National Curriculum Maths Practice Book for Year 5 Jan 24 2023 This book can help your child by providing a whole year of ready to go activities and support on key Mathematics topics which will be being taught in school from 2014. Did you know that children in Year 5 now need to; know and use prime numbers, prime factors and composite numbers; know all tables facts up to 12 x 12; understand and use equivalences between metric and imperial units such as inches, pounds and pints? * Workbooks for home learning * Linked directly to what your children will be learning in school * A linked website provides additional activities, answers and support for parents * Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.

Power Maths Year 6 Textbook 6A May 16 2022 The whole-class mastery approach that works for every child. Underpinned by the most effective teaching practices, and created by a team of mastery experts led by Series Editor Tony Staneff, Power Maths is designed to make the whole-class mastery teaching approach work for you, your children and your school. The powerful lesson structure of Power Maths comes to life through the high-quality textbooks. They provide a coherent structure through the curriculum and support children on their journey to deeper understanding. The textbooks set out the core learning objectives for the whole class. 'Discover', 'Share' and 'Think Together' sections help promote discussion and ensure mathematical ideas are introduced to children in a logical way to support conceptual understanding. Engaging contexts for problem solving help children to discover patterns and concepts for themselves in a meaningful way. Clear mathematical structures and representations (using the Concrete-Pictorial-Abstract approach) ensure children make connections and grasp concepts. Lovable characters prompt and question children to promote reasoning skills and help to build a growth mindset.

National Curriculum Maths Practice Book for Year 2 Jul 18 2022 This book can help your child by providing a whole year of ready to go activities and support on key Mathematics topics which will be being taught in school from 2014. National Curriculum English Practice Book for Year 2 Dec 23 2022 This book can help your child by providing a whole year of ready to go activities and support on key English topics which will be being taught in school from 2014. Did you know that your child in Year 2 will now need to; be able to distinguish between homophones and near-homophones (such as 'their', 'there' and 'they're'); write different types of sentences, such as statements, exclamations and commands; learn how to use an apostrophe for possession, for example John's. * Workbooks for home learning * Linked directly to what your children will be learning in school * A linked website provides additional activities, answers and support for parents * Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.

National Curriculum English Practice Book for Year 6 Aug 19 2022 This book can help your child by providing a whole year of ready to go activities and support on key English topics which will be being taught in school from 2014. Did you know that your child in Year 6 will now need to; spell words with silent letters (such as 'island'); use the subjunctive (using 'were' and 'be' to say things that may or may not be true or about wishes, for example: 'If I were Prime Minister I would make weekends longer' but you're not the Prime Minister so you can't); use expanded noun phrases to convey complicated information concisely. * Workbooks for home learning * Linked directly to what your children will be learning in school * A linked website provides additional activities, answers and support for parents * Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.
