertly provides an overview and analysis of salient contemporary and historical military subjects from the military geographer's perspective. Factors of geography have had a compelling influence on battles and campaigns throughout history; however, geography and military affairs have gained heightened attention during the past two decades, and military geography is the discipline best situated to explain them. Hence, the premise of this book and its contents are founded on the principle that geographical knowledge of space, place, people, and scale provide essential insights into contemporary security issues and promotes the idea that such insight is critical to understanding and managing significant military problems at local, regional, and global scales.

Journal of the Society for Army Historical Research Jul 31 2020

The Anglo-Boer War (1899-1902) Aug 24 2022 Based on many years of research with regard to the Anglo-Boer War, this book is essential reading for anyone who would like to know more about the most devastating conflict that has thus far been waged between white people in Southern Africa. However, with due course, this war also involved more and more black, brown and, to some extent, Asian people.

The Anglo-Boer War, 1899-1902 Jun 10 2021

The Anglo-Boer War 1899-1902: 963 Days Nov 27 2022 Since the start of the Anglo-Boer War today 120 years ago thousands of publications, written or typed reports and other creations have been produced to narrate the war events, express opinions on its origins, causes, course, results and legacy and on participants in the struggle. This process is ongoing, since the debate amongst both professional historians and interested amateurs on exactly what happened and why is still raging and new information on the war still crops up. The history of the Anglo-Boer War is truly a neverending discourse. As the author of a number of books on the war, I have consulted hundreds of both published and unpublished sources. Some were of limited value, but a small percentage of the published books were of such high value that they formed part of a small stack of books that found a permanent home on my desktop while I was in the writing process. Pieter Cloete's *The Anglo-Boer War – A Chronology*, both the original English version and the enlarged Afrikaans version published in 2010, was always part of that stack. It is to me a privilege to write a foreword for the user-friendly and meticulously researched book. It not only contains a wealth of information but a detailed source list and an extensive index. There are few, if any, more helpful reference books on the war and thus represents an essential resource to anyone with a more than superficial interest in the Anglo-Boer War. DR JACKIE GROBLER Historian and author Recently retired after 40 years at the Department of Historical and Heritage Studies, The University of Pretoria.

Die Boere-offisiere van die Tweede Vryheidsoorlog, 1899-1902 Jun 22 2022

Abraham Esau's War Dec 24 2019 This book describes the participation of black people in the conduct of the war, and their subsequent exclusion from the fruits of peace.

Die oorsake van die Tweede Vryheidsoorlog, 1899-1902 Nov 15 2021

The Unknown Van Gogh Mar 27 2020 Much has been written about Vincent van Gogh and his tempestuous relationship with his brother Theo. But few people know that there was a third Van Gogh brother, Cornelis, who was raised in the Netherlands, but worked, married and died in South Africa. The son of a Protestant minister, Cor spent his youth in a series of small Dutch towns, with idyllic holidays walking in the countryside with his artist brother, before troubles and tragedies beset the Van Gogh family. In 1889, the twenty-two-year-old Cor sailed to South Africa, where he worked as an engineer on the gold mines and on the railways. In the Anglo-Boer War he joined the Boers, first as a railway engineer and later on commando in the Free State, where in 1900 he suffered a

fate that echoed his famous brother's tragic end. The Unknown Van Gogh recreates South Africa in the tumultuous last decade of the nineteenth century; reconstructs the personal story of a young immigrant from letters and other archival documents; and explores his relationship with his famous brother Vincent. With new insights based on original research, this book uncovers a figure who has been forgotten by history.

The Boer War May 21 2022 Provides a guide to the historiography of a war that is still debated in Great Britain and has significant nationalist overtones in South Africa.

Die geskiedenis van die tweede vryheidsoorlog in Suid-Afrika, 1899-1902: Die eerste Britse offensief, nov.-des. 1899 Nov 22 2019

Brothers in Arms May 09 2021 At the outbreak of the Second Anglo-Boer War in 1899, a large number of Hollanders and Dutch expatriates joined the Boers, their reasons ranging from loyalty to their common ancestry to strong anti-British sentiments and a search for adventure. *Brothers in Arms* documents the trials and tribulations of these volunteers – most of them unaccustomed to the harsh landscape and climate of South Africa. Quotations and personal anecdotes from their diaries and memoirs vividly bring to life their hardships on commando, the thunder and chaos of battle, and the trauma of comrades falling around them. Some of the prominent figures in the book are Cornelius van Gogh, brother of the painter Vincent van Gogh; the Dutch artist Frans Oerder, who became the Transvaal's first official war artist; Jochem van Bruggen, four-times winner of the coveted Hertzog Prize for Afrikaans literature; and Rev. Herman van Broekhuizen, who played rugby for South Africa in 1896 and later served as South African ambassador in The Hague. *Brothers in Arms* covers the full spectrum of the Hollanders' roles as soldiers at the various battle fronts, ambulance personnel and military attachés, and their life in prisoner-of-war camps overseas.
