From fiber artist Toni Lipsey of TL Yarn Craft, an introduction to the craft of Tunisian crochet—a unique crochet style that looks more like knitting—with 20 projects for beginners There are hundreds of books that explore traditional crochet, but there are few that reference the concept of Tunisian crochet or present it in a modern, approachable way. The Tunisian Crochet Handbook introduces this fascinating and rewarding technique with a wide array of stitches and design possibilities. The goal of this book is to guide crocheters step-by-step through Tunisian crochet, starting with tools and yarns, transitioning into how-to's and stitches, and finishing with easy but engaging patterns. The book includes instructional sections and patterns, complete with the necessary schematics and styled, chic photographs. Every shawl, garment, and accessory featured takes makers beyond the

basics, introducing new stitches to expand their skill sets. In this way, author Toni Lipsey is reintroducing crochet and encouraging makers to explore the craft further with each new design. Crochet continues to grow in popularity, and this guidebook offers a new take on the timeless classic, one that readers won't be able to find anywhere else. "Basics & beyond, special helps, tools, yarns, professional touches"--Cover. The visual way to get hooked on crochet The art of crocheting is timeless-and its popularity is evident in the surge of modern, sophisticated techniques like amigurumi and Tunisian crochet. About the Author Courtney Vanderhorst is a seasoned crafter with over six years of crochet experience. She developed a love for crafts and creating from a young age with the help of her stubborn nature

and access to internet tutorials. From crochet to knitting to cross stitch, no string-related crafts are off the table, and this adds to the wealth of craft knowledge she's attained. A technical writer by day and crafter by night, this is the first project combining her love for writing and craft. Though most of her work is corporate-style writing, she finds writing in a fun casual style refreshing and is slowly developing a new personal style for creative writing. HowExpert publishes how to guides on all topics from A to Z by everyday experts. There are five darling dolls for babies, toddlers, and school children. Many fun characters have sprung to life to bring the little loves in your life an abundance of stories, adventures, and of course comforting hugs. With this book in one hand and a crochet hook in the other, you'll be able to make the most charming companions in no time. You'll surely fall in love with the wide array of details, the cute color combinations, and the loving expressions in these toys. If you want to crochet recycled items, then get "How To Crochet Recycled Materials" guide. Are you the sort of person who hates throwing anything away that might still have a use? Do you enjoy bargain hunting and crocheting? Then this guide is definitely for you! With the help of straight forward, easy to follow instructions and step-by-step photos, you'll learn how to: - See the world around you through a new lens that turns just about everything into a possible crochet material; - Save money on yarn while still being able to create beautiful projects; - Choose sweaters that are good candidates for unraveling and reuse; - Figure out what sort of fiber a mystery yarn is made from; - Unravel a sweater the easy, fast

way; - Roll a center-pull yarn ball like the ones seen in stores; - Make yarn from plastic grocery bags; - Make yarn from old jeans; - Make yarn from old t-shirts; - Use your new yarns to make fun and useful items like afghans, hot pads, and purses; - And more! There's also no need to worry about being a master crocheter, sewer, or crafter in general. The techniques used to create yarns as well as work with them are all very basic. If you can use scissors and if you've mastered the most basic of crochet stitches, then you'll feel like an expert within minutes with the help of this guide. About the Expert Sarah Olson has been crocheting for nearly ten years, and is always looking for new ways to innovate within her craft. She first stumbled upon crocheting with recycled materials when she saw a pile of worn out sweaters her mother planned to throw away. Instead of seeing stretched-out material and threadbare spots, she saw the potential that was still hidden in the bright colors and soft textures. After much trial and error, these sweaters went on to become a beautiful afghan that's still in use today! She hopes that her guide will save fellow crochet enthusiasts time by allowing them to bypass all the experimentation, and help keep useful materials out of landfills as well!
